Little League, Big Dreams Mar 17 2022 It's just like the pros: bright lights, screaming fans, squawking commentators and five million people watching you play your heart out on national television for the right to be called champions. But these are not pampered multimillion-dollar athletes; they are 11- to 13-year-old kids. The 2005 World Series was the most dramatic in the 58-year history of the Little League. With full access to the players, coaches and parents associated with both teams who played in that game, Charles Euchner delivers an astonishing and dramatic narrative that delves into every aspect of the little league game. "Even those with only a passing interest in baseball will be intrigued by this fascinating look at Little League, 'the largest amateur sports organization in the world.'" —Publishers Weekly "Readers can expect to learn a great deal about the history of Little League and the stories behind many teams. This well-written book will inform and entertain." —Library Journal

As They See 'Em Jun 27 2020 Millions of American baseball fans know, with absolute certainty, that umpires are simply overpaid galoots who are doing an easy job badly. Millions of American baseball fans are wrong. As They See 'Em is an insider's look at the largely unknown world of professional umpires, the small group of men (and the very occasional woman) who make sure America's favorite pastime is conducted in a manner that is clean, crisp, and true. Bruce Weber, a New York Times reporter, not only interviewed dozens of professional umpires but entered their world, trained to become an umpire, and then spent a season working games from Little League to big league spring

training. *As They See 'Em* is Weber's entertaining account of this experience as well as a lively exploration of what amounts to an eccentric secret society, with its own customs, its own rituals, its own colorful vocabulary. (Know what a "whacker" is? A "pole bender"? "Rat cheese"? Think you could "strap it on" or "take the stick"?) He explains the arcane set of rules by which umpers work and details the exasperating, tortuous path that allows only a select few to graduate from the minor leagues to the majors. He describes what it's like to work in a ballpark where not only the fans but the players, the managers and coaches, the announcers, the team owners, and even the league presidents, resent them -- and vice versa. And he asks, quite sensibly, why anyone would do a job that offers the chance to earn only blame and never credit. Weber reveals how umpers are tutored to work behind the plate, what they learn to watch for on the bases, and how proper positioning for every imaginable situation on the field is drilled into them. He describes how they're counseled to respond -- or not -- to managers who are screaming at them from inches away with purposeful inanity, and tells us exactly which "magic" words result in an automatic ejection. Writing with deep knowledge of and affection for baseball, he delves into such questions as: Why isn't every strike created equal? Is the ump part of the game or outside of it? Why doesn't a tie go to the runner? And what do umpers and managers say to each other during an argument, really? In addition to professional umpires, Weber spoke to current and former players including Alex Rodriguez, Barry Bonds, Tom Glavine, Barry Zito, Paul Lo Duca, Kenny Lofton, Ron Darling, and Robin Yount, as well as former baseball commissioner Fay Vincent, Atlanta Braves manager Bobby Cox, Chicago White Sox manager Ozzie Guillen, Detroit Tigers manager Jim Leyland, and many others in the professional game. He attended the 2006 and 2007 World Series, interviewing the umpire crews who called those games and who spoke candidly about the pressure of being scrutinized by millions -- maybe billions! -- of fans around the world, all of them armed with television's slo-mo, hi-def instant replay. As fans know, in 2008, a rash of miscalled home run balls led baseball, for the first time, to use replay to help big league umpers make their decisions. Weber discusses these events and the umpires' surprising reaction to them. Packed with fascinating reportage that reveals the game as never before and answers the kinds of questions that fans, exasperated by the clichés of conventional sports commentary, pose to themselves around the television set, Bruce Weber's *As They See 'Em* is a towering grand slam.

Coaching Youth Baseball the Ripken Way Feb 04 2021 Coaching young players, developing their skills, and cultivating a love for the sport may be the most rewarding experience baseball can offer. Cal and Bill

Ripken understand this like few others. From their father, Cal Sr., a legend in the Baltimore Orioles organization for 37 years, they learned to play the game the right way. Those lessons, paired with their combined 33 years of big league experience, helped develop the Ripken Way, a method of teaching the game through simple instruction, solid explanations, encouragement, and a positive atmosphere. In *Coaching Youth Baseball the Ripken Way*, Cal and Bill share this approach to coaching and development. Whether you're teaching your children at home, managing the local travel team, or working with high school-level players, *Coaching Youth Baseball the Ripken Way* will help you make a difference both on and off the field, with these features:

- More than 50 drills covering defense, hitting, pitching, and baserunning
- Age-specific practice plans for players ranging from 4 to 15+
- Strategies for setting goals and reasonable expectations for your players and team
- Advice on communicating with parents, players, and staff
- Methods for creating a positive and fun environment in which kids can learn the skills and strategies of the game

Bill Ripken was once voted by his peers as one of the big league players most likely to become a manager. Cal Ripken, Jr., known as baseball's Iron Man, is a member of the game's All-Century Team and a future Hall of Famer. Together, they are proof positive that the Ripken Way is the right way to teach the game of baseball.

Changing the Game Apr 06 2021 PERPERience to take us behind the scenes of competitive youth sports, and demonstrates how they have changed from being a fun pastime to an ultra competitive, adult centered enterprise that is failing our children.

World Battles and Their Leaders Who Changed Global History Nov 25 2022 "A quick reference in world history for junior, senior, and, if necessary for college students."--Page v.

Rules of the Game Sep 11 2021 Here's a celebration of baseball in poetry and the poetry in baseball. Baseball is a game of fine points and grand gestures, small blunders and bold accomplishments--the hook slide into second, the humble bunt, the unexpected wild pitch, the bases-loaded home run. Poet and baseball fan Marjorie Maddox pays tribute to these and other details that make the national pastime an enduring and engaging sport for players and fans alike. Surprising wordplay and striking images offer a unique perspective of this classic American game.

Deportes Jan 15 2022 Deportes uncovers the hidden experiences of Mexican male and female athletes, teams and leagues and their supporters who fought for a more level playing field on both sides of the border. They proved that they could compete in a wide variety of sports at amateur, semiprofessional, Olympic and professional levels.

Youth Baseball Drills Jun 08 2021 "Youth Baseball Drills" features helpful tips to make on-field practice more fun and can be employed to

develop players' understanding, skills, and love for the sport.

Heroes and Hierophants Jul 21 2022 Heroes And Hierophants is the culmination of a year of innovative writing from three of today's hottest underground authors. The plan was simple: each week one of them would propose a topic, and they would each have a week to write about it. Then the next week another would give a topic, and so forth for the whole of the year. From this simple high concept beginning, Marcus D'Ambrose, Douglas Palermo and Noel Rogers took the project into directions entirely unprecedented. From serious god knowledge to rape jokes, the fearless trio push the envelope, lift the skirt of reality and explore the boundaries of the written word. What is already described as "a bold and visionary experiment in 21st century literature" (The Milville Times) and "perhaps the first look at a new integral method for the evolution of the species into cosmic awareness" (The Dobbs Ferry Clarion) is finally ready for download into your consciousness. Are you ready for it?

Forty Years of Practice Mar 25 2020 Forty Years of Practice Divorce, ADHD, cancer, knee replacement, depression, rock bottom-just one of these words would make some people run for the hills, hair on fire, making deals with the devil to make the pain go away. Two of these words may leave people contemplating their place on earth, asking, "Why is God doing this to me?" Tezlyn Reardon looked each of these words square in the eyes and came out the victor, but it wasn't easy and it wasn't without hesitation and fear. She also didn't do it alone, even if it wasn't obvious at the time. We all go through seasons in our life and each at different intervals and intensities. Life is less about what happens to you and more about how you choose to react. There is significance in everything that happens to us. There is significance in every person we interact with, even if only for a brief time. If you react with disappointment or anger when someone hurts you, then you will continue to feel that anger build up inside of you until you can't hold it any longer and take it out on others. If you react with forgiveness, compassion, and understanding that people are going to let you down, that they are not put on this earth to make you happy, then you will feel at peace, able to move on in a better state of mind. No one will go through the exact same peaks and valleys, and it may take a few extra peaks and valleys to get the message through, but Reardon shares how she is still here, still alive, and still thriving, with the scars to prove it.

Sport Psychology for Coaches May 07 2021 This book presents an applied approach to sport psychology and is designed to enable coaches and students to understand key sport psychology tools. It provides coaches with a practical discussion of motivation, communication, stress management, mental imagery and other important topics. It is a reader-friendly organisation that includes: learning objectives that

introduce each chapter; sidebars illustrating sport-specific applications of key concepts and principles and chapter summaries.

Wasted Years Jun 20 2022 Many people today are bound by the chains of addiction, whether they are addicted to gambling, alcohol, drugs, or other behaviors. But in a world focused on pleasure and instant gratification, where can we turn to find lasting and meaningful guidance and start on the road to true recovery and restoration of our entire personmind, body, and soul? In *Wasted Years*, author Duane Clarke shares his own powerful personal testimony of how God redeemed him from a thirty-year gambling addiction that nearly ruined his life, family, and finances. Duane invites those who may be struggling with addiction to be assured that they, too, can give up sin and gain victory over whatever problem they have; they can live the good life and become that person who God intended them to be. We are on this earth for one reason, and that is to serve God, live for God, and live without sin and we can accomplish all of this because of the amazing grace God gives us. It is a free gift, and if you are bound by the chains of addiction, the salvation of Christ can free you from your bonds. God delivered and restored Duane, and God will do the same for you.

A Basic Guide to Softball Mar 29 2023 Whether you're a newcomer to the game or a league player looking to sharpen your skills and understanding, *A Basic Guide to Softball* will enhance your appreciation of the history of the sport and its rules and fundamentals. You'll learn the basic skills and strategies needed for each position, find out how to choose and care for your equipment, and meet the members of the Olympic Gold Medal-winning USA Softball Team. Special features include: Results of the 2000 Olympic Games in Sydney, Australia; profiles of US Women's Softball Team members; history of Softball in the Olympic Games; rules for Fast Pitch, Modified Pitch, Slow Pitch, and 16-Inch Slow Pitch; practical advice about health and fitness; guidelines for players, parents, fans, and volunteers

Women's College Softball on the Rise Feb 28 2023 Sidestepping the inflated egos and scandal that have infiltrated many men's sports, college female softball players exhibit power and grace on the field as well as camaraderie, high achievement and vulnerability off the field. This balance not only makes the game compelling to watch, but it also elevates women's softball as an aspirational model for other sports. Focusing on the 2018 season, this book explores gender performance and sexuality in softball, how the influx of money from the sport's growth has reshaped expectations of success, and traditional media coverage of women's sports.

The Official Rules of Softball Apr 18 2022 The essential resource for players and fans of the game. Included are the sport's official playing rules, pitching regulations, referee signals, and field diagrams for fast and slow pitch, both 12 inch and 16 inch.

The Baseball Codes Sep 30 2020 An insider's look at baseball's unwritten rules, explained with examples from the game's most fascinating characters and wildest historical moments. Everyone knows that baseball is a game of intricate regulations, but it turns out to be even more complicated than we realize. All aspects of baseball—hitting, pitching, and baserunning—are affected by the Code, a set of unwritten rules that governs the Major League game. Some of these rules are openly discussed (don't steal a base with a big lead late in the game), while others are known only to a minority of players (don't cross between the catcher and the pitcher on the way to the batter's box). In *The Baseball Codes*, old-timers and all-time greats share their insights into the game's most hallowed—and least known—traditions. For the learned and the casual baseball fan alike, the result is illuminating and thoroughly entertaining. At the heart of this book are incredible and often hilarious stories involving national heroes (like Mickey Mantle and Willie Mays) and notorious headhunters (like Bob Gibson and Don Drysdale) in a century-long series of confrontations over respect, honor, and the soul of the game. With *The Baseball Codes*, we see for the first time the game as it's actually played, through the eyes of the players on the field. With rollicking stories from the past and new perspectives on baseball's informal rulebook, *The Baseball Codes* is a must for every fan.

The Umpire Strikes Back Dec 02 2020 Here is Ron Luciano, the funniest ump ever to call balls and strikes. A huge and awesome legend who leaps and spins and shoots players with an index finger while screaming OUTOUTOUT!!! Now baseball's flamboyant fan-on-the-field comes out from behind the mask to call the game as he really sees it. There's the day the automatic umpire debuted at home plate—and struck out. The time Rod Carew stole home twice in one inning, and Earl Weaver stole second base—and took it back to the dugout. The pitch Tommy John dropped on the mound, which Luciano called a strike. And there's the fantastic phantom double play, the impossible frozen ice-ball theory, and, another first, Luciano picking Harmon Killebrew off second base. From brawls to catcalls, from dugout jokes to on-the-field pratfalls to one-of-a-kind conversations with baseball's greats, Ron Luciano, the only umpire who confessed to missing calls, takes a few grand slam swings of his own. It is baseball at its best.

rules, the Playing Rules Committee"--Back cover.

Batting Order Dec 22 2019 A New York Times bestseller From acclaimed author of the Home Team series Mike Lupica comes an inspiring novel about the heart and soul of baseball. On or off the field, Ben and Matt couldn't be more different. Ben Roberson is an all-or-nothing player: he's big, he's bold, and he's brash. Ben's swing can hit a ball right out of the park—but that's if he can get a hit at all. Matt Baker is small, and shy, and his stutter has him avoiding the spotlight—even if he's the best all-rounder on the team. But while Matt knows he's got the chops, a part of him has always envied "Big Ben" and his attention-grabbing charm. So it's a total shock when Ben asks Matt to help him work on his swing. Because Ben can't put the ball into play, and his showboating comes at the expense of the team. And even though Matt's trying to help, Ben doesn't seem to take him seriously, especially when it means toning things down. The end of the season is fast approaching—is there enough time for Ben to realize bigger isn't always better? For Matt to understand that sometimes, being the bigger person means standing up for yourself? Or will they have to accept defeat?

Texasville Feb 22 2020 With Texasville, Larry McMurtry returns to the unforgettable Texas town and entertaining characters from one of his best-loved books, The Last Picture Show. This is a Texas-sized story brimming with home truths of the heart, and men and women we recognize, believe in, and care about deeply. Set in the post-oil-boom 1980s, Texasville brings us up to date with Duane, who's got an adoring dog, a sassy wife, a twelve-million-dollar debt, and a hot tub by the pool; Jacy, who's finished playing "Jungla" in Italian movies and who's returned to Thalia; and Sonny—Duane's teenage rival for Jacy's affections—who owns the car wash, the Kwik-Sackstore, and the video arcade. With his talent for writing lovable, eccentric characters, Texasville is one of Larry McMurtry's funniest and most touching contemporary novels.

Baseball Apr 30 2023 Baseball: An Encyclopedia of Popular Culture looks at American society through the prism of its favorite pastime, discussing not only the game itself but a variety of topics with significance beyond the diamond. Its 269 entries, which vary in length from two hundred to twenty-five hundred words, explore the game's intersection with race, gender, art, drug abuse, entertainment, business, gambling, movies, and the shift from rural to urban society. Filled with larger-than-life characters, baseball legends, sports facts and firsts, important milestones, and observations about daily life and popular culture, this encyclopedia is not only an excellent reference source but also an enjoyable book to browse.

Prize Pony Dec 26 2022 A magical new series where best friends become Secret Princesses! In the sparkly second series, Princess Poison has stolen Princess Ella's magic wand. Without it, Princess Ella won't be

able to grant any animal-related wishes. Best friend and Secret Princess trainees, Charlotte and Mia, have to help Princess Ella get her wand back by granting four animal-related wishes. Can they help Grace with her pony competition and make her wish come true?

Once a Fan Aug 10 2021 Jim Chernesky's first documented act in the sports world was making his own baseball cap in kindergarten in 1955. His involvement would not end there. In fact, sports have played an important role throughout his life. In *Once a Fan*, Chernesky narrates his lifelong interest in sports along with the thrills, the disappointments, and the lessons shared with fans and participants of all ages and skills. In this memoir, Chernesky explores watching, participating in, and coaching sports. *Once a Fan* illustrates his personal exposure to a simpler time of life and the excitement of watching favorite sports heroes when they represented all that was good about life and growing up. It documents his personal participation in sports from an early age through adulthood recounting learning the game, developing skills, and participating with friends and teammates. He discusses sharing the sporting opportunity with a new generation through coaching and teaching. *Once a Fan* explores the memories and the lessons learned of what sports was, what it is now, and what it could be again.

Encyclopedia of Women and Baseball Nov 01 2020 Women have been involved in baseball from the game's early days, in a wide range of capacities. This ambitious encyclopedia provides information on women players, managers, teams, leagues, and issues since the mid-19th century. Players are listed by maiden name with married name, when known, in parentheses. Information provided includes birth date, death date, team, dates of play, career statistics and brief biographical notes when available. Related entries are noted for easy cross-reference. Appendices include the rosters of the World War II era All American Girls Professional Baseball League teams; the standings and championships from the AAGPBL; and all women's baseball teams and players identified to date.
