workndash;and at less than half the cost of a traditional text. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. Solve real-world puzzles like a political scientist

Understanding American Politics and Government, 2012 Election Edition introduces students to the basic tools used by political scientists. It guides students through the fundamentals of government and helps them see why events really happen in politics. Consistently showing the difference between "causation" and "correlation," this text presents American government as a field full of interesting questions and puzzles that all citizens must explore. The book draws heavily on real-world politics to help students think more critically about their political beliefs and actions. This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions. A better teaching and learning experience This program provides a better teaching and learning experience—for you and your students. Here's how: Personalize Learning-The New MyPoliSciLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. MyPoliSciLab is now compatible with BlackBoard! Engage Students-The stunning visual design engages students in the text. Improve Critical Thinking- Learning objectives in every chapter help students focus on important topics. Analyze Current Events-Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system. Support Instructors- A full supplements package including the Class Preparation Tool in the New MyPoliSciLab is available. Note: MyPoliSciLab does not come automatically packaged with this text. To purchase MyPoliSciLab, please visit: www.mypoliscilab.com or you can purchase a ValuePack of the text + MyPoliSciLab (at no additional cost): ValuePack ISBN-10: 0205950043 / ValuePack ISBN-13: 9780205950041. The textbook Political Science Basics helps you learn the fundamentals of the American Government while digging deeper into theory and history. This textbook provides easy-to-read chapters through fundamental core concepts found in most American Government 101 classes. Students are offered sophisticated and rigorous learning of American Government in a simple and easy-to-understand format. Political Science Basics also provides students with study questions to prepare for examinations at the end of each chapter, ensuring ease of learning. This new offering from AP® teacher Karen Waples and college professor Scott Abernathy is tailor-made to help teachers and students transition to the redesigned AP® U. S. Government and Politics course. Carefully aligned to the course framework, this brief book is loaded with instructional tools to help you and your students meet the demands of the new course, such as integrated skills instruction, coverage of required cases and documents, public policy threaded throughout the book, and AP® practice after every chapter and unit, all in a simple organization that will ease your course planning and save you time. We've got you covered! Known for its extremely student-friendly, jargon-free style, the new edition of "American Government: Policy and Politics" introduces the essentials of American government in a way that any student can understand. Public policy is emphasized throughout to show students the impact that government has on their lives. The text also offers an abundance of debate-style boxes and active learning exercises to involve and engage students in the course material and encourage them to become participants in their government. As a Longman Study Edition, this text includes a battery of chapter tests for student study and practice. This edition features the results of the 2008 elections, and discussion of some of the hottest political issues of the day, such as immigration reform and the challenge posed by nuclear programs in Iran and North Korea. "The main strength of this book is that it presents a 'human' side to American Government that challenges students to think critically while still presenting the 'teaching' side with objectives, self-tests, and chapter reviews." —Kathleen Barrett, University of West Georgia In the Second Edition of American Government, Essentials Edition, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. American Government, Essentials Edition, is identical to the full version of the text, minus the three policy chapters. By the People: Debating American Government, Brief Fourth Edition, reflects the dynamism of American government and politics with superior teaching and learning tools that prepare students to ENGAGE, THINK, and DEBATE now more than ever before. Using a storytelling approach that weaves commentary together with historical context, By the People: Debating American Government explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like "Who governs?" "How does our system of government work?" "What does government do?" and "Who are we?" By challenging students with these questions, the text encourages them to think about, engage with, and debate the merits of U.S. government and politics. By the People includes an individual user code to access a wealth of interactive digital learning tools and student exercises. Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS preserves the structure of the main text but replaces the policy chapters with one brief chapter on the policymaking process while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, Who Governs? and To What Ends? learning objective questions framing each chapter and How Things Work boxes that summarize important facts. The significantly enhanced media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. UNDERSTANDING AMERICAN GOVERNMENT is highly respected and trusted for its attention to research and issues of diversity, as well as for its award-winning team of authors. While covering the foundations of American government, this text also moves beyond the nuts and bolts to explain why and how important aspects of government have evolved, their impact on government and individuals, and why they may be controversial, inspire debate, and worth learning. More than just narrating facts and current issues, UNDERSTANDING AMERICAN GOVERNMENT leaves students with an understanding of the "why", so their knowledge can be applied long after the course is completed. UNDERSTANDING AMERICAN GOVERNMENT is a three-time winner of the American Government Textbook Award for the Best Treatment of Women in Politics, by the Women's Caucus for Political Science. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Student performance sets the stage for learning. With American Democracy Now, students will perform better in American Government. Using a groundbreaking adaptive diagnostic tool to help students identify what they know and don't know, American Democracy Now connects students to an individualized learning environment that builds confidence in content knowledge. Better performance leads to better student engagement and ultimately the kind of classroom where students apply critical thinking. By individually guiding students through a learning plan and giving instructors assessment tools needed to ensure student understanding of American Government, American Democracy Now replicates a one-on-one learning environment. With relevant interactivities for each of the concrete learning objectives, students are challenged to apply their knowledge of content by critically analyzing American Government. Learn, Engage, Apply...Perform Monica Bauer, Metropolitan State College of Denver, has assembled an impressive selection of up-to-date, universally themed readings to illustrate the main debates of key issues in American government. The readings cover both pro and con positions on various issues and major writers from right, left, and center are represented. In a feature unique to this text, the author includes an edited dialogue between students of varying political orientations to make the readings more real and accessible to those struggling with the material. This anthology also includes Web site selections, press releases, congressional testimony and student-led interviews with major political figures to give readers a real-world political orientation. American Government is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. The images in this textbook are grayscale. Instructional activities for teachers of American Government American government is not just one story—it's many stories. Our stories. And they are still being told. In the Second Edition of American Government: Stories of a Nation, Brief Edition, author Scott Abernathy tunes in to the voices of America's people, showing how diverse ideas throughout our nation's history have shaped our political institutions, our identities, the way we participate and behave, the laws we live by, and the challenges we face. His storytelling approach brings the core concepts of government to life, making them meaningful and memorable, and allows all students to see themselves reflected in the pages. Carefully condensed from the full version by Scott Abernathy, American Government, Brief Edition, gives your students all the information they need—and the stories they relate to—in a more concise, value-oriented package. This title is accompanied by a complete teaching and learning package. Contact your SAGE representative to request a demo. Digital Option / Courseware SAGE Vantage is an intuitive digital platform that delivers this text's content and course materials in a learning experience that offers auto-graded assignments and interactive multimedia tools, all carefully designed to ignite student engagement and drive critical thinking. CQ Press Lecture Spark: Designed to save you time and ignite student engagement, these free weekly lecture launchers focus on current event topics tied to key concepts in American Government. Access this week's topic. This classic text ... explores the foundations of our national political system and shows how the fundamental features of our government influence the lives of all Americans. [It] focuses on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in America and to what ends.-Back cover. AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, 15th Edition is a clear and approachable text for students trying to successfully understand American government. It sets the standard for examining current issues in American politics focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies,

and who governs in the United States and to what ends. It includes concise learning objectives, highlighted key concepts, and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension, and engage with the material in a meaningful way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Critical Thinking and American Government contains 41 critical thinking exercises that use a wide variety of sources to actively engage students in understanding and thinking critically about American government and politics. These sources include court decisions, the Federalist Papers, legislation, public opinion polls, election results, apportionment and population tables, data on topics such as African-American representation in Congress, among many others. The critical thinking exercises require students to interpret and analyze data, discover basic relationships among variables, read critically, summarize information accurately, and formulate generalizations and hypotheses. The exercises are based on the scholarship of teaching and learning. Each exercise contains clear and discrete student learning objectives which facilitate the measurement and assessment of student outcomes and learning. For on-level learners Trusted and authoritative, Magruder's American Government ©2010 sets the new standard through an engaging narrative, updated reading support, integrated Essential Questions, and cutting edge technology. Magruder's American Government curriculum is aligned with Foundations Series: American Government. Essential Questions- Instruction and assessment are organized around an Essential Question that explores the big ideas of American Government. American Government Online Student Center- Rich digital learning support includes two online Student Editions, Government on the Go Audio and Video resources, interactive assessment, and more! American Government Online Teacher Center- Teachers easily access complete online planning, teaching, and assessment including lecture notes, multiple levels of worksheets and assessments, and easy-to-use management tools. Differentiated teaching resources- Teachers can quickly choose from multiple levels of worksheets and assessments found on the Online Teacher Center and on the Resource Library Disc. With online sampling for American Government you can review the program on your schedule and at your pace. See how Pearson American Government Programs incorporate UBD and Essential Questions. Also learn how Foundations Series: American Government (Magruder's content written on a 6th grade level) and American Government: Experience It! (a hands-on digital program) can accompany Magruder's American Government or can be a stand alone curriculum. This brief version of Welch et al., American Government encourages students to analyze the American government through current political research. Every aspect of this text has been proven successful-the solid research, the lively writing style, the in-depth coverage of women and minority issues, the pertinent boxed features, and the extensive ancillary package. This edition includes an expanded budget policy chapter and two new pedagogical features: New Populism boxes discuss current topics as they affect and disturb middle class Americans; and Symbolic Solutions for Complex Problems boxes focus on how politicians often look for simplistic solutions to complex problems that more often than not fail to solve the problem. American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Changes made in American Government 2e are described in the preface to help instructors transition to the second edition. The first edition of American Government by OpenStax is available in web view [here](#). The College Level Examination Program (CLEP) enables students to demonstrate college-level achievement and earn college credit in various subject areas based on knowledge acquired through self-study, high school and adult courses, or through professional means. The CLEP American Government Passbook(R) prepares you by sharpening knowledge of the skills and concepts necessary to succeed on the upcoming exam and the college courses that follow. It provides a series of informational texts as well as hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: principles of democracy; the courts and civil liberties; political parties and groups; political institutions; branches of government; and more. Gaming the System takes an active approach to learning about American government, using novel, exciting, and highly instructive games to help students learn politics by living it. These timeless games are the perfect complement to a core textbook in American government - covering key topics like the Constitution, the Supreme Court, Congress, political participation, campaigns and elections, the federal bureaucracy, the social contract, social movements, and public opinion - and can be applied to specific courses at other levels, as well. For Instructors: These nine games are designed to be easily inserted into courses, with all but one fitting into one class session and all flexible enough to adapt or scale as needed. Games are designed so that students will be ready to play after minimal preparation and with little prior knowledge; instructors do not need to design or prepare any additional materials. An extensive instructor-only online resource provides everything needed to accompany each game: summary and discussion of the pedagogical foundations on active learning and games; instructions and advice for managing the game and staging under various logistical circumstances; student handouts and scoresheets, and more. For Students: These games immerse participants in crucial narratives, build content knowledge, and improve critical thinking skills--at the same time providing an entertaining way to learn key lessons about American government. Each chapter contains complete instructions, materials, and discussion questions in a concise and ready-to-use form, in addition to time-saving tools like scorecards and "cheat sheets." The games contribute to course understanding, lifelong learning, and meaningful citizenship. Instructor-only online resource provides everything needed to accompany each game: summary and discussion of the pedagogical foundations on active learning and games; instructions and advice for managing the game and staging under various logistical circumstances; student handouts and scoresheets, and more. For Students: These games immerse participants in crucial narratives, build content knowledge, and improve critical thinking skills--at the same time providing an entertaining way to learn key lessons about American government. Each chapter contains complete instructions, materials, and discussion questions in a concise and ready-to-use form, in addition to time-saving tools like scorecards and "cheat sheets." The games contribute to course understanding, lifelong learning, and meaningful citizenship. Can Governments Learn? American Foreign Policy and Central American Revolutions examines U.S. foreign policy toward revolutions which use Marxist rhetoric, receive material aid from the Soviet Union, and are directed against a repressive government that has been the beneficiary of substantial material and political assistance from the United States. The case material is drawn from the history of American policy in Latin America; the 1954 overthrow of a leftist government in Guatemala; the evolution of Cuban policy from 1958 to 1962; and the repetition of similar policies in the 1980s. This book is comprised of seven chapters and begins by

reviewing the history of America's failed Bay of Pigs invasion in 1961, Operation MONGOOSE, and the Cuban nuclear confrontation crisis of 1962. The successful use of the Bay of Pigs model in 1954 (against a government in Guatemala) is examined, along with the U.S. government's contract with the Mafia to assassinate Premier Fidel Castro at the time of the Bay of Pigs invasion. The following chapters look at three vectors reflecting the blockage of government learning: the adoption of similar policies across historical encounters; the repetition of collectively self-blocking behavior within the national security decision process; and the repetition of a common syndrome of errors in judgment and perception. The final chapter analyzes American foreign policy toward Central America in the 1980s and offers suggestions to improve the foreign policy learning rate. This monograph will be of interest to diplomats, politicians, political scientists, and others concerned with international relations. With Barron's, learning about government studies becomes fun. *Painless American Government* covers the U.S. Constitution, branches of government, civil liberties and civil rights, and more. Short quizzes are included throughout the book so students can test their learning progress. Geared toward middle school- and high school-level learners, *Painless American Government* takes a lighthearted, humorous approach to learning about government and politics, and is ideal for students who find it confusing or who just need a little extra help. Ideal for students learning the basics of government, the author starts with a general description of government and a comparison of democracy as practiced by the founding fathers and how it operates in today's America. Students will also learn about elections and political parties, how public policy is created and shaped, and how they can become more involved in the process of self-government. *American Government: In the United States*, the government gets its power to govern from the people. We have a government of the people, by the people, and for the people. Citizens in the United States shape their government and its policies, so they must learn about important public issues and get involved in their communities. Learning about American government helps you understand your rights and responsibilities and allows you to fully participate in the American political process. The Founders of this country decided that the United States should be a representative democracy. They wanted a nation ruled by laws, not by men. In a representative democracy, the people choose officials to make laws and represent their views and concerns in government. This book will help you understand the principles of American democracy, the U.S. system of government, and the important rights and responsibilities of U.S. citizenship. Understand American politics from past to present. A streamlined and more flexible version of the bestselling text, *Essentials of American Government: Roots and Reform* is guided by the belief that students must first understand the origins of American government in order to understand the issues facing the United States today. This text offers the strongest coverage of history and current events to study present political structures and behaviors in full constitutional and historical context. *Essentials of American Government: Roots and Reform* not only helps students learn how our government evolved and how they can become more informed citizens but it also encourages them to discover that politics can be-and most often is-a good thing. MyPoliSciLab is an integral part of the O'Connor program. Key learning applications include MyPoliSciLab Video Series, Explorer and Simulations. A better teaching and learning experience This program provides a better teaching and learning experience-for you and your students. Here's how: Personalize Learning-Reach every student at each stage of learning, engage them in active rather than passive learning, and measure that learning. Refined after a decade of real-world use and compatible with learning management systems like Blackboard, the new MyPoliSciLab is a customizable digital learning experience that supports each individual student's and educator's success. Emphasize Outcomes-Keep students focused on what they need to learn. A new design facilitates print and digital reading experiences and turns this book's learning objectives into a clear learning path. On MyPoliSciLab, practice tests help students achieve these objectives by creating personalized study plans. Engage Students-Each student is different.Reach all of them with the new MyPoliSciLab Video Series, which features this book's authors and top political scientists discussing the big ideas in each chapter and applying them to enduring political issues. Improve Critical Thinking-Students get a lot of information about politics; your challenge as an instructor is to turn them into critical consumers of that information. Using interactive data to answer political questions introduced in this book's infographics, Explorer is a hands-on way to develop quantitative literacy and to move students beyond punditry and opinion. Analyze Current Events-Prepare students for a lifetime of following political news. Both in this book and on MyPoliSciLab, coverage of the 2012 elections and more keeps politics relevant and models how to analyze development in the American political system. Get up-to-the-minute analysis on MyPoliSciLab's blogs or reflect on a theoretical case with a simulation. Support Instructors-Make more time for your students with instructor resources-Test Bank, MyTest Computerized Test Bank, Instructor's Manual, and PowerPoint Presentation with Classroom Response System (CRS)-that offer effective learning assessments and classroom engagement. *AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS*, 2017-2018 Edition, inspires students to join the exciting process of being active, informed citizens. Unbiased, concisely organized, and updated with Election 2016 coverage, the text's fundamental theme continues to be the importance of participating in active citizenship, emphasizing critical thinking about political issues and encouraging students to become involved in the political process. With a keen understanding of the needs and interests of today's students, the authors incorporate compelling and thought-provoking current examples to stimulate learning and excitement. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. This popular brief text for the one-semester or one-quarter American Government course maintains the framework of the Wilson, DiIulio, Bose, and Levendusky comprehensive text, emphasizing the historical development of the American political system, who governs, and to what ends. The 13th edition of *AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, BRIEF VERSION*, offers coverage of the 2014 and 2016 campaigns and elections; budget battles and the sequestration of funds; ongoing debates about immigration, gay marriage, and other key issues in American politics; and foreign-policy decisions on Afghanistan, the Middle East, and North Korea. We have also reworked each chapter to focus on a clear set of learning objectives to guide students through the material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *Foundations* explains the beginnings of the American political system, including historical background. Chapters introduce the concepts of a federal republic, with relevant facts that keep young adults engaged. Five unique handbooks comprise the new American Government series. With the confusing political discourse in today's world, it's no wonder kids tune out. How can we tune them back in? The stale descriptions in standard American government textbooks do nothing to motivate learning. The readability is too high. And the language too dry. How can we make it personal? Accessible? Interesting? Even humorous? *American Government 3e* is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they

can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them.
