Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, Emmanuel's Book I is to be treasured, enjoyed and passed on to a friend. The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"

**The Manual** Jul 28 2020 "If it is beyond your power to control, let it go." "Do not wish that all things will go well with you, but that you will go well with all things." "In this way, you will overcome life's challenges, rather than be overcome by them." Epictetus (c. AD 50-135) was a former Roman slave who became a great teacher, deeply influencing the future emperor Marcus Aurelius among many others. His philosophy,

Stoicism, was practical, not theoretical--aimed at relieving human suffering here and now. Epictetus knew suffering--besides being enslaved, he was lame in one leg and walked with a crutch. The Manual is a collection of Epictetus' essential teachings and pithy sayings, compiled by one of his students. It is the most accessible and actionable guide to Stoic philosophy, as relevant today as it was in the Roman Empire. This new edition, published by Ancient Renewal, is rendered in contemporary English by Sam Torode.

**You've Got a Book in You** Aug 09 2021 Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In *You've Got a Book in You*, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of *The Gun Series* and *The Public Eye Mystery Series* "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's *You've Got a Book in You* will show you how to find it in yourself." ~Hallie Ephron, award-winning author of *There Was an Old Woman* "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in *You've Got a Book in You*, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a "working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, *You've Got a Book In You* will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of *Tell No Lies and Keep No Secrets* "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll

be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

**The NEW Employee Manual** May 06 2021 Welcome to Corporate Life. The NEW Employee Manual is not your Dad's or Mom's employee manual. It's the new playbook for corporate survival, fitting today's realities and the challenges facing employees who join or work in large, seemingly successful companies. Those companies already issued very specific and detailed employee manuals covering everything under the sun except how to compete well in our brave new world. The NEW Employee Manual will help you navigate the Corporate (with a capital C) labyrinth. Where Corporate's manual shapes you into a dutiful cog for the good of the machine, ours helps you enhance your career for the good of, well, you ... and your company. The NEW Employee Manual should make you feel skeptical: skeptical of empty slogans, obsolete rituals, obsessive pursuits, and bigwigs' playbooks that no longer work. That alone should be worth this book's price. Skepticism, you see, is a good thing, because it is only the skeptic, only the free-thinker, only the maverick, who asks new questions and finds useful answers. So, are you a maverick or a cog?

**A Manual for Cleaning Women** Mar 24 2020 "I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.
