Feral Dreams Feb 15 2022 Feral Dreams: Mowgli and His Mothers is a heartbreaking story of identity, love, and belonging, as it is an exquisite ode to the fast vanishing, beautiful, and sometimes menacing jungles of India.

Madrasas in the Age of Islamophobia Mar 24 2020 In the age of Islamophobia, Madrasas are at crossroads—infamously labelled as ‘dens for terrorism’ where the ‘youth are misguided, motivated and recruited to resort to anti-Indian activities’. It is little known that in the golden past, Madrasas schooled reformers and personalities such as Rajendra Prasad, Motilal Nehru, Raja Rammohun Roy and many other noteworthy Islamic scholars. Through bonafide stories of products of Madrasas, the authors narrate the decline of the madrasas from being centres of excellence to institutions of restricted learnings with dark clouds of stigma surrounding them. Short of resources, rejected by the well-heeled, and condemned by politicians, will they be able to turn the corner? The answer is blowing in the wind.

Sahaja Yoga Sep 22 2022 Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

The Reconstruction of Religious Thought in Islam Mar 04 2021 The Reconstruction of Religious Thought in Islam (1930) is Muhammad Iqbal's major philosophic work: a series of profound reflections on the perennial conflict among science, religion, and philosophy, culminating in new visions of the unity of human knowledge, of the human spirit, and of God. Iqbal's thought contributed significantly to the establishment of Pakistan, to the religious and political ideals of the Iranian Revolution, and to the survival of Muslim identity in parts of the former USSR. It now serves as new bridge between East and West and between Islam and the other Religions of the Book. With a new Introduction by Javed Majeed, this edition of The Reconstruction opens the teachings of Iqbal to the modern, Western reader. It will be essential reading for all those interested in Islamic intellectual history, the renewal of Islam in the modern world, and political theory of Islam's relationship to the West.

Olga Rodionova Jul 08 2021 This is a story of a nonpareil juvenile who saw many ups and downs in her childhood life and struggled for her education. Her mother brought her up after her father's death. She lived a very short period of life with mother but before dying, her mother handed over her to her cousin who lived in America. She continued her studies there but she came in trouble when her granny sold her to pimps. Further, that gang of pimps sold her to Marten, who was a high class prostitute, for sending her to Dubai. However, one Russian man saved her from the prostitution. He bought her from Marten and purveyed her like a daughter and Olga was happy with him. Once again a strange anomaly happened; she was kidnapped by that gang of pimps but this time she was saved by her boyfriend. Fate changed its side and again she adopted prostitution for saving the life of her father-like. Diana, one of the members under Marten served her in front of Allan Pearson who was a Hollywood Director. He was astonished seeing her beauty. He helped her and offered her film to play a lead role. She denied but when he made her understand, she accepted his proposal after discussing with her father-like. He gave her an international podium and then she was a popular personality. Again she took a U-turn. She left America after completing her studies. When she reached Russia, she came across her second childhood friend. He deflowered her and Olga tried to attempt suicide but Igor stopped her and gave her full support. Finally, she joined the Russian Army after leaving the world of glamour and fulfilled the dream of her parents. She married with Igor and kept living a very happy life with him.

The Secrets of the Self Nov 12 2021 The Secrets of the Self is a book-length, philosophical poem rooted in metaphysical thought and ideology, as well as Islamic theology. Originally published in 1915, the poem speaks of the "Self" in relation to the universe, how it is the inner power and soul of each individual human. It instructs on how to improve the Self through Love and willpower, which can then help one control the forces within the universe. The poem includes stories that illustrate its points and promotes the spread of Islamic ideals. MUHAMMAD IQBAL (1877-1938) was a poet, prophet, and politician in British India. Born in Sialkot, Punjab, Iqbal converted to Islam with his family as a child. He studied literature and law at Cambridge, Munich, and Heidelberg before starting his own law practice and concentrating on his scholarly writing, which he authored primarily in Persian. Many of Iqbal's works promote Islamic revival, especially in South Asia, and he was a well-known leader of the All India Muslim League. Today, he is recognized as the official poet of Pakistan, and his birthday is celebrated as a national holiday.

Iblees KI Majlis-E-Shoora: The Devil's Advisory Council May 26 2020 Iblees ki Majlis-e-Shoora is a conversation between Iblees (the devil) and the five members of his advisory council. It is one of

the final works of Allama Iqbal. The work consists of 64 amazingly dramatized, well composed couplets. Here, Iblees presides over the clandestine session and leads the conversation. He boasts how successfully he has misled Mankind throughout history by introducing ideas and doctrines such as Imperialism, Capitalism, Fascism etc., which have ultimately landed the human society in ruins. His advisers point towards a few emerging trends such as Western democracy and Marxism that they saw as potential threats to the evil regime of Iblees. Summarily dismissing all these apprehensions of his advisers, Iblees concludes, that the revolutionary spirit of Islam is the greatest threat to his evil empire and hence the most crucial task ahead was to stop the waves of Muslim resurgence. He instructs them to keep the followers of Islam totally preoccupied with vain spiritual rituals, complex philosophical debates and narrow theological intricacies. Allama Iqbal, an advocate of universal human fraternity, envisaged the revival of the original Islamic civilization, globally. His works, exposed the limitations of the socio-political and economic concepts introduced by the West.

Who Were the Shudras May 06 2021 The general proposition that the social organization of the Indo-Aryans was based on the theory of Chaturvarnya and that Chaturvarnya means division of society into four classes-Brahmins (priests), Kshatriyas (soldiers), Vaishyas (traders) and Shudras (menials) does not convey any idea of the real nature of the problem of the Shudras nor of its magnitude. Chaturvarnya would have been a very innocent principle if it meant no more than mere division of society into four classes. Unfortunately, more than this is involved in the theory of Chaturvarnya. Besides dividing society into four orders, the theory goes further and makes the principle of graded inequality. Under the system of Chaturvarnya, the Shudra is not only placed at the bottom of the gradation but he is subjected to innumerable ignominies and disabilities so as to prevent him from rising above the condition fixed for him by law. Indeed until the fifth Varna of the Untouchables came into being, the Shudras were in the eyes of the Hindus the lowest of the low. This shows the nature of what might be called the problem of the Shudras. If people have no idea of the magnitude of the problem it is because they have not cared to know what the population of the Shudras is.

Chander and Sudha Jan 14 2022 In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, *Chander & Sudha* continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.
