**Chosen Nation Aug 10 2021 Christian teaching and modern sensibilities both eschew "nationalism" as an extreme, fanatical form of patriotism, an excessive or disordered form of an otherwise healthy and proper national identity. But what if the problem of nationalism is something much more fundamental? What if nationalism is actually the process leading to national identity in the first place? And what happens when this process entails selectively appropriating and reinterpreting the Christian tradition for the sake of the envisioned nation? This book takes up these questions within the context of American Christian nationalism. Here, the process of interweaving the Christian narrative with American history and myth is examined in depth through a thorough engagement with scholarship on nationalism and within a framework shaped by contemporary theopolitical studies and the biblical narrative. The study aims to discern how the Christian Scriptures and theological tradition have been used by Christians themselves to further what amounts to an alternative gospel. In so doing this book charts a**

**path for the church to evaluate itself honestly in light of Christ's lordship, repent, and learn to tell its story more truly.**

**Few and Chosen Red Sox Oct 24 2022 The Red Sox's famous drive for the biggest names in the game in the offseason after the 2003 season was so big because of the history the Red Sox possess. For the first time ever a Boston icon ranks the five best players at each position to ever take the field. The Rocket or Pedro? Teddy Ballgame or Yaz? Find out who tops who and why.**

**Chosen Peoples Dec 22 2019 On July 9, 2011, South Sudan celebrated its independence as the world's newest nation, an occasion that the country's Christian leaders claimed had been foretold in the Book of Isaiah. The Bible provided a foundation through which the South Sudanese could distinguish themselves from the Arab and Muslim Sudanese to the north and understand themselves as a spiritual community now freed from their oppressors. Less than three years later, however, new conflicts emerged along ethnic lines within South Sudan, belying the liberation theology that had supposedly reached its climactic conclusion with independence. In Chosen Peoples, Christopher Tounsel investigates the centrality of Christian worldviews to the ideological construction of South Sudan and the inability of shared religion to prevent conflict. Exploring the creation of a colonial-**

**Chosen to Be God's Prophet Oct 12 2021 God called Samuel to be his prophet during a time of crisis in Israel's history, a time when His chosen people had turned away from Him and were defiantly going their own way. Using the obvious parallels in today's world, noted scholar and teacher Henry Blackaby shows readers how God works in and through those he chooses. God spoke to Samuel again and again, shaping him through trials and tragedies Dr. Blackaby calls "defining moments." By studying Samuel's life, readers learn to recognize their own defining moments, and see how moments often defined in crises are simply the voice of God, calling us to His purpose.**

**catalog, part biography, and part baseball primer for beginners and experts alike, this account lists the arguably best five players at each position by one of the best players in St. Louis history--Tim McCarver. The book is ideal for any baseball fan who wants to learn more about the game and includes immortals such as Cy Young, Stan Musial, Ozzie Smith, Bob Gibson, Lou Brock, Curt Flood, Leo Durocher, Steve Carlton, and Mark McGwire.**

**The Chosen Jul 09 2021 When Jesus was starting His earthly ministry He wanted twelve men to work alongside Him so He chose Twelve Men and made them disciples. They were the chosen. They eventually became His closest followers. None of them were skilled in the way we think about being educated but they had life skills. None of them was religious and they certainly had not studied Emily Post's ideas about etiquette. They were just simple everyday folk and more than likely in their day they would have blended in with the crowd. The one thing they did achieve was that they spearheaded the church movement of the day. The New Testament church flourished under their direction. However, much like you and I they were not without faults. None of them were scholars or teachers but each one learned so much from Jesus that their standing in society was respected then and still is to this day. Each disciple had a unique quality and temperament that represents each of us today. They**

**certainly had no religious experience and did not understand religious writings and that is why they were the chosen. Christ chose them for a reason. He knew each one was radical in his own way to the point they would each go out and change the then known world. In so doing it set the stage for generations to come. God had a design for this world and using these men would accomplish His goal. Each one of them in their own way had an undying love for Christ that was evident in the work they carried on after He left this earth. As we look at each one individually we will see a little bit of ourselves in each one, perhaps even a lot. Either way these men were The Chosen for a reason, to set an example for us.**

**Trammell Aug 30 2020 For nearly two decades Alan Trammell displayed an all-around game as a fielder, hitter, and base runner that was rare for shortstops of his era. With second baseman Lou Whitaker, he formed one-half of arguably the greatest double-play combination in baseball history and was an integral piece of one of the signature teams of the 1980's. Trammell was a World Series hero and a central figure in one of the greatest pennant races in American League history. From his early days as a multi-sport prep star in the talent-rich San Diego area, through a meteoric ascension up the minor league ladder and into the big leagues, Trammell won over doubters and overcame setbacks to**

**become one of the top players in the Detroit Tigers' history. He joined Ty Cobb and Al Kaline as the only players to spend 20 seasons in Detroit, and later served an ill-fated managerial stint with the franchise. This exhaustively researched biography provides the first book-length account of the life and career of one of the most well-known figures in Detroit sports history.**

**Chosen Mar 17 2022 Every good story starts with one question: What if? What if there was a devastating pandemic? What if the human population was left with limited resources? How would the resources be distributed? Who would be responsible for choosing? And what would happen to those deemed unworthy? Chosen is the story of Quin, a young girl born into a Children's House - a place where parents can choose perfectly healthy children to complete their families. But what if you were left unchosen? What if you were unchooseable? In this new world order, those found to be damaged are purged from the Community and left to fend for themselves in the Outskirts, a lawless place where every day is a fight for survival. At the Children's House, when one of the children Quin cares for is threatened with the Purge, Quin is forced to choose between the only life she has known and one of struggle. Chosen is a debut novel that weaves together the what-ifs and the realities of how our society measures value. What if one**

**Few and Chosen Dodgers May 19 2022 Before curses and quaint ballparks were in vogue, the Brooklyn Dodgers were playing in a beloved old park in front of passionate fans whose hopes were dashed with cruel regularity. The Brooklyn Dodgers couldn't win the big one, but throughout their fascinating history they always had tremendous talent—which continued after their move to Los Angeles. In Los Angeles, winning the big one became more than just a once-every-half-century event. Zach Wheat, Burleigh Grimes, Jackie Robinson, Sandy Koufax, Gil Hodges, Steve Garvey, Fernando Valenzuela—the list of Dodgers greats is virtually endless. Rating the top five Dodgers of all time at each position would be a daunting task, sure to incite sharp debate among all Dodgers fans, whether their allegiances are to Brooklyn or Los Angeles. Duke Snider, former Dodgers great and Hall of Famer who played on both coasts, has done just that. In *Few and Chosen: Defining Dodgers Greatness Across the Eras*, he has selected the top five players at each position and the top five Dodgers managers. His compilation evokes cherished memories of one of the richest histories in sports and spotlights the luminescent talent that**

**The Chosen Folks Mar 25 2020 An exploration of Jewish history in the Lone Star State, from the Jews who fled the Spanish Inquisition to contemporary Jewish communities. Texas has one of the largest Jewish populations in the South and West, comprising an often-overlooked vestige of the Diaspora. The Chosen Folks brings this rich aspect of the past to light, going beyond single biographies and photographic histories to explore the full evolution of the Jewish experience in Texas. Drawing on previously unpublished archival materials and synthesizing earlier research, Bryan Edward Stone begins with the crypto-Jews who fled the Spanish Inquisition in the late sixteenth century and then discusses the unique Texas-Jewish communities that flourished far from the acknowledged centers of Jewish history and culture. The effects of this peripheral identity are explored in depth, from the days when geographic distance created physical divides to the redefinitions of “frontier” that marked the twentieth century. The rise of the Ku Klux Klan, the creation of Israel in the wake of the Holocaust, and the civil rights movement are covered as well, raising provocative questions about the attributes that enabled Texas Jews to forge a distinctive identity on the national and world stage. Brimming with memorable narratives, The Chosen Folks brings to life a cast of**

**vibrant pioneers. “Stone is gifted thinker and storyteller. His book on the history of Texas Jewry integrates the collective scholarship and memoirs of generations of writers into a cohesive account with a strong interpretive message.” —Hollace Ava Weiner, editor of Lone Stars of David: The Jews of Texas and Jewish Stars in Texas: Rabbis and Their Work “A significant addition to the growing canon of Texas Jewish history. . . . What separates [Stone’s] work from other accounts of Texas Jewry, and indeed other regional studies of American Jewish life, is a strong overarching narrative grounded in the power of the frontier.” —Marcie Cohen Ferris, American Jewish History “The Chosen Folks deserves widespread appeal. Those interested in Jewish studies, Texas history, and immigration will certainly find it a useful analysis. What’s more, those concerned with the frontier—where Jewish, Texan, immigrant, and other identities intertwine, influence, and define each other—will especially benefit.” —Scott M. Langston, Great Plains Quarterly**

**Few and Chosen Yankees Dec 26 2022 Whitey Ford, a Hall of Fame pitcher with the Yankees for 16 seasons, gives unique insight and takes on the challenge of selecting the five best players at each position in the franchise's history, which includes 26 World Series championships and 36 American League pennants--a legacy no other team comes**

close to achieving. Featured players include Joe DiMaggio, Phil Rizzuto, Yogi Berra, Mickey Mantle, Johnny Mize, and Enos Slaughter.

**In Jesus You Are Jun 08 2021** It is easy to define our identity by our family, career, friends, hobbies, or nationality. We often determine our identity by our actions, words, or reputation. No matter how we define ourselves, our identity in Christ remains the same. He has rescued us from sin, delivered us from darkness, and redeemed us from shame. He has called us His children, adopted us, and given us citizenship in His Kingdom. In Christ, we are saved, sealed, forgiven, chosen, blessed, and empowered. **In Jesus You Are: Understanding Your Identity in Christ** is a four-week Bible study focusing on our identity in Christ. This Bible study journal includes selected Scripture passages that show us who we are in Jesus. These passages explore what Christ has done for us and how it changes our lives. Also included are 20 daily devotions offering deeper understanding of Scripture. You'll also find pages for daily Scripture reading, observation, application, and prayer, along with weekly challenges and questions, perfect for personal reflection or group discussion. This four-week Bible study is perfect for personal or small group study. In addition to the four-week In Jesus You Are reading plan, devotions, reflection questions, and challenges, this journal contains an additional two-

**week reading plan and journaling pages for further study. After studying your identity in Christ, you can continue with a short, two-week study through a few chapters of the book of Psalms, further displaying the character of God and the identity He has given us. By studying Samuel's life, readers learn to recognize their own defining moments, and see how moments often defined in crises are simply the voice of God, calling us to His purpose.

*Chosen for Life* Apr 25 2020 Divine election is certainly one of the more profound—and controversial—doctrines in the Bible. Does God elect people because they believe in the Lord Jesus Christ, or does God elect people in order that they will believe in Christ? Much of the disagreement and controversy concerning this doctrine proceeds from a fundamental misunderstanding of what it means. This is why Storms begins his analysis of divine election with an attempt to clarify precisely what is at stake and, at the same time, correct misrepresentations of it. He takes a thorough look at the doctrine as it is presented in Romans 9 as well as the rest of the New Testament. He also explores freedom of will and the order of salvation. Appendixes address "Three Problem Passages" and "Who Can and Cannot Pray for God to Save the Lost?"

**Few and Chosen Mets Feb 16 2022** Rusty Staub, a former Met with an up-close and personal view of many of the team's strongest players, recalls every year of the Met's history and selects the all-time greatest players in this account. Featured players and managers include Gary Carter, Mike Piazza, Bud Harrelson, Jose Reyes, Tom Seaver, Dwight Gooden, Gil Hodges, and Davey Johnson.

**Few and Chosen Feb 28 2023** Monte Irvin, a New York Giants star player who got his start in the Negro Leagues, pays homage to baseball's unsung heroes and long-forgotten stars by selecting the top five players at each position and the top five managers, owners, pioneers, or organizers from the Negro Leagues.

**Race and Religion Among the Chosen People of Crown Heights May 27 2020** In August of 1991, the Brooklyn neighborhood of Crown Heights was engulfed in violence following the deaths of Gavin Cato and Yankel Rosenbaum—a West Indian boy struck by a car in the motorcade of a Hasidic spiritual leader and an orthodox Jew stabbed by a Black teenager. The ensuing unrest thrust the tensions between the Lubavitch Hasidic community and their Afro-Caribbean and African American neighbors into the media spotlight, spurring local and national debates on diversity and multiculturalism. Crown Heights became a symbol of racial and religious division. Yet few have paused to examine the nature of Black-Jewish difference in Crown Heights, or to question the flawed assumptions about race and religion that shape the politics—and perceptions—of conflict in the community. In *Race and Religion among the Chosen Peoples of Crown Heights*, Henry Goldschmidt explores the everyday realities of difference in Crown Heights. Drawing on two years of fieldwork and interviews, he argues that identity formation is particularly complex in Crown Heights because the neighborhood's communities envision the conflict in remarkably diverse ways. Lubavitch Hasidic Jews

tend to describe it as a religious difference between Jews and Gentiles, while their Afro-Caribbean and African American neighbors usually define it as a racial difference between Blacks and Whites. These tangled definitions are further complicated by government agencies who address the issue as a matter of culture, and by the Lubavitch Hasidic belief—a belief shared with a surprising number of their neighbors—that they are a “chosen people” whose identity transcends the constraints of the social world. The efforts of the Lubavitch Hasidic community to live as a divinely chosen people in a diverse Brooklyn neighborhood where collective identities are generally defined in terms of race illuminate the limits of American multiculturalism—a concept that claims to celebrate diversity, yet only accommodates variations of certain kinds. Taking the history of conflict in Crown Heights as an invitation to reimagine our shared social world, Goldschmidt interrogates the boundaries of race and religion and works to create space in American society for radical forms of cultural difference.
