Knight to the Rescue Jun 08 2021 Damsel in Distress Audrey needed someone on her side for once and Elliot Knight appointed himself. But playing gallant rescuer for someone as vulnerable as Audrey— fresh on the rebound and tempting as sing. Audrey knew she was deliberately playing on Elliot's capacity for compassion, but she couldn't let him walk out of her life, good deed done. The oh-so-brief feel of his lips on hers had been heaven. Somehow she had to convince her enigmatic hero that this was no fairy tale—but the real thing.

Spaceships of the Pleiades Apr 18 2022 The case of Eduard "Billy" Meier has gained worldwide attention for his claims of being in "on-going contact" with aliens from the star cluster known as the Pleiades. Purported to be the most documented UFO account of all time, Meier's files consist of 1,000 photographs and 12 motion picture films of the visiting spacecraft. Through thousands of pages of "contact notes," Meier claims to have "passed on" the wisdom and advanced technical knowledge from his conversations with these aliens, designed to help guide our evolution. In addition, he alleges that 40 independent eyewitnesses have also seen the alien ships and observed Meier's contacts with them. The aliens also "left" numerous "landing tracks" in the ground, and gave Meier various rock, metal, mineral, and crystal samples as "proof" of their visitations. Author Kal Korff conducted the most thorough examination ever into the case of Billy Meier and all its alleged evidence, and reveals here how a Swiss farmer hatched and continues to maintain the most

elaborate UFO hoax in history.

Vancouver Remembered Feb 23 2020 A paperback edition of the award-winning book is now available, just in time for the 125th anniversary of the City of Vancouver. A nuanced collection of historical fact, personal anecdotes, and local knowledge, Vancouver Remembered is a handsome volume that pays homage to Vancouver's past. Kluckner brings the story of Vancouver's rich history to life using a unique mix of his own watercolor paintings, archival and private photographs, vintage postcards, hand-rendered maps, reproductions of vintage advertisements, and other ephemera. Focusing on the decades between World War II and Expo 86, Vancouver Remembered follows the decline and rebirth of what has become one of the world's most livable cities. Kluckner goes neighbourhood by neighbourhood peeling back layers of the past, looking beyond the surface and telling you what and who used to be there. His well-researched historical narrative combines with his own personal reflections on his hometown as he takes readers through the transitions and changes this city has experienced in the past 70 years. These stories give Vancouverites a new understanding of themselves and of their place.

Volcanoes Jun 20 2022 Certains des désastres les plus importants dans l'histoire ont été causés par des éruptions volcaniques. Les grandes éruptions ont aussi des implications pour le climat global. Ce livre en donne un compte-rendu lisible, direct, des aspects violents des volcans et des formes diverses que les éruptions peuvent prendre. L'auteur explore aussi pourquoi les volcans existent, pourquoi ils se passent là où ils se passent et comment les exemples d'éruptions historiques majeures peuvent être interprétés en termes de processus physiques. Il place le volcanisme dans une perspective planétaire, explorant le rôle prééminent du volcanisme sous-marin sur la Terre et la gamme stupéfiante des phénomènes volcaniques révélés par l'exploration du système solaire.

My Life with the Leica Jan 16 2022 Personalities around the Leica such as Ernst Leitz II, Oskar Barnack, Henri Dumur, Paul Wolff, Heinrich Stockler and Julius Behnke come to life again through Walther Benser's tales and recollections presented to us in a new light. The Leica lecture tours, started by Anton Baumann,

soon became Benser's specialty with which he achieved world-wide recognition. He took his shows not only around Germany but also into neighboring countries even after he war had begun. As a result of his photographic activity he eventually became a war reporter. Then came the battle for survival, both during and after the war - and the Leica always played an important and often decisive role. Finally he resumed his lecture tours, earning great success across the continents, both for his own pictures and for the Leica. He then started his own business, which finally grew into a large color-picture agency. These are the stages in Walter Benser's life with the Leica, periods he lived through and helped to mold with every camera model, from the Leica I to the M6.

Modern Photography Dec 27 2022

Photography May 20 2022 Trace the history and evolution of photography through iconic photographs, biographies of famous photographers, and the extraordinary cameras that made it possible. From the first black and white photograph to modern digital imagery, photography has been one of the most fascinating developments in the past 200 years. This is the perfect photographic coffee table book for budding photographers, seasoned professionals and anyone fascinated by the history of photography. It includes: • Biographies of 50 famous photographers like Ansel Adams and Dorethea Lang. • The history of photography, starting from its origin in the 1800s. • Beautiful illustrations, plus many of the most iconic photos in history. • Special features that center on a single arresting photograph, including Pulitzer Prize winners. The development of photography is possibly one of the most extraordinary feats of modern technology. *Photography: The Definitive Visual Guide* captures the most awe-inspiring photos, people that have pushed the boundaries of this medium, and the cameras they experimented with — from the daguerreotype to digital cameras. Packed with inspiration, this photography book also takes a step away from the pure art form and highlights how this medium has influenced social and cultural change. Author Tom

Ang further includes segments on special types of photography — like street photography — and special features delving into the stories behind photographic images that changed how people saw the world!

The Culture of War in China Nov 25 2022 Was the primary focus of the Qing dynasty really civil rather than military matters? In this ground-breaking book, Joanna Waley-Cohen overturns conventional wisdom to put warfare at the heart of seventeenth and eighteenth century China. She argues that the civil and the military were understood as mutually complementary forces. Emperors underpinned military expansion with a wide-ranging cultural campaign intended to bring military success, and the martial values associated with it, into the mainstream of cultural life. *The Culture of War in China* is a striking revisionist history that brings new insight into the roots of Chinese nationalism and the modern militarized state.

Sussex Jul 22 2022 Although many of the civic records of Sussex have not survived, an impressive set of documents from the important Port of Rye dating back to the late Middle Ages still exists. The records from Rye reveal a period of intensive dramatic activity by local and visiting players, resulting in abrupt termination when hostile religious factions gained control of the town government. We also have some records that reveal musical and dramatic performance in heavily populated locations like Chichester and Lewes. Other records such as parish accounts and ecclesiastical court proceedings show performance and folk rituals in both small and large settlements, including a detailed account of a Robin Hood play, another of a cowlstaff riding. The book also includes records of performance at the religious houses of Battle and Robertsbridge, and the printed accounts of the entertainment of Queen Elizabeth at Cowdray House.

Come Into the Light Aug 23 2022 *Come Into the Light* is an illustrated handbook for understanding the architecture of a church and the arrangement of its interior for the celebration of the liturgy. It offers great practical wisdom to all Christian communities as they reflect on their liturgy and on the buildings in which God is made present daily in ritual and symbol. This book aims to build an understanding of the constituent features of church buildings, the role they have in worship and the spirit with which they are imbued, so that all who enter today's sacred spaces may find the authentic presence of the living God. Those who read, preach, preside or in any way take part in worship will find great practical inspiration here. This volume includes articles that have appeared over the last five years in the regular Parish Practice feature in 'The Tablet' magazine.

Urban School Leadership May 08 2021 This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, *Urban School Leadership* includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. *Urban School Leadership* is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of

the finest urban educators of our generation. Urban School Leadership is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools
