Revolutionary Europe, 1789-1815 Sep 09 2021

The Long Nineteenth Century Dec 12 2021 To all thoughtful people World War I has brought to attention the importance of a knowledge of 19th Century European history. For without such knowledge no one can understand, or begin to understand, the significance of the forces that have made it, the vastness of the issues involved, the nature of what is indisputably one of the gravest crises in the history of mankind. No citizen of a free country who takes his citizenship seriously, who considers himself responsible, to the full extent of his personal influence, for the character and conduct of his government, can, without the crudest self-stultification, admit that he knows nothing and cares nothing about the history of Europe. Contents: The Old Regime in Europe The Old Regime in France Beginnings of the Revolution The Making of the Constitution The Legislative Assembly The Convention The Directory The Consulate The Early Years of the Empire The Empire at Its Height The Decline and Fall of Napoleon The Congresses France Under the Restoration Revolutions Beyond France The Reign of

Louis Philippe Central Europe in Revolt The Second French Republic and the Founding of the Second Empire The Making of the Kingdom of Italy The Unification of Germany The Second Empire and the Franco-Prussian War The German Empire France Under the Third Republic The Kingdom of Italy Since 1870 Austria-Hungary Since 1848 England From 1815 to 1868 England Since 1868 The British Empire The Partition of Africa Spain and Portugal Holland and Belgium Since 1830 Switzerland The Scandinavian States The Disruption of the Ottoman Empire and the Rise of the Balkan States Russia to the War With Japan The Far East Russia Since the 1905 War With Japan The Balkan Wars of 1912 and 1913 The European War Making the Peace Modern European History, 1789-1963 Apr 23 2020

Lectures on European History, 1789-1914: Men, Machines, and Freedom Feb 02 2021 Eighteenth Century Europe, 1700-1789 Jan 21 2020 Offers a thematic account of Europe, which includes treatment of Britain as a European country, from 1700 until the outbreak of the French Revolution. In its wide-ranging coverage of this period, it explores social, cultural and economic topics as well as giving clear analysis of the political events. It opens with a discussion of the 'hostile environment' and, against the startlingly grim background of disease and death, it goes on to discuss the scope and variety of the economy, commerce and society. It also looks at the role of towns, the Church, religion, medicine and culture, and so builds up a rich picture of life in 'ancien régime' Europe.

The Facts on File Dictionary of European History, 1485-1789 May 05 2021 European History Jan 01 2021

Aspects of European History 1494-1789 Apr 28 2023 First published in 1984. Routledge is an imprint of Taylor & Francis, an informa company.

Early Modern Europe, 1500-1789 May 17 2022 Opening at the climax of the Renaissance, this text chronicles the dawning of a new age on the continent up to the Reformation.

Modern European History, 1789-1945 Jun 25 2020

The Nineteenth Century Jul 19 2022 In the 19th century Europe changed more rapidly and radically than during any prior period. These chapters offer an approach to understanding one of the most complex periods of modern history, addressing all the major issues.

Modern Europe, 1789-Present Aug 08 2021 Now covering the whole of Europe from the French Revolution to the present day, this major new edition has been completely revised and brought up-to-date. The approach embraces the whole continent from both national and regional perspectives, and combines political survey with grass roots 'people' history. Bringing this history vividly to life, the authors use a very broad range of sources including memoirs, archives, letters, songs and newspapers. In particular, there is new treatment of the following themes: Religion and the modern Papacy Immigration in Europe and relationships between minority and majority groups UNESCO The European Bill of Rights The seeds of conflict in Bosnia and Croatia Europe's relations with the wider world, with particular attention to the Middle East and

Japan.

The Age of Progress Apr 04 2021

A Text Book of Modern European History 1789-1945 Jun 06 2021

The Essentials of European History: 1648 to 1789, Bourbon, Baroque, and the Enlightenment Apr 16 2022 Covers mercantilism, beginnings of modern science and the Enlightenment, Bourbon France, the Hapsburgs, the Hohenzollerns, the English Civil War, the Restoration, Peter the Great and Russia, the Papacy, the Ottoman Turkish Empire in Europe, and the culture of Baroque and Rococo.

Early Modern Europe, 1450-1789 Oct 10 2021 "The title of this book, and perhaps also of the course for which you are reading it, is Early Modern Europe. The dates in the title inform you about the chronological span covered (1450-1789), but they do not explain the designation "early modern." That term was developed by historians seeking to refine an intellectual model first devised during this very period, when scholars divided European history into three parts: ancient (to the end of the Roman Empire in the west in the fifth century), medieval (from the fifth century to the fifteenth), and modern (from the fifteenth century to their own time). In this model, the break between the Middle Ages and the modern era was marked by the first voyage of Columbus (1492) and the beginning of the Protestant Reformation (1517), though some scholars, especially those who focused on Italy, set the break somewhat earlier with the Italian Renaissance. This three-part periodization became extremely influential, and as the modern era grew longer and longer, historians began to divide it into "early modern" - from the Renaissance or Columbus to the French Revolution in 1789 - and what we might call "truly modern" - from the French Revolution to whenever they happened to be writing"--

Aspects of European History 1789-1980 Jan 25 2023 In this sequel to his popular Aspects of European History, 1494 - 1789, Stephen J. Lee charts the most commonly encountered topics of nineteenth and twentieth century history, from the origins of the French Revolution, through the social and political reforms and upheavals of the last two centuries to the present. Helpful and accessible, the book includes: * an invigorating guide and sound source of background material * short analytical chapters * an interpretative approach to history, providing a range of viewpoints on each subject * both a broad survey and specific studies * stimulation for student's ability to develop and clarify theme * a careful structure which aids notetaking, preparation of essays and revision. Any student of European history will want to have this book at their side throughout their course studies.

Outlines of European History 1789 - 1914 May 25 2020 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ... (6) Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book; (c) Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book; (d) Departmental columns in the Sales Book and in the Purchase Book. Controlling Accounts.--The addition of special columns in

books of original entry makes possible the keeping of Controlling Accounts. The most common examples of such accounts are Accounts Receivable account and Accounts Payable account. These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers' Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger." The Balance Sheet.--In the more elementary part of the text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...

European Intellectual History Since 1789 Mar 15 2022 For courses in European Intellectual History. An exploration of the major issues in thought -- from the French Revolution to Structuralism and beyond.

History of Modern Europe Feb 20 2020 This comprehensive account analyses the people, places and issues at the heart of modern Europe's major historical events. All the major themes, personalities and issues during this period of great upheaval and change are analysed. An ideal reference guide to the period, this book highlights the various developments and changes that have occurred in Europe during the last 200 years and examines the participation of the major European powers in each. Major topics include the Napoleonic era, the unification of Italy and Germany, Victorian England, Fascism and Nazism, the Cold War, and the expansion and consolidation of the European Union.

Cambridge International AS Level European History 1789-1917 Feb 26 2023 "The book is structured according to the key questions given in the Cambridge syllabus, and is written in clear, accessible English... Exam support is provided in a final examination skills chapter offering advice on exam technique and how to approach source investigation questions and structured essay questions"-- Back cover.

Early Modern Europe 1500-1789 Sep 28 2020 Opening at the height of the Renaissance, the book chronicles the dawning of a new age on the European continent. Koenigsberger paints a detailed picture of the Reformation and its significance as increasingly powerful nations began to intrude on their subjects' public and private lives. He gives account of the Counter-Reformation and the political and economic crisis that accompanied it, and an in-depth discussion of the age of Louis XIV and the balance of power in Europe. A full chapter addresses the Scientific Revolution

and the Enlightenment, and throughout attention is given to social, cultural and intellectual developments. The book concludes with a summary of the situation throughout Europe on the eve of the French Revolution, and the dramatic changes brought about by the Industrial Revolution and the beginnings of a consumer society.

Revisiting Modern European History: 1789-1945 Mar 27 2023 Revisiting Modern European History complements the first edited volume Themes in Modern European History: Social Movements and Cultural Currents 1789-1945. The two together offer changing perspectives and comprehensive surveys of some of the most profound

Nationalism in Europe 1789-1945 Sep 21 2022 This text analyzes nationalism in Europe from the French Revolution to the Second World War. Drawing on a wide range of examples, Timothy Baycroft explains what characterizes modern nations, what the theoretical roots of nationalism are, and what interaction there has been with other significant theories. The book also presents reasons for the overwhelming importance of nationalism in the development of modern European history.

Society and Economy in Early Modern Europe, 1450-1789 Jul 27 2020

European states, including Britain Pays considerable attention to smaller countries as well as to the great powers Compares particular phenomena and developments across Europe

Recent European History, 1789-1900 Dec 24 2022

Recent European History, 1789-1900 Aug 28 2020 Excerpt from Recent European History, 1789-1900 A knowledge of the movement toward constitutional government during the nineteenth century is essential to every educated person. Though this movement began with the French Revolution in 1789, the distinct recognition of popular rights by constitutional enactment falls chiefly within the nineteenth century. Revolutions and wars since 1789 have resulted in increased rights to some classes, and in many cases to whole nations. Since the Franco-Prussian War, 1870-1871, there has been no war between the great European nations, and their growth and development during this period need especially to be emphasized. Materials and books for the study of the French Revolution are perhaps more numerous than for any other period in the world's history. Indeed they are too numerous for the ordinary student and reader. Good books, however, on the nineteenth century since the fall of Napoleon are few, and there is no one book which includes the period from 1870 to 1900 with an outline of the earlier part of the century. Secondary schools offer very little history subsequent to the French Revolution, and the nineteenth century has generally been reserved for the study of the upper classes in college or for graduate work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. Europe in the Eighteenth Century 1713-1789 Mar 03 2021 For 1st and 2nd year undergraduate courses in Modern European History in departments of history. Also, higher level courses on enlightenment. This book provides a wide-ranging account and discussion of the history of Europe from 1713-1789. As well as political events, problems and institutions, it looks at the economic life of the continent, social structures and problems and intellectual and religious life. It also covers all aspects of Europe's relations with the rest of the world during a key period in European history.

Themes in Modern European History 1780-1830 Jan 13 2022 Themes in Modern European History 1780-1830 is an authoritative and lively exploration of a period dominated by events which have shaped modern Europe. In a series of articles, six leading academics present some controversial conclusions: * the east/west contrast in Europe today has more to do with responses to the French Revolution of 1789 than the Russian Revolution of 1917 * the conservative Europe of 1814 was the product of the Romantic imagination, not a Restoration' of the old regime Spanning political, social,

economic and demographic facets of revolutions, this is an indispensable textbook for all students of the nineteenth century, and for all those interested in understanding the nature of Europe today.

History Of Europe (1789-1919) Aug 20 2022 It Is A Stupendous Task To Write A Book On European History . As History Basically Deals With The Bare And Blunt Truths And Facts, It Requires Much Of The Concentration And Accuracy. The History Of Europe Is So Divergent And Multidimensional That Many Important Events Might Slip Into The Corner And Unknowingly Omitted. In Spite Of Its Complexity Of Facts And Multiplicity Of Events, The Author Ventures To Write Down His Book To Humbly Contribute To The Fulfilment Of The Cherished Dreams Of The Innumerable Youngsters Of The Age. This Book Is Primarily Designed To Cater To The Needs Of The Students Of Various Graduate And Post-Graduate Classes. It Will Also Be Of Immense Help To Those Who Are Preparing For Various State And Central Level Competitive Examinations.

An Outline of European History from 1789 to 1989 Oct 22 2022 Viewed through the political necessities of the nation state, the tumultuous events of the twentieth century and the sentiments at the heart of those events take on a fresh perspective.
