If you have a hankering for the sand and mud, this thoroughly updated edition of The Four-Wheeler's Bible is your ultimate resource for overland adventures, both close to home and farther afield. Whether you are a seasoned veteran or a four-wheeling novice, you will find the information you need to maximize your enjoyment of your next off-road excursion. Author and four-wheeling experts Jim Allen and James Weber begin with a primer on emergency preparedness before combing through all considerations you should take aboard, from trail etiquette to the latest technologies. Allen and Weber explain the concepts of four-wheel-drive systems in easy-to-understand terms and go on to suggest modifications to make off-road rigs more capable, comfortable, and dependable for intended application. This third edition is completely redesigned and updated to offer explanations of the latest electronic GPS and communications gadgetry, advice and techniques for planning and negotiating overland routes, and updates for new off-road vehicles that will help you get the most from your four-wheeling experience. With you machine up to snuff, you will be ready to hit the trails. Allen and Weber demonstrate the correct way to handle countless common off-road situations. And because everyone makes a mistake eventually, they also show how to get out of a variety of sticky situations. There's more to the four-wheeling experience than modifying and driving a vehicle, and the authors leave no rock unturned, ensuring that you are equipped to handle nearly any trip, no matter how far into the wilderness you choose to venture. The Four Wheeler's Bible is an indispensable piece of gear if you're planning to hit the trails! The runners from Eisenhower High School have every justification to fail. They're from low income families, many of whom are migrant workers. With little time to devote to their passion, they give everything they have to their quest for the Washington State High School Cross Country Championship. Running to Glory is a celebration of grit, perseverance, and the American Dream. It follows the cross country team from Eisenhower High in Yakima, Washington, through a tumultuous and challenging season with excitement, suspense and pathos. Despite enormous economic disadvantages, the Eisenhower runners compete with affluent schools in the Seattle-Tacoma area, where parent involvement is strong and funds are readily available. Their coach Phil English knows how his runners feel. He grew up poor in rural Ireland in the 1960s during The Troubles and emigrated to the U.S. for a college track scholarship. Over 37 years coaching in Yakima, Coach English won 11 state titles, and sent more than 100 kids to college with scholarships for running. Author Sam McManis crafts a compelling narrative, which follows the team from summer workouts in the blistering sun to the state championship meet in the bitter cold. Readers will discover how these young men and women overcome their environment or succumb to it—on the course and in the classroom. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. The Toyota Hilux is a series of compact pickup trucks produced and marketed by the Japanese manufacturer Toyota. Most countries used the Hilux name for the entire life of the series but in North America, the Hilux name was retired in 1976 in favor of Truck, Pickup Truck, or Compact Truck. In North America the popular option package, the SR5 (Sport Rally 5-Speed), was colloquially used as a model name for the truck, even though the option package was also used on other Toyota models like the Corolla. In 1984, the Trekker, the camper version of the Hilux, was renamed as the 4Runner in Australia and North America, and as the Hilux Surf in Japan. In 1995, Toyota introduced a new pickup model, the Tacoma in North America, discontinuing the Hilux/Pickup there. The 4Runner is now a full SUV, and the more recent models do not resemble the Tacoma. Continuously in print for more than 20 years, Abrams' Masters of Art series has always been known for its exceptional quality and value. Now these classic volumes devoted to the lives and works of the world's great painters have been newly redesigned and released in paperback for the first time. The Comprehensive text, written by distinguished art historians, provides an incisive and informative portrait of Van Gogh and perceptive commentaries on their works and achievements. The book features 40 full-page, full-colour plates accompanied by commentary on the facing pate. Plus, numerous black-and-white illustrations supplement the text. 114 Pages 6"x9" in Blank lined Notebook Best gift birthday for your girlfriend, your parent, ... From a review of the first edition: "Modern Data Science with R... is rich with examples and is guided by a strong narrative voice. What's more, it presents an organizing framework that makes a convincing argument that data science is a course distinct from applied statistics" (The American Statistician). Modern Data Science with R is a comprehensive data science textbook for undergraduates that incorporates statistical and computational thinking to solve real-world data problems. Rather than focus exclusively on case studies or programming syntax, this book illustrates how statistical programming in the state-of-the-art R/RStudio computing environment can be leveraged to extract meaningful information from a variety of data in the service of addressing compelling questions. The second edition is updated to reflect the growing influence of the tidyverse set of packages. All code in the book has been revised and styled to be more readable and easier to understand. New functionality from packages like sf, purrr, tidymodels, and tidytext is now integrated into the text. All chapters have been revised, and several have been split, re-organized, or re-imagined to meet the shifting landscape of best practice. Includes advertising matter. Offers diagnosis and repair information for late-model Hyundai, Kia, and Lexus automobiles. Irregular news releases from the National Highway Traffic Safety Administration.
