**The Merchant Navy Seaman Pocket Manual 1939-1945** Apr 04 2021 A view into the world of the intrepid but often forgotten seamen who helped the Allies win WWII. They may not have worn gold braid or medals, but the Allied Merchant Navies in World War II provided a vital service to their countries' war efforts. Hundreds of thousands of British and American sailors—some as young as fourteen—faced considerable risks to maintain an essential flow of armaments, equipment, and food: submarines, mines, armed raiders and destroyers, aircraft, kamikaze pilots, and the weather itself. Life on board a merchant ship could be tense, with hour after hour spent battling high seas, never knowing if a torpedo was about to hit. In the Arctic convoys, sailors had to cope with extreme cold and ice. But there was also comradeship and more open society than was the norm at the time, free of distinctions of class, race, religion, age, or color, and a mixture of nationalities, especially in the British fleet. The Merchant Navy Seaman Pocket Manual provides a fascinating glimpse into the world of these brave sailors, many of whom did not return. Drawing on documents, diagrams, and illustrations from British and American archives, it combines information on training, gunnery, convoys, and antisubmarine techniques with dramatic personal accounts. Covering the Battle of the Atlantic, the Arctic Convoys, and the Pacific, this book pitches the reader into the heart of this vital but often forgotten arena of WWII.

**The Typewriter Revolution: A Typist's Companion for the 21st Century** Dec 20 2019 The connoisseur's guide to the typewriter, entertaining and practical What do thousands of kids, makers, poets, artists, steampunks, hipsters, activists, and musicians have in common? They love typewriters—the magical, mechanical contraptions that are enjoying a surprising second life in the 21st century, striking a blow for self-reliance, privacy, and coherence against dependency, surveillance, and disintegration. The Typewriter Revolution documents the movement and provides practical advice on how to choose a typewriter, how to care for it, and what to do with it—from National Novel Writing Month to letter-writing socials, from type-ins to typewritten blogs, from custom-painted typewriters to typewriter tattoos. It celebrates the unique quality of everything typewriter, fully-illustrated with vintage photographs, postcards, manuals, and more.

Veterans Benefits Manual 2021-2022 Edition May 05 2021 This exhaustive manual is an indispensable guide for advocates who help veterans and their families obtain benefits from the Department of Veterans Affairs. User-friendly, well-indexed, and packed with practical information, it includes sample forms and briefs, flowcharts, checklists, citations to legal authorities, and other documents designed to streamline the claims process and save you and your veteran client valuable time. Written by practicing lawyers at the National Veterans Legal Services Program, this manual contains valuable insight and analysis from a team of experts on the front line of veterans law. Use their first-hand experience fighting for veterans' rights and their insider's view of the Department of Veterans Affairs to obtain the benefits your client earned. The Veterans Benefits Manual contains dozens of effective, battle-tested advocacy tips for veterans and advocates along with all the latest developments in veterans law. 2021-2022 Edition Editors: National Veterans Legal Services Program (NVLSP) Barton F. Stichman, Executive Director and co-founder of the National Veterans Legal Services Program Ronald B. Abrams, Special Counsel and Former Joint Executive Director of the National Veterans Legal Services Program Richard V.

Spataro, Director of Training and Publications of the National Veterans Legal Services Program Stacy A. Tromble, Director of Court of Appeals for Veterans Claims Litigation of the National Veterans Legal Services Program The 2021-2022 edition of the Veterans Benefits Manual has been thoroughly updated with the important developments in veterans' law over the past year. The most significant new information in the recent edition of the Manual has been about the Veterans Appeals Improvement and Modernization Act of 2017 (AMA), which took effect on February 19, 2019. There is updated information in the 2021-2022 edition of the Manual about how the new modernized review system has been operating in practice. Most of that information appears in Chapters 12, 13, and 16. Highlights of the other updates include advocacy essentials such as: New advice for deciding which options to pursue to overcome BVA decisions denying legacy claims and claims subject to the new AMA system (Sections 14.1.1 and 14.1.2); Discussion of the recent changes to VA policies and procedures due to the COVID-19 pandemic (throughout Manual); A new section about how the BVA conducts virtual hearings (Section 13.4.3); New sections explaining why thousands of Vietnam veterans and their survivors are now entitled to millions of dollars in additional retroactive compensation for Agent Orange-related diseases (Sections 8.10, 8.11); Discussion of the VA's revisions to the disability rating schedule for musculoskeletal conditions (Section 5.2.9); A new section discussing the enhanced hearing procedures adopted by the Army Discharge Review Board and the thousands of Army veterans now entitled to have the Board reconsider their less than Honorable Discharges under more liberal review standards (Section 21.3.5); A new section about how military retirees become entitled to retroactive military retired pay as a direct result of a VA decision granting retroactive VA benefits (Section 8.12); Updated analysis of the rules governing entitlement to retroactive benefits based on service department records being added to the VA claims file after a final claim denial (Section 8.8.9); New guidance regarding entitlement to accrued benefits to reimburse individuals who bore the expense of a veteran's last illness or burial (Section 7.3.1.1.2); and Updates on eligibility for VA's Comprehensive Assistance for Family Caregivers and advocacy tips for those applying for monthly stipends (Section 10.13). Updated information about the duty to assist activities transferred from the Joint Services Records Research Center to the VA Records Research Center (Section 18.4); Advocacy tips for appealing BVA decisions that violate or improperly rely on provisions of the VA Adjudication Procedures Manual M21-1 (Section 14.5.9); Discussion of the recent case law on extraschedular disability ratings and schedular ratings for ankylosis of joints (Sections 5.3 and 5.2.1.6);

Once Intrepid Warriors Nov 11 2021 Once Intrepid Warriors Gender, Ethnicity, and the Cultural Politics of Maasai Development Dorothy L. Hodgson How the experience and legacy of development have shaped Maasai identities today. "Hodgson presents us with a complex, interactive picture of change over time, one dominated neither by the Maasai nor the state and development apparatus.... The Maasai emerge not simply as the 'intrepid warriors' envisioned by government and development officials, or even sometimes by themselves, but as active agents in the construction of their own history. This history, however, is often contradictory, contested, and varied." --Jane Parpart "... the first and only book that systematically addresses Maasai culture and development from multiple perspectives of cultural identity and ethnicity, issues of land, labor, education, and, not least, changing perspectives and understanding of gender and gender relations in the society... rich both in historical detail and ethnographic substance." --Elliot M. Fratkin Drawing on archival sources as well as her extensive fieldwork in Tanzania, Dorothy L. Hodgson explores the ways identity, development, and gender have interacted to shape the Maasai into who and what they are today. By situating the Maasai in the political, economic, and social context of Tanzania and of world events, Hodgson shows how outside forces, and views of development in particular, have influenced Maasai lifeways, especially gender relations. Attitudes and assumptions of government and development officials who believed that the Maasai must maintain their pastoralist tradition determined the types of development schemes imposed. But rather than reinforce visions of the Maasai as intrepid warriors, development created new gender hierarchies, new responses to the pressures of modernity, and ambivalent attitudes toward education and local, national, and international politics. Five profiles of Maasai men and women interspersed within the text bring Maasai voices to life and show that they were never passive participants in their own history. Once Intrepid Warriors reflects the complexity and variability of Maasai society as it has responded to outside interventions and internal struggles over how to protect Maasai interests in a changing world. Dorothy L. Hodgson teaches anthropology at Rutgers University, New Brunswick, and is affiliated with the Center for African Studies and the Women's Studies Program. She is editor of Rethinking Pastoralism in Africa: Gender, Culture and the Myth of the Patriarchal Pastoralist and co-editor of "Wicked" Women and the Reconfiguration of Gender in Africa. July 2001 320 pages, 16 b&w photos, 4 figs., 6 1/8 x 9 1/4, index, append.

**The Country That Refused to Die** Nov 30 2020 This is not a story about folk dancing, pierogies, and sausage making. It is a story of triumph and despair, struggle and joy, resolve and persistence. The Country That Refused to Die is a nonfiction narrative of the people of Poland written in such fashion as to expose and dispel the millennium of disinformation, slander, and absence of accomplishments of Poland and its people. Its pages cover the creation, formation, the many contributions, and the constant struggle of the people of Poland to defend its way of life and survive against aggressive neighbors that would eliminate them and their culture.
