2 Timothy and Titus Dec 27 2022 A thorough and insightful commentary on Paul's letter to his coworker Timothy, which the apostle wrote before and during Nero's persecution. Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical, historical, social, and cultural contexts. How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete, Ephesus, and Rome. In addition, Paul's rhetorical and ministry strategies, especially as they relate to women and their role in the church, are explored. Throughout, Spencer presents an in-depth exegesis in a readable format enhanced by forty years of ministry.

Linking K-2 Literacy and the Common Core Jan 28 2023 The skills and strategies students practice to become proficient writers also nudge them closer to becoming proficient readers, so how can K-2 teachers connect reading and writing instruction in meaningful ways that allow students to go deeper in their thinking? This revised second edition provides tips, tools, and mini-lessons for integrating reading, writing, and speaking and listening. Each operational, print awareness, craft, and foundational writing mini-lesson identifies the connecting point to reading and speaking and listening with Target Skills” that can and should be revisited and reinforced during your reading block and any content area. By design, these books are not printable from a reading device. To request a PDF of the reproducible pages, please contact customer service at 1-888-262-6135.

e-Maths Partner Book 2 May 20 2022 Maths Partner is a series of six guide books (Primary 1 to Primary 6) designed to help students understand basic primary mathematical concepts. This series of books covers every topic in each level. Examples are carefully selected based on the latest syllabus and solutions are explained in detail using simple English that can be easily understood by students. This series of books also provides some useful tips or ‘short-cuts’ that help students solve mathematical sums with speed and accuracy. Students can therefore refer to this book to learn simple and practical ways of solving mathematical problems, enabling them to become effective and efficient problem solvers.

Bridgerton Collection Volume 2 Apr 30 2023 An enchanting collection containing books four, five, and six of #1 New York Times bestselling author Julia Quinn’s beloved Regency-set Bridgerton novels—Romancing Mister Bridgerton; To Sir Phillip, with Love; and When He Was Wicked—now a series created by Shondaland for Netflix. Romancing Mister Bridgerton Penelope Featherington has secretly adored her best friend’s brother from afar for forever—until she stumbles across Colin Bridgerton’s deepest secret and fears she doesn't know him at all. Meanwhile, Colin is tired of his reputation as an empty-headed charmer and of the notorious gossip columnist Lady Whistledown. Upon his return to London, he discovers everything has changed—especially Penelope Featherington! The girl who was always simply there suddenly haunts his dreams. When he discovers that Penelope has secrets of her own, this elusive bachelor must decide . . . is she his biggest threat or his promise of a happy ending? To Sir Phillip, With Love Sir Phillip knew that Eloise Bridgerton was a spinster, and so he’d proposed, figuring she’d be timid and desperate to marry. Except . . . she wasn’t. And all he wanted to do was kiss her . . . As for Eloise, she couldn’t marry a man she had never met! Yet, she found herself in a carriage on her way to meet her perfect match. Except . . . he wasn’t. Despite being handsome, Phillip was a large, ill-mannered brute. But when he kissed her, the world simply fell away... could this imperfect man be perfect for her? When He Was Wicked After a lifetime of smiling slyly as women chased him, Michael Stirling,

London's most infamous rake, took one look at Francesca Bridgerton and fell hopelessly in love. Unfortunately for Michael, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer—they met at a supper celebrating her imminent wedding to his cousin. But that was then . . . Now Michael is the earl and Francesca is free, but she still sees him as a dear friend. Michael dares not profess his love . . . until one dangerous night, passion proves stronger than even the most wicked of secrets . . .

Personal Memoirs of U. S. Grant Volume 1 of 2 Jul 22 2022 Born in 1822, Grant was the son of an Ohio tanner. He went to West Point reluctantly and graduated in the middle of his class. At the outbreak of the Civil War, Grant was appointed by the governor to command an unruly volunteer regiment, quickly rising to the rank of brigadier general of volunteers. In February 1862, he took Fort Henry and attacked Fort Donelson. When the Confederate commander asked for terms, Grant replied, 'No terms except an unconditional and immediate surrender can be accepted.' The Confederates surrendered, and President Lincoln promoted Grant to major general of volunteers. At Shiloh in April, Grant fought one of the bloodiest battles in the West and came out less well. Lincoln fended off demands for his removal by saying, 'I can't spare this man; he fights.' For his next major objective, Grant then maneuvered and fought skillfully to win Vicksburg, the key city on the Mississippi, cutting the Confederacy in two. Then he broke the Confederate hold on Chattanooga. Lincoln appointed him General-in-Chief in March 1864. Grant directed Sherman to drive through the South while he himself, with the Army of the Potomac, pinned down General Robert E. Lee's Army of Northern Virginia. Finally, on April 9, 1865, at Appomattox Court House, Lee surrendered. Grant wrote out magnanimous terms

of surrender that would prevent treason trials. As President, Grant presided over the Government much as he had run the Army. Indeed he brought part of his Army staff to the White House. After retiring from the Presidency, Grant became a partner in a financial firm, which went bankrupt. About that time he learned that he had cancer of the throat. He started writing his recollections to pay off his debts and provide for his family, racing against death to produce these Memoirs. Soon after completing the last page, in 1885, he died.

Literature 1976, Part 2 Aug 23 2022 Astronomy and Astrophysics Abstracts, which has appeared in semi-annual volumes since 1969, is devoted to the recording, summarizing and indexing of astronomical publications throughout the world. It is prepared under the auspices of the International Astronomical Union (according to a resolution adopted at the 14th General Assembly in 1970). Astronomy and Astrophysics Abstracts aims to present a comprehensive documentation of literature in all fields of astronomy and astrophysics. Every effort will be made to ensure that the average time interval between the date of receipt of the original literature and publication of the abstracts will not exceed eight months. This time interval is near to that achieved by monthly abstracting journals, compared to which our system of accumulating abstracts for about six months offers the advantage of greater convenience for the user. Volume 18 contains literature published in 1976 and received before March 1, 1977; some older literature which was received late and which is not recorded in earlier volumes is also included.

This series is helping prepare children by giving them a solid foundation in key skills necessary for success in the classroom!

Die Trying Dec 15 2021 Jack Reacher finds himself in bad company in the second novel in Lee Child's #1 New York Times bestselling series. DON'T MISS REACHER ON PRIME VIDEO! Jack Reacher is an innocent bystander when he witnesses a woman kidnapped off a Chicago street in broad daylight. In the wrong place at the wrong time, he's kidnapped with her. Chained together, locked in the back of a stifling van, and racing across America to an unknown destination for an unknown purpose, they're at the mercy of a group of men demanding an impossible ransom. Because this mysterious woman is worth more than Reacher ever suspected. Now he has to save them both—from the inside out—or die trying....

Small Steps Mar 30 2023 Armpit and X-Ray are living in Austin, Texas. It is three years since they left the confines of Camp Green Lake Detention Centre and Armpit is taking small steps to turn his life around. He is working for a landscape gardener because he is good at digging holes, he is going to school and he is enjoying his first proper romance, but is he going to be able to stay out of trouble when there is so much building up against him? In this exciting novel, Armpit is joined by many vibrant new characters, and is learning what it takes to stay on course, and that doing the right thing is never the wrong choice.

I couldn't put it down." —New York Times–bestselling

author Sandhya Menon Will Tavares is the dream summer fling—he’s fun, affectionate, kind—but just when Ollie thinks he’s found his Happily Ever After, summer vacation ends and Will stops texting Ollie back. Now Ollie is one prince short of his fairytale ending, and to complicate the fairytale further, a family emergency sees Ollie uprooted and enrolled at a new school across the country. Which he minds a little less when he realizes it’s the same school Will goes to...except Ollie finds that the sweet, comfortably queer guy he knew from summer isn’t the same one attending Collinswood High. This Will is a class clown, closeted—and, to be honest, a bit of a jerk. Ollie has no intention of pining after a guy who clearly isn’t ready for a relationship, especially since this new, bro-y jock version of Will seems to go from hot to cold every other week. But then Will starts “coincidentally” popping up in every area of Ollie’s life, from music class to the lunch table, and Ollie finds his resolve weakening. The last time he gave Will his heart, Will handed it back to him trampled and battered. Ollie would have to be an idiot to trust him with it again. Right? Right.
