Students will find the succinct, spreadsheet-style information quick and easy to digest. Through the study of the book of Daniel, we learn how to trust God in the midst of challenging times. The first half of Daniel contains stories about Daniel and his Hebrew friends, in which the kings of Babylon threaten to bring the faithful Jews to an end. In each case, however, God overrules the human rulers with amazing interventions that protect the Hebrews. The second half of Daniel contains visions of the end that unveil the deeper dimensions of God's present and future sovereign rule. The visions show that just as God ruled over the life and times of Daniel, God continues to rule over every earthly kingdom. Ultimately, God will bring all human kingdoms to an end, and He will establish His eternal kingdom with Jesus the Messiah as king. Daniel's visions assure us that God is in control and that we can trust in Him. The visions of the end give us vibrant hope so that we can fulfill our mission as faithful witnesses of Jesus Christ until He returns. Even in the face of difficult challenges and persecution, we can live faithfully in the light of the end. This study guide will lead you through an easy six-step process of inductive Bible study: 1. Reading for First Impressions, 2. Reading for Discovering the Facts, 3. Marking the Text, 4. Reading for Transformation, 5. Reading for Interpretation, and 6. Hearing and Obeying God's Word. Through these six steps, you will be guided into deeper discoveries that will enrich your relationship with God and strengthen your faith. In this five-session video Bible study (DVD/digital downloads sold separately), pastor and author Levi Lusko reveals how every moment of every day, we must make the choice as to whether we will rely on ourselves to determine the reality of our situation or whether we will trust in God. In the Old Testament, we read how Gehazi, the servant of the prophet Elisha, faced this very dilemma. A bounty had been put on Elisha's head, and an army was now surrounding them. Gehazi was frantic. "Oh no, my lord!" he cried. "What shall we do?" (2 Kings 6:15). "Don't be afraid," Elisha calmly answered. "Those who are with us are more than those who are with them" (verse 16). Gehazi must have wondered if his master had lost his mind. They had maybe five minutes before the soldiers reached

them . . . yet here was Elisha practically singing the lyrics to "It's a Small World" and pretending everything was going to be all right. But then the prophet prayed, "Open his eyes, Lord, so that he may see" (verse 17). And with this, Gehazi suddenly saw what his master was seeing: a glorious, greater, and far more powerful army of the Lord surrounding the enemy invaders. When it comes to the trials and crises in our lives, we need to see the reality of our situation with the same "spiritual eyes" as Elisha possessed. What we perceive is not all that is there . . . there are unseen things, spiritual things, eternal things. As the apostle Paul put it, "So we don't look at the troubles we can see now; rather, we fix our gaze on things that cannot be seen. For the things we see now will soon be gone, but the things we cannot see will last forever" (2 Corinthians 4:18 nlt). As we learn to perceive our world through the lens of faith, we gain the strength to do the impossible. Take Back Your Life is a forty-day journey that will challenge you to see your situation with spiritual eyes, identify the roadblocks that get in the way of your faith in Christ, and ultimately take the first steps to become the difference-maker in the world that God created you to be! Designed for use with the Take Back Your Life Video Study available on DVD or streaming video, sold separately.
