The first novel in Hugo Award-winning author Charles Stross's witty Laundry Files series. Bob Howard is a low-level techie working for a super-secret government agency. While his colleagues are out saving the world, Bob's under a desk restoring lost data. His world was dull and safe - but then he went and got Noticed. Now, Bob is up to his neck in spycraft, parallel universes, dimension-hopping terrorists, monstrous elder gods and the end of the world. Only one thing is certain: it will take more than a full system reboot to sort this mess out . . . An ambitious female reporter tracks a deadly threat in Austin, Texas,

in the newest riveting thriller by New York Times bestselling author Laura Griffin. When a woman is found brutally murdered on Austin's lakeside hike-and-bike trail, investigative reporter Bailey Rhoads turns up on the scene demanding access and answers. She tries to pry information out of the lead detective, Jacob Merritt. But this case is unlike any he's ever seen, and nothing adds up. With the pressure building, Jacob knows the last thing he needs is a romantic entanglement, but he can't convince himself to stay away from Bailey. Bailey has a hunch that the victim wasn't who she claimed to be and believes this mugging-turned-murder could have been a targeted hit. When she digs deeper, the trail leads her to a high-tech fortress on the outskirts of Austin, where researchers are pushing the boundaries of a cutting-edge technology that could be deadly in the wrong hands. As a ruthless hit man's mission becomes clear, Bailey and Jacob join together in a desperate search to locate the next target before the clock ticks down in this lethal game of hide-and-seek. The Whitlow witches often rub elbows with all things that go bump in the night, but what will they do when Hell itself comes calling? A dangerous ritual, decades old, is about to set loose an evil on the town of Henley-on-Hale and the Whitlows are the only thing standing in the way. The sisters must untangle a web of lies to find the truth behind a series of brutal and horrific murders that are taking the lives of local teens and leaving very strange clues behind. Clues that say this is more than just your run-of-the-mill serial killer.

The witches must call on the aid of their allies - old and new - to confront a force unlike any they've ever faced before. The fate of the town and its inhabitants hangs in the balance and, should they fail, the evil that could be unleashed on the world would be cataclysmic.

Undertow is the second installment of The Carolina Files, by Willa Blackmore. Perfect for readers of gritty, fun urban fantasy in the vein of the hit TV show Supernatural. The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

What if a fossil in your backyard . . . came to life?! Frank's grandma is a famous paleontologist (that's a dinosaur scientist). But she's also an adult who makes up rules. Rules like: no digging for dinosaur bones when you have a sunburn. That means Frank is stuck playing inside with his annoying cousin, Samantha. But then Grandma finds a fossil of an egg! And when Frank and Sam sneak into the dino lab late at night, they find something even more amazing. . . . The hilarious Dino Files chapter book series follows a nine-year-old dinosaur expert, his paleontologist grandparents, a cat named Saurus, and fossils that might not be so extinct! The criminal underworld meets the spiritual otherworld in this thrilling debut collaboration between the inspiration for television's The Ghost Whisperer and an award-winning writer/director. Anza O'Malley is in most ways a typical single mom. She lives a happy, busy life with her five-year-old son in Cambridge, Massachusetts, juggling the joys and challenges of life as a doting parent and a freelance bookbinder. But there is more to Anza than meets the "ungifted" eye: she can see and speak with ghosts. Although

she's been solving cold cases for the police for years, Anza has been hoping to focus her energies on her son and her bookbinding career. But when an exquisite and priceless illuminated manuscript is stolen from the Boston Athenaeum, and when its desecration spurs the appearance of some very unhappy spirits, Anza can neither look nor walk away. With an unlikely trio of ghosts by her side—a charming butler and two medieval monks—Anza leads us on an urgent journey through Boston's winding, cobbled streets to uncover a trail of deceit, danger, and ghoulish intrigue. 'Fast-paced, irreverent, and very funny, The Spellman Files is like Harriet the Spy for grown-ups' Curtis Sittenfeld, author of Eligible and American Wife Izzy Spellman is 28, single and works for Spellman Investigations, a family-run private detective agency. She might have a chequered past littered with romantic mistakes - but at least she's good at her job. Invading people's privacy comes naturally. To the whole family. To be a Spellman is to snoop on a Spellman; tail a Spellman; dig up dirt on,

blackmail and wire-tap a Spellman. But when Izzy's parents hire her 14-year-old sister to discover the identity of her new boyfriend, Izzy decides she wants out. Before they'll let her go, her parents ask her to solve one last case - a 15-year-old, ice-cold, missing person, impossible-to-solve case. But when a disappearance occurs far closer to home, Izzy's Impossible Case becomes the most important of her life. 'Hilarious. My enjoyment of The Spellman Files was only slightly undercut by my irritation that I hadn't written it myself. The funniest book I've read in years!' Lauren Weisberger, author of *The Devil Wears Prada* 'The Spellman Files is hilarious, outrageous, and hip. Izzy Spellman, P.I., is a total original, with a voice so fresh and real, you want more, more, more. At long last, we know what Nancy Drew would have been like had she come from a family of lovable crackpots. Lisa Lutz has created a delicious comedy with skill and truth. I loved it' Adriana Trigiani, author of *Lucia, Lucia* and *Big Stone Gap* For fans of Marie Lu comes the first book in an epic series that bends the sci-fi genre into a new dimension. "A truly beautiful novel that redefines the form." —Victoria Aveyard, bestselling author of *Red Queen* This morning, Kady thought breaking up with Ezra was the hardest thing she'd have to do. This afternoon, her planet was invaded. The year is 2575, and two rival megacorporations are at war over a planet that's little more than a speck at the edge of the universe. Now with enemy fire raining down on them, Kady and Ezra—who are barely even talking to each other—are forced to evacuate with a hostile warship in hot pursuit. But their problems are just getting started. A plague has broken out and is mutating with terrifying results; the fleet's AI may actually be their enemy; and nobody in charge will say what's really going on. As Kady hacks into a web of data to find the truth, it's clear the only person who can help her is the ex-boyfriend she swore she'd never speak to again. Told through a fascinating dossier of hacked documents—including emails, maps, files, IMs, medical reports, interviews, and more—Illuminae is the first book in a heart-stopping trilogy about lives interrupted, the price of truth, and the courage of everyday heroes. "Prepare yourselves for Illuminae." —EW.com

Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice.

language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. “This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify

sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way.” Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University. Operation Trinity is the story of the most coveted work of art in the world, a masterpiece that has been the target of a record seven theft attempts. The adventure jumps from the first attack on the masterpiece to WWII and young Grace Cahill's desperate bid to save it from the Nazis. The final story tracks Ian and Natalie Kabra's first solo mission – and the searing betrayal that nearly costs them everything. "I like you. You're nice, and you're funny and you don't smoke, and okay, werewolf, but that's not all the time. I mean, three days out of the month I'm not much fun to be around, either." -- Willow When Buffy the Vampire Slayer arrived in Sunnydale, she befriended a bookish, insecure girl named Willow. As a Slayerette, Will uses her computer prowess for good, hacking into electronic government files and researching obscure rituals on the Web. But Willow's love life is severely lacking, consisting of an unfulfilled crush on her friend Xander and a short-lived fling with a deadly demon she met over the Internet. Through her often life-threatening experiences with the Slayer, Willow gains the confidence to just be herself in the peer pressure-filled world of high school. And when her first real boyfriend, Oz, turns out to be a bit...unusual...in his own right, Willow is just the girl to prove that love really is blind...and a little scary. Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel From the Mixed-Up Files of Mrs. Basil E. Frankweiler. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would

have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

An engaging read, this text imparts best practices for using the Perforce Software Configuration Management system--written by a Perforce insider. In the first novel in the #1 New York Times bestselling Oregon Files series, Chairman Juan Cabrillo and his crew are hired by the US government to free Tibet from Chinese control... The Corporation, a group of highly intelligent and skilled mercenaries, under the leadership of Juan Cabrillo, board a brand new ship. It's a state-of-the-art seagoing marvel with unthinkable technology at its disposal. And it's designed to look like a rusty old lumber hauler. But if Cabrillo and his team plan to make this spy ship their new headquarters, their first mission had better be a success. With the secret backing of the US government, Cabrillo sets out to put Tibet back in the hands of the Dalai Lama by striking a deal with the Russians and the Chinese. His main negotiating chip is knowledge of a golden Buddha containing records of vast oil reserves in the disputed land. But first, he'll have to locate—and steal—the all-important artifact. And there are certain people who would do anything in their power to see him fail... Fully in-line with the Framework for Teaching Mathematics, this series provides coverage of the curriculum intended to enable students to revise and consolidate key concepts. Every chapter contains questions in the style of the National Tests. The three Ma1 tasks in every students book have detailed marking guidance in the equivalent teacher file to support key assessment at the end of the key stage. The last resource section of this file contains a series of summary activities for new or previously absent teachers or pupils, covering all the chapters.

Additions such as question banks and ICT CD-ROMs are available to provide further support. "The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. The main idea of "The Gift of the Magi" is that the value of a gift is in the giver, rather than the gift itself. Jim and Della, out of their love for each other, purchased a gift that required them to sacrifice something that was precious to them.

Offering a fun introduction to the wonders of science and using real-world scenarios to make scientific inquiry relatable and understandable, this new series presents five summer stories, each one followed by Acadia Greene's science notebook pages with her simple explanations and lively, whimsical drawings of natural phenomena. Full color. These resources provide invaluable support within the Key Maths series for all mathematics teachers, whether specialists or non-specialist, experienced or new to the profession. This title explores the fascinating phenomena featured in series two and three of "The X-Files" television series. These include alien abduction, animal mutilation, voodoo, vampires, genetic mysteries, and strange and mysterious places, such as the Bermuda Triangle. They arrive alive. They leave dead. But first, they give me their confessions. My name is Jack Steen. That name shouldn't mean anything to you. Unless you're about to die. And then I'm your bloody guardian angel. I work as a night nurse in the Asylum for the criminally insane. My name is the only real name you'll find in this book. I won't tell you which hospital I work at. I won't tell you the names of those dying. But I won't lie to you. You'll read exactly what I'm told. If you're smart, if you're deranged enough to read between the lines, you'll know who is telling the story. They could be playing their final game with me by messing with my head. Now, maybe they're messing with yours too. Inside this book are 4 confessions: One has an interesting 'appetite'. One was the Ken to his Barbie, and he would do anything to keep her happy. Another is a Nanny, but not one you want watching your kids. The other is the sweetest soul you'd ever meet but you'll

have a hard time reading her confession. **WARNING:** There is swearing in this book. And some stories might be a trigger for something you have a hard time handling. But, these are the confessions of serial killers, mass murderers and such. **NOTE:** These once were published as novellas. Now they're in a full length novel. Deal with it. Want to read the next set of Confession books? Sign up for my mailing list - I'm told all the real authors have one, so I figured why not

The first six novels featuring Harry Dresden—Chicago's only professional wizard—are a perfect introduction to the # 1 New York Times bestselling series that Entertainment Weekly describes as "Buffy the Vampire Slayer starring Philip Marlowe." **STORM FRONT FOOL MOON GRAVE PERIL SUMMER KNIGHT DEATH MASKS BLOOD RITES**

Does the identification number 60 indicate a toxic substance or a flammable solid, in the molten state at an elevated temperature? Does the identification number 1035 indicate ethane or butane? The Red Equinox has dawned, and the old gods who have slept for aeons are stirring. Urban explorer and photographer Becca Philips was raised in the shadow of Miskatonic University, steeped in the mysteries of her late grandmother's work in occult studies. But what she thought was myth becomes all too real when cultists unleash terror on the city of Boston. Now she's caught between a shadowy government agency called SPECTRA and the followers of an apocalyptic faith bent on awakening an ancient evil. As urban warfare breaks out between eldritch monsters and an emerging police state, she must uncover the secrets of a family heirloom known as the Fire of Cairo to banish the rising tide of darkness before the balance tips irrevocably at the Red Equinox. Now a Starz® Original Series "Utterly convincing and engrossing---totally thought-through and frequently hilarious....Even this aging, jaded, attention-deficit-disordered critic was blown away."

--Lev Grossman, Time

Myfanwy Thomas awakens in a London park surrounded by dead bodies. With her memory gone, she must trust the instructions left by her former in order to survive. She quickly learns that she is a Rook, a high-level operative in a secret agency that protects the world from supernatural threats. But there is a mole inside the organization, and this person wants her dead. Battling to save herself, Myfanwy will encounter a person with four bodies, a woman who can enter her dreams, children transformed into deadly fighters, and terrifyingly vast conspiracy. Suspenseful and hilarious, THE ROOK is an outrageously imaginative thriller for readers who like their espionage with a dollop of purple slime.
