*HEROES OF THE WILD WEST – Beau Rand, Drag Harlan & Square Deal Sanderson (Western Classics Series)* Apr 24 2020 This carefully crafted ebook: “HEROES OF THE WILD WEST – Beau Rand, Drag Harlan & Square Deal Sanderson (Western Classics Series)” is formatted for your eReader with a functional and detailed table of contents. “Beau” Rand – Amos Seddon has been angry at Beaudry Rand for a long time, and he has passed that hatred on his daughter Eleanor, but when she meets the fellow of the certain name, he turns out to be quite the opposite of what she has been told. “Drag” Harlan is a tough vigilante cowboy with a bad reputation.

While riding through the desert, among the rocks he finds a dying man named Morgan who tells him the story of hidden gold on his ranch, because of which he was shot by a gang of outlaws. Morgan makes Harlan promise to protect his daughter Square Deal Sanderson is an old time cowboy, a man of honor and a rough son of the West. Incidentally he stumbles upon two villains robbing and murdering a young cowboy. From the letters he carried, Sanderson learns that murdered man's sister is left alone at the distant Double A ranch and he steers his horse that way. Charles Alden Seltzer (1875-1942) was a prolific American author of western novels. He wrote his westerns from the experience of living on his uncle's ranch in New Mexico. Seltzer's best works include *The Two-Gun Man*, *The Boss of the Lazy Y*, *Drag Harlan* and *West*. Many of his novels were turned into Hollywood movies.

**The Emperor Marked for Death** Feb 21 2020 The world's first non-costumed super hero, an underground pulp action Sensation – first time ever in book form! "Nonstop action, thriller fans will love it." -Joe Vadalma, author of *The Chronicles of Morgaine the Witch*. Are you a fan of James Bond and Cotton Malone? Of "Maverick" and "The Man from U.N.C.L.E."? Of Modesty Blaise or Catwoman? Of Spiderman or Green Lantern? Of Doc Savage and the Spider? Then prepare to enter a world of adventure and danger, of a hero unequaled since the days of the movie serials, of Golden Age comic books, and the yellowed pages of pulp magazines, a world of memorable characters, of good and evil. Welcome to the Emperorverse! For over four decades, in dozens of privately published comic books and pulp magazines, Charles Lee Jackson II has produced a unique body of work set in what his fans hail as the "Emperorverse." Its central figure is *The Emperor*, a crusader for good with extraordinary powers, who doubles as the

harassed head of a minor Hollywood movie studio. The Emperor is smart, swift, capable of amazing feats, all but indestructible, well dressed (prefers jacket and tie to flamboyant costumes), able to charm beautiful women with a single smile. Opposing him is Continent-Eight, the international Executive of Crime and its creator, Varan Haruchi, AKA The Black Dragon, whose exposure to arcane experimental chemicals has resulted in his long-lived youthful appearance. The Emperor also encounters a host of other evil-doers in his war against crime and destruction: Dr. Yalta, doctor and dentist once recruited by US intelligence for his resemblance to warlord Adolf Hitler, kept young by the same accident, who now supervises medical and scientific crimes for Continent-Eight. Maskman, a mysterious helmeted figure, whose true identity is unknown even to his partners in crime. Victoria Potem, The Jade Dragon, third generation Eurasian crime boss whose personal goals of crime often place her at odds with her partners. Horst Sterling Rosefeld, the mysterious and powerful leader of the Church of Nihilism, dedicated to the destruction of the human race, and ruthless enough to accomplish it. And a rogue's gallery of sinister figures, notable among them Johnny Rainbow, the Steel Skull, Xavier Xavier AKA Dr. Double X, the Eye, Alain Sarnov, the Dragon, Warhead, and Madame von Teufel. In his war against Continent-Eight, and other evils, The Emperor is aided by as memorable a group of allies in crime-busting as Doc Savage's fabled companions. His supporting cast includes Bill Mills, musician, stuntman, and adventurer who joined The Emperor to make motion pictures and stayed to fight crime; Max Decker, Federal Intelligence agent who met The Emperor in the field and worked for many years as a crime-fighter while masquerading as a criminal gang-leader, the Gila; the amazing Shanghai Lil, red-headed woman as skilled with a blade as her wits. Plus a

host of costumed heroines and heroes, super and otherwise, among them Shooting Star, Solara, Nemesis, Cat's-Eye, Fireball, and the robot Titan. They are all part of the Emperorverse, an incredible assembly of international spies, space aliens, mad scientists, colorful villains, costumed heroes, secret agents, spacemen, and even the cowboys of yesteryear, all engaged in the wildest and wooliest adventures you've ever read. It's an amazing and unequalled creative tapestry, woven into a complex, interrelated web that snares the imagination. In this newest installment released to the public, the actions races from the silver mines of Idaho, to Hollywood and Malibu, to a slumbering volcano in the Cascades. The Emperor tackles a monstrous enemy so deadly that even the crooks of Continent-Eight join in the fight against him, a villain who plans not merely to subjugate humanity but to destroy it - at any cost. And because he's the only thing stopping this fiend, Our Hero becomes... The Emperor Marked for Death!

**Heroes And Villains** Apr 05 2021 The author "reveals the gothic tale of drugs, sex, music, greed, booze, and genius behind the wholesome image of the Beach Boys."--Jacket.

Shakespeare's comedy of Much Ado about Nothing. Arranged for representation at the Princess's theatre, with explanatory notes, by Charles Kean, etc May 06 2021

Law, laity and solidarities Mar 24 2020 The primary focus of this collection by leading medieval historians is the laity, in particular the ideas and ideals of lay people. The contributors explore lay attitudes as expressed in legal cases, charters, chronicles and collective activities. Highlights the centrality of kinship, whilst stressing its limitations as an all purpose social bond. Ranges chronologically and geographically from the seventh century to the eve of the Reformation, from Western Britain to papal and urban Italy, from Carolingian dynastic politics to the decline of

medieval pilgrimage in the sixteenth century, and from the courts of twelfth-century France to the fifteenth-century wards of London.

**Heroes, Villains, and Conflicts** Jul 20 2022 Over many centuries, the world has been gripped by warfare, and from this chaos there have risen many heroes and villains. This book takes a look at various individuals and their deeds, including the year and place of birth (wherever possible). Their ranks range from the lowliest Private soldier to Field Marshals. They have been decorated in some cases for their actions, and the student of history will be stunned to discover just how they acted. Some of these have included ancient leaders such as Emperors, and their various campaigns covered most of Europe and also the Middle East.

Third Class Superhero Mar 04 2021 “A compulsively readable collection” of short fiction from the author of *How to Live Safely in a Science Fictional Universe* (Publishers Weekly). With deadpan humor and originality, Charles Yu spins Kafkaesque tales of modern identity and insecurity in this whip-smart debut. In 401(k), a couple living in the Luxury Car Commercial subdivision are disappointed when their exotic vacation turns into a Life Insurance/Asset Management pitch. The author struggles to write the definitive biography of his mother in *Autobiographical Raw Material Unsuitable for the Mining of Fiction*. And would-be superhero Moisture Man must come to terms with the darkness in his heart. Throughout the collection, Yu’s characters run up against the limitations of their artificial story lines while tackling the terrifying aspects of existence: mothers, jobs, spouses, and perhaps most terrifying of all, the need to express feelings. Heartbreaking and hilarious, *Third Class Superhero* marked the debut of an author who has been a PEN award finalist, and whose novel *How to Live Safely in a Science*

Fictional Universe was named one of Time's best books of the year. "The post-collegiate braininess of many of Yu's stories is like the music of the Talking Heads, making the familiar seem off-kilter. . . . Takes a Kafkaesque turn in its comic examination of the essence of identity."  
—Kirkus Reviews

Buck Parvin and the Movies Jun 19 2022 A collection of short stories of the early days of the movie industry. Charles E. Van Loan first lived, then wrote, his stories. His heroes were his friends-the best ever; his villains were his enemies-the worst. They were never hearsay heroes or villains. He had met them all in the flesh and it was not until he knew them like a book that he put them in one. Contents: The Extra Man and the Milkfed Lion The International Cup Man-Afraid-of-His-Wardrobe Water Stuff Buck's Lady Friend Desert Stuff Author! Author! Snow Stuff This is the Life!

*Charles* May 18 2022 Charles, Prince of Wales, has long been the subject of intense scrutiny and speculation. Everyone assumes that they know the story of the Prince's life and his failed marriage to Diana. Diana herself told the world in no uncertain terms about her unhappiness with the British Royal Family, leaving no doubt as to whom she held responsible. But Diana's version was only part of the story. Penny Junor's new biography, *Charles: Victim or Villain?*, reveals the startling complexities and contradictions of a man born to a position of unique privilege. On the occasion of the Prince's fiftieth birthday it provides fresh perspective and entirely revolutionizes the way we think about Charles, his marriage and his mistress. Drawing on the memories, experiences and observations of those closest to the Prince, the Princess and Camilla -- some of whom have never spoken before -- Penny Junor is in an unrivaled position to explode and

explain the popular myths. Her analysis of the Prince's marriage to Diana, a vulnerable but difficult young woman, and his relationship with Camilla, earthy and independent, results in a provocative new portrait of the man who will be King.

**Where the Stars Sing** Dec 25 2022 The world needs heroes when villains rise daily. Charles Sykes, a humble farm-boy and comic-book fan, survived an accident that left millions dead-and while some ordinary people developed extraordinary gifts afterward, he lost his father. But, like the rest of the world he's in awe of the Wonders' heroism; they're what's gotten him through his mother remarrying. Well, them and his rabbit Frankie, hanging out with his grandfather Harrison, and spending time with Arthur, a handsome wealthy schoolmate from the county's outskirts. But one day, Charles leaves for college in search of something more. Ten years later, he returns home. Having rarely spoken to Arthur or Harrison. And, in less than 24 hours, he's had contact with both-a brief run-in with Arthur, and Harrison has enlisted him to decipher a mysterious book. Charles decides to help, but the dangers that lurk ahead are far beyond his imagination. As he's drawn into the city's dark underbelly, Charles soon makes a series of unnerving discoveries forcing him to make a choice that could alter his life forever. It's a tale of impossible love and tragedy, of fantasy and longing, in a time where being different was celebrated change was still needed.

**The Official Charles Bronson Quiz Book** Aug 29 2020 Charles Bronson is undoubtedly the most notorious prisoner in Britain and is not only a household name but also as much of an institution as the multitude of Her Majesty's establishments whose doors he has graced over the last 37 years, most of that time spent in solitary confinement. A film about Charlie's life and

several no-holds-barred autobiographies have allowed us many interesting insights into the real man behind the myths – the fitness fanatic, the poet, the artist, the philosopher and the comic, to name but a few of his myriad faces. So these 100 quiz questions should be more of short brain stretch than a life sentence. Charlie remains in solitary in Wakefield Prison, having had parole refused time and time again. He still dreams of that day of freedom and, together with his friends and well-wishers, will keep fighting for life outside ‘the cage’. These quiz questions, however testing, will ensure that Charlie secures a place at the forefront of our minds and is never forgotten. Special Note: All of the author's royalties will be donated to Zoë's Place Baby Hospice (50%) and The Charles Bronson Appeal Fund (50%).

**Heroes and Villains of History - You Be the Judge** Oct 23 2022 Introductory Sale! Regular Price \$27.50 Make History Exciting! Throughout history the world has seen plenty of heroes and villains. Students love to learn about the "good guy" and the "bad guy." In this journal, kids get to be the judge and decide who is the hero and who is the villain. Students will research over 30 different historical figures from throughout the world and the ages. For each person the student will learn about their accomplishments, family, life, beliefs, and more. After their research is over they'll decide if that person is a hero or a villain. Dive into thinking about these influencers in a way no other material out there does. It is a wonderful way to study history that is fun and engaging. Use daily for a unit lasting about 6 weeks, or weekly to last all year. You can even use this over a period of several years as you study different historical periods. Thinking Tree Learning Levels: C1 & C2, ideal for ages 10+. This journal is an excellent companion to our Make Your Own Timeline of World History. Warning History is often violent, so be aware that

the study of some of these characters can be quite disturbing. Parental Discretion advised. Thinking Tree Learning Levels Ideal for Ages 8 to 18 (3rd - 12th grade), even adults! *Nicholas Nickleby* by Charles Dickens Jul 08 2021 'The novel has everything: an absorbing melodrama, with a supporting cast of heroes, villains and eccentrics, set in a London where vast wealth and desperate poverty live cheek-by-jowl' Jasper Rees, The Times When Nicholas Nickleby is left penniless after his father's death, he appeals to his wealthy uncle to help him find work and to protect his mother and sister. But Ralph Nickleby proves both hard-hearted and unscrupulous, and Nicholas finds himself forced to make his own way in the world. His

adventures gave Dickens the opportunity to portray an extraordinary gallery of rogues and eccentrics: Wackford Squeers, the tyrannical headmaster of Dotheboys Hall, a school for unwanted boys, the slow-witted orphan Smike, rescued by Nicholas, the pretentious Mantalini and the gloriously theatrical Mr and Mrs Crummels and their daughter, the 'infant phenomenon'. Like many of Dickens's novels, *Nicholas Nickleby* is characterised by his outrage at cruelty and social injustice, but it is also a flamboyantly exuberant work,

**The Heroes, Or Greek Fairy Tales for My Children** Dec 21 2019 Once upon a time there were two princes who were twins. Their names were Acrisius and Pr tus, and they lived in the pleasant vale of Argos, far away in Hellas. They had fruitful meadows and vineyards, sheep and oxen, great herds of horses feeding down in Lerna Fen, and all that men could need to make them blest: and yet they were wretched, because they were jealous of each other. From the moment they were born they began to quarrel; and when they grew up each tried to take away the other's share of the kingdom, and keep all for himself. So first Acrisius drove out Pr tus; and he went across the seas, and brought home a foreign princess for his wife, and foreign warriors to help him, who were called Cyclopes; and drove out Acrisius in his turn; and then they fought a long while up and down the land, till the quarrel was settled, and Acrisius took Argos and one half the land, and Pr tus took Tiryns and the other half. And Pr tus and his Cyclopes built around Tiryns great walls of unhewn stone, which are standing to this day.

**Heroes, Villains and Fiends** Feb 27 2023 It is 1895 and the future depends not upon the actions

of governments but upon those of the Adventuring Companies, and will be shaped by countless engagements in city streets, ancient ruins, dense jungles, high mountains and boundless deserts. In America, good men fight to preserve their hard-won liberty and the great drive west is stalled by Native American mystics and powerful outlaw gangs. In Africa, native forces fight to push back the Pax Britannica – no longer is a Lee-Enfield rifle and a disciplined resolve enough to put the foe to flight. In Europe, darkness gathers around the Austro-Hungarian court and the Great Powers watch warily, knowing its fall could precipitate a war to end all wars. Heroes, Villains and Fiends presents new Companies, from the rebellious Zulu and Apache to the spies of the Okhrana and Secret Service, and the mysterious forces of such groups as the Knights Templar and the sinister Hellfire Club. With equipment, Talents and Mystical Powers, additional scenarios and a sample campaign, Heroes, Villains and Fiends opens up new possibilities for In Her Majesty's Name.

**A Universal Biographical Dictionary, Containing the Lives of the Most Celebrated Characters of Every Age and Nation ... to which is Added, a Dictionary of the Principal Divinities and Heroes of Grecian and Roman Mythology, and a Biographical Dictionary of Eminent Living Characters** Oct 11 2021

*Auxiliary Hero Corps* 3 Feb 15 2022 He wanted a job, but instead he became a hero. The world is plagued with villains, and the Auxiliary Hero Corps is assigned to help protect the city. Val Vega is new to the corps, but he's willing to skirt the rules to protect those in his care. His hopes of protecting those around him are dashed when his best friend is killed by an ancient super villain foe. Auxiliary Hero Corps is Charles Eugene Anderson's third book in the Hero Union

Corps series. If you like Daredevil, the Flash, and Jenny Jones, then you'll love a series that combines all of their best traits in a fast-paced, enthralling, superhero adventure. Read this book to start the heroic series today!

*Norma Lee* Dec 01 2020 This contribution to the sum of total knowledge is mostly about my only sister, Norma Lee Hays. It addresses the incestuous relationship that we, as young siblings, had for each other. It also features these different protagonists and antagonists during the days that the L&N Railroad was first built and running through the native forests of Eastern Kentucky. These are my heroes and my villains: - Morris Slater, a notorious train robber. - His band of thieves who killed just for the thrill of it, - The women of Slater's secret hide-a-way, - The trials and tribulations of thievery. - Friar Simon Tuft who condoned the marriage of my sister. - The Sheriff of Perry County who feared Slater so much. - The endless chase to bring my sister home. - How she saved my life on numerous occasions. This book is not the best book ever written but, I am certain of one fact.... It isn't the worst book that I have ever read. - Charles Hays

If you like Daredevil, the Flash, and Jenny Jones, then you'll love a series that combines all of their best traits in a fast-paced, enthralling, superhero adventure. Buy this book to start the heroic series today!

In Her Majesty's Name Sep 22 2022 It is 1895 and the world is in turmoil. The Great Powers compete for resources and the latest technology, and an undeclared and secret war rages between them all. This is battleground of the Adventuring Companies. These clandestine agents of the Great Powers operate in the shadows, matching skills and wits in pursuit of the newest scientific formulae or powerful occult artifacts. In Her Majesty's Name sets these adventuring companies against each other in one-off encounters and in longer narrative campaigns. Companies are usually comprised of just 4–15 figures and two players could easily play three games in an evening, making an on-going campaign a highly viable option. In Her Majesty's Name has been designed to allow maximum versatility for the player – if you can imagine it, the system will help you build it. There is, however, a wealth of material provided in the book, covering weird science, mystical powers, and a range of pre-generated adventuring companies, including the British Explorers' Club, the Prussian Society of Thule, the US Marine Corps, the Légion Étrangère, the revolutionaries of the Brick Lane Commune, ancient Egyptian cults, and the mysterious Black Dragon Tong.

*Wall Street People* Sep 29 2020 Revealing, captivating, and surprising stories of yesterday's legendary financial masterminds From its inception, Wall Street has been home to a variety of fascinating heroes and villains who have left their mark-for better or for worse-in pursuit of their financial endeavors. In Volume Two of Wall Street People, Charles Ellis and James Vertin turn back the clock to reveal the true stories of yesterday's barons of finance. This book profiles some of the most interesting, powerful, and talked-about financial luminaries of the nineteenth and twentieth centuries. Readers will go behind the public image of financial personalities such as

Jesse L. Livermore, Joseph P. Kennedy, Andrew Carnegie, and John D. Rockefeller. Vivid portraits of these and other financial legends offer a rare glimpse into the professional and personal world of yesterday's barons of finance. Charles D. Ellis (Greenwich, CT) served for twenty-eight years as Managing Partner of Greenwich Associates. James R. Vertin (Menlo Park, CA) was the founding manager and CIO of Wells Fargo Investment Advisors. Vertin and Ellis have previously collaborated to produce three other books, including *Wall Street People: True Stories of Today's Masters and Moguls* (Wiley: 0-471-23809-0).

**Alfie and the Moonshiners** Aug 09 2021 *THE MOONSHINERS* is an Easterday tale of high adventure, of dire threat to the lives of two little boys, Alfie and Junior, lost in the vast Burl Green Woods, and the dramatic rescue which reunites them with their anxious family. It is a story full of both villains and heroes. The moonshiners are the villains; Papa and Mister Charles and Willie are heroes. Sandy, the mostly collie dog, is the greatest hero of them all. Mama and Cliff and Miss Maggie are heroic too, for they wait at home, hanging between hope and despair. And Gran'ma who prays for her babies. And the Sheriff. Surely there has never been another like him, and yet he is the classic prototype of *THE LAW*. Some of these characters are real people from the author's childhood. There is no need to shield them from their rightful place in the sun by using fictional names for them. Others are fictional characters created for the purpose of making the tale more interesting. Even they are treated as well as they deserve.

Now You Know — Heroes, Villains, and Visionaries Nov 24 2022 Presenting four books in the popular and exhaustive trivia series. In these Doug Lennox's brain-teasers focus on famous figures, both real and mythological, dealing with kings and queens, villains, Canada's heroes,

and dastardly pirates. Questions answered include: What is the difference between a pirate and a privateer? What royal family in the world today has ruled the longest? How did Tom Longboat astound the world in 1907? What caused Moses to break the tablets of the Ten Commandments? and hundreds more. Includes Now You Know Pirates Now You Know Royalty Now You Know Canada's Heroes Now You Know the Bible

*Hero and Villain in the Novels of Charles Dickens* Jun 26 2020

**Tarnished Heroes, Charming Villains and Modern Monsters** Feb 03 2021 The heroes, villains, and monsters portrayed in such popular science fiction television series as Heroes, Lost, Battlestar Galactica, Caprica, Doctor Who, and Torchwood, as well as Joss Whedon's many series, illustrate a shift from traditional, clearly defined characterizations toward much murkier definitions. Traditional heroes give way to "gray" heroes who must become more like the villains or monsters they face if they are going to successfully save society. This book examines the ambiguous heroes and villains, focusing on these characters' different perspectives on morality and their roles within society. Appendices include production details for each series, descriptions and summaries of pivotal episodes, and a list of selected texts for classroom use. Instructors considering this book for use in a course may request an examination copy [here](#).

The Naming of Characters in the Works of Charles Dickens Sep 10 2021

**A Dictionary of Medieval Heroes** Dec 13 2021 "The different cultures from which the middle ages drew its inspiration are represented: Cu Cuchulainn from the Celtic world, Apollonius of Tyre from Greek romance, Attila the Hun and Theodoric the Ostrogoth from the struggle of the Roman empire against the Barbarians. Each entry gives an outline of the story, how it spread

through Europe, its modern retelling and appearances in art, and a selective bibliography."-- Jacket.

**Hero, Villain, Saint** Jan 14 2022 This gripping study of the inner struggle between personal ambition and social conscience explores the eternal conflict between the heroic -I- and the social -We-. Religion, myth and biography guide us through the hero's life from extraordinary beginnings to triumph, vilification, defeat and resurrection. As the fascinating story unfolds, we realize its deep importance. The psychology of the hero's journey is our own. The hero's story is the story of our own inner life."

The Heroes, Or Greek Fairy Tales for My Children Oct 31 2020 The Heroes, or Greek Fairy Tales for my Children by Charles Kingsley is a collection of three Greek mythology stories: Perseus, The Argonauts, and Theseus. The author had a great fondness for Greek fairy tales and believed the adventures of the characters would inspire children to achieve higher goals with integrity.

**Heroes and Villains** Jan 22 2020 What about the heroes of real life? Are they anything like the mythical ones? And what about the villains? What makes them tick? In this book, many heroes join our quest. We hear about John Lennon's fatherhood, Steven Tyler's love of nature, Alice Cooper's Christian faith and David Bowie's Berlin apartment. We join Marty McFly for a spin in the DeLorean and see what Charlton Heston found among the apes. The Renaissance party, was it as wild as we think? Do opera singers really wear scarves? What do John F. Kennedy and Stephen King have in common? And did Adolf Hitler really die back in 1945? Ghosts, Irishmen, real British monarchs, an angry Inca-Queen, Tesla's demons and fantastic artistic legends, they're

here and they're dying to tell you a fascinating story ... Once upon a time, right here, not so long ago ... Written with Herbert Eyre Moulton and Gun Kronzell-Moulton. Cover painting: St. George and the Dragon by Svitozar Nenyuk.

*The Making of Crusading Heroes and Villains* Jul 28 2020 Engaging the Crusades is a series of volumes which offer windows into a newly emerging field of historical study: the memory and legacy of the crusades. Together these volumes examine the reasons behind the enduring resonance of the crusades and present the memory of crusading in the modern period as a productive, exciting, and much needed area of investigation. This new volume explores the ways in which significant crusading figures have been employed as heroes and villains, and by whom. Each chapter analyses a case study relating to a key historical figure including the First Crusader Tancred; 'villains' Reynald of Châtillon and Conrad of Montferrat; the oft-overlooked Queen Melisende of Jerusalem; the entangled memories of Richard 'the Lionheart' and Saladin; and the appropriation of St Louis IX by the British. Through fresh approaches, such as a new translation of the inscriptions on the wreath laid on Saladin's tomb by Kaiser Wilhelm II, this book represents a significant cutting-edge intervention in thinking about memory, crusader medievalism, and the processes of making heroes and villains. *The Making of Crusading Heroes and Villains* is the perfect tool for scholars and students of the crusades, and for historians concerned with the development of reputations and memory.

Heroes, Saints and Villains Mar 16 2022 From close calls to living in denial. From having the dreaded talk to having it go right (or wrong). From false acceptance to true acceptance. From suffering to freedom from outbreaks. In the ever ongoing search for a cure... We the heroes saints

and villains of HSV walk you through life with herpes. We share the agony of finding out, the nightmare of being the one in five. We move on with you through all the stages of Living with Herpes.

**Auxiliary Hero Corps** Aug 21 2022 He wanted a job, but instead he became a hero. The world is plagued with villains, and the Auxiliary Hero Corps is assigned to help protect the city. Val Vega is new to the corps, but he's willing to skirt the rules to protect those in his care. His hopes of protecting those around him are dashed when his best friend is killed by an ancient super villain foe. Auxiliary Hero Corps is Charles Eugene Anderson's first book in the Hero Union Corps series. If you like Daredevil, the Flash, and Jenny Jones, then you'll love a series that combines all of their best traits in a fast-paced, enthralling, superhero adventure. Buy this book to start the heroic series today!

Heroes and Villains Jan 26 2023 Charlie Bronson is Britain's most dangerous convict. He talks tough, and he fights harder. During more than a quarter of a century inside, he has gained a fearsome reputation as the prison system's only serial hostage taker. Yet he is also a man of great warmth and humor, and despite his reputation, he has never killed anyone. Respected and admired by many prison officers as well as prisoners, the cast of characters he has met on the inside is astonishing.

*Wall Street People* May 26 2020 The first complete Who's Who in the history of the world's best-known financial street Charles D. Ellis and James R. Vertin have crafted a window on Wall Street that investors won't want to miss. These two Wall Street insiders provide detailed profiles of dozens of the most fascinating, influential, and talked-about financial luminaries ever to light

up the dark and cavernous purlieus of the world's most famous street. Related here are intriguing tales of money won and lost, amazing coups, brazen cons of financial brilliance, and untrammelled greed and blind ambition. This compelling series includes profiles of the biggest names today: Alan Greenspan, Warren Buffett, Larry Tisch, Jim Rogers, Sanford Weill, and George Soros-as well as investment losers like Ivan Boesky and Nicholas Leeson. Charles D. Ellis (Greenwich, CT) is a Managing Partner of Greenwich Associates, the international financial consulting firm. Now fully retired, James R. Vertin (Menlo Park, CA) was a principal of Alpine Counselors, a financial consulting firm.
