Yes you can! Hands up who feels like a completely inadequate underachiever whenever you hear about someone's great achievement. When someone in the office is off cycling around the world, or someone on TV has just launched a great new business which will save the planet? Most of us envy the drive and determination of these people. They've actually made this stuff happen rather than just day-dreamed about it. We all ask...Could I Do That? Well Simon Hartley is here to show us that we can! Taking on a challenge - big or small - in your career or personal life, can be intimidating but also totally transformational. Simon will show us how to

work out what it is we want to do and then how to make that happen. He uses examples and advice from others who have achieved big things. The book examines how you should go about preparing for change, which problems you'll face along the way, and demonstrates why and how your life will be better as a consequence. Practical and motivational, it's about embracing change and defeating limiting beliefs. It challenges readers to think big and take steps to achieving their goals. It puts power in the hands of people who don't yet realise that they can do extraordinary things too. This classic text for couples interested in creating freer, more joyful, and profoundly intimate relationships explores the delicate balance of being true to oneself and being loved by another. Newly updated by the authors, here is the classic text for couples interested in creating freer, more joyful, and profoundly intimate relationships. In their best-selling book about couple relationships, Jordan Paul and Margaret Paul explore the delicate balance of being true to oneself and being loved by another. While couples think they are fighting about money, sex, or time, the authors reveal how such conflicts are almost always more deeply rooted and related to issues of self-protection. Offering a solid framework for conflict resolution, the authors guide couples in working through fears and false beliefs that can block the expression of loving feelings. Stories of couples and examples of dialogue validate readers' feelings and experiences. Key features and benefits: a proven best-seller, highly recommended by marriage therapists, includes exercises for couples to explore core beliefs and values. "There is no how-to manual when it comes to helping teenagers with the multitude of issues they'll face during their adolescence. Whether you work with teens or are trying to parent them, you've probably already run into a few things that you felt completely unprepared or ill equipped to deal with. You are not alone! In this hard-hitting series of books, you'll find answers to the difficult questions you face when challenges arise. Knowing that ninety-five percent of all the people with diagnosed eating disorders are teenage girls, it's likely that you'll encounter this issue

if you interact with teens. In *What Do I Do When Teenagers Struggle with Eating Disorders?*, Dr. Steven Gerali will help you:

- Understand eating disorders, along with the underlying issues that typically contribute to the disorders
- Recognize warning signs that may mean a teen is developing an eating disorder
- Realize the role and responsibility the Church has to mobilize help for teens with eating disorders
- Create interventions when teens or their parents deny the problem
- Develop a referral strategy for teens who need help addressing their eating disorder

In this practical book, you'll discover how to identify and help a teen who is struggling with an eating disorder, and you'll find plenty of resources for help beyond what you're able to give."

Bishop Jakes turns his attention and his teachings to the topic of relationships in this new book. "Before You Do" explains the 25 things that people need to know--whether they are single or married--to make great decisions in any relationship. Today the Lord is blessing you with an opportunity to be forgiven of your sins. Take your first step toward improving your future. Through your faith in Christ Jesus, you can receive God's greatest gift: eternal life! "For by grace are you saved through faith; and not of yourselves: it is the gift of God" (Ephesians 2:8). The Holy Spirit empowers you to resist temptation. You will soon recognize God's voice within yourself and be encouraged to turn from sin, foresee trouble, and avoid it. This text helps you learn the Word of God and see yourself in a new light that your parents or teachers may not have explained. Rethink possible. Build your faith by following Jesus' perfect example, instead of counting on man's likelihood to let you down. Take a hold of God's favor that none of us deserves. It is your choice. Will you claim the victory? By opening this book, you have agreed to open your heart to Christ. *What Must I Do to Be Saved* is the inspired word of God, tailor-made for teens and spiritual babes. The text contains testimonies, exhortations, and moral lessons that portray common lifestyles of teenagers. Scriptural references provide basic fundamentals and teachings of salvation, faith, repentance. The outline heightens teens'

awareness of God's presence within them. The internal battle of spirit versus flesh is identified to prepare youth to resist temptation and overcome obstacles. Each subtopic concludes with a lesson review which consists of multiple choice, true/false, fill-in-the-blank questions. Each question has a scriptural reference to assist research and memorization of the Holy Scriptures. "Check Yourself" is provided to emphasize how the biblical teachings can be directly applied to individual circumstances, mindset, or development. Make that change! Choose to be set free from relational traps and locked-up mindsets that steal your joy, peace, and freedom to be who God has called you to be. I pray this message leads you to God's purpose for your life. Do you believe? From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo* "A seductive twist on the timeless tale of a couple trying to rediscover love in a marriage brought low by the challenges of domestic togetherness...touching, perceptive, and achingly honest."

—Beatriz Williams, New York Times bestselling author *When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, *After I Do* is the story of a couple caught up in an old game—and searching for a new road to happily ever after. This work focuses on the tragic murder of Patrick Lyoya, an immigrant*

from the Democratic Republic of Congo, who was shot and killed by a police officer in Grand Rapids, Michigan, in April 2022. The case attracted national attention and drew reactions from around the world. It was also covered by international media outlets including BBC and Aljazeera. The author looks at the murder in the broader context of race relations and at relations between blacks and the police in Grand Rapids and across the country. He also addresses problems of re-adjustment to a new life in a new country African immigrants face in the United States. Patrick Lyoya faced those problems. He also explains, although only briefly, why the tragedy is inextricably linked with the fate of Lyoya's homeland in a geopolitical context where Western countries have played a critical role in determining the destiny of the country which has earned the unenviable distinction as "the bleeding heart of Africa." He also briefly examines globalisation which he describes as "a new form of imperialism" in the post-Cold War era and how it is used to justify exploitation of Africa's natural resources including the Democratic Republic of Congo's vast amounts of minerals, and how industrialised nations have helped to impoverish the country and fuel conflict there, resulting in the death of millions of people and forcing countless others to flee and seek refuge in other countries including the United States. Patrick Lyoya and his family, and more than 8,000 other Congolese who settled in Grand Rapids, were some of them. Although the work briefly examines the ties the United States has had with the Democratic Republic of Congo since independence in the sixties when the country was known as Congo-Leopoldville, a relationship inextricably linked with the destiny of Congolese refugees who settled in Grand Rapids and other parts of the country, its main focus is on the murder of Patrick Lyoya, why he was killed, what contributed to his murder, and other factors about the tragedy. The uncertainty of the trial date for this case influenced publication of the book. Both sides, the defence and the prosecution, said they did not know when the trial would take place and implied it would be in 2023 and may be even in the last months of the year. They said in November

2022 that it would be many months before the case goes to court, a factor that played a major role in reaching the decision to have the book published before the trial. It complements the author's forthcoming work, "Shattered Dreams: Race and Justice." For many gay men and lesbian women, the first step in a long journey is acknowledging and accepting their sexuality. But what happens to those men and women after they have come to terms with this aspect of their lives? For many it may mean a complete reevaluation of very basic issues: family, relationships, community, and love. In this series of essays, McNaught explores these various aspects of life that may now be called into question for these men and women, and he sets out to educate and help guide them through the challenges they may encounter. Now *That I'm Out, What Do I Do?* solidifies McNaught's place as one of the best-known speakers on the issues that face gays and lesbians. *I Do Solemnly Swear* is an in-depth analysis of the meaning and importance of U.S. President's oath of office. The oath requires the President to preserve, protect, and defend the Union by any means and then transmit it unimpaired to his successor. Pauley examines the potential political and legal ramifications of such an oath and its role as a source of presidential power. Beginning with a survey of the history of oaths from the classical world to the modern era, Pauley analyzes the President's oath within the context of American political and constitutional development. Those with scholarly interests in government, politics, or law will find this work enlightening. "Why I Do Not Believe in God" by Annie Besant. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Does God truly exist? That

is the age-old seemingly unanswerable question. But what if there was an answer? What if the answer has been staring us right in the face for centuries, but we've been too busy missing the forest for the trees? This book invites you to take a step back and look at the broader picture. It offers anecdotes, observations and, most importantly, scientific evidence of the universal, all-encompassing, culture-transcending purpose that connects us all. In that purpose, we find many paths to a knowledge that has eluded humankind for as long as we have had the ability to wonder: proof that God does indeed exist. We find this knowledge in the stars, in the nature of time, in the laws of physics, in our own bodies, and in equations as complex as advanced calculus and unconditional love. It's just a matter of knowing where (and how) to look. In a centuries-old debate that has always placed science in an adversarial role with faith, this book brings the two camps together, using logic and reason to prove the existence of God. For the atheist, these pages eschew scriptural references in favor of evolutionary, philosophical, cultural, and natural evidence. For the believer, this book enhances your faith with affirmative arguments steeped in mathematics, particle physics, and a host of other scientific and real-world observations. And for anyone who has ever looked up at the sky and wondered what might lie beyond, this book provides a clear, compelling, life-affirming answer. "Desire is the starting point of all achievement, not a hope, not a wish, but a keen pulsating desire which transcends everything." "" Napoleon Hill "As a secularist and humanist who doesn't share the same conclusions, I was surprised with what an enjoyable read this is. This is the strongest summary to date that I've seen for the Theist position." "" Jeremy Runnells, author of the CES Letter "Written through a Euro-centric philosophical and western science lens, one has the opportunity to consider not only the argument for and against the belief in a God, but to contemplate a middle ground where the dualities of such sit squarely within the most important part of the equation- the one who asks the question. This book is a worthwhile read, particularly for

those seeking to dive more deeply into the self." ""

Jonathan Webb, Dr. of Theology Is it ever OK to be dishonest? Is it wrong to enjoy violent video games, or to cheat on one's tax returns? Should we be vegetarians? When is war justified? Are there any moral facts, or is morality relative? Life throws ethical questions at us every day. Some are momentous and difficult, while others are relatively trivial and easily worked out; still others lodge themselves in our heads and bother us for years. We regularly encounter controversial issues (such as prostitution, abortion, or racial profiling), tricky conundrums (Would I be wrong to take advantage of my teacher's forgetfulness? When should I allow my teenage daughter to have a boyfriend? Are we responsible for our emotions?), and classic problems (What is the relation between religion and morality? Is suicide wrong? Why should we be moral?) Philosophers have engaged with these questions for as long as there have been philosophers, but most people have had no exposure to the wide variety of arguments and positions that they have offered. The website AskPhilosophers.org has sought to fill this void, bringing together a panel of distinguished philosophers who use their knowledge of the history of philosophy, as well as their own skills and ingenuity, to respond to questions sent in from all over the world. What Should I Do? is a collection of some of the most interesting questions about ethics to have appeared on the website during its first five years. It is a delightfully fresh book that will encourage readers to think a bit more deeply about the moral questions they frequently encounter, and will provide them with the tools to do so.

Because self-realization and self-love sound so simple, but are extremely difficult to implement for many people due to existing patterns and learned behaviors. "If only I were more self-confident" is what many wish for, for example, when they are exposed to embarrassing situations or verbal attacks. But authentic self-confidence, a confident demeanor and a calm approach to criticism can be learned; self-love is the key to success here. More importantly, why do we use it to describe any sort of relationship that is inevitably doomed to sour? From political alliances to business partnerships, once things finally go downhill, we all seem to agree that the best metaphor to characterize this built-in obsolescence is Marriage. And for good reason! Much as we might be loath to openly admit it, we realize that the joy of Marriage is a fleeting one, that the love which joyfully draws a couple together soon gives way once a couple says, "I do." And yet, all the experts have told us that "marriage failure" comes from without . until now! Unlike thousands of other experts promising ways to make Marriage work, social reformer, political activist and anthropology enthusiast, Rick Lannoye, has boldly stepped forward to question whether or not there just might be something about Tying the Knot itself that chokes love to death! *The Honeymoon Ends With "I Do"* is the result of an arduous, personal journey alongside a decade of intense research on how Marriage damages love. However, it's also a revelation of what can be done to make love thrive again. From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo*, comes a breath taking novel about modern marriage, the depth of family ties, and the year that one remarkable heroine spends exploring both. When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story

about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, *After I Do* is the story of a couple caught up in an old game—and searching for a new road to happily ever after. Don't miss the new novel from Taylor Jenkins Reid, *Carrie Soto is Back*, out now Here is “happily ever after”—except when things aren't happy, and when “ever after” is abruptly terminated by divorce, tragedy . . . or even murder. With her large-hearted understanding of how movies—and audiences—work, leading film historian Jeanine Basinger traces the many ways Hollywood has tussled with the tricky subject of marriage, explicating the relationships of countless marriages from *Blondie* and *Dagwood* to the heartrending couple in the Iranian *A Separation*, from *Coach* and his wife in *Friday Night Lights* to *Tracy* and *Hepburn*, and even to *Laurel and Hardy* (a marriage if ever there was one). A treasure trove of insight and sympathy, illustrated with scores of wonderfully telling movie stills, posters, and ads. If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn't look like the next and isn't meant to last until death, there's nothing but a rash of proposed laws trying to force it to do just that. In *The New I Do*, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at the modern shape of marriage to help readers open their minds to marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for financial security or companionship), the book covers unique options for couples interested in forging their own paths. With advice and quizzes to help readers decide what works for them, *The New I Do* acts as a guide to thinking outside the marital box and the framework for a new debate on marriage in the 21st century. Being shown the private convenience of the Queen of England in The House

of Commons was not the career highlight that Viv had expected. A dazzling profession as a Prima Ballerina had been her plan but having two legs of the same length and width would appear to be a pretty strong prerequisite for a successful livelihood in that arena, not to mention a couple of ballet lessons at least. What did happen along the way were a random selection of activities which were not anticipated either: Inter-store "It's a Knockout" on Cable TV Jumping the queue at the Austria/Slovakian Border Control Attempted mugging in Bratislava A West Highland White disgrace on National TV Acquiring a temporary Iranian Bodyguard Drinking schnapps in an isolated house in Eskilstuna LIFE IS WHAT HAPPENS WHEN YOU ARE MAKING PLANS A deeply moving debut novel set amid the perilous world of Nigerian email scams, I Do Not Come to You by Chance tells the story of one young man and the family who loves him. Being the opera of the family, Kingsley Ibe is entitled to certain privileges--a piece of meat in his egusi soup, a party to celebrate his graduation from university. As first son, he has responsibilities, too. But times are bad in Nigeria, and life is hard. Unable to find work, Kingsley cannot take on the duty of training his younger siblings, nor can he provide his parents with financial peace in their retirement. And then there is Ola. Dear, sweet Ola, the sugar in Kingsley's tea. It does not seem to matter that he loves her deeply; he cannot afford her bride price. It hasn't always been like this. For much of his young life, Kingsley believed that education was everything, that through wisdom, all things were possible. Now he worries that without a "long-leg"--someone who knows someone who can help him--his degrees will do nothing but adorn the walls of his parents' low-rent house. And when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in Nigeria, but it's money that does the talking. Unconditional family support may be the way in Nigeria, but when Kingsley turns to his Uncle Boniface for help, he learns that charity may come with strings attached. Boniface--aka Cash Daddy--is an exuberant character who suffers from elephantiasis of the pocket. He's

also rumored to run a successful empire of email scams. But he can help. With Cash Daddy's intervention, Kingsley and his family can be as safe as a tortoise in its shell. It's up to Kingsley now to reconcile his passion for knowledge with his hunger for money, and to fully assume his role of first son. But can he do it without being drawn into this outlandish milieu? "Christianity without discipleship is always Christianity without Christ." - Dietrich Bonhoeffer

Have you ever been told to go and win souls for Christ through street evangelism or any other setting and you just sense you are not cut out for this? When you eventually manage to convince someone to accept Jesus as savior, you begin to realize you are clueless as to where to begin in the discipleship journey. If that is your situation, you are not alone. As a Christian of over thirty (30) years, listening to sermons from different pulpits from around the world, over media networks and at our local churches, I am amazed at the lack of or non-existence of practical teaching on how to actually go out and make disciples of all nations as Jesus Christ instructed us during His last command to the disciples, until the last thirteen years that this insight came to me in my visible encounter with the Lord Jesus Christ on 22nd, of April 2006. You will find the story on the encounter in the introductory part of *Clueless - Go Make Disciples*. Even then, I am still fine-tuning my understanding. I know and I am aware that there are countless Christians, who love the Lord dearly and are involved in relentless church activities week in and week out that have no clue as to how to really go out and make disciples of all nations. Some of our church pews are filled with recycled converts that do not know their left from their right concerning disciple making after years of conversion. Some of our churches have become like the dead sea where we keep taking in messages and not being equipped to let out the treasure within. This book, *Clueless - Go and make disciples* was written for you to equip you, as a practical "how to" book for the great commission work using *Discovery Bible Study* and the best of *Disciple Making* movement, *Training the trainer (T4T)* and other disciple

making processes all in one place. Questions like - How do you make sense of the various disciple making movement? what fits into your particular church setting? What works for you? What are the positive results of stories out there from different disciple making movements? By the time you are done reading *Clueless - Go and make disciples*, you will begin to actually make disciples and equip other groomed leaders to do likewise in any and every setting where you find yourself and your fruit will certainly remain. From the many approaches to discipleship out there, you will find your unique style and place in the body of Christ and function in that office effectively. You will find practical tips on how to start a group amongst different people groups (Urban and rural) and look for trigger points within any setting to start a discovery process. You will identify your unique gifting in the body of Christ and function effectively within it and much, much more! Monday Ogwujo Ogbe "Brimming with stories of sacrifice, courage, commitment and, sometimes, failure, the book will support anyone pondering a major life choice or risk without force-feeding them pat solutions."—Publishers Weekly In *What Should I Do with My Life?* Po Bronson tells the inspirational true stories of people who have found the most meaningful answers to that great question. With humor, empathy, and insight, Bronson writes of remarkable individuals—from young to old, from those just starting out to those in a second career—who have overcome fear and confusion to find a larger truth about their lives and, in doing so, have been transformed by the experience. *What Should I Do with My Life?* struck a powerful, resonant chord on publication, causing a multitude of people to rethink their vocations and priorities and start on the path to finding their true place in the world. For this edition, Bronson has added nine new profiles, to further reflect the range and diversity of those who broke away from the chorus to learn the sound of their own voice. *Build a Christ-Centered Love that Lasts* At a time when more people are delaying marriage or writing it off altogether, couples ready to walk the aisle will appreciate a frank and trusted resources to help them start

marriage on the right foot. This interactive Christian guide will help you explore your relationship in depth and will provide new insight into your partner and how the two of you relate to one another establish your wants and needs as individuals and a couple before your marriage begins lay the groundwork for biblical and honest conversation for a stronger, healthier marriage reveal how life events and family background can influence decision making in finances, family, education, faith and career engage you in activities that lead to thought-provoking discussion that address your past experiences and current expectations Engaging and easy-to-use, Before You Say "I Do" is full of tried-and-true wisdom to help you plan for your future and build a lasting relationship with the one you love. Many new believers have questions about what it means to live as a Christian in the context of a local church, and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life. 9Marks Church Questions is a new series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions Christians have about church life. Each volume offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment. This booklet teaches new Christians the why and how of 7 steps they should take once they believe in Jesus, turning to the Bible for the blueprint for how to thrive as a follower of Jesus. Presents strategies on ways to create a classroom environment that will motivate reluctant learners. Treat yourself to a delightful Regency romance with a fairy-tale twist "much in the manner of Mary Balogh." (Kirkus) Duncan Wentworth once tried his hand at rescuing a damsel in distress long ago, and he's vowed he'll never make that mistake again. Yet when he comes across a stranger in the poacher-infested woods of his estate, decency compels him to offer the lady aid. Matilda is whip-smart, she can read Duncan's horrible penmanship, and when she wears his reading glasses all Duncan can think about is naughty Latin poetry. Widowed duchess Matilda Wakefield can't entrust her secrets to Duncan without embroiling him

in the problems that sent her fleeing from London, but neither can she ignore a man who's honorable, a brilliant chess player, and maddeningly kissable. She needs to stay one step ahead of the enemies pursuing her, and falling into Duncan's arms is a distraction she can't afford—or they'll both pay the price.
