**Boom Town** Apr 17 2022 A brilliant, kaleidoscopic narrative of Oklahoma City—a great American story of civics, basketball, and destiny, from award-winning journalist Sam Anderson NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Chicago Tribune • San Francisco Chronicle • The Economist • Deadspin Oklahoma City was born from chaos. It was founded in a bizarre but momentous “Land Run” in 1889, when thousands of people lined up along the borders of Oklahoma Territory and rushed in at noon to stake their claims. Since then, it has been a city torn between the wild energy that drives its outsized ambitions, and the forces of order that seek sustainable progress. Nowhere was this dynamic better realized than in the drama of the Oklahoma City Thunder basketball team’s 2012-13

season, when the Thunder's brilliant general manager, Sam Presti, ignited a firestorm by trading future superstar James Harden just days before the first game. Presti's all-in gamble on "the Process"—the patient, methodical management style that dictated the trade as the team's best hope for long-term greatness—kicked off a pivotal year in the city's history, one that would include pitched battles over urban planning, a series of cataclysmic tornadoes, and the frenzied hope that an NBA championship might finally deliver the glory of which the city had always dreamed. Boom Town announces the arrival of an exciting literary voice. Sam Anderson, former book critic for New York magazine and now a staff writer at the New York Times magazine, unfolds an idiosyncratic mix of American history, sports reporting, urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City's would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, Boom Town offers a remarkable look at the urban tapestry woven

from control and chaos, sports and civics.

**The Seminole Nation of Oklahoma** Jan 22 2020 When it adopted a new constitution in 1969, the Seminole Nation was the first of the Five Tribes in Oklahoma to formally reorganize its government. In the face of an American legal system that sought either to destroy its nationhood or to impede its self-government, the Seminole Nation tenaciously retained its internal autonomy, cultural vitality, and economic subsistence. Here, L. Susan Work draws on her experience as a tribal attorney to present the first legal history of the twentieth-century Seminole Nation. Work traces the Seminoles'

story from their removal to Indian Territory from Florida in the late nineteenth century to the new challenges of the twenty-first century. She also places the history of the Seminole Nation within the context of general Indian law and policy, thereby revealing common threads in the legal struggles and achievements of the Five Tribes, including their evolving relationships with both federal and state governments. As Work amply demonstrates, the history of the Seminole Nation is one of survival and rebirth. It is a dramatic story of an Indian nation overcoming formidable obstacles to move forward into the twenty-first century as a thriving sovereign nation.

**Georgia Cooking in an Oklahoma Kitchen** Feb 27 2023 Trisha Yearwood, host of Food Network's Trisha's Southern Kitchen, is adored by fans as one of country music's top stars, but among family and friends, Trisha Yearwood is best known for another talent: cooking. Throughout her life—from her humble roots in Georgia to her triumphant recording years in Nashville and a fulfilling married life with husband Garth Brooks in Oklahoma—Trisha has always enjoyed feeding those she loves. Now she dishes up a collection of more than 120 of her go-to recipes in a tribute to both home-grown cooking and family traditions. Trisha believes a recipe always tastes better when it has a memory attached to it. Here, she teams up with her mother and sister to share their family's best-loved recipes. This is the kind of classic comfort food you'll want at the heart of your own family's mealtime memories. Inside is a full menu of Southern fare with a contemporary twist. But you don't have to be a Southerner to enjoy Yearwood family favorites such as: Trisha's Chicken Tortilla Soup Gwen's Fried Chicken with Milk Gravy Stuffed Pork Chops Breakfast Sausage Casserole Blackberry

Cobbler Banana Pudding Along with the recipes for inviting soups, textural salads, home-style family entrées, colorful side dishes, and irresistible desserts, Trisha shares everything from charming personal anecdotes to practical advice, time-saving tips, and creative ingredient substitutions to accommodate all tastes. With full-color photographs taken in and around Trisha's homes and a foreword by Garth Brooks, this soul-warming slice of Southern life will delight country music fans and home cooks alike. Best of all, this is un-pretentious food that is easy to put together, satisfies even big country appetites, and tastes like home. Trisha's warm evocations of pre-paring food for loved ones will transport you back to your own childhood. These are recipes you'll enjoy with your family for years to come.

**Evidence for Vertical Migration of Motile Phytoplankters in an Oklahoma Reservoir Feb 21 2020**

**Progressive Oklahoma Mar 16 2022** Progressive Oklahoma traces Oklahoma's rapid evolution from pioneer territory to statehood under a model Progressive constitution. Author Danney Goble reasons that the Progressive movement grew as a reaction to an exaggerated species of Gilded Age social values—the notion that an expanding

marketplace and unfettered individualism would properly regulate progress. Near the end of the territorial era, that notion was challenged: commercial farmers and trade unionists saw a need to control the market through collective effort, and the sudden appearance of new corporate powers convinced many that the invisible hand of the marketplace had become palsied. After years of territorial setbacks, Oklahoma Democrats readily embraced the Progressive agenda and swept the 1906 constitutional convention elections. They went on to produce for their state a constitution that incorporated such landmark Progressive features as the initiative and referendum, strict corporate regulation, sweeping tax reform, a battery of social justice measures, and provisions for state-owned enterprises. Goble is keenly aware that the Oklahoma experience was closely related to broader changes that shaped the nation at the turn of the century. *Progressive Oklahoma* examines the elemental changes that transformed Indian Territory into a new kind of state, and its inhabitants into Oklahomans—and modern Americans.

**Oklahoma, Our Home** Jan 02 2021 *Oklahoma, Our Home* is a 4th grade Oklahoma history textbook. The outline for this book is based on the Oklahoma Priority Academic Student Skills (PASS) for social studies and teaches history, people in societies, geography, economics, government, citizenship rights and responsibilities,

Oklahoma Unforgettable Apr 05 2021 In *Oklahoma Unforgettable*, Kim Baker and John Jernigan capture Oklahoma's allure in 143 outstanding color photographs. The beautiful images are accompanied by an insightful foreword by Donald W. Reeves, the McCasland Chair of Cowboy Culture at the National Cowboy & Western Heritage Museum. Baker and Jernigan's travels have taken the two photographers from the swirls of activity in Oklahoma City and Tulsa to the charming towns that make up America's heartland. The images reveal a land of contrasts—wild prairies and thick forests, soaring mesas and mountain trails, sandy deserts and numerous lakes—that inspires the imagination. Take a drive with Baker and Jernigan down Route 66 and beyond and discover the Sooner State all over again. Whether lifelong Oklahomans or visitors to the state, readers will treasure *Oklahoma Unforgettable* for years to come.

**The Great Oklahoma Swindle** Feb 15 2022 An Oklahoma Bestseller 2021 Director's Award in the Oklahoma Book Awards Look down as you buzz across America, and

Oklahoma looks like another "flyover state." A closer inspection, however, reveals one of the most tragic, fascinating, and unpredictable places in the United States. Over the span of a century, Oklahoma gave birth to movements for an African American homeland, a vibrant Socialist Party, armed rebellions of radical farmers, and an insurrection by a man called Crazy Snake. In the same era, the state saw numerous oil booms, one of which transformed the small town of Tulsa into the "oil capital of the world." Add to the chaos one of the nation's worst episodes of racial violence, a statewide takeover by the Ku Klux Klan, and the rise of a paranoid far-right agenda by a fundamentalist preacher named Billy James Hargis and you have the recipe for America's most paradoxical state. Far from being a placid place in the heart of Flyover Country, Oklahoma has been a laboratory for all kinds of social, political, and artistic movements, producing a singular list of weirdos, geniuses, and villains. In *The Great Oklahoma Swindle* Russell Cobb tells the story of a state rich in natural resources and artistic talent, yet near the bottom in education and social welfare. Raised in Tulsa, Cobb engages Oklahomans across the boundaries of race and class to hear their troubles, anxieties, and aspirations and delves deep to understand their contradictory and often stridently independent attitudes. Interweaving memoir, social commentary, and sometimes surprising research around the themes of race, religion, and politics,

Cobb presents an insightful portrait that will make you rethink everything you thought you knew about the American Heartland.

*The Twelve Days of Christmas in Oklahoma* Jan 26 2023 "Take a fun holiday trip to Oklahoma! As each of the twelve days of Christmas pass, VERY unusual gifts from around the state pile up. Lucky readers are in for a wild countdown!"--From page 4 of cover

*Secret Oklahoma City: A Guide to the Weird, Wonderful, and Obscure* Nov 24 2022  
Oklahoma City was called "A City Born Grown" after it went from a population of a handful at Oklahoma Depot to over 10,000 on its first day. Nobody seems to mention how the streets were laid crooked and took 80 years to fix by tearing up half of downtown and that two rival city governments aimed guns at one another until the Supreme Court sorted out who was in charge. And that was only its first six months! *Secret Oklahoma City: A Guide to the Weird, Wonderful, and Obscure* shares the places and stories that you won't hear in History class, though you probably should! Learn about the Chinese Tunnels that housed hundreds of immigrant workers underground. Visit the Overholser Mansion and see if the lady of the house is still in, sixty years after her death! Gain new respect for animal heroes at the American Pigeon

Museum. Find out what a giant milk bottle is doing on top of an old grocery store off 23rd. Speaking of groceries, did you know the grocery cart was invented on the south side of town? Or that the parking meter got its start in downtown Oklahoma City? Oklahoma farm kid-turned-professor Jeff Provine has spent more than a decade learning the lesserknown tales of OKC. Come with him on a tour of the unexpected side of Oklahoma City.

**I Heart Oklahoma!** Oct 31 2020 Roy Scranton, controversial and critically-acclaimed, brings us a formally daring road trip into the heart of present-day America. When Suzie is offered the chance to work with a maverick cinematographer on his road-trip movie about Donald Trump's America, she's pretty sure it's a bad idea. But she signs up anyway, hoping it might help her start over and find something she's lost: a sense of the future. A provocative, genderqueer, shapeshifting musical romp through the brain-eating nightmare of contemporary America, *I ? Oklahoma!* moves from our bleeding-edge present to a furious Faulknerian retelling of the Charlie Starkweather killings in the 1950s, capturing in its fragmented, mesmerizing form the violence at the heart of the American dream.

**O is for Oklahoma** Mar 28 2023 A state ABC book for young children featuring brilliant color photographs; each lively page highlights a unique aspect of Oklahoma's

beauty and culture. For each letter, a short poem describes the pictured word. The books' eye-popping design and educational content will hold the child's interest throughout countless readings.

*An Analysis of Principal Effectiveness in an Oklahoma School District* Jun 07 2021  
*In the United States Court for the Northern District of Oklahoma, Before Honorable John B. Meserve, Special Master* May 26 2020 Volume contains five briefs, one report of the Special Master, and an appeal in an Oklahoma Equity Court case (No. 238) involving the title to 160 acres of land in Creek County, Oklahoma, which was allotted to Ullie Eagle, a full-blood member of the Creek Tribe of Indians, who died intestate on June 8, 1902. In the trial court fourteen separate groups of parties claimed title to such land, as or through alleged heirs of Ullie Eagle. The primary question presented is, who were her heirs at law. The case began in November 1923 and on January 22, 1931, the Federal court concluded the case. The appeal was filed in September of 1933.

**S is for Sooner** Jul 08 2021 The wide-open spaces of Oklahoma are brought alive for readers with charming rhymes about rodeos, land runs, and yes, even the musical "Oklahoma!" The people, places, and landmarks of the Sooner state are thoroughly explored through the popular two-tiered format for the Discover America State by State series, with simple rhymes for younger children and expository text for older children.

**Intraguild Predation Among Coccinellidae and *Lysiphlebus Testaceipes* in an Oklahoma Winter Wheat System** Jun 26 2020

From Praha to Prague Aug 09 2021 Around the turn of the twentieth century, thousands of Czechs left their homelands in Bohemia and Moravia and came to the United States. While many settled in major American cities, others headed to rural areas out west where they could claim their own land for farming. In *From Praha to Prague*, Philip D. Smith examines how the Czechs who founded and settled in Prague, Oklahoma, embraced the economic and cultural activities of their American hometown while maintaining their ethnic identity. According to Smith, the Czechs of Prague began as a clannish group of farmers who participated in the 1891 land run and settled in east-central Oklahoma. After the town's incorporation in 1902, settlers from other ethnic backgrounds swiftly joined the fledgling community, and soon the original Czech immigrants found themselves in the minority. By 1930, the Prague Czechs had reached a unique cultural, social, and economic duality in their community. They strove to

become reliable, patriotic citizens of their adopted country—joining churches, playing sports, and supporting the Allied effort in World War II—but they also maintained their identity as Czechs through local traditions such as participating in the Bohemian Hall society, burying their dead in the town’s Czech National Cemetery, and holding the annual Kolache Festival, a lively celebration that still draws visitors from around the world. As a result, Smith notes, succeeding generations of Prague Czechs have proudly considered themselves Czech Americans: firmly assimilated to mainstream American culture but holding to an equally strong sense of belonging to a singular ethnic group. As he analyzes the Czech experience in farm-town Oklahoma, Smith explores several intriguing questions: Was it easier or more difficult for Czechs living in a rural town to sustain their ethnic identity and culture than for Czechs living in large urban areas such as Chicago? How did the tactics used by Prague Czechs to preserve their group identity differ from those used in rural areas where immigrant populations were the majority? In addressing these and other questions, *From Praha to Prague* reveals the unique path that Prague Czechs took toward Americanization.

**Weird Oklahoma** Aug 29 2020 A collection of stories from all over the state of Oklahoma, relating some of the state's strange and unexplained phenomena.

*Oklahoma* Sep 22 2022 America the Beautiful, Third Series is bursting with fascinating

The Out-Of-This-World Oklahoma Coloring Book! Jul 20 2022 The reproducible coloring book includes pictures of characters, places, facts, and fun. The kids can color their way around your state while learning new facts. Great for school, home or on the road.

**An Oklahoma Tragedy** May 06 2021 This is a 1939 true story about a seventy-three-year-old Navina, Oklahoma, widowed farmer who was missing when his married daughter and her husband came to his house to fix Sunday dinner, as had been arranged the day before. The sheriff is called who starts questioning local neighbors about the missing farmer to find out when he was last seen or if anything suspicious had been seen in the area. The entire Navina farming community came together for two days to hunt for the farmer and to determine what had happened to him. The actual town of Navina's business buildings no longer exist, which the book includes several pictures of those buildings during the time before the town of Navina became nonexistent in the

1940s.

**100 Things to Do in Oklahoma City Before You Die, 2nd Edition** May 18 2022

Oklahoma City is a study in contrasts. From quiet reflection at the Oklahoma City National Memorial to the exhilaration of whitewater rafting on the river, you never know what might be around the bend. And for a city built in a hurry during the Land Run, it has an unmistakably laid-back vibe and never strays too far from its Western roots. How can you get an authentic feel for this city with so much to offer? *100 Things to Do in Oklahoma City Before You Die* is the quintessential guide to all the history, sports, innovation, and entertainment in OKC where culture busts out of every seam. Catch a glimpse of the enduring American West at the National Cowboy and Western Heritage Museum. Or to see real cowboys in action, head to the historic Stockyards City for the world's largest live cattle auction. Travel by streetcar to see the city's best art exhibits, like Dale Chihuly's breathtaking glass tower at the OKC Museum of Art. Learn how a city that was part of the infamous Dust Bowl became an Olympic rowing destination as you explore the architecture of the Boathouse District. Author and native Oklahoman Lauren Roth loves surprising visitors with the top recommendations in her hometown. With her insider tips and itineraries, this book will open a door to Oklahoma City you might not have expected and leave you wide-eyed at every turn.
