THE DESIGN COLLECTION REVEALED provides comprehensive step-by-step instruction and in-depth explanation for three of today's most widely used design and layout programs: Adobe InDesign CS6, Adobe Photoshop CS6, and Adobe Illustrator CS6. You will gain practical experience with the software as you work through end-of-chapter learning projects and step-by-step tutorials. An integration chapter demonstrates how to move from one application to the other. Full-color illustrations and a user-friendly design combine to create a robust learning experience. The Data Files used to complete the projects found in the book are now available online. For access information please refer to the directions available in the preface of the book. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Describes the design features of the Adobe Creative programs, including InDesign, Illustrator, Photoshop, Dreamweaver, Flash, and Fireworks. Learning has never been easier than with ADOBE CS6 DESIGN TOOLS: PHOTOSHOP, ILLUSTRATOR, AND INDESIGN ILLUSTRATED. This reader-friendly book presents each skill on two facing pages, providing detailed instructions on the left-hand page and large, full-color screenshots on the right page. The visual format helps you intuitively grasp the concepts in the book and apply them to the classroom and workplace environment. Now, stay current with Adobe Photoshop, Illustrator, and InDesign Creative Cloud coverage available online through CengageBrain.com. The online Creative Cloud content updates are for the June 2013 release of Adobe Creative Cloud. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Your all-in-one guide to Adobe's new Creative Cloud Packed with more than a thousand pages of content, Adobe Creative Cloud All-in-One For Dummies is exactly what you need to get your head in the Creative Cloud. Written by designers for designers, this book is filled with useful information and expert instruction that spans eight minibooks to help you get started with Adobe Creative Cloud, InDesign CC, Illustrator CC, Photoshop CC, Acrobat XI, Dreamweaver CC, Flash Professional CC, and Fireworks CC. You'll learn the latest graphic design and web development tools, tricks, and techniques; watch your productivity explode; and unleash your creative genius with this valuable resource. Helps print, web, and mobile media professionals get the very most out of the latest features and techniques available in Adobe Creative Cloud Provides beginners with design basics while providing the depth of coverage sought by more experienced design professionals Covers the key features and tools in seven of Adobe's most popular Creative Cloud applications (InDesign, Illustrator, Photoshop, Acrobat, Dreamweaver, Flash Professional, and Fireworks) plus a minibook dedicated to Creative Cloud basics From 3D images and vivid illustrations to dynamic web pages and interactive effects, this comprehensive guide shows you how to do it all! Certification Prep Adobe InDesign Creative Cloud helps you prepare to take the Adobe Certified Associate (ACA) Adobe InDesign CC certification exam. G-W's Certification Preparation Series consists of individual guides that provide practice in the basic skills needed to be successful using the corresponding software. No previous software experience is required. Although the guides focus on learning skills, not test taking, users that complete the practice will be prepared to take the official software certification exam and demonstrate workplace readiness. Step-by-step instructions demonstrate actual software commands and features, building from basic to advanced. Content is divided into small units for better learning and usage. There is no need to download files or purchase additional materials as all lesson content is created using the software. * Provides an affordable way to prepare for industry certification versus other methods. * Focuses on hands-on experience to develop skills. Includes • Online Workshops • Online Adobe Certified Exam (ACE) Resources • More than 500 of the most essential InDesign CC tasks Need answers quickly? Adobe InDesign CC on Demand provides those answers in a visual step-by-step format. We will show you exactly what to do through lots of full color illustrations and easy-to-follow instructions. Inside the Book • Improved publishing and productivity with Adobe Creative Cloud • Create layouts for print, web, tablets, and mobile devices • Browse, organize, and process files using Adobe Bridge or Mini Bridge • Create, link, and manage content, pages, and books • Create text and apply style to display artistic text • Create QR code graphics • Use track changes to review content • Create interactive PDFs, EPUB ebooks, and HTML web pages • Create publications for use with Adobe Digital Publishing Suite Numbered Steps guide you through each task Did You Know alerts you to tips and techniques See Also points you to related information in the book Tasks are presented on one or two pages Illustrations with matching steps Bonus Online Content Register your book at queondemand.com to gain access to: • Workshops and related files • Keyboard shortcuts Visit the author site: perspection.com Teaching your students has never been easier than with ADOBE INDESIGN CS6 ILLUSTRATED. This reader-friendly book presents each skill on two facing pages, providing detailed instructions on the left-hand page and large, full-color screenshots on the right page. The visual format helps students intuitively grasp the concepts in the book and apply them to the classroom and workplace environment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Your guide to building publications great or small, this book provides step-by-step lessons and exposes you to all of InDesign's features in practical contexts and its best practices for publishing workflows. -- Graphic design professionals and design students alike have embraced Adobe InDesign as the industry standard for page layout software—and they're mastering it with ADOBE INDESIGN CREATIVE CLOUD. A thorough, in-depth exploration of the latest release, this highly visual book covers all the fundamental concepts, starting with the workspace and proceeding logically and intuitively to more advanced

topics. Chock full of new lessons covering new features, this edition retains its step-by-step tutorials and user-friendly design, resulting in a resource that is comprehensive, clear, and effective. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Sharpen your print production skills with this definitive resource created specifically for design professionals who need to create files using the Adobe Creative Cloud, including InDesign, Photoshop, Illustrator, and Acrobat and output for printing. The previous edition was steady seller, helping designers who have no training in print get up and running quickly and not make expensive mistakes on their projects. Completely updated for CS6 and the CC, this book also helps designers with some print experience tackle more complex projects. The book covers all the Adobe Suite programs they need to know to produce successful projects, rather than buying 4 or 5 different books. This book is considered the complete resource for understanding the print cycle, how ink works on paper, managing fonts, using color spaces, handling images, and preparing files for print or electronic output. Print expert Claudia McCue shares her hands-on techniques to prepare files, edit photos and graphics, and prevent common problems without missing a deadline. This book is brimming with insightful advice, illustrations, and shortcuts that will have you quickly and professionally producing your work in no time. Covers: Acrobat XI, InDesign CC, Photoshop CC, and Illustrator CC for Macintosh and Windows Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe InDesign choose Adobe InDesign CC Classroom in a Book (2018 release) from Adobe Press. The 15 project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of typographic, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications—from a simple postcard to an interactive Adobe PDF with form fields. The real-world tasks in this comprehensive book are presented in an easy-to-follow, step-by-step format and are designed to train beginning Adobe InDesign users in the program—from fundamental features to powerful layout and output skills. This book will also help experienced InDesign users elevate their skills, understand best practices, and learn about new features. The online companion files include all the necessary assets for readers to complete the projects featured in each lesson as well as ebook updates when Adobe releases relevant new features for Creative Cloud customers. All buyers of the book get full access to the Web Edition: a Web-based version of the complete ebook enhanced with video and multiple-choice quizzes.

The book you're reading about right now was created with Adobe InDesign CC. And that's the case no matter which reading format you prefer—whether it's the physical book made of plant fiber and ink, or the digital version made of electrons in an e-reader. In fact, most of the books, magazines, posters, and brochures you see were likely made with InDesign as well. It's all around you.

Adobe InDesign CC: A Complete Course and Compendium of Features is your guide to building publications great or small in this ubiquitous page layout application. First, with a complete Course that includes a set of projects and lessons derived from the curriculum of award-winning and Adobe Certified Instructor Steve Laskevitch, you will learn the procedures needed to use InDesign professionally. Dozens of lessons are included that can be applied to any document you have in mind: engineering proposals, marketing collateral, spec sheets, magazines, newsletters, books, and more. Through these step-by-step lessons, you'll be exposed to all of InDesign's features in practical contexts and its best practices for publishing workflows.

To complete the Course, we'll supply lesson documents and their assets to download. These can even serve as starting points for your own projects.

Then, for greater depth of knowledge and subsequent reference, you'll use the Compendium to uncover more of the “how” and “why” of InDesign and publishing tech in general. With each topic easy to access, you can find and explore all of InDesign's key features and concepts in depth. With cross references between the Course and Compendium, the two parts of the book complement each other perfectly. Best of all, when the lessons in the Course are done, the Compendium will continue to serve for months and years to come.

Learn step by step how to:

- Create documents from postcards and posters to large books
- Take control of typography and more with styles
- Combine images with text for compelling layouts
- Use color with predictable results
- Prepare documents for both print and electronic output
- And much more!

Used by graphic designers worldwide, Adobe InDesign CC is a layout powerhouse. But that power is easy to harness, as you'll soon learn. These real-world projects teach you to think like a designer and master the details that set your work apart. Hone your InDesign skills as you: Produce an advertising poster Design a magazine for print and tablet delivery Build interactive forms Create a comic book page Add controls for video, animations, and more to a digital media publication This study guide uses more than 11 hours of video integrated with text to help you gain real-world skills that will get you started in your career designing publications for print and screen using InDesign CC. It lays the foundation for taking the Adobe Certified Associate (ACA) certification exam and helps prepare you for an entry-level position in a competitive job market. Purchasing this book gives you access to valuable online extras. Follow the instructions in the book's “Getting Started” section to unlock access to: The Web Edition containing instructional video embedded in the complete text of the book with interactive review questions along with product updates Downloadable lesson files you need to work through the projects Learn the newest version of Adobe's premiere page design software—InDesign CC— with this complete package Written by a team of expert instructors, this complete book-and-DVD package teaches even the most inexperienced beginner how to design eye-popping layouts for brochures, magazines, e-books, and flyers. Step-by-step instructions in the full-color book are enhanced by video tutorials on the companion DVD. Emphasizing on fundamental design principles, critical thinking skills, and practical applications

to prepare you for professional success, this unique text features step-by-step tutorials, vibrant illustrations, and realistic exercises to engage your interest while helping you develop essential software skills. Each chapter builds on what you have learned, guiding you from exploring basic operations to creating complex documents with confidence and efficiency. In addition to mastering InDesign CS6—including standard functionality and features new to this release—the text prepares you to analyze new design projects, identify potential challenges, develop effective strategies, and apply industry-standard principles and practices to execute your plans successfully. The Data Files used to complete the projects found in the book are now available online. For access information please refer to the directions available in the preface of the book. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The fastest, easiest, most comprehensive way to learn Adobe InDesign CC (2014 release) Classroom in a Book®, the best-selling series of hands-on software training workbooks, offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. Adobe InDesign CC Classroom in a Book contains 16 lessons that cover the basics, providing countless tips and techniques to help you become more productive with the program. You can follow the book from start to finish or choose only those lessons that interest you. In addition to learning the key elements of the InDesign interface, this completely revised CC (2014 release) edition covers new features, including rows and columns in tables, dual PDF and IDML file packaging, fixed and reflow EPUBs, and major improvements in the way text and graphics are handled during EPUB export. Purchasing this book gives you access to the downloadable lesson files you need to work through the projects in the book, and to electronic book updates covering new features that Adobe releases for Creative Cloud customers. For access, goto www.peachpit.com/redeem and redeem the unique code provided inside this book. “The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students.” Barbara Binder, Adobe Certified Instructor Rocky Mountain Training Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe InDesign choose Adobe InDesign CC Classroom in a Book (2019 release) from Adobe Press. The 15 project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of typographic, color, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications—from a simple postcard to an interactive Adobe PDF with form fields. The real-world tasks in this comprehensive book are presented in an easy-to-follow, step-by-step format and are designed to train beginning Adobe InDesign users in the program—from fundamental features to powerful layout and output skills. This book also enables experienced InDesign users to elevate their skills, understand best practices, and learn about new features. Enhancements in this version target usability and productivity, including the ability to browse fonts visually, using Content Aware Fit for intelligent image placement, use Layout Adjust to automatically adjust layout when changing page sizes, and quickly access common controls in the Properties panel. The online companion files include all the necessary assets for readers to complete the projects featured in each lesson. All buyers of the book get full access to the Web Edition: A Web-based version of the complete ebook enhanced with video and multiple-choice quizzes. Designers or other creative professionals who create digital documents are always looking for ways to make their products more appealing to the user. One way of doing that is to increase reader engagement by building interactive animated effects into their designs. Creating Animations in Adobe InDesign One Step at a Time teaches the reader not only how to add animation to their InDesign documents (via step-by-step exercises) but also helps the reader to choose among the various digital format options for export— ePub (concentrating on the new Fixed-Layout variety), DPS , and PDF. Clear explanations and plenty of full-color graphics will guide the reader through the potentially confusing digital publishing landscape. Adding animated effects in InDesign documents is a field set to grow. The practice was given a big push in the 2014 release of the Adobe Creative Cloud, when InDesign introduced the new Fixed-Layout EPUB export format. EPUBS exported in this format preserve the layout of the InDesign document, and can include animated effects as well as media, such as audio and video. Fixed-Layout EPUB has gathered a large following in a short time for a number of reasons. They allow ePubs such as children’s books to display fun animations to enhance the child’s reading experience. They provide businesses a way to create all the interactivity of PDF documents PLUS animations not supported by PDFs. They are a viable replacement for Single Edition DPS folios which Adobe longer supports. The book will cover over two hundred different effects you can create using the animation features of InDesign. These include animations that don’t appear in the regular animation controls. Each chapter will have four or more exercises that the reader can follow along. The chapter exercises will start very basic and then work up. So the last exercise in each chapter will take more time than the first. This means someone can go through the book doing only the easy exercises in each chapter and come back later to get more involved. Some of the exercises will use basic shapes. Other exercises will use more advanced artwork. All the artwork, including the basic shapes, will be available for download by the reader so they can follow along with the exercises. In addition, the finished artwork for each exercise will also be provided to allow the readers to see how the animation is supposed to work. Written a longtime publishing expert, the book thoroughly covers the theory and best practices for creating animations in InDesign CC. Creative professionals seeking the fastest, easiest, most comprehensive way to learn InDesign CS6 choose Adobe InDesign CS6 Classroom in a Book from the Adobe Creative Team. The 16 project-based lessons show readers step-by-step the key techniques for working with InDesign CS6. Readers learn what they need to know to create engaging page layouts using InDesign CS6. This completely revised CS6 edition covers the new tools for adding PDF form fields, linking content, and creating alternative layouts for digital publishing. The companion CD includes all the lesson files that readers need to work along with the book. This thorough, self-paced guide to Adobe InDesign CS6 is ideal for beginning users who want to master the key features of this program. Readers who already have some experience with InDesign can improve their skills and learn InDesign’s newest features. “The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students.” –Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear. This title provides a fast, easy way to learn Adobe InDesign CC. It contains 16 lessons that cover the basics, providing countless tips and techniques to help you become more productive with the program. Annotation The definitive InDesign resource allows you to produce great content for print or digital publishing.**InDesign Creative Cloud is an impressive update. This guide provides our most complete coverage of the new features for intermediate and advanced users, whether they're publishing to an iPad, mobile phone, or traditional print publication.*The book that the Adobe InDesign product team uses for their reference.*Authors Kvern/Blatner/Bringhurst are 'the InDesign experts.' All are visible and extremely active in the InDesign community. Sharpen your InDesign skills with this definitive resource created specifically for design professionals who need to layout out, proof, export, and publish pages with Adobe InDesign Creative Cloud.Complete coverage of InDesign CC's new features and enhancements includes: improved epub exporting, new font menus, ability to generate and edit high quality QR code graphics, new document dialog box with preview option, and much more.
