book is a complete study of practical hypnotism. It seeks to explain the science of hypnotism in a simple, straightforward and unambiguous language. The book makes an integral study of the acclaimed ideas and theories of the East. The western thinkers have heavily drawn upon the valuable contemplations of the Indian seers of yore. Having achieved a fine blending of the two strains of scholarship, the book has become a very reliable guide for all types of readership. Dr Shrimali is a widely acknowledged author and his expertise in these fields is beyond any doubt. The readers can immensely benefit from his wide experiences and deep insights. This study is not just academic, but it is equally relevant to all interested sections. The book is enriched with rare discussion of the Indian sadhans and siddhis. In many ways, it brings out the metaphysical findings of ancient Indian seers, and mendicants with firm authority. The study motivates scholars, young and old, to delve deeper into this science for greater accomplishments in life. #v&spublishers
