PHR Exam Flashcard Study System uses repetitive methods of study to teach you how to break apart and quickly solve difficult test questions on the Professional Human Resources exam. Study after study has shown that spaced repetition is the most effective form of learning, and nothing beats flashcards when it comes to making repetitive learning fun and fast. Our flashcards enable you to study small, digestible bits of information that are easy to learn and give you exposure to the different question types and concepts. Flashcards to study for the social study portion of the Praxis II exam. Flashcards for the Marriage and Family Therapy exam which employ the Leitner method of studying that focuses on the power of prioritization and feedback. "Our concept cards include in-depth

explanations; you won't see any one-word answers that require you to go get a textbook to figure out what's going on. All of our cards include generous, thorough explanations so if you didn't understand the concept, you will after reading the back of the card!"
