Gothic Spring Jan 28 2023 Victorine Ellsworth knows something about the death of the vicar's wife...but what? Is she the killer? Or the next victim? GOTHIC SPRING is a journey into a mind that is unraveling. Victorine is a young woman poised at the edge of sexual awakening and cursed with more talent and imagination than society will tolerate. The conflict between her desire and the restrictions that rule her life lead to tragic circumstances.

Soulmates Jun 08 2021 In her lively and conversational style, Carolyn Miller takes a high-spirited, unsentimental, in-depth look at what a soulmate is and how to connect with that special person. Sharing her own quest and that of dozens of other couples for a meant-to-be relationship, she uses true and extraordinary stories to illustrate what she means by inner guidance. Contrary to popular belief, soulmate couples do not usually recognize each other at first glance: When Roma was but eight years old, she risked her life daily by bringing food to Herman, who was interred in a Nazi

concentration camp. They later met repeatedly while both lived in Israel, but it was not until nine years later that they met in New York and recognized that they were soulmates. Karen, a beautiful and successful pop singer, met Pat by handing him her card as she passed him in the street and asking him to "call me." They became fast friends, but neither felt that they were "right for each other." It was only after they put aside their preconceived ideas of what their ideal partner would be like that they became soulmates. Pedro and Elizabeth first met as they passed one another in a psychiatrist's office. Their therapist felt that they had a past-life connection but ethically could do nothing to bring them together. They met again while waiting for a plane, and discovered they were soulmates. Each chapter ends with guidelines for actualizing a soulmate relationship, which provide a practical aid to the reader who wishes to find his or her own "relationship made in heaven."

**Creating Your Best Life** Dec 27 2022 The passion for life lists has spawned an industry that includes thoughtful experts such as Caroline Miller, a life coach and motivational book author, and Dr. Michael Frisch, a positive psychology coach and clinical psychologist at Baylor University. Working together, they have fashioned the most useful, science-based, and up-to-date book on the topic of goal setting and accomplishment. *Creating Your Best Life* supplies dozens of interactive exercises and quizzes readers can use to identify their most cherished needs, ambitions, and wishes. The exercises are fun, making the process of self-discovery enjoyable and productive. The authors' unique "life list coaching" program organizes life lists into 16 key areas that are universally known to make people happy--to help you actually achieve your aspirations. No other life list book offers research-validated information on why certain steps matter in goal accomplishment, or even how goals are connected with any type of life satisfaction. Readers will feel both educated and inspired to start writing goal-setting lists in order to live

their lives more consciously, productively, and happily.

**Bits & Pieces** Jul 10 2021 bits & pieces is a collection of coming of age poems by Ashly Cochran. Topics include societal expectations, growing up, loss and grief of love and relationships, and discovery of true happiness in the process of personal growth. bits & pieces also features the artwork and photography of Caroline Miller. Cochran and Miller's pieces weave artfully together to express the coming of age experiences common to young adults.

Arts Therapies in International Practice Apr 06 2021 Arts Therapies in International Practice: Informed by Neuroscience and Research brings together practice and research in the arts therapies and in neuroscience. The authors are all arts therapists who have reviewed their practice through the lens of modern neuroscience. Neuroscience confirms the importance of embodiment, choice, and creativity in therapy with a range of clients. Arts therapies directly provide these. The authors demonstrate how the arts therapies can be adapted creatively to work in different social and ethnic communities, with different ages and with different states of health or ill health. Although there is diversity in their practice and country of practice, they reaffirm key concepts of the arts therapies, such as the importance of the therapeutic relationship, and the key role

played by the arts modality with its effects on the brain and nervous system. This book will appeal to a wide readership, including arts therapists, expressive arts therapists, a range of other psychotherapists and counsellors, students and their teachers, and those interested in the neuroscience of human development.

Blind Ambition: How to Envision Your Limitless Potential and Achieve the Success You Want

Jan 04 2021 A goal-setting guide to top achievement from an award-winning engineer, champion paratriathlete, and IRONMAN world record holder Diagnosed with a pediatric brain tumor, Patricia Walsh became blind at the age of five. As a teenager, she lost what little vision remained due to surgical complications, and the straight-A student began a downward spiral into depression and hopelessness. But Walsh eventually had an epiphany: if she didn't do something--and fast--she would doom herself to a life devoid of meaning. Today, Walsh is an award-winning computer engineer and champion paratriathlete. She has raced in more than a dozen marathons and ultra-marathons and competed in two IRONMAN triathlons. In 2011, she set the world record for blind triathletes, shattering both male and female records by over 50 minutes. How did she do it? Patricia Walsh refused to be defined by any limits. In Blind Ambition, Walsh both inspires and educates by relating her unforgettable personal story while detailing her proven Fuel / Fire / Blaze approach to achieving any goal:

Fuel: Set your base goals--those small, day-to-day tasks designed to collectively build toward your final goal Fire: Map important milestones on your journey to keep yourself on track and motivated Blaze: Your highest goals, your most burning desire made real--this is what happens when you add fuel to fire . . . Drawing on her experience of great adversity--and even greater success--she shows you how to set realistic milestones and describes a simple and effective process for mapping these milestones to daily tasks that will help you achieve what you previously thought unachievable. Every path has obstacles, but you can overcome them. Apply a champion's hard-earned lessons to achieve your goals and live a personally enriching and professionally rewarding life. All it takes is Blind Ambition.

**Getting Grit** Nov 25 2022 One of the Top 10 Books That Will Change Your Life in 2017 - Live Happy Magazine Grow Your Grit—How You Can Develop the Critical Ingredient for Success Grit—defined as our perseverance and passion for long-term goals—is now recognized as one of the key determinants for achievement and life satisfaction. In an age that provides us with a never-ending stream of distractions and quick-and-easy solutions, how do we build this essential quality? "This book is designed to help you screen out the spam of life and cultivate authentic grit in every setting," writes Caroline Miller. With Getting Grit, this bestselling author brings you an information-rich and practical guide for developing the qualities needed to

persevere over obstacles—not just toughness and passion, but also humility, patience, and kindness. Join her as she shares research-based insights and practices on:

- Learning grit—how you can enhance your willpower and rewire your brain for resilience

"When we embody the best qualities of grit, we become a role model for others who want to become better people, and help them awaken greater possibilities for themselves." Whether you're seeking to grow beyond your limits at work, at home, on the sporting field, or in any leadership role, *Getting Grit* is a powerful resource to help you bring out the qualities that will help you succeed and thrive.

**From the Mouth of Ma** Nov 01 2020 There's not a whole lot written about Caroline Quiner Ingalls, the mother of famed Little House on the Prairie author, Laura Ingalls Wilder. And I always wondered why. So I set about looking

for her. . .in family letters, bits of biography and, mostly, through the words she spoke throughout the Little House series. The Ma I thought I'd find wasn't the one I discovered. Would you like to meet her? I think you'll be happy that you did.

**Caroline** Mar 30 2023 USA Today Bestseller! One of Refinery29's Best Reads of September In this novel authorized by the Little House Heritage Trust, Sarah Miller vividly recreates the beauty, hardship, and joys of the frontier in a dazzling work of historical fiction, a captivating story that illuminates one courageous, resilient, and loving pioneer woman as never before—Caroline Ingalls, "Ma" in Laura Ingalls Wilder's beloved Little House books. In the frigid days of February, 1870, Caroline Ingalls and her family leave the familiar comforts of the Big Woods of Wisconsin and the warm bosom of her family, for a new life in Kansas Indian Territory. Packing what they can carry in their wagon, Caroline, her husband Charles, and their little girls, Mary and Laura, head west to settle in a beautiful, unpredictable land full of promise and peril. The pioneer life is a hard one, especially for a pregnant woman with no friends or kin to turn to for comfort or help. The burden of work must be shouldered alone, sickness tended without the aid of doctors, and babies birthed without the accustomed hands of mothers or sisters.

But Caroline's new world is also full of tender joys. In adapting to this strange new place and transforming a rough log house built by Charles' hands into a home, Caroline must draw on untapped wells of strength she does not know she possesses. For more than eighty years, generations of readers have been enchanted by the adventures of the American frontier's most famous child, Laura Ingalls Wilder, in the Little House books. Now, that familiar story is retold in this captivating tale of family, fidelity, hardship, love, and survival that vividly reimagines our past.

**Positively Caroline** Jul 22 2022 Positively Caroline: How I Beat Bulimia for Good and Found Real Happiness, is one of the first books of its kind to tackle the subject of how eating disorder survivors can and do create lives of joy and health that persist past the early years of recovery. Some media reports have led people to believe that there is an "addictive personality" that careens from addiction to addiction without ever experiencing lasting wellness, but Caroline's story is a demonstration that many people can, and do, put food into its proper perspective and then go on to handle other life challenges without sliding backwards into food abuse or turning to other addictive substances or behaviors. Positively Caroline is the sequel to the bestselling *My Name is Caroline* (Doubleday 1988), which was the first major autobiography to cover recovery from bulimia, and which

continues to sell well today. The book was an Alternate Selection of the Literary Guild and was reviewed in countless newspapers and magazines all over the world, and featured on television and radio programs. Tens of thousands of people say that the book helped them to have hope for themselves or someone close to them, and that it gave them the courage to speak up and get the help they needed. Positively Caroline picks up where My Name is Caroline left off, and covers many of the issues that women struggle with, regardless of whether or not they are recovering from an eating disorder, including: How to maintain a sane relationship with food throughout different life stages, such as pregnancy How to role model healthy behavior so that children learn how to have positive feelings toward their own bodies How to find happiness and balance between work and parenting How to follow your own dreams in life and take risks so that life is fulfilling and rewarding.

**Blood Junction** Dec 15 2021 A Mystery Guild Featured Alternate In a stunning debut novel that won her the prestigious Crime Writers' Association New Writer's Award, Caroline Carver presents a gutwrenching, provocative adventure thriller set against the eerie, exotic backdrop of the Australian Outback--where a woman's search for the truth about horrific crimes will bring her to the crossroads of her life.

*The Origin of F.O.R.C.E.* May 08 2021 As haughty, brilliant, and rat-faced Dr. John

Heinbaum would undoubtedly say, "I'll be happy to tell you about my discoveries. Explaining my work in such a way that it will be meaningful to a person with as low an IQ as you may be difficult, but I will try my best to make it understandable." "You're a peach, Doc!" Lt. Jerome McPherson, the red-headed Scotsman exclaimed as he baited the egomaniac scientist to provide this brief explanation to my readers. "Ever wondered about the real purpose behind the polio vaccine? How about what really goes on at the secret military base 135 miles north of Las Vegas, Nevada? Ever met a tall, enigmatic person wearing a dark green trench coat, a fancy sombrero, and dark sunglasses?" "The Chrysallaman Empire has colonized every habitable planet in the galaxy, ruthlessly exterminating any sentient race that dared object to their benevolent conquest. Now they have completed a six month exploratory mission on Earth and found it to be an ideal colonization planet with a temperate climate, vast water reserves, lush vegetation, and a ruminant population of semi-intelligent animals called humans who pose no threat to the superior technological, mental, and physical strengths of the mighty Chrysallamans. In fact, when ground into a gritty paste, the humans are quite tasty. By sheer luck, the humans disable one of the Chrysallaman spacecraft in 1947 at Roswell, New Mexico, and capture a Chrysallaman youngster vacationing with his father. Now, with only 65 to 70 years until the Chrysallamans return to Earth with an immense

invading fleet of warships and millions of colonists, humans have to prepare mentally, physically, and technologically, for the battle that will determine whether every human lives or dies." "A special group of men and women are chosen to save humanity from the impending invasion. An eccentric scientist, red-headed hellion specializing in reverse engineering, DNA specialist, Xenobiologist, and an assortment of specialized military commandos are assembled by the Pentagon into F.O.R.C.E., the Federal Organization for Response to Celestial Enemies. The Chrysallamans just may have met their match!" Miller's Valley Dec 23 2019 NEW YORK TIMES BESTSELLER • In a small town on the verge of big change, a young woman unearths deep secrets about her family and unexpected truths about herself. Filled with insights that are the hallmark of Anna Quindlen's bestsellers, Miller's Valley is an emotionally powerful story about a family you will never forget. For generations the Millers have lived in Miller's Valley. Mimi Miller tells about her life with intimacy and honesty. As Mimi eavesdrops on her parents and quietly observes the people around her, she discovers more and more about the toxicity of family secrets, the dangers of gossip, the flaws of marriage, the inequalities of friendship and the risks of passion, loyalty, and love. Home, as Mimi begins to realize, can be "a place where it's just as easy to feel lost as it is to feel content." Miller's Valley is a masterly study of family, memory, loss, and, ultimately,

discovery, of finding true identity and a new vision of home. As Mimi says, “No one ever leaves the town where they grew up, even if they go.” Miller’s Valley reminds us that the place where you grew up can disappear, and the people in it too, but all will live on in your heart forever. Praise for Miller’s Valley “Overwhelmingly moving . . . In this novel, where so much is about what vanishes, there is also a deep beating heart, of what also stays.”—The New York Times Book Review “Stunning . . . The matriarchal theme [is] at the heart of Miller’s Valley. Miriam pushes her smart daughter to consider college, and other women—a teacher, a doctor, a benefactor—will raise Mimi up past the raging waters that swirl in her heart.”—The Washington Post “Economical and yet elegant . . . [Anna Quindlen’s] storytelling and descriptive powers make Miller’s Valley compelling. . . . Miller’s Valley has a geography and fate all its own but its residents, realities, disappointments, joys and cycle of life feel familiar, in the best way possible.”—Pittsburgh Post-Gazette “A family story with humor, surprise, sorrow and mystery . . . Quindlen has created distinctive characters, none of whom seems like anyone you’ve met before in fiction.”—The Columbus Dispatch “A breathtakingly moving look at a family.”—USA Today “[Anna] Quindlen’s provocative novel will have you flipping through the pages of your own family history and memories even as you can’t stop reading about the Millers. . . . a coming-of-age story that reminds us that the

past continues to wash over us even as we move away from the places and events that formed us.”—Chicago Tribune “Picking up a novel by Anna Quindlen means more than just meeting a new family—it’s like moving in and pretending they are yours. It’s a rare gift for a writer, and Quindlen does it to near perfection.”—St. Louis Post-Dispatch “Quindlen’s novel of a childhood examined by someone who literally can’t go home again is an incredibly engaging read. . . . Miller’s Valley takes familiar themes and manages to make them fresh and new.”—Bust *Message in Lilac* Nov 13 2021 Paige Ralston is comfortable with her rather drab existence in rural Ohio, teaching school and caring for her family....until....a strange and forceful enigma suddenly invades her quiet life. She begins to experience detailed and oddly realistic recurring dreams in which she is cast into another woman’s life. Who is this woman? What message is she trying to convey? And, why does the scent of lilac accompany each of these bewitching reveries? Paige feels an overwhelming need to figure out the meaning behind these startling dreams. Little by little, with the help of several new-found acquaintances, she begins to piece together a long- forgotten mystery, exposing sinister acts of the past and revealing a long-hidden secret that redefines the future.

**Let’s Take the Long Way Home** Feb 23 2020  
NEW YORK TIMES BESTSELLER They met

over their dogs. Gail Caldwell and Caroline Knapp (author of *Drinking: A Love Story*) became best friends, talking about everything from their love of books and their shared history of a struggle with alcohol to their relationships with men. Walking the woods of New England and rowing on the Charles River, these two private, self-reliant women created an attachment more profound than either of them could ever have foreseen. Then, several years into this remarkable connection, Knapp was diagnosed with cancer. With her signature exquisite prose, Caldwell mines the deepest levels of devotion, and courage in this gorgeous memoir about treasuring a best friend, and coming of age in midlife. Let’s Take the Long Way Home is a celebration of the profound transformations that come from intimate connection—and it affirms, once again, why Gail Caldwell is recognized as one of our bravest and most honest literary voices.

**A Jailhouse Veiled in Controversy** Oct 25 2022 Much has been written about the International Slave Trade; however, less has been recorded about the Internal Slave Trade in the United States. This book, *A Jailhouse Veiled in Controversy*, has laid a strong foundation for future inquiries into the practice of the slave trade and its associated markets in the state of Kentucky. On the pages are physical descriptions of the dark and foreboding nature of Captain John W. Anderson's slave pen and its possible uses, as proven in court records and other documents.

*Femdom Themes - Theme Forty Six* Jan 22 2020 The forty-sixth book in the "Femdom Themes" collection contains: "Caroline Miller" by Paula Andante and "My Husband is My Servant" from Shayla Marks. A wife finds freedom and fulfilment by taking on a more... DISCIPLINARY ...role over her husband; while another wife takes her growing domination of her own

unemployed spouse to new lows when she involves the Sri Lankan woman who is both her neighbour and her employer in the subjugation of her husband. Exotic and erotic female-led fiction for the connoisseur of literature's most dominant, commanding, and depraved heroines. Theme Forty-Six involves "The Dominant Wife".

**Winning Miss Winthrop** Jul 30 2020 "A touching, charming tale of love won and lost and won again. . . . Brings the Regency period to vivid life." —Julianna Deering, author of the *Drew Farthering Mysteries* Years ago, the man who stole Catherine Winthrop's heart rejected her--and she's never recovered from the grief. Now tragedy has brought him back into her life. This time it isn't her heart he's taking, it's her home and her family's good name. Jonathan Carlew's serious demeanor and connection to trade, not to mention the rumors surrounding his birth, have kept him from being a favorite of the ladies, or their parents. Now, suddenly landed and titled, he finds himself with plenty of prospects. But his demanding society responsibilities keep pressing him into service to the one woman who captured his heart long ago--and then ran off with it. These two broken hearts must decide whether their painful past and bitter present will be all they can share, or if forgiveness can provide a path to freedom for the future. Set in the sumptuous salons of Bath, Regency England's royal breeding ground for gossip, *Winning Miss Winthrop* is the first volume in the *Regency Brides: A Promise of*

Hope series. Fans of the wholesome and richly drawn first series won't want to miss this new set of characters--or appearances by their old favorites. "Fans of Christian Regency romances by Sarah Ladd, Sarah Eden, and Michelle Griep will adore Carolyn Miller's books!" --Dawn Crandall, award-winning author of *The Everstone Chronicles*

**Dusk's Darkest Shores** Feb 02 2021 How can a meek wallflower help a returning war hero whose dreams are plunged into darkness? Mary Bloomfield has no illusions. Her chances for matrimony have long since passed her by. Still,

her circumstances are pleasant enough, especially now that she has found purpose in assisting her father with his medical practice in England's beautiful Lake District. Even without love, it's a peaceful life. That is until Adam Edgerton returns to the sleepy district. This decorated war hero did not arrive home to acclaim and rest, but to a new battle against the repercussions of an insidious disease. Mary's caring nature cannot stand to see someone suffer—but how can she help this man see any brightness in his future when he's plunged into melancholic darkness, his dreams laid waste by his condition? Adam wants no charity, but he's also no coward. If this gentle woman can work hard, how can he do less? Together they struggle to find a way forward for him. Frustration and antipathy slowly develop into friendship and esteem. Then a summer storm atop a mountain peak leads to scandal—and both Mary and Adam must search the depths of their closed hearts for answers if they hope to find any future path with happiness at its end. Best-selling author Carolyn Miller is back with a fresh series that will not only thrill readers eager for more of her work, but bring in new fans looking for beautiful writing, fascinating research, deftly woven love stories, and real faith lived out in the Regency period.

**World's End** Mar 18 2022 From the acclaimed author of *The Jungle*: The first in a Pulitzer Prize-winning historical saga about the son of an American arms dealer during WWI. Lanning

“Lanny” Budd spends his first thirteen years in Europe, living at the center of his mother’s glamorous circle of friends on the French Riviera. In 1913, he enters a prestigious Swiss boarding school and befriends Rick, an English boy, and Kurt, a German. The three schoolmates are privileged, happy, and precocious—but their world is about to come to an abrupt and violent end. When the gathering storm clouds of war finally burst, raining chaos and death over the continent, Lanny must put the innocence of youth behind him; his language skills and talent for decoding messages are in high demand. At his father’s side, he meets many important political and military figures, learns about the myriad causes of the conflict, and closely follows the First World War’s progress. When the bloody hostilities eventually conclude, Lanny joins the Paris Peace Conference as the assistant to a geographer asked by President Woodrow Wilson to redraw the map of Europe. Perfect for fans of *The Winds of War*, *World’s End* is the magnificent opening chapter of a monumental series that brings the first half of the twentieth century to vivid life. A thrilling mix of history, adventure, and romance, the Lanny Budd Novels are a testament to the breathtaking scope of Upton Sinclair’s vision and his singular talents as a storyteller.

**Caroline And The Raider** Apr 30 2023 In this entrancing conclusion to her Orphan Train trilogy, New York Times bestselling author Linda Lael Miller bewitches with a sensual tale

of the oldest Chalmers sister, who dares to risk everything in pursuit of a dream... Caroline Chalmers may seem like a staid schoolmistress, but when her promised husband is arrested for a crime that he says he didn't commit, she walks boldly into a Wyoming frontier saloon and asks former Confederate raider Guthrie Hayes to help her plot a jailbreak. Caroline believes she wants married life with a respectable man—and the disreputable, wildly handsome Guthrie certainly doesn't fit the bill. But when he kisses her, she is flooded with a shameless passion that leaves her shaken to the core...and longing for more. Guthrie's hard-won hopes for his future don't involve helping a naive girl on a foolhardy mission. There's something about the lovely Caroline's sensual response to his caresses, however, that makes him forget his sensible plans in an overwhelming yearning to teach this lovely wildcat the true meaning of desire.

**The Captivating Lady Charlotte** Oct 01 2020 Her heart is her own--but her hand in marriage is another matter Lady Charlotte Featherington is destined for great things on the marriage market. After all, as the beautiful daughter of a marquess, she should have her pick of the eligible nobility when she debuts. She, however, has love at the top of her list of marriageable attributes. And her romantic heart falls hard for one particularly dashing, attentive suitor. Sadly for Charlotte, her noble father intends her betrothed to be someone far more dull. William Hartwell may be a duke, but

he knows he was Charlotte's father's pick, not the young lady's own choice. And the captivating Lady Charlotte does not strike him as a woman who will be wooed by his wealth or title. While she has captured his heart, he has no idea how to win hers in return--and the betrayal and scandal his first wife put him through makes it difficult for him to believe that love can ever be trusted. His only hope is that Charlotte's sense of responsibility will win out over her romantic notions. Can a widowed duke and a romantically inclined lady negotiate a future and discover love beyond duty? Will they be able to find healing and hope from the legacy of grace? Poignant and charming, this is another beautifully written, clean and wholesome Regency romance from Carolyn Miller in the tradition of Georgette Heyer and Julie Klassen. Fans of *The Elusive Miss Ellison* will meet compelling new characters--and a few old friends.

[Lamb in His Bosom](#) Feb 26 2023 The 1934 Pulitzer Prize-winning novel about a young newlywed woman struggling with her harsh life in rural, impoverished antebellum Georgia. "It has a wonderful freshness about it.... A wonderfully large and vital picture." —The New York Times Cean and Lonzo are a young couple beginning their married lives two decades before the Civil War in a land where nature is hostile, the seasons dictate the law, and the days are punctuated by the hard work of the land. The couple's only wealth is their hands, their obstinacy, and their love. By the time

Cean is forty-three, she has borne fourteen children; buried five of them and her husband; and survived a civil war, venomous snakebite, ferocious panther attack, and a deadly house fire. Neither life nor the din of history has spared her. In her lyrical, fascinating story (winner of the 1932 Pulitzer Prize for Literature), author Caroline Miller explores the struggle and survival of impoverished settlers in pre-Civil War South Georgia. A thought-provoking addition to American, Civil War, and Women's History studies.
