Lights...Camera...Murder! Jul 30 2020 When a stuntman is shot while rehearsing a scene for the newest movie starring cowboy hero Cody West, everyone considers his death an unfortunate accident. Veterinarian and amateur sleuth Tullah Holliday doesn't hesitate to get involved. Her empathic senses tell her he was murdered. She suspects Cody West is the killer. As Tullah begins to put together the pieces of the case, West is stomped to death by a young stallion being trained as a stunt horse. Tullah soon discovers the entire movie crew seems to have had motives to kill West. Then two women each confess to being the murderer, and they also point a finger at a third accomplice. So who killed Cody West—the horse or...?

Blood and Sand - Anniversary Edition (a Hank Boyd Adventure Book 1) Feb 26 2023 A fierce sandstorm hits southern Algeria and uncovers a lost ruin, its location unknown to modern man...until now. A team led by slacker archaeologist, Harrison "Hank" Boyd, is called in to investigate the find. In way over his head, Hank must lead his team through countless dangers and survive brutal encounters with enemies both human and inhuman alike. And if that's not bad enough... A shadowy group with a thirst for violence and a blind ambition is hot on their heels and will stop at nothing to obtain what has been found. Hank and company should have heeded the warning left by the ancient civilization who built this place. Expertly carved into the face of the golden relief found at the ruin entrance and written in perfect Latin is liberate te ex inferis... Save yourself from hell. BLOOD AND SAND - ANNIVERSARY EDITION marks the year anniversary of James' debut release and his subsequent plunge into the world of writing. Inside is the same exciting action-packed adventure, except that it's been re-edited, revised, expanded, and repackaged.

The Book of Ralph Aug 11 2021 All of us need a Ralph in our lives. Chicago, 1978. Hank Boyd, a solid B+ student, a good kid, wants eighth grade to be his special year. But when Ralph, an oddball troublemaker who 's been held back twice, gets the idea that he and Hank are pals, Hank's year devolves into an odyssey as frightening as it is hilarious. John McNally, acclaimed author of *Troublemakers*, deftly portrays the astonishing, sometimes terrifying world of adolescence in 1970s America: The adult world becomes increasingly untrustworthy, the economy plummets, and families seem to be falling apart, yet the two boys manage to create their own small moments of transcendence. At once wary and full of wonder, Hank and Ralph will win your heart with their outrageous, poignant, and occasionally scary antics -- and they will teach you something about the ties that bind us together, hold us back, and redeem us.

The Boyds Apr 06 2021 This is both a chilling, yet gripping, saga of a noble people; warriors in the fight for Scottish Freedom; and leaders and followers of the Religious Reformation in Scotland. They were the Calvinists, followers of John Knox, determined to institute the reforms flowing from the Reformation in the 1500's. They fought valiantly despite persecution and massacre. They bravely signed the National Covenant of Scotland, and many became known as Covenanters. Hunted down like wild animals, many decided to make the short sea journey of 20 miles across the channel from southwestern Scotland to the Province of Ulster, Northern Ireland, which had been opened up to English and Scottish settlers in the early 1600's. While the Scottish, English, and some Huguenot settlers flourished in the Province of Ulster, Northern Ireland, the 'grin of the wolf' was not long in planning a tortuous massacre in order to exterminate all Protestants in the Province of Ulster, Northern Ireland. What followed was so horrific as to be scarcely fit for the printed page. Yet the Massacres of 1641 and 1688-91 are described in detail. Finally, with discrimination in their midst, unjust laws legislated against them, treated as second class citizens, many Scottish, English, and Huguenot settlers decided a greater destiny lay across the Atlantic where others seeking religious and civil liberties had preceded them. Their sojourn in Ulster, Northern Ireland had been a bitter disappointment. This bitterness against their British landlords carried over to America. The Scots from Ulster became the backbone of the American Revolutionary War. When Washington was in his deepest despair at Valley Forge, The Ulster Scots were with him. The story of the Boyd Family begins in Scotland, carries over to Northern Ireland, and follows them to the frontier of all the colonies in America. It could be the story of thousands of Scots who all experienced the same pilgrimage and endured the same hardships and sufferings.

Babel Found (a Hank Boyd Adventure Book 3) Apr 30 2023 Hank Boyd is emotionally spent, unsure of what to do next. Does he call it quits and hang up his shovel, or does he push forward and endure? The decision is unfortunately made easier when he and his team are systematically attacked. Everyone is under fire and fighting for their lives as they try desperately to escape and regroup. The enemy is merciless and unconcerned with who gets in their way. Through information acquired from a past foe, they discover that not only was the fabled Tower of Babel real, but its ruins house an evil so powerful that not even Hank, still imbued with the might of An'tala, can stop them if they obtain their prize... Him. Hank Boyd must be taken alive. The rest can die. BABEL FOUND continues the story with the same blistering pace that readers have come to love with the series. Get lost in this generation's next great adventure.

Elixir of Life Mar 30 2023 Returning to the Yucatan wasn't what Hank had in mind when he and Nicole discussed taking time away from their mind-numbing research inside ATLAS headquarters. Nevertheless, the two archaeologists are asked to travel to Chichen Itza and investigate the last thing they were trained for, something a bit over their heads professionally. A murder has been committed, witnessed by one of their trusted contacts. Once they arrive and the whole story revealed, Hank and Nicole quickly understand why they, in particular, were called. A secret has been uncovered, one that Ponce de Leon failed to find five hundred years earlier. Now, they must protect it before it falls into the hands of their greatest enemy to date. The treacherous Order of An'tala is alive and well, plotting their rise from the shadows. Will the kingdom's former council get what they desire, or can Hank and Nicole survive long enough to stop them? *Elixir of Life is a fun, lightning-fast paced novella, centering around Hank and Nicole during a side mission in the Yucatan. This story's purpose is for it to help launch the Hank Boyd Adventure series into its next phase, introducing the team's most nefarious adversary to date, the Order.

Innocent Hostage Oct 01 2020 They'll do anything to save their son's life... Even work together. Their marriage is nearly over. But then Deputy US Marshal Allison Chen-Boyd and FBI hostage negotiator Henry Boyd learn their eight-year-old son has been kidnapped. They'll work together—temporarily, of course—to capture the dangerous cartel hell-bent on vengeance. But as danger mounts and bombs lurk around every corner, they'll have to learn to trust each other again to save their embattled family.

One Basket Aug 30 2020 A rich, varied, and brilliant collection of some of the most-loved stories from one of America's favorite writers, chosen by the author herself, Pulitzer Prize winner Edna Ferber. At eighteen, Edna Ferber was the only female reporter on a big, tough, midwestern daily, covering everything from fires and accidents, to divorces and murders. It was here that she learned how to write and spin the raw material from her own life into numerous fascinating stories, novels, and plays. Increasing in number over the course of a long and glorious career, One Basket collects these beloved stories that, like her novels, present Ferber's brilliant cross-section of American life.

Berserk Feb 23 2020 The discovery of the tomb of an ancient Norse king unleashes a weapon of unbelievable power. One touch from the Spear of Odin can transform a man into a berserker—an unstoppable rage-fueled killing machine. Dane Maddock and "Bones" Bonebrake, former Navy SEALs turned treasure hunters, are on assignment in Norway—their mission: Stop the rogue biotech company ScanoGen from getting their hands on the legendary weapon. But ScanoGen isn't the only enemy they'll need to worry about. A crazed mercenary with delusions of godhood has plans to use the spear to raise an army of berserkers, unleashing them upon an unsuspecting world, and only Dane and Bones stand in his way. PRAISE FOR DAVID WOOD AND THE DANE MADDOCK ADVENTURES! A great read that provides lots of action, and thoughtful insight as well, into strange realms that are sometimes best left unexplored." Paul Kempres, author of Cool Blue Tomb "Dane and Bones.... Together they're unstoppable. Rip-roaring action from start to finish. Wit and humor throughout. Just one question - how soon until the next one? Because I can't wait." Graham Brown, author of Shadows of the Midnight Sun "David Wood has done it again. Quest takes you on an expedition that leads down a trail of adventure and thrills!" David L. Golemon, Author of the Event Group series "Ancient cave paintings? Cities of gold? Secret scrolls? Sign me up! A twisty tale of adventure and intrigue that never lets up and never lets go!" Robert Masello, author of The Medusa Amulet "A non-stop thrill ride triple threat- smart, funny and mysterious!" Jeremy Robinson, author of Instinct and Threshold "Let there be no confusion: David Wood is the next Clive Cussler." Edward G. Talbot, author of 2010: The Fifth World

Mayan Darkness Dec 27 2022 On the heels of their amazing discovery under the Sahara, Hank Boyd and his team find themselves in another precarious situation. This time they must stop Zero, the shadowy organization that violently hunted them in Algeria, from releasing an ancient and deadly weapon. The target? All of humanity. Starting with Washington D.C. From the Yucatan to the streets of D.C., Hank and company must try to find a way to prevent the potential catastrophe. Time is running out as an enemy from mankind's past, aided by someone from Kane's, tries to continue the work set into motion millennia ago. Will they succeed in stopping Zero before the fall of the human race? If they don't... The world will crumble to ash and be extinguished by an all-consuming darkness. Following the critically acclaimed debut, Blood and Sand, the first book in the Hank Boyd Thriller series, Mayan Darkness continues the story at an even faster and more in-your-face pace. Buckle up and hold on tight, because we're only just now beginning this epic adventure.

The Cursed Pharaoh Nov 25 2022 How did Hank Boyd get his start in the world of archaeology? The Hank Boyd Origins will give readers a look into the years preceding the events of Blood & Sand, starting with The Cursed Pharaoh. Renowned historian, Dr. William Boyd, and his rebellious son, Hank, are called in to investigate an exciting discovery after the tomb of an Egyptian monarch is located. What they find is equal parts perplexing and alarming as Hank contracts a long-dormant virus hidden within the crypt, one that is warned to be a "scourge against humanity." Now, the father and son duo, along with a close friend and colleague of theirs, must figure out what's infecting Hank before it's too late. And as if things couldn't get any worse, a sect of ancient warriors are hot on their heels, intent on silencing anyone who disturbs their king's final resting place.
