BOUGHT HER SO SHE COULD GIVE ME A CHILD. I need a son to fulfill my father's last wishes. The pretty bartender is perfect for the job: hot, lonely, and desperate. Now, I own all of her - from her lips to her womb. And she's going to have my baby. It sure as hell wasn't how I saw my life going. I'm a biker, after all, not some loser dad with a white picket fence and 2.3 annoying children. I drink, I fight, I screw. I definitely don't babysit. But even for a rebel like myself, some things simply must be done. My father begged me on his deathbed to give him a grandchild. Plus, he made it a requirement of my inheritance. Fine. As you wish, Pops. One baby, coming up. But the women in my life are hardly fit for conversation, much less reproducing. I need someone a little different. That's where Star came in. She's as tough as they come, but more importantly, she's desperate for some money. I can give her that. In exchange, I want all of her. I want to see that sexy little grin. To touch that tight little body. And to give her a night that she will never forget - at least, not for nine months afterwards. I'll do whatever I want with this vixen. After all, I own her now. He never planned on letting me go. BAMBI I'm an inmate in a gilded cage. Pageants and parades, make-up and fancy dresses. Some girls might kill for this. But to me, it was hell on earth. And that makes my mother the devil. So when the outlaw roared up on his chopper, all leather and muscles and sin, I did the first thing that came to mind: I took his outstretched hand. With that bike between my legs and his brawn in front of me, I felt freer than I had since the day I was born. This was wild. This was freedom. And then it all came crashing down. The biker wasn't offering me a brief escape from my f**ked-up world. He was kidnapping me for good. And when I tried to go back to the home I'd left... My mother slammed the door in my face. Now, I have nowhere to go. I belong to a man whose plans for me start with three little words: "Bend over, sweetheart." When Jordan moves in with his friend's cousin, he thinks things will be easy.
