Ecology* A Little Life A Death in the Small Hours

This riveting chronicle of an unimaginably difficult spiritual journey offers an unprecedented look inside a secretive world unchanged since medieval times. Charles Lenox is at the pinnacle of his political career and is a delighted new father. His days of regularly investigating the crimes of Victorian London now some years behind him, he plans a trip to his uncle's estate in Somerset, with the expectation of a few calm weeks to write an important speech. When he arrives in the quiet village of Plumley, however, what greets him is a series of strange vandalisms upon the local shops: broken windows, minor thefts, threatening scrawls. Only when a far more serious crime is committed does he begin to understand the great stakes of those events, and the complex and sinister mind that is wreaking fear and suspicion in Plumley. Now, with his protege, John Dallington, at his side, the race is on for Lenox to find the culprit before he strikes again. And this time his victim may be someone that Lenox loves... The Carthusian monks perceive silence and solitude as ideals, the source of their happiness and their way towards God. When Silence Speaks is an accessible and remarkable history of the Carthusian Order that traces the inception of the movement from the letters of its founder, Saint Bruno, the writings of Denis the Carthusian, through to the present day. It has been written for all readers who are fascinated with the Carthusian way of life. Shaped like a handprint turkey art craft, this colorful rhyming board book is all about the important things to be thankful for on Thanksgiving! Thank you for this food

we share made with tender love and care. This Thanksgiving book of five important thank yous is the perfect way for parents to celebrate and share the meaning of the holiday with their child. Inspired by the construction paper Thanksgiving turkeys kids learn to draw with their hands, this novelty book has a collage art style that both adults and little ones will recognize and love! This volume describes the events and details of the five hour battle at Franklin, Tenn. in 1864. A NEW YORK TIMES BESTSELLER A Good Morning America, FabFitFun, and Marie Claire Book Club Pick “In Five Years is as clever as it is moving, the rare read-in-one-sitting novel you won’t forget.” —Chloe Benjamin, New York Times bestselling author of The Immortalists ?Perfect for fans of Me Before You and One Day—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever. Where do you see yourself in five years? Dannie Kohan lives her life by the numbers. She is nothing like her lifelong best friend—the wild, whimsical, believes-in-fate Bella. Her meticulous planning seems to have paid off after she nails the most important job interview of her career and accepts her boyfriend’s marriage proposal in one fell swoop, falling asleep completely content. But when she awakens, she’s suddenly in a different apartment, with a different ring on her finger, and beside a very different man. Dannie spends one hour exactly five years in the future before she wakes again in her own home on the brink of midnight—but it is one

hour she cannot shake. *In Five Years* is an unforgettable love story, but it is not the one you're expecting. A short, sleek novel of encounters set in the witching hours of Tokyo between midnight and dawn, and every bit as gripping as Haruki Murakami's masterworks *The Wind-Up Bird Chronicle* and *Kafka on the Shore*. At its center are two sisters: Yuri, a fashion model sleeping her way into oblivion; and Mari, a young student soon led from solitary reading at an anonymous Denny's into lives radically alien to her own: those of a jazz trombonist who claims they've met before; a burly female "love hotel" manager and her maidstaff; and a Chinese prostitute savagely brutalized by a businessman. These "night people" are haunted by secrets and needs that draw them together more powerfully than the differing circumstances that might keep them apart, and it soon becomes clear that Yuri's slumber—mysteriously tied to the businessman plagued by the mark of his crime — will either restore or annihilate her. After *Dark* moves from mesmerizing drama to metaphysical speculation, interweaving time and space as well as memory and perspective into a seamless exploration of human agency — the interplay between self-expression and understanding, between the power of observation and the scope of compassion and love. Murakami's trademark humor, psychological insight, and grasp of spirit and morality are here distilled with an extraordinary, harmonious mastery. "Eyes mark the shape of the city. Through the eyes of a high-flying night bird, we take

in the scene from midair. In our broad sweep, the city looks like a single gigantic creature—or more, like a single collective entity created by many intertwining organisms. Countless arteries stretch to the ends of its elusive body, circulating a continuous supply of fresh blood cells, sending out new data and collecting the old, sending out new consumables and collecting the old, sending out new contradictions and collecting the old. To the rhythm of its pulsing, all parts of the body flicker and flare up and squirm. Midnight is approaching, and while the peak of activity has indeed passed, the basal metabolism that maintains life continues undiminished, producing the basso continuo of the city's moan, a monotonous sound that neither rises nor falls but is pregnant with foreboding.” —from *After Dark*

This report from the Committee on Military Nutrition Research reviews the history of caffeine usage, the metabolism of caffeine, and its physiological effects. The effects of caffeine on physical performance, cognitive function and alertness, and alleviation of sleep deprivation impairments are discussed in light of recent scientific literature. The impact of caffeine consumption on various aspects of health, including cardiovascular disease, reproduction, bone mineral density, and fluid homeostasis are reviewed. The behavioral effects of caffeine are also discussed, including the effect of caffeine on reaction to stress, withdrawal effects, and detrimental effects of high intakes. The amounts of caffeine found to enhance vigilance and reaction time consistently are reviewed and recommendations

are made with respect to amounts of caffeine appropriate for maintaining alertness of military personnel during field operations. Recommendations are also provided on the need for appropriate labeling of caffeine-containing supplements, and education of military personnel on the use of these supplements. A brief review of some alternatives to caffeine is also provided. “A necessary book for anyone truly interested in what we take from the sea to eat, and how, and why.” —Sam Sifton, *The New York Times Book Review* Acclaimed author of *American Catch* and *The Omega Principle* and life-long fisherman, Paul Greenberg takes us on a journey, examining the four fish that dominate our menus: salmon, sea bass, cod, and tuna. Investigating the forces that get fish to our dinner tables, Greenberg reveals our damaged relationship with the ocean and its inhabitants. Just three decades ago, nearly everything we ate from the sea was wild. Today, rampant overfishing and an unprecedented biotech revolution have brought us to a point where wild and farmed fish occupy equal parts of a complex marketplace. *Four Fish* offers a way for us to move toward a future in which healthy and sustainable seafood is the rule rather than the exception. "Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming" --Amazon.com. If

he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you... In 1960, five young men arrived at the imposing gates of Parkminster, the largest center of the most rigorous and ascetic monastic order in the Western world: the Carthusians. This is the story of their five-year journey into a society virtually unchanged in its behavior and lifestyle since its foundation in 1084. *An Infinity of Little Hours* is a uniquely intimate portrait of the customs and practices of a monastic order almost entirely unknown until now. It is also a drama of the men's struggle as they avoid the 1960s—the decade of hedonism, music, fashion, and amorality—and enter an entirely different era and a spiritual world of their own making. After five years each must face a choice: to make "solemn profession" and never leave Parkminster; or to turn his back on his life's ambition to find God in solitude. A remarkable investigative work, the book combines first-hand testimony with unique source material to describe the Carthusian life. And in the final chapter, which recounts a reunion forty years after the events described elsewhere in the book, Nancy Klein Maguire reveals which of the five succeeded in their quest, and which did not. In New

England in the late nineteenth-century, a fatherless family, happy in spite of its impoverished condition, is befriended by a very rich gentleman and his young son. The reviews are in! This Is Where It Ends, the #1 New York Times bestseller and one of the Best Books of the Decade (Buzzfeed, Paste Magazine, BookRiot), "could break you." "I am speechless." "The saddest book I have ever read." "Literally tore my heart out." Go inside a heartbreaking fictional school shooting, minute-by-terrifying-minute. Everyone has a reason to fear the boy with the gun... 10:00 a.m.: The principal of Opportunity, Alabama's high school finishes her speech, welcoming the entire student body to a new semester and encouraging them to excel and achieve. 10:02 a.m.: The students get up to leave the auditorium for their next class. 10:03 a.m.: The auditorium doors won't open. 10:05 a.m.: Someone starts shooting. Over the course of 54 minutes, four students must confront their greatest hopes, and darkest fears, as they come face-to-face with the boy with the gun. In a world where violence in schools is at an all-time high and school shootings are a horrifyingly common reality for teenagers, This Is Where It Ends is a rallying cry to end the gun violence epidemic for good. Finalist for Young Adult Fiction Kids Indie Next List Pick  
"Marieke Nijkamp's brutal, powerful fictional account of a school shooting is important in its timeliness." —Bustle.com "A gritty, emotional, and suspenseful read and although fictionalized, it reflects on a problematic and harrowing issue across the nation." —Buzzfeed "A compelling, brutal story of an unfortunately all-too familiar situation: a school shooting. Nijkamp portrays the events thoughtfully, recounting fifty-four intense minutes of bravery, love, and loss." —BookRiot

The true story of a murderous mother and five innocent victims. With eight pages of photos Charles Hickey, Todd Lighty, and John O'Brien bring the story of a mother not fit for the title. Waneta Hoyt's first baby died. Then her second. Then her third. Nobody, including her husband, suspected Waneta Hoyt—or stopped her from having more babies. Then her fourth baby died. Then her fifth. And the famed medical expert declared they had died of sudden infant death syndrome and use them to support his theory that SIDS ran in families. One man, however, did not except the diagnosis. District Attorney Bill Fitzpatrick set out to expose the truth about a crime hard to imagine. To do so meant convicting a woman who had won the hearts of all. And just proving a doctor who had climbed to the top of his field with the help of little corpses. Brace yourself for a true story of motherhood, medicine, and murder you will remember every time you hear a baby crying. SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION 2012 Greece in the age of heroes. Patroclus, an

awkward young prince, has been exiled to the court of King Peleus and his perfect son Achilles. Despite their differences, Achilles befriends the shamed prince, and as they grow into young men skilled in the arts of war and medicine, their bond blossoms into something deeper - despite the displeasure of Achilles's mother Thetis, a cruel sea goddess. But when word comes that Helen of Sparta has been kidnapped, Achilles must go to war in distant Troy and fulfill his destiny. Torn between love and fear for his friend, Patroclus goes with him, little knowing that the years that follow will test everything they hold dear. As you have probably noticed, there are quite a few investing books out there. Many of them were written by some of the world's greatest investors. So, why should you read our book? Stock investing is more prevalent than ever, whether directly or indirectly through brokerage accounts, exchange-traded funds, mutual funds, or retirement plans. Despite this, the vast majority of individual investors have no training on how to pick stocks. And, until now, there hasn't been a truly accessible, easy-to-understand resource available to help them. The Little Book of Investing Like the Pros was written to fill this void. We believe the simplicity and accessibility of our stock picking framework is truly unique. Using real-world examples and actual Wall Street models used by the pros, we teach you how to pick stocks in a highly accessible, step-by-step manner. Our goal is straightforward—to impart the skills necessary for finding high-quality stocks while protecting your portfolio with risk management best practices. Our practical

approach is designed to help demystify the investing process, which can be intimidating. This training will help set you apart from others who are largely flying blind. Pilots require extensive training before receiving a license. Doctors must graduate medical school, followed by a multi-year residency. Even those providing professional investment advice require certification. But, anyone can buy a stock without any training whatsoever. While buying stocks on a hunch and a prayer may not endanger your life, it can certainly put your finances at risk. Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. Emphasizing sustainability, balance, and the natural, green dominates our thinking about ecology like no other color. What about the catastrophic, the disruptive, the inaccessible, and the excessive? What of the ocean's turbulence, the fecundity of excrement, the solitude of an iceberg, multihued contaminations? Prismatic Ecology moves beyond the accustomed green readings of ecotheory and maps a colorful world of ecological possibility. In a series of linked essays that span place, time, and discipline, Jeffrey Jerome Cohen brings together writers who illustrate the vibrant worlds formed by colors. Organized by the structure of a prism, each chapter explores the coming into existence of nonanthropocentric ecologies. "Red" engages sites of animal violence, apocalyptic emergence, and activism; "Maroon" follows the aurora borealis to the far North and beholds in its shimmering alternative modes of world composition; "Chartreuse" is a

meditation on postsustainability and possibility within sublime excess; “Grey” is the color of the undead; “Ultraviolet” is a potentially lethal force that opens vistas beyond humanly known nature. Featuring established and emerging scholars from varying disciplines, this volume presents a collaborative imagining of what a more-than-green ecology offers. While highlighting critical approaches not yet common within ecotheory, the contributions remain diverse and cover a range of topics including materiality, the inhuman, and the agency of objects. By way of color, Cohen guides readers through a reflection of an essentially complex and disordered universe and demonstrates the spectrum as an unfinishable totality, always in excess of what a human perceives. AN INSTANT NEW YORK TIMES BESTSELLER "Provocative and appealing . . . well worth your extremely limited time." —Barbara Spindel, The Wall Street Journal

The average human lifespan is absurdly, insultingly brief. Assuming you live to be eighty, you have just over four thousand weeks. Nobody needs telling there isn't enough time. We're obsessed with our lengthening to-do lists, our overfilled inboxes, work-life balance, and the ceaseless battle against distraction; and we're deluged with advice on becoming more productive and efficient, and "life hacks" to optimize our days. But such techniques often end up making things worse. The sense of anxious hurry grows more intense, and still the most meaningful parts of life seem to lie just beyond the horizon. Still, we rarely make the connection between our daily struggles with time and the ultimate time management problem: the challenge of how best to use our four thousand weeks. Drawing on the insights of both ancient and contemporary philosophers, psychologists, and spiritual teachers, Oliver Burkeman delivers an entertaining, humorous, practical, and ultimately profound guide to time and time management. Rejecting the futile modern fixation on "getting everything done," *Four Thousand Weeks* introduces readers to

tools for constructing a meaningful life by embracing finitude, showing how many of the unhelpful ways we've come to think about time aren't inescapable, unchanging truths, but choices we've made as individuals and as a society—and that we could do things differently. The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in *The Great Mental Models* series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. **AUTHOR BIOGRAPHY** Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the

timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Everyone knows **DAISY JONES & THE SIX**, but nobody knows the reason behind their split at the absolute height of their popularity . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock

stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice. In 1960, five young men arrived at the imposing gates of Parkminster, the largest center of the most rigorous and ascetic monastic order in the Western world: the Carthusians. This is the story of their five-year journey into a society virtually unchanged in its behavior and lifestyle since its foundation in 1084. *An Infinity of Little Hours* is a uniquely intimate portrait of the customs and practices of a monastic order almost entirely unknown until now. It is also a drama of the men's struggle as they avoid the 1960s—the decade of hedonism, music, fashion, and amorality—and enter an entirely different era and a spiritual

world of their own making. After five years each must face a choice: to make "solemn profession" and never leave Parkminster; or to turn his back on his life's ambition to find God in solitude. A remarkable investigative work, the book combines first-hand testimony with unique source material to describe the Carthusian life. And in the final chapter, which recounts a reunion forty years after the events described elsewhere in the book, Nancy Klein Maguire reveals which of the five succeeded in their quest, and which did not.

The Unbecoming of Mara Dyer meets The Fifth Wave in this chilling and explosive new series from author Kimberly Derting. The last thing Kyra Agnew remembers is a flash of bright light. She awakes to discover that five whole years have passed. Everyone in her life has moved on—her parents are divorced, her boyfriend is in college and dating her best friend—but Kyra's still the sixteen-year-old she was when she vanished. She finds herself drawn to Tyler, her boyfriend's kid brother, despite her best efforts to ignore this growing attraction. In order to find out the truth, the two of them decide to retrace her steps from that fateful night. They discover that there are others who have been "taken," just like Kyra. But Kyra is the first person to have been returned past the forty-eight-hour taken mark. With a determined secret government agency after her, Kyra desperately tries to find an explanation and reclaim the life she once had . . . but what if the life she wants back is not her own? "To say love is what makes a marriage work is like saying it takes oxygen to climb a

mountain. Yes, oxygen is necessary. But not sufficient.” From the author of the bestselling Go-Giver series and his wife, a clinically trained therapist, this one-of-a-kind relationship guide shows readers how to unlock a deeply satisfying, abundant relationship based on simple, everyday acts of generosity. In this new narrative, a position has opened up at the top of the multinational giant Rachel’s Famous Coffee, and Tom desperately wants the job. To gain the position, he must first go through a series of interviews with the company’s top executives, including its eccentric CFO, Jeremiah. Tom’s wife, Tess, is facing her own challenges. The couple first met on the job, where Tess was a rising star—until her career was put on hold by the birth of a son with special needs. The trauma and heartbreak of the past six years has put tremendous stress on their marriage. Now, Tess has learned that her best friend Amy is getting a divorce. Could she and Tom be drifting in the same direction? The thought leaves her stomach in knots. But Tom and Tess are about to have a transformational day. Over the next few hours, they will each learn from a wise cast of characters (including some surprise guests from previous Go-Giver stories) about five powerful secrets to building a love that lasts. Over the years since the original book’s publication, the term “go-giver” has become shorthand for a defining set of values that has helped hundreds of thousands of people around the world find greater professional success. Now, with its charming fable-within-a-parable, followed by an in-depth practical guide, The Go-

Giver Marriage brings the personal side of The Go-Giver to life. The eighth title in the wildly popular series. Mama has said it is time for "Lights out! Sweet dreams! No more reading in bed," but her five little monkeys cannot resist reading just a few more books to one another. Full color. The beloved, modern children's nursery rhyme is sure to delight in this edition from the author and illustrator of Robins! and Vote! Five little monkeys jumping on the bed. One fell off and bumped his head. The mama called the doctor. The doctor said, "No more monkeys jumping on the bed!" Their teeth are brushed, their pajamas are on, and as soon as they say good night to Mama, the five little monkeys start to jump on their bed! But trouble awaits as, one by one, they fall off and bump their heads! The uproarious rhyme is brought to life in this family favorite. With its mischievous illustrations and surprising twist, this contemporary classic is the perfect addition to any home library. Five little Ninjalinos run into Catboy, Owlette, and Gekko on Halloween night. What's going on? The Ninjalinos are in for a big (and fun!) surprise in this rhyming board book based on PJ Masks, the hit preschool series airing on Disney Junior! When five Ninjalinos run into the PJ Masks on Halloween night, at first they are unsure of what is going on. The Ninjalinos and the PJ Masks are not always on the same team. Is there trouble brewing? But much to the Ninjalinos surprise, the PJ Masks are there to extend an invitation to their Halloween party. The Ninjalinos are thrilled—they've never been invited to a party before! It turns

out to be the best Halloween ever for everyone! Written in rhyme, this adorable board book is sure to be a big hit with PJ Masks fans. PJ Masks © Frog Box / Entertainment One UK Limited / Walt Disney EMEA Productions Limited 2014

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts. The best-selling Five Little Monkeys are getting into trouble yet again - this time while taking a bath in the latest ebook addition to the enormously popular series with more than 8 million books sold. ?When five little monkeys eat some ice cream and play in the mud, they become icky, sticky monkeys . . . and Mama says it's time for a bath! But even after those silly little monkeys scrub themselves clean, they find a way to get mucky all over again. Toddlers will giggle over the wild monkey antics, rhyming refrains, and expressive, up-close monkey art in this brand-new ebook. National Bestseller; A Globe and Mail Top 100 Book of the  
Year; A CBC Best Book of the Year; An Apple Best Book of  
the Year; A Kobo Best Book of the Year; An Indigo Best  
Book of the Year Taken from their families when they are  
very small and sent to a remote, church-run residential school,  
Kenny, Lucy, Clara, Howie and Maisie are barely out of  
childhood when they are finally released after years of  
detention. Alone and without any skills, support or families,  
the teens find their way to the seedy and foreign world of  
Downtown Eastside Vancouver, where they cling together,  
striving to find a place of safety and belonging in a world that  
doesn't want them. The paths of the five friends cross and  
crisscross over the decades as they struggle to overcome, or at  
least forget, the trauma they endured during their years at the  
Mission. Fuelled by rage and furious with God, Clara finds her  
way into the dangerous, highly charged world of the American  
Indian Movement. Maisie internalizes her pain and continually  
places herself in dangerous situations. Famous for his daring  
escapes from the school, Kenny can't stop running and moves  
restlessly from job to job—through fishing grounds, orchards  
and logging camps—trying to outrun his memories and his  
addiction. Lucy finds peace in motherhood and nurtures a  
secret compulsive disorder as she waits for Kenny to return to

the life they once hoped to share together. After almost beating one of his tormentors to death, Howie serves time in prison, then tries once again to re-enter society and begin life anew. With compassion and insight, *Five Little Indians* chronicles the desperate quest of these residential school survivors to come to terms with their past and, ultimately, find a way forward. Be careful who you let in... Soon after her twenty-fifth birthday, Libby Jones returns home from work to find the letter she's been waiting for her entire life. She rips it open with one driving thought: I am finally going to know who I am. She soon learns not only the identity of her birth parents, but also that she is the sole inheritor of their abandoned mansion on the banks of the Thames in London's fashionable Chelsea neighborhood, worth millions. Everything in Libby's life is about to change. But what she can't possibly know is that others have been waiting for this day as well—and she is on a collision course to meet them. Twenty-five years ago, police were called to 16 Cheyne Walk with reports of a baby crying. When they arrived, they found a healthy ten-month-old happily cooing in her crib in the bedroom. Downstairs in the kitchen lay three dead bodies, all dressed in black, next to a hastily scrawled note. And the four other children reported to live at Cheyne Walk were gone. Jam-packed with hundreds of stickers, finger puppets, playing cards, activities, and drawing and coloring pages, this monkey-themed collection is sure to keep kids busy. Full color. Consumable. Devoted to a life of intense contemplative

prayer, the Carthusian monks guard their solitude jealously and rarely allow visitors to live with them. The author of this book, an American priest, was privileged to spend four months with the Carthusian community in Calabria, Italy, the resting place of the founder of their order, Saint Bruno. He followed the daily regimen of the monks and wrote home to family and friends to share his experiences. The priest's journal allows readers to get a deep sense of what this life of prayer feels like: he describes distinctive features of the Carthusian vocation and offers insights gained by a life devoted to silence and solitude. There are books that explore the Carthusian way of life, but what makes *Report from Calabria* different and unique is that it is more like a series of short notes sent home from a foreign land, a sketch book rather than a finished canvas. But sketches have an appeal of their own: they offer a freshness of impressions and can entice us to study their subject more deeply. The text is accompanied with beautiful photographs of the daily life followed by the monks of Serra San Bruno. The contemplative vocation - bracing and yet deeply human - comes alive in this account of four months in which very little happened but yet a lot was going on. It is an invitation to readers to not only gain an insight into monastic life, but to clear some space in our busy lives to encounter God more deeply. NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first

century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s bestselling new novel, *To Paradise*, available now. 2022 GOLD WINNER: NAUTILUS BOOK AWARDS - FICTION/SMALL PRESS 2022 FINALIST: NEXT GENERATION INDIE BOOK AWARDS - REGIONAL FICTION

Book Description When Miriam—restless, and longing for something she cannot name—picks up a copy of *Sister Bird’s Guide to Small Birds* she finds on the last page an invitation from the Sisters at St. Hildegard Monastery on Plover Point—“we gladly respond to questions about the life of birds and the life of faith.” Debut novelist Lil Copan brings us a book for birdwatchers, coffee drinkers, baseball fans, bumper-sticker readers, animal lovers and all those who care about life's most piercing, unanswerable, tender, humanizing questions. One set of letters over the course of two years reveals deep internal conflicts, a

small farm on the verge of going under, a nun with a gambling addiction, and another with a profound secret that might upend everything the community worked so hard for. When an innocent birding question begins this special correspondence, what emerges is a revelatory journey of the spirit. Reviews "I read it straight through. I'm not confident that I even breathed while reading it. The novel is a wonder! Formally, literarily, and spiritually, it's just staggering. Wise and absorbing.

Reading LITTLE HOURS, I had the all too rare experience of losing the self-conscious awareness that I was reading; I was, instead, simply and suddenly placed in a world that was both familiar and unfamiliar to me. What a gift." —Lauren F.

Winner, author of *Girl Meets God* "What characters they are: finely drawn, indelibly comic, charming, irascible, forbidding, wise. And foolish, as we all are, in most compelling, most believable, ways. Beautiful writing and penetrating intelligence . . . [reminding us] sometimes wayward paths end up being the surest." —Carlene Bauer, author of *Frances and Bernard*

"Gorgeously written. Lil Copan's luminous new book will do wonders for your soul." —James Martin, author of *Building a Bridge*

"Little Hours is immediately funny, intimate, and soul-tending. From the first exchange of letters, you love the women writing them. You realize that their questions, desires, and temptations are your own, so you hang on every word, waiting to learn and grow along with these beautiful characters. This book is so true, and so gentle and loving in its truth telling." —Vinita Hampton Wright, author of

Velma Still Cooks in Leeway "This is one of the best models for spiritual companionship I've seen in print. It's a profound book. I hope that my listeners will pick it up and will love it as I have loved it." –David Dault, host of Things Not Seen radio show and podcast Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"
