"Poems of Gerard Manley Hopkins" by Gerard Manley Hopkins. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Renowned Hopkins expert Joseph J. Feeney, SJ, offers a fresh take on Gerard Manley Hopkins which shakes our understanding of his poetry and his life and points towards the next phase in Hopkins studies. While affirming the received view of Hopkins as a major poet of nature, religion, and psychology, Feeney finds a pervasive, rarely noticed playfulness by employing both the theory of play and close reading of his texts. This new Hopkins lived a playful life from childhood till death as a student who loved puns and jokes and wrote parodies, comic verse, and satires; as a Jesuit who played and organized games and had "a gift for mimicry;" and most significantly, as a poet and prose stylist who rewards readers with unexpected displays of whimsy and incongruity, even, strikingly, in "The Wreck of the Deutschland," "The Windhover," and the "Terrible Sonnets." Feeney convincingly argues that Hopkins's distinctive playfulness is inextricably bound to his sense of fun, his creativity, his style, and his competitiveness with other poets. In unexpected images, quirky metaphors, strange perspectives, puns, coinages, twisted syntax, wordmusic, and sprung rhythm, we see his playful streak burst forth to adorn those works critics consider his most brilliant. No one who absorbs this book's radical readings will ever see and hear Hopkins's poetry and prose quite the way they used to. Gerard Manley Hopkins is one of English poetry's most brilliant stylistic innovators, and one of the most distinguished poets of any age. However, during his lifetime he was known not as a poet but as a Jesuit priest, and his faith was essential to his work. His writings combine an intense feeling for nature with an ecstatic awareness of its divine origins, most remarkably expressed in his magnificent and highly original 'sprung rhythm.' This collection contains not only all of Hopkins' significant poetry, but also selections from his journals, sermons, and letters, all chosen for their spiritual guidance and insight. Hopkins didn't allow the publication of most of his poems during his lifetime, so his genius was not appreciated until after his death. Now, more than a hundred years later, his words are still a source of inspiration and sheer infectious joy in the radiance of God's creation. Excellent sample of strikingly original poems includes The Wreck of the Deutschland, "Carrion Comfort," "The Caged Skylark," and more. Gerard Manley Hopkins was among the most innovative writers of the Victorian period. Experimental and idiosyncratic, his work remains important for any student of nineteenth-century literature and culture. This guide to Hopkins' life and work offers: a detailed account of Hopkins life and creative development an extensive introduction to Hopkins' poems, their critical history and the many interpretations of his work cross-references between documents and sections of the guide, in order to suggest links between texts, contexts and criticism suggestions for further reading. Part of the Routledge Guides to Literature series, this volume is essential reading for all those beginning detailed study of Hopkins' work and seeking not only a guide to the poems, but a way through the wealth of contextual and critical material that surrounds them. Jesuit priest Gerard Manley Hopkins created verse that combined his awareness of material sensuousness with the asceticism of religious devotion. His collected poems, published posthumously in 1918, exercised a profound influence on modern poetry. This volume features all of his mature work, including "The Wreck of the Deutschland," "God's Grandeur" and "Hurrahing in Harvest." Others decry his monasticism as the regrettably oppressive regimen from which he was able to escape only occasionally through his sensuous, sometimes overtly homoerotic verse." "Julia F. Saville uses Lacanian theories of sublimation and courtly love to reconfigure this long-standing rift in the field of Hopkins criticism."--BOOK JACKET. 'O let them be left, wildness and wet' As Kingfishers Catch Fire is a selection of Gerard Manley Hopkins' incomparably brilliant poetry, ranging from the ecstasy of 'The Windhover' and 'Pied Beauty' to the heart-wrenching despair of the 'sonnets of desolation'. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Gerard Manley Hopkins (1844-1889). Hopkins' Poems and Prose is available in Penguin Classics. Gerard Manley Hopkins, one of the most beloved English-language poets of all time, lived a life charged with religious drama and vision. The product of a High-Church Anglican family, Hopkins eventually converted to Roman Catholicism and became a priest—after which he stopped writing poetry for many years and became completely estranged from his Protestant family. A Heart Lost in Wonder provides perspective on the life and work of Gerard Manley Hopkins through both religious and literary interpretation. Catharine Randall tells the story of Hopkins's intense, charged, and troubled life, and along the way shows readers the riches of religious insight he packed into his poetry. By exploring the poet's inner life and the Victorian world in which he lived, Randall helps readers to understand better

the context and vision of his astonishing and enduring work. Originally published in 1933, this book provides a highly readable survey and commentary on the poetry of Gerard Manley Hopkins. Reading the Underthought explores the question of how readers from one tradition can approach the poetry of another Hopkins occupies a position in English literary history which is virtually unique: that of a strikingly original poet whose work remained unknown in his life-time except to a handful of friends, and which was not published until thirty years after his death. He was uninfluenced by the poetic fashions of his own day, nor has he attracted followers since his reputation became established. Mr Storey's essay succeeds that by Geoffrey Grigson, and provides a detailed study of his poetic technique and of his use of language. It examines the terms 'instress' and 'inscape', which are crucial to the understanding of Hopkins's conception of poetry, and discusses the nature and the use of 'sprung rhythm', which first appears in "The Wreck of the Deutschland". It also considers the relation of Hopkins's religious vocation to his poetry. Very few poets have Mr Storey's view, communicated so strongly both excitement at natural beauty and its opposite, intimate knowledge of the terrors of despair. He concludes that Hopkins's poetic innovations were too radical for his work to have received a just valuation from his own contemporaries, and hence that the delay in publication has worked in his favour. With detailed readings of major poems and analysis of manuscript revisions, Ellis examines how Hopkins' particular vision of mystery pervasively affects, not only his own language, but a reader's approach to that language. Bender's study suggests two highly controversial positions: first, that although Hopkins is one of the most original voices in English, his poetry is within a tradition insufficiently recognized by modern critics; and second, that the effect of careful and sympathetic study of classical literature can induce quite the opposite of a neoclassical style in English. With Exiles, Ron Hansen tells the story of a notorious shipwreck that prompted Gerard Manley Hopkins to break years of "elected silence" with an outpouring of dazzling poetry. In December 1875 the steamship Deutschland left Bremen, bound for England and then America. On board were five young nuns who, exiled by Bismarck's laws against Catholic religious orders, were going to begin their lives anew in Missouri. Early one morning, the ship ran aground in the Thames and more than sixty lives were lost—including those of the five nuns. Hopkins was a Jesuit seminarian in Wales, and he was so moved by the news of the shipwreck that he wrote a grand poem about it, his first serious work since abandoning a literary career at Oxford to become a priest. He too would die young, an exile from the literary world. But as Hansen's gorgeously written account of Hopkins's life makes clear, he fulfilled his calling. Combining a thrilling tragedy at sea with the seeming shipwreck of Hopkins's own life, Exiles joins Hansen's Mariette in Ecstasy (called "an astonishingly deft and provocative novel" by The New York Times) as a novel that dramatizes the passionate inner search of religious life and makes it accessible to us in the way that only great art can. 'Will surely rank as one of the foremost literary biographies of our time.' John Carey, Sunday Times In his lifetime Gerard Manley Hopkins (1844-1889) published just a single poem - only a few close friends were aware he wrote. Much of his work was burnt by fellow Jesuits on his death. And yet Hopkins is today a huge figure in English literature. Homosexual but terribly repressed, he channeled his emotions toward nature and God, with profound results. Princeton emeritus professor Martin, the only biographer to have unrestricted use of Hopkins' private papers, tells this extraordinary story from Hopkins' early life and studies at Oxford, through his tortuous conversion from Anglicanism to Catholicism, to his struggle in later years to retain his very sanity. 'In Martin, the unhappy and tormented genius has found the most sympathetic and intelligent interpreter... [The book] goes to the heart of Hopkins, and plants him firmly before us as a Victorian, and a great one.' Allan Massie, Sunday Telegraph 'Martin follows Hopkins through his toils with sympathy and a great unshowy command of the facts. In this magnificently solicitous biography he has re-established the contours of the story definitively and made the homosexual drama integral to the better-known drama of conversion and poetics.' Seamus Heaney, Independent on Sunday 'The triumph of this learned, scrupulously detailed and persuasive biography is that it brings the reader as near as it is perhaps possible to come to living Hopkins' life, to sensing the mysterious crushing pressures that were for him intimately bound up with the richness and complexity of his writing.' Hilary Spurling, Daily Telegraph Drawing on modern responses to Scotus made by Heidegger, Peirce, Arendt, Leibniz, Hume, Reid, Derrida and Deleuze, John Llewelyn explores Scotus' influence on 19th-century poet and philosopher Gerard Manley Hopkins. Justus George Lawler's critically acclaimed study of the work of the Jesuit poet Gerard Manley Hopkins (1844-1889) is, once again, available. First Published in 1995. Routledge is an imprint of Taylor & Francis, an informa company. This authoritative edition was first published in the Oxford Authors series under the general editorship of Frank Kermode. The only paperback edition to arrange the poems in chronological order, it includes all the poetry and features such celebrated pieces as 'The Wreck of the Deutschland', 'The Windhover', and 'Felix Randall', as well as excerpts from Hopkins's journals, letters and spiritual writings. Notework begins with a striking insight: the writer's notebook is a genre in itself. Simon Reader pursues this argument in original readings of unpublished writing by prominent Victorians, offering an expansive approach to literary formalism for the twenty-first century. Neither drafts nor diaries, the notes of Charles Darwin, Oscar Wilde, Gerard Manley Hopkins, Vernon Lee, and George Gissing record ephemeral and nonlinear experiences, revealing each author's desire to leave their fragments scattered and unused. Presenting notes in terms of genre allows Reader to suggest inventive new accounts of key Victorian texts, including The Picture of Dorian Gray, On the Origin of Species, and Hopkins's devotional lyrics, and to reinterpret these works as meditations on the ethics of compiling and using data. In this way, Notework recasts information collection as a personal and expressive activity that comes into focus against large-scale systems of knowledge organization. Finding resonance between today's digital culture and its nineteenth-century precursors, Reader honors our most disposable, improvised, and fleeting written gestures. A critical biography of an innovative and influential English poet, discussing his literary and intellectual development, his works as reflections of his experiences, and the impact of his work on modern poetry. "Gerard Manley Hopkins was one of the most creative and influential writers of the nineteenth century. This important new edition contains all of his poetry--including such celebrated works as "The Wreck of the Deutschland", "The Windhover", and "Felix Randall"--arranged for the first time in chronological order showing the range of his poetic interests and talents at each stage of his tragically short life. Catherine Phillips has consulted the original manuscripts in order to present accurate versions of the poems and to reveal the poet's own taste more clearly than in previous editions. She has also selected passages which elucidate the poetry from Hopkins's journals, sermons, and letters. From these the reader gains a strong sense of the poet's personality and the breadth of his intellectual pursuits."--Back cover. Renowned Hopkins expert Joseph J. Feeney, SJ, offers a fresh take on Gerard Manley Hopkins which shakes our understanding of his poetry and his life and points towards the next phase in Hopkins studies. While affirming the received view of Hopkins as a major poet of nature, religion, and psychology, Feeney finds a pervasive, rarely noticed playfulness by employing both the theory of play and

close reading of his texts. This new Hopkins lived a playful life from childhood till death as a student who loved puns and jokes and wrote parodies, comic verse, and satires; as a Jesuit who played and organized games and had "a gift for mimicry;" and most significantly, as a poet and prose stylist who rewards readers with unexpected displays of whimsy and incongruity, even, strikingly, in "The Wreck of the Deutschland," "The Windhover," and the "Terrible Sonnets." No one who absorbs this book's radical readings will ever see and hear Hopkins's poetry and prose quite the way they used to. Britain's Gerard Manley Hopkins is beloved for his unusual images of both the physical world and the spiritual life. This is the ideal introduction to the spirituality of the great nineteenth-century Catholic mystic poet. With a preface by Rev. Thomas Ryan, C.S.P., this book is part of a new series, The Mystic Poets. Skylight Paths The Present Book, Gerard Manley Hopkins: A Critical Study, Aims To Introduce The Readers To The Universally Acknowledged English Poet G.M. Hopkins. Although Not Recognized In His Times, His Popularity Has Increased With The Passing Of Years And Today His Poems Are Held In High Esteem. His Concept Of Poetry And Poetic Diction Distinguished Him From His Contemporary Victorian Poets. He Has Been Held By Many As Belonging More To The Twentieth Century Than The Nineteenth, Owing To His Technical Innovation And Intense Style. In His Poetry, The Rhythm Of The Verse Has Been Perfectly Fused With The Flow And Varying Emphasis Of Spoken Language. In Fact, Hopkins Skilfully United The Rhythmical Freedom Of The Middle Ages, The Religious Intensity Of The Early Seventeenth Century, The Response To Nature Of The Early Nineteenth, And He Envisioned The Twentieth Century In Challenging Conventional Encumbrances In Poetic Form. The Present Book Makes An In-Depth Study Of All The Aspects Of Poetic Art Of Hopkins. Since Hopkins Poems Have Been Considered By Many Students Of English Literature As Difficult To Analyse, The Book Aims At Providing A Complete Analytic Exposition Of His Major Works So As To Induce Interest In Readers By Enabling Them To Have An Easy Understanding Of His Poetic Style And Works. Beginning With A Biographical Sketch Of The Poet, The Book Elucidates His Theory Of Poetry. His Concepts Of Inscapè , Instress , And Sprung Rhythm Have Been Much Discussed. The Book Acquaints The Readers With Hopkins Treatment Of Nature Which Has Always Been The Background Of His Poems. A Critical Analysis Of His Major Poems Is Another Attraction Of The Present Book. It Is Hoped That The Book Would Be Highly Useful To The Students And Teachers Of English Literature. It Will Encourage The General Readers To Read The Masterpiece Works Of G.M. Hopkins.
