You Can Tell by the Smell Jul 30 2020 Full of bright and imaginative illustrations, this easy to read children's book takes you on a smelling adventure! This is an adorable story of a young girl who enjoys the company of her service dog. The reader asks the young girl how she is aware of what is happening around her - and her answer is always, "You can tell by the smell!" There is no focus on this child's limitations or why she even requires a service dog; the book just simply and artistically conveys what she CAN do. This is a lovely read for children AND grownups! After enjoying this bright and amusing book, you'll find yourself also saying, "YOU CAN TELL BY THE SMELL!" to everyone!

Business Statistics May 08 2021 Business Statistics offers readers a foundation in core statistical concepts using a perfect blend of theory and practical application. This book presents business statistics as value added tools in the process of converting data into useful information. The step-by-step approach used to discuss three main statistical software applications, MS Excel, Minitab, and SPSS, which are critical tools for decision making in the business world, makes this book extremely user friendly. India-centric case studies and examples demonstrate the many uses of statistics in business and economics. The underlying focus on the interpretation of results rather than computation makes this book highly relevant for students and practising managers. Practice quizzes and true/false questions for students, and lecture slides and solutions manual for instructors are available at
