A consolidation of all items of a permanent nature published in the weekly Internal revenue bulletin, ISSN 0020-5761, as well as a cumulative list of announcements relating to decisions of the Tax Court. As the recent scandal shows, the IRS is big, bad, and out of control. Grover Norquist analyzes the problems within the agency and presents solutions to rein them in. The driving force behind the American Revolution was our forefathers' refusal to accept unfair taxation. Citizens rose up, won a war against impossible odds, and established the most unique government on the face of the earth, with taxes set at about 2 percent. How much has changed since 1776? The strength of Americans resolve is still unrivaled, and Grover Norquist, founder and president of Americans for Tax Reform, knows that once liberty-loving Americans learn the truth behind the oppressive and prosperity-stifling taxes we face today, they'll rise up again. Urging his fellow citizens to join him, Norquist tells a powerful and urgent story that will convince you we must act now

to END THE IRS BEFORE IT ENDS US.
