If Cricket is Religion, Sachin is God Oct 23 2022 With hundred centuries and over 34,000 runs in international cricket, Sachin Tendulkar, the highest run-getter in both Tests and ODIs, is the God of the religion called cricket. His exploits on the field have brought hope and joy to millions of fans. And yet, like God, he has his set of detractors always willing to remove him from the pedestal. In this revised and updated edition, the authors, who consider themselves fans and analysts in equal measure, follow the career of the cricketing demigod - his advent, his peak, his fall, his resurrection and, finally, his retirement. They also talk about India's sensational WC 2011 triumph and Tendulkar's decision to retire from international cricket. Armed with irrefutable statistical data, which they contextualize and analyse with rigour, the authors seek to end all debate on Tendulkar's status as the greatest cricketer of the modern era. They compare him with his peers in both forms of the game, and provide the viewpoint of experts, players and commentators, so that the reader can independently draw conclusions. And if you still don't believe that Sachin is God's gift to the world of cricket, well, God help you!

Ace against Odds Dec 01 2020 'Sania has always faced adversity with single-minded focus, self-belief and self-respect. I believe she has been instrumental in changing the face of Indian sport.' - Mahesh Bhupathi 'Sania has a merciless forehand and her well-placed serve starts us perfectly in each point . . . Where other people would break their bones, she calmly produces winners with an incredible flick of the wrist.' - Martina Hingis Currently ranked World No. 1 in women's doubles, Sania Mirza became an instant sensation when she won the Wimbledon Championships girls' doubles title at the age of sixteen. From 2003 until her retirement from the singles circuit in 2012, she was ranked by the Women's Tennis Association as India's top player, both in singles and doubles. A six-time Grand Slam champion, she notched up an incredible forty-one consecutive wins with her doubles partner, Martina Hingis, between August 2015 and February 2016. Ace against Odds is the story of this most iconic Indian player who beat incredible odds to get to the top of her sport. Sania writes with candour of the hardships along the way, of the physical and emotional trauma caused by injuries and medical procedures, of the friends and partners who became her mainstay along with her family, of the pressures of constant public scrutiny and, not least, the politics and heartbreaks that inevitably accompany success. Sania broke the rules, she spoke her mind, she pushed herself to the limit, she played for India fiercely and without care for how it might impact her rankings - she is and will continue to remain an inspiration long after she steps off the tennis courts.

Guns & Thighs Jan 22 2020 In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Silent Sentinels of Ranthambhore Mar 28 2023 ** Tiger populations the world over are endangered* A unique look at individual tigers and family groups* Written and photographed by a former government official, actress and photographer well-versed in Ranthambhore's more remote locations Ranthambhore National Park is a vast wildlife reserve in Rajasthan, northern India. It is a former royal hunting ground and home to tigers, leopards and marsh crocodiles. Its landmarks - both natural and manmade - include the imposing 10th-century Ranthambhore Fort, the Ganesh Mandir temple, and Padam Talao Lake, known for its abundance of water lilies. It is one of the world's finest places to view wildlife. The Park is also a crucial tiger habitat. As Rajasthan's former Minister for Tourism, as well as for Forests and the Environment, Bina Kak had unprecedented access to the Park. There she focused on individual tigers, tigresses, and tiger families. Unlike other photography books on the Park, this book focuses on the unique traits - or personalities - of single animals or groups, for example how a male tiger mothered his cubs when they were separated from the tigress. Her stunning photographs include views not easily accessible or are completely unavailable to other photographers, and will certainly appeal to conservationists, environmentalists, travelers, those interested in nature photography, or anyone engaged with the future of these magnificent animals.*
