The Name of this Book Is Secret Apr 28 2023 Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

**Code Name Camelot - A Noah Wolf Thriller** Jun 25 2020 "AMAZON #1 BESTSELLING AUTHOR" ONE OF THE BEST NEW VOICES IN THE ACTION THRILLER GENRE David Archer is back with a vengeance with his newest hero, Noah Wolf. After fans raved about his debut series, The Sam Prichard Novels, Archer now is about to back even harder. People are already throwing out names like Mitch Rapp and Alex Cross, but don't take my word for it. See what all the fuss is about before Archer becomes a household name! After witnessing the murder-suicide of his parents as a child, Noah suffers from a form of PTSD that has left him without emotion, without a conscience and without the ability to function as a normal human being. With the help of childhood friends, he learns to watch others around him and mimic their behaviors, in order to conceal the fact that his mind operates more like a computer that he has spent years programming. That program is what allows Noah to pass himself off as normal, by establishing parameters of right and wrong that are completely inviolable to him. As a young adult, Noah finds structure in the U.S. Army, and becomes an excellent and exemplary soldier, but when his self-imposed programming is put to the test by the murderous acts of the superior officer, Noah finds himself quickly made expendable, charged with crimes he did not commit and facing the possibility of execution. Without any reasonable hope for a reprieve, Noah's logic-based mind accepts his fate. Sometimes, though, things are not all as they seem to be, and Noah is offered one chance to save himself. It was his disability, his lack of emotion, that made him the soldier he had become. Now, an ultrasecret organization known as E & E wants Noah's talents, offering him a chance to survive... As the most deadly assassin the world has ever known."

**The Name of the Wind** Jan 25 2023 Discover #1 New York Times-bestselling Patrick Rothfuss' epic fantasy series, The Kingkiller Chronicle. "I just love the world of Patrick Rothfuss." —Lin-Manuel Miranda • "He's bloody good, this Rothfuss guy." —George R. R. Martin • "Rothfuss has real talent." —Terry Brooks OVER 1 MILLION COPIES SOLD! DAY ONE: THE NAME OF THE WIND My name is Kvothe. I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. You may have heard of me. So begins a tale unequalled in fantasy literature—the story of a hero told in his own voice. It is a tale of sorrow, a tale of survival, a tale of one man's search for meaning in his universe, and how that search, and the indomitable will that drove it, gave birth to a legend. Praise for The Kingkiller Chronicle: "The best epic fantasy I read last year.... He's bloody good, this Rothfuss guy." —George R. R. Martin, New York Times-bestselling author of A Song of Ice and Fire "Rothfuss has real talent, and his tale of Kvothe is deep and intricate and wondrous." —Terry Brooks, New York Times-bestselling author of Shannara "It is a rare and great pleasure to find a fantasist writing...with true music in the words." —Ursula K. Le Guin, award-winning author of Earthsea "The characters are real and the magic is true." —Robin Hobb, New York Times-bestselling author of Assassin's Apprentice "Masterful.... There is a beauty to Pat's writing that defies description." —Brandon Sanderson, New York Times-bestselling author of Mistborn

**Dictionary of African Names, Vol. 1** Jul 27 2020 Self-discovery and self-expression are essential if you desire to grow in spiritual awareness. The emphasis in this book is the spiritual dimension of personal development. Personal development (often called self-improvement) is a popular subject these days. You can spend thousands of dollars attending courses and seminars; read hundreds of books that have been published on this subject. Many of these books, seminars, and courses can be quite helpful,

and provide effective ideas and concepts that will be useful to you. Yet, there is usually something missing the spiritual aspect. We spiritualize the concept of self-development or self-expression, and raise it to a higher level. Ask yourself, "Am I using my unique God-given talents? Am I focusing my physical, mental, and spiritual energies in the right direction? Am I excited about life? Am I becoming that which I most sincerely desire to be? Do I know where I am going? Is there a plan? Am I genuinely being true to myself? If not, why not?" Assess every area of your life so that you will know exactly where you stand in relation to your goals. Each theme will have his or hers viewpoint the masculine and feminine!
