YACAMUNDA Nov 22 2022 YACA-MUNDA, Aboriginal for Work For Your Tucker. Hello, readers, I'm the author of this biography- Nick Thomas...nice to virtually meet you. I'm an Australian male, bred in the bush, and this is my journey from growing up in rainforest mountains in the early seventies, to moving from the bush to out west, to moving to the big smoke of Brisbane city, to travelling to other countries. Join me as I push through life's challenges- disabilities, loss, hardship, pain, loyalty, hard work, and much more-as we all do. My main goal is that this will help you push yourself just that little bit harder. I hope I can inspire you in some way, and that my book will have a positive outcome on you. A percentage of sales from this book will be donated to children's charities. We are all champions in more ways than one; we're all on this journey called life. Welcome to my journey. Live and learn, never give up...enjoy.
