So when she is invited to join her school's slam poetry club, she doesn't know how she could ever attend without her mami finding out. But she still can't stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. No Easy Jesus Jun 20 2022 2018 Christian Book Award finalist (New Author category) "Too many Christians I know have grown bored and frustrated with just 'believing' in Jesus. They've settled for salvation someday, not realizing they can experience a fuller life today." Many Christians share a secret. Few of us dare to speak it out loud, because doing so would feel like taking a slap at God--and it wouldn't make us look good either. Yet this secret is affecting us painfully on the inside every single day. Here it is: Believing in Jesus has left us disappointed. At one point we were thrilled and hopeful about living a life of trusting in Christ. But over time our experience has failed to live up to our expectations or make the difference we thought it would. So we've begun to think: "This can't be all there is to being a Christian." If that's what you've been thinking . . . you're right. *No Easy Jesus* holds the key to moving forward when you're bored, disillusioned, and beaten down by faith-as-usual. It's a clarion challenge to wake up each day and choose Jesus all over again; to make the tough, gritty choices that align your way with His and lead to true fullness of life. Because when you decided to follow Jesus, you didn't sign up for what was easiest--you signed up for what was best.
