cooking time, ingredients Try a lot of recipes for you and your loved ones to enjoy.

A coauthor of the New York Times bestselling guide to Social Security *Get What's Yours* authors an essential companion to explain Medicare, the nation's other major benefit for older Americans. Learn how to maximize your health coverage and save money. Social Security provides the bulk of most retirees' income and Medicare guarantees them affordable health insurance. But few people know what Medicare covers and what it doesn't, what it costs, and when to sign up. Nor do they understand which parts of Medicare are provided by the government and how these work with private insurance plans—Medicare Advantage, drug insurance, and Medicare supplement insurance. Do you understand Medicare's parts A, B, C, D? Which Part D drug plan is right and how do you decide? Which is better, Medigap or Medicare Advantage? What do you do if Medicare denies payment for a procedure that your doctor says you need? How do you navigate the appeals process for denied claims? If you're still working or have a retiree health plan, how do those benefits work with Medicare? Do you know about the annual enrollment period for Medicare, or about lifetime penalties for late enrollment, or any number of other key Medicare rules? Health costs are the biggest unknown expense for older Americans, who are turning sixty-five at the rate of 10,000 a day. Understanding and navigating Medicare is the best way to save health care dollars and use them wisely. In *Get What's Yours for Medicare*, retirement expert Philip Moeller explains how to understand all these important choices and make the right decisions for your health and wealth now—and for the future. 'Alas that I ever did sin! It is so merry in Heaven!' *The Book of Margery Kempe* (c. 1436-8) is the extraordinary account of a medieval wife, mother, and mystic. Known as the earliest autobiography written in the English language, *Kempe's Book* describes the dramatic transformation of its heroine from failed businesswoman and lustful young wife to devout and chaste pilgrim. She vividly describes her prayers and visions, as well as the temptations in daily life to which she succumbed before dedicating herself to her spiritual calling. She travelled to the most holy sites of the medieval world, including Rome and Jerusalem. In her life and her boisterous devotion, Kempe antagonized many of those around her; yet she also garnered friends and supporters who helped to record her experiences. Her *Book* opens a window on to the medieval world, and provides a fascinating portrait of one woman's life, aspirations, and prayers. This new translation preserves the forceful narrative voice of *Kempe's Book* and includes a wide-ranging introduction and useful notes.

ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more. "Bruce Schneier's amazing book is the best overview of privacy and security ever written."—Clay Shirky "Bruce Schneier's amazing book is the best overview of privacy and security ever written."—Clay Shirky Your cell phone provider tracks your location and knows who's with you. Your online and in-store purchasing patterns are recorded, and reveal if you're unemployed, sick, or pregnant. Your e-mails and texts expose your intimate and casual friends. Google knows what you're thinking because it saves your private searches. Facebook can determine your sexual orientation without you ever mentioning it. The powers that surveil us do more than simply store this information. Corporations use surveillance to manipulate not only the news articles and advertisements we each see, but also the prices we're offered. Governments use surveillance to discriminate, censor, chill free speech, and put people in danger worldwide. And both sides share this information with each other or, even worse, lose it to cybercriminals in huge data breaches. Much of this is voluntary: we cooperate with corporate surveillance because it promises us convenience, and we submit to government surveillance because it promises us protection. The result is a mass surveillance society of our own making. But have we given up more than we've gained? In *Data and Goliath*, security expert Bruce Schneier offers another path, one that values both security and privacy. He brings his bestseller up-to-date with a new preface covering the latest developments, and

then shows us exactly what we can do to reform government surveillance programs, shake up surveillance-based business models, and protect our individual privacy. You'll never look at your phone, your computer, your credit cards, or even your car in the same way again. Collect the favorite recipes you love in your own custom recipe book or make a great gift. 100 pre-formatted recipe pages to write in with index pages (recipes not included) Create your own custom index and organize the recipes the way you want Flexible nice cover and matte finish Interior included to record all the following for each recipe: * Recipe Name * Recipe for * Ingredients * Preparation Time * Cook Time * Serves * Direction * Ratings * Notes Calories, Carbohydrate, Proteins, Fat (Space to write all of these) 8.5 x 11 dimension, portable size for your purse, kitchen, home or anywhere you go. This Book makes the perfect gift for anyone who loves cooking for any gift-giving occasion Record 95 of your favorite recipes with index Without sacrificing accuracy or relevance, here is an often humorous, sometimes irreverent approach to basic accounting, finance, and income taxes that shows you how to: "Talk back" to your accountant Answer the question "If we are making all this money, how come we never have any cash?" "Win the tax game" Borrow more money from your banker If you need to know any or all of these "how to's," Dick Levin's practical book is a must. He begins with a basic review of accounting terms, takes you through analysis of actual financial statements using industry ratios, answers your questions about where the money comes from and where it goes, explains why rapidly growing companies do not always generate the money they need to stay alive, and winds up giving you sound advice about income taxes. Using an anecdotal approach, Dick Levin makes accounting, finance, and tax laws interesting and easy to understand. Dick Levin, Ph.D., is Associate Dean, School of Business Administration, University of North Carolina, Chapel Hill. He is also the author of *The Executive's Illustrated Primer of Long-Range Planning and Strategy in a Nutshell*. Readers interested in related titles from Richard I. Levin will also want to see: *Strategy in a Nutshell* (ISBN: 9781626549074). Struggling with debt? Get realistic help that's actually useful, from Liz Weston, one of the most popular and respected personal finance experts! Today, people struggling with debt have far fewer options: lenders are stingier, which makes it harder to avert disaster, or to recover from setbacks like foreclosure, short sales, or bankruptcy. (Meanwhile, people with good credit have more options than ever, including some of the lowest interest rates in decades.) You need an up-to-date guide that can help you assess options, find help, discover opportunities, and take action that works. Liz Weston's *Deal with Your Debt, Updated and Revised Edition* is that guide. You'll learn which debts can actually help build wealth over time, and which are simply toxic. Weston offers practical guidelines for assessing how much debt is safe -- and compassionate, realistic guidance if you've gone beyond the safety zone. Today, a good credit score is essential for getting decent terms on credit--or for getting credit at all. But that's just the beginning: Your credit score rating can be reviewed by everyone from employers to cell phone carriers. *Your Credit Score, Fourth Edition* thoroughly covers brand-new laws changing everything from how your credit score can be used to how you can communicate with collectors. This edition also adds simple graphics revealing exactly how much skipped payments,

bankruptcies, and other actions will lower your credit ratings, and how long it takes to rebound. Weston updates her expert guidance on using FICO 08 to raise your score, fighting lower limits and higher rates, maintaining the right mix of cards and balances, bouncing back from bad credit, choosing credit "solutions" that help, not hurt... and much more! Collect the favorite recipes you love in your own custom recipe book or make a great gift. 100 pre-formatted recipe pages to write in with index pages (recipes not included) Create your own custom index and organize the recipes the way you want Flexible nice cover and matte finish Interior included to record all the following for each recipe: * Recipe Name * Recipe for * Ingredients * Preparation Time * Cook Time * Serves * Direction * Ratings * Notes Calories, Carbohydrate, Proteins, Fat (Space to write all of these) 8.5 x 11 dimension, portable size for your purse, kitchen, home or anywhere you go. This Book makes the perfect gift for anyone who loves cooking for any gift-giving occasion Record 95 of your favorite recipes with index A breakthrough title explaining effective, cost-efficient collection methods In a down economy, the demand for a successful credit and collection game plan increases. Credit & Collections Kit For Dummies is a comprehensive guide for people involved in collection activities with accounts/clients, helping readers approach the often difficult task of collecting from late/slow paying customers, as well as determining when (and if) to extend credit to questionable ones. It gives readers the expert information and tools designed to ensure that their collection methods are both effective and legal. "A Best Book of the Year" —Library Journal and Booklist Using excerpts from the thousands of interviews conducted with ex-slaves in the 1930s by researchers working with the Federal Writer's Project, this astonishing collection makes available in print the only known recordings of people who actually experienced slavery--recordings that had gathered dust in the Library of Congress until they were rendered audible for the first time specifically for this collection. Heralded as "a minor miracle" (Ted Koppel, Nightline), "powerful and intense" (Atlanta Journal Constitution), and "invaluable" (Chicago Tribune), Remembering Slavery is sure to enrich readers for years to come. "Gripping and poignant... Moving recollections fill a void in the slavery literature." —The Washington Post Book World "Chilling [and] riveting... This project will enrich every American home and classroom." —Publisher's Weekly "Quite literally, history comes alive in this unparalleled work." —Library Journal "Ira Berlin's fifty-page introduction is as good a synthesis of

current scholarship as one will find, filled with fresh insights for any reader." —The San Diego Union Tribune

Blank Cookbook: Recipe Book To Write In Use it to organize your favorite meals created in your kitchen or passed down from family members. Disconnect from the screens and re-connect with your roots by writing down all your family recipes. This is the perfect gift from an amateur cook or chef

Features Write down all your recipes **Table of Content** Up to 100 Recipes **Personal cookbook** 6x9 inch size. Perfect for bag **Quality paper**, perfect for ink, pencil **With empty spaces** to write the cooking time, serves, ingredients... Ever thought of becoming a coin collector and revel in the joy and thrill of engaging in a "treasure hunt?" Perhaps you want to have a beautiful collection to rest your eyes on in your home, akin to art, vintage stamps and historical artifacts, and maybe even make money out of it? If so, then here's where you need to be right now. **You Are A Step Away From Discovering How To Master The Fine Art Of Coin Collection!** As experienced collectors would tell you, there is something super satisfying about having a collection of intricately designed coins with glints of history written all over them gathered somewhere in your home. Others will go on and on about the invaluable process of collecting them and their limitless financial value. However, getting started with this kind of practice is not always the easiest of things for someone who's new to it. It can be frustrating, confusing and tiresome, and therefore defeat its main purpose. But that's why this book is here. Before I get into that, tell me something. Have you been wondering: What does it take to be a successful coin collector? How do you find exotic and valuable coins? Why do people collect coins in the first place? How do you get started proficiently and safely? If you have, then this book is all you need. It has all the answers to these and many more questions, and is specially designed to get anyone to enjoy and breeze through this beautiful process of collecting coins, and get started in no time- so keep reading! More precisely, you'll learn: How coin collection started, and why people have been doing it The types of coins you can collect How to improve your coin collection practice with some of the best tips How to perfect the art by learning the numismatic lingo How to handle, keep and take care of your collection safely How to assemble your coins for the highest value Where and how you can find coins How to catalogue your coin collection like a pro ...And much more! Did you know that back in 2013, a 1794 Flowing Hair silver dollar sold for \$10 million? That could have been you! If you ask me, this seems like one of the most lucrative hobbies that everyone should be doing, and this is your chance to start off a million miles ahead. Even if this is your first time in the world of coin collection, this book will break down the topic in simple language to ensure you have an easy time putting what you learn into action! Scroll up and click **Buy Now With 1-Click** or **Buy Now** to get started! By following Ed Poll's recommendations, you can ensure that your collection process is controllable and more efficient, resulting in satisfied clients and a healthier bottom line. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Born to a wealthy family in West Africa around 1770, Omar Ibn Said was abducted and sold into slavery in the United States, where he came to the attention of a prominent North Carolina family after filling “the walls of his room with piteous petitions to be released, all written in the Arabic language,” as one local newspaper reported. Ibn Said soon became a local celebrity, and in 1831 he was asked to write his life story, producing the only known surviving American slave narrative written in Arabic. In *A Muslim American Slave*, scholar and translator Ala Alryyes offers both a definitive translation and an authoritative edition of this singularly important work, lending new insights into the early history of Islam in America and exploring the multiple, shifting interpretations of Ibn Said’s narrative by the nineteenth-century missionaries, ethnographers, and intellectuals who championed it. This edition presents the English translation on pages facing facsimile pages of Ibn Said’s Arabic narrative, augmented by Alryyes’s comprehensive introduction, contextual essays and historical commentary by leading literary critics and scholars of Islam and the African diaspora, photographs, maps, and other writings by Omar Ibn Said. The result is an invaluable addition to our understanding of writings by enslaved Americans and a timely reminder that “Islam” and “America” are not mutually exclusive terms. This edition presents the English translation on pages facing facsimile pages of Ibn Said’s Arabic narrative, augmented by Alryyes’s comprehensive introduction and by photographs, maps, and other writings by Omar Ibn Said. The volume also includes contextual essays and historical commentary by literary critics and scholars of Islam and the African diaspora: Michael A. Gomez, Allan D. Austin, Robert J. Allison, Sylviane A. Diouf, Ghada Osman, and Camille F. Forbes. The result is an invaluable addition to our understanding of writings by enslaved Americans and a timely reminder that “Islam” and “America” are not mutually exclusive terms. Best Books for General Audiences, selected by the American Association of School Librarians
