Spirituality has oft been reduced to just religion, religion further reduced to mere morality, and morality ultimately reduced to sexuality. This book is not about how to be "good," nor even "religious" but about being "mystical" - the only reason for the experiment that is life on planet Earth. Life not feeling complete? It's time to start experiencing all of your life, not just some of it. Back Cover copy: Life is too short to wait for some day or the right and perfect time to start living the life your soul desires. The perfect and right time is now! What if nothing needed to change outside of you in order to experience life differently, even better? The biggest

mistake we can make is putting all our attention and power on external conditions to give us a sense of peace, love, connection, joy and freedom. We may experience passing moments of love in relationships, joy in success with work, connection with friends and family or a sense of freedom with the increase in our finances in some way. Unfortunately, these aren't sustainable sources for the good stuff of life, as these conditions are always changing. What is sustainable? Cultivating peace, love, connection, joy, freedom, among other qualities, within ourselves and then bringing them out into our living. In this book, you will: Learn how to meditate so you can experience greater calm and clarity Discover the secret of prayer and affirmation so you can feel confident moving through each day Learn other practices to integrate your life into a rich soulful experience Author profile pic attached Author bio: Darrell Jones is a minister, spiritual director and mindfulness coach who brings 20 years of personal practice and over 13 years of professional experience inspiring, teaching and coaching individuals, spiritual communities and business groups to begin and maintain a life of spiritual practices to deepen connection with life. Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed

them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them. The Unchained Life Manual is an illustrated holistic wellness guide, which examines sixteen alternative healing modalities to re-calibrate the body, mind, and spirit. The term "bio-hacking" means to alter our biology to achieve a greater level of performance. By incorporating techniques such as light therapy, sound therapy, aromatherapy, vitamin therapy, inversion, meditation, and others, IT IS POSSIBLE to re-balance the body and to live in a state of ease, versus dis-ease. With 78% of Americans overweight and an estimated 80 million people suffering from insomnia and depression, it is becoming more apparent that the majority of people go through their lives living in a state of fatigue, exhaustion, despair, stress, and "dis-ease." The Unchained Life Manual challenges generally accepted dogma concerning health, wellness, and recommended dietary allowances for vitamins and minerals, by presenting anecdotal, empirical, and clinical references that point towards a desperately needed collective paradigm shift. With multiple

sources stating that medical mistakes are the third leading cause of death in America, maybe it is time for all of us to truly learn about our physiology and reclaim ownership over our personal health and wellness, so we can avoid unnecessary hospital visits?Disclaimer: The Unchained Life Manual is not medical advice. Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . When I was seven years old, I accompanied my mother to many twelve-step recovery meetings and witnessed the miracle as it changed her life and mine. A few decades later the twelve-steps saved my life, my brother's life, his wife's life, my uncle's life, and countless friend's lives. After witnessing the power of the twelve-step process my family, friends, and I opened a twelve-step recovery program and retreat in The Poconos of Pennsylvania for adult men and women who suffer from addiction. Over the past two decades the thousands of miracles that I have witnessed, and lives saved are due to the twelve-step

process. We found that this process was a spiritual program of action, based on spiritual principles. New Beginning Ministry in Beach Lake, PA. has been our labor of love, born out of addiction. After two decades of teaching on addiction recovery, spirituality, and the twelve-step process, and developing my skills as a professional writer, it only made sense to combine the two and share this life-saving information with a larger audience. My mom passed on five years ago with over forty years of sobriety, and today I celebrate nineteen years! My dream is to share my knowledge with as many individuals as I can during my lifetime, building an army of spiritual twelve-step professionals who can help save lives. A comprehensive examination of the many ways the spirit world affects the material plane and our minds • Provides a detailed guide to the Afterlife and its inhabitants • Reveals the spirit influence behind many mental disorders as well as psi abilities and creative genius • Includes checklists of symptoms of spirit “overshadowing,” methods from the world’s top exorcists, and instructions on how to free unwanted spirits from the material plane We are spirits housed in a body, and just as houses can be haunted, so can people. When the living succumb to dissociative states of consciousness, they become a magnet for lost but clinging spirits. Known as jinn, dybbuk, daemon, wuqabi, or simply the undead, they hover unseen on the earth plane, ready to inhabit the most suitable body available. Documenting the life of wandering spirits and their impact on vulnerable human targets, Susan Martinez offers a radical departure from the standard psychological explanations for a host of pathological behaviors--including multiple personality, autism, epilepsy, migraines, obsessive compulsive disorder, depression, schizophrenia, anxiety, PTSD, self-destructive urges, and strange outbursts--and reveals

that hallucinations are often true impressions of spirit input. Martinez explains how mental health comes down to the delicate balance between self-control and spirit-control. When trauma triggers an escape response, the soul takes flight, leaving the mind susceptible to possession by discarnate entities. However, the spirit world can also bestow gifts upon those whose psyches are open, such as in the case of mediums, shamans, people who communicate with angels, and many of the world's creative geniuses. Martinez presents "overshadowing" by spirits as a universal, cross-cultural phenomenon, documenting modern and traditional accounts as well as corroborating indigenous beliefs. She examines soul decay, soul travel both before and after death, as well as how knowledge of the spirit world can offer positive treatments for disorders like schizophrenia and autism. Providing a detailed guide to the spirit world and its inhabitants, the author offers checklists of symptoms of "overshadowing," methods from the world's top exorcists, and instructions on how to free spirits so they can continue their journey into the beyond--all the tools necessary to forearm us against soul snatchers and other enemies of the Light. Spirit Releasement Therapy is a special form of healing which "calls forth" and identifies positive energies that enhance personal growth, and clears negative energies (whether internally generated or externally attached) that restrict personal growth -- on levels ranging from cellular consciousness to archangelic

<http://youtu.be/pcCg6HFjdWQ> Introduction: God has created every person to be a supernatural spiritual being, with the capacity to function not only in a natural world, but also to access the realm of the spirit, access where God is, and to bring heaven to earth. God's desire is that you be a channel for heaven coming to earth, for His presence and goodness and healing and love and peace and prosperity to flow through you, and to manifest in the world around you. So in the course we'll be teaching about that supernatural dimension. We'll teach about how miracles are activated, what the keys are around that. We'll teach you what the foundational key is, is out of intimacy with God and hearing the voice of God, and we'll give you practical steps, practical keys, how to start from wherever you are right now, and step by step grow your faith, so you can be starting to operate

successfully, and regularly and confidently in the gifts of the spirit. So in the course we'll teach on the gifts of the spirit, we'll give you a little bit about each. We'll also give you some foundational understanding about the spirit man, and how God works in and through us. Also if you're watching this by DVD you'll see demonstrations of the power of God touching people, you'll see demonstrations of how to move in words of knowledge, hearing the voice of God, minister to people. You'll see all of that in this course, and it will inspire you and help you. God's given me ability to make it extremely clear, and I know that you're going to really enjoy this. Put in the effort. Invest in yourself. Do the course, and put into practice the things you learn, and you'll just be overjoyed when you see God is far more willing to work through you, than you really realise. His plan is that the kingdom come into the earth through you. All you've got to do is learn how to do it. In 1 Corinthians, Chapter 12, Verse 1, Paul says I don't want you to be ignorant of spiritual gifts, and this course is to help solve that problem. God bless you. Have a great time on the course and may you extend the kingdom of God boldly
