*Riding in the Zone* Dec 03 2020 *Riding* motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. *Riding in the Zone* helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. *Riding in the Zone* takes riders to the next level in their skill set.

*Maximum Boost* Jul 10 2021 Whether you're interested in better performance on the road or extra horsepower to be a winner on the track,

this book gives you the knowledge you need to get the most out of your engine and its turbocharger system. Find out what works and what doesn't, which turbo is right for your needs, and what type of set-up will give you that extra boost. Bell shows you how to select and install the right turbo, how to prep your engine, test the systems, and integrate a turbo with EFI or carbureted engine.

**The Amish Quiltmaker's Unruly In-Law** Mar

06 2021 Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham "This is an endearing romance that fans of Wanda Brunstetter will love." —Publishers Weekly

**Leathered** May 27 2020 Injury. Adrenaline.

Addiction. These are the things that fuelled one man's race to international stardom as he pushed boundaries and took life on and off the bike to the limits. Starting out as a talented youth riding the desert tracks of California, his reckless nature and incredible talent earned him a position in the rarefied world of professional motorcycle racing. Despite the success in his professional life, his personal life was crumbling around him - John was battling with depression and temptation, which began to threaten his career, health and marriage, ultimately bringing him to a life of alcoholism, addiction and even smuggling. In his remarkable memoir, one of the world's most renowned riders takes us on a raw and unique journey to the extremes of fast living. John 'Hopper' Hopkins is an icon for motorsport fans worldwide. He won't let anything hold him back. He has broken almost every bone in his body (twice), suffered a bleed on the brain, and had a finger amputated... yet he continued to race. Finally, at the age of 35 - with his latest crash at Brands Hatch in 2017 putting him in rehab for two years - he decided to hang up his helmet. *Leathered* tells the incredible story of an unparalleled career. From bone-crunching injuries and alcohol-fuelled antics to the breakdown of his marriage, it unveils the true stories behind the lurid headlines.
