Someone is putting the squeeze on the animals of the Big Forest, and there's only one moose who can help in Agent Moose: Moose on a Mission, the second hilarious graphic novel chapter book from Mo O'Hara, the New York Times bestselling author of My Big Fat Zombie Goldfish! Agent Moose, the best (worst) secret agent at Woodland HQ, and his slightly-more-intelligent sidekick, Owlfred, are on the case again! There's big news in the Big Forest! The circus is in town, Granny Moose is coming to visit, and a mysterious robber is on the loose. When Agent Moose learns that someone is putting the squeeze on innocent animals, he and Owlfred rush to investigate, with Granny along for the ride! Can they solve this mystery before any more animals face the big squeeze? A Shelf Awareness Best Book of the Year, and a Junior Library Guide Selection! From one of China's most beloved, bestselling children's authors comes this touching story of friendship and empathy, which celebrates the traditional way of life for the Indigenous Ewenki peoples of Mongolia. When a Mongolian elder named Gree Shrek hunts a female moose by mistake, her young calf is left behind. Saddened by her loss, Gree Shrek names the calf Xiao Han ("Little Moose") and the moose and man form an authentic attachment. Xiao Han accompanies Gree Shrek as the hunter-gatherer herds reindeer, sets up camp, forages for food in the forest, and visits his peoples' village, where many fun adventures happen. But as the little moose grows bigger, Gree Shrek knows he must return his companion to the forest. Richly detailed, painterly illustrations by Chinese fine artist Jiu'er bring authenticity and beauty to this thoughtful book, which illuminates the traditional and vanishing way of life for the Ewenki peoples of Inner Mongolia. An Aldana Libros Book, Greystone Kids Torrey Martin—a comedian, actor, and hippie—fled from California to the wilderness of Alaska, searching for answers to life's big questions. He found what he was looking for...and a lot more! A moose got its head stuck in Torrey's window. A reindeer was trapped in his kitchen. A bear almost prevented him from reaching his airplane. He once woke up frozen to his cabin floor. Like the Israelites of old, Torrey experienced plenty of miracles and mishaps in the wilderness. And like them, he came face-to-face with God and was changed forever. Each of these true stories of Torrey's hilarious blunders and misfortunes contains a nugget of truth, but one theme prevails: If God can reclaim and repurpose Torrey Martin's life, He can do the same for you and those you love. Perfect for kids, teenagers and also for adults! Check out our other Funny Animal Notebooks! Specifications: Cover Finish: Matte Dimensions: 6" x 9" (15.24 x 22.86 cm) Interior: Bleed, White Paper, Lined Pages: 110 For those of us who love The Rocky and Bullwinkle Show, these names conjure up memories of some

of the wittiest, most inspired, and relentlessly hilarious half-hours of animation ever produced. There was a kind of gleeful magic to the shows, a cumulative joy that transcended the crude animation and occasionally muddled sound, and it's this quality that was the essence of the legendary Jay Ward and Bill Scott. Jay Ward was the magnificent visionary, the outrageous showman who lobbied Washington for statehood for Moosylvania, and invited the press to a picnic on the floor of the Plaza Hotel's august Grand Ballroom. Bill Scott was the genial, brilliant head writer, coproducer, and all-purpose creative whirlwind, often described as the "soul" of the shows. In fact, Scott even provided the voices for most of the star characters, giving life to Bullwinkle J. Moose, Mr. Peabody, Dudley Do-Right, and George of the Jungle. From their tiny, oddball animation studio, Jay Ward Productions, they created some of the most memorable animation of all time, and gave birth to a family of characters whose undying popularity has cast them forever into the pop culture firmament. With their distinctively unorthodox, artist-friendly philosophy, Ward and Scott attracted some of the most talented writers and voice actors in the industry, and for a time, Jay Ward Productions was a kind of Camelot of cartoons. Now, through exclusive interviews with Bill Scott, Tiffany Ward, June Foray, and dozens of others intimately involved with the Ward epoch, as well as access to original scripts, artwork, story notes, letters, and memos, Keith Scott has created the definitive history of Jay Ward Productions, including episode guides and voice credits for all the Jay Ward cartoons. From the first "Hey Rocky, watch me pull a rabbit out of a hat!" to the last "Watch out for that tree!", *The Moose That Roared* is not only the record of a legendary chapter in animation history, but also the story of a rare and magical relationship between two artists who were wildly, exuberantly ahead of their time, and the fascinating story of the struggle to bring their vision of bad puns and talking animals to unforgettable life. Doug Moose McCrae is a black ex-football player turned nightclub bouncer. When a woman is attacked by four Pit Bulls outside his home Moose jumps in to save her. From there Moose hunts down the man or men that sic'd the dogs on her. After being passed over for a promotion, and currently between boyfriends, thirtyish Jen Brenner figures it's time for a major life change. So it's goodbye to San Francisco and her sexy ex-boyfriend—and howdy to roughing it in the wilds of Montana. As a reporter for Montana's *Meredith Gazette*, Jen is suddenly getting cruised by park rangers and interviewing ranchers who think crème brûlée is men's hair gel. Then she meets a rugged western vision in jeans and snakeskin boots: EPA agent Bruce Mortensen. So what if he has baggage—a manipulative soon-to-be-ex-wife and a jealous ten-year-old daughter? He's a real man who's making her feel like a real woman for the first time in her life. But is it really love or just the hottest sex ever? Jen's on a mission to find out...especially when her ex comes back into the picture. Now she's caught between two men who couldn't be more different. And what happens next will surprise everyone—even her... Immaculate in dress and wealthy in stature, Elliot Teagartin has traded in his life as an urban celebrity for the ethos of the Northern Wilderness. Whether by luck or through some kind of inner charm, Teagartin has managed to traverse the wilds, while unknowingly being pursued. Private investigator Sam Crowfeather, still unsure of why he was hired, is propelled into the back country in search of Teagartin. Outlandish rumors of wild animals behaving like humans loom over the trail. Meanwhile, the moose are confounded by the appearance of this odd biped, and resort to safety in numbers. In a strange odyssey of dark consequence, Sam becomes entangled in a wild-moose-chase to determine the credibility of the tabloid reports, and to discern the true identity of Elliot Teagartin. In the process he also finds himself. Drawing on the author's personal experiences with both tame and wild moose, this handbook contains a wealth of information about this unique animal from all corners of the world. An overview of moose biology is featured, including their specialized diet and the relationship between sex and antlers, where size really does matter. This also contains accessible chapters exploring moose diseases, moose and traffic, moose as a resource, and the uses of live moose in several ways, ranging from transport and clothing to dairy animals and pets. A woman responds to the challenge "Real Women Hunt Moose." She kills a moose. A hilarious, mis-adventure told to a unwitting listener as in the "Rime of the Ancient Mariner." I Just Really Like Moose. Moose Lovers Men Women Girls Boys Funny Gifts Journal Lined Notebook 6x9 120 Pages This unique and funny journal notebook for kids is sure to put a smile on their face. Moose Lovers Men Women Girls Boys Funny Gifts Journal Lined Notebook 6x9 120 Pages The American version of the Glitch! series, in which genuine autocorrect failures deconstruct and distort the world around us, giving a whole new interpretation of U.S. history and culture From great men such as Grotesque Washing (George Washington) and Abrasive Luncheon (Abraham Lincoln), to the Civil War between the Considerates and the Unkind (Confederates and Union), to the first Man on the Moose (Man on the Moon), this fresh take on what makes the greatest country in the world what it is today will raise as many eyebrows as it will laughs. God bless the Untied States of Africa! Kyle's mother thinks he's crazy. He's just moved from Florida to Anchorage, Alaska for an elementary school teaching job. In December. She may not be far off base. Spooked by a "monster" outside his new house, Kyle calls for the police, only to discover that his attacker is a moose named Mariah. More visits from the moose yield more visits from the same sexy policeman, and the two men explore ways to stay warm in the frozen North. Immaculate in dress and wealthy in stature, Elliot Teagartin has traded in his life as an urban celebrity for the ethos of the Northern Wilderness. Whether by luck or through some kind of inner charm, Teagartin has managed to traverse the wilds, while unknowingly being pursued. Private Investigator Sam Crowfeather, still unsure of why he was hired, is propelled into the back country in search of Teagartin. Outlandish rumors of wild animals behaving like humans loom over the trail. Meanwhile, the moose are confounded by the appearance of this odd biped, and resort to safety in numbers. In a strange odyssey of dark consequence, Sam becomes entangled in a wild-moose-chase to determine the credibility of the tabloid reports, and to discern the true identity of Elliot Teagartin. In the process he also finds himself. Based on A.E. Poyner's award-winning humor column, this collection takes a twisted look at life in the Last Frontier -- from moose-nugget swizzlesticks to gardening. One of the funniest books you'll ever read. Back in print as a University Press of Colorado edition, this abundantly illustrated volume with field sketch illustrations by William D. Berry fully explains moose biology and ecology and assesses the increasingly complex enterprise of managing moose. Twenty-one of the world's authorities on the species discuss its taxonomy, reproduction and growth, feeding habits, behavior, population dynamics, relationships with predators, incidental mortality, seasonal migration patterns, and habitat and harvest management. Contributors include Warren B.

Ballard, Arnold H. Boer, Anthony B. Bubenik, M. E. Buss, Kenneth N. Child, Vincent F.J. Crichton, Albert W. Franzmann, Kris J. Hundertmark, Patrick D. Karns, Murray W. Lankester, Richard E. McCabe, James M. Peek, Henry M. Reeves, Wayne L. Regelin, Lyle A. Renecker, William M. Samuel, Charles C. Schwartz, Robert W. Stewart, Ian D. Thompson, H. R. Timmermann, and Victor Van Ballenberghe. A Wildlife Management Institute book This The Moose Is Loose 120 College Lined Pages - 6" x 9" - Planner, Journal, Notebook, Composition Book, Diary for Women, Men, Teens, and Children has 120 College Lined pages that provides enough room to write down your whole life journey. A journal is a great way to cultivate a better you. This is a self exploration journal that will help you set and reach your goals, set a plan of action to achieve those goals. There are many critical metrics in becoming the best you. We all say that we'll do our best, but going through the process of writing down your goals and tracking your performance has a major impact on you actually achieving your goals. In the chilly town of Centerville, small time mechanic Chester Moose is convinced that his daughter is dating the Antichrist. With the help of some wacky townsfolk, including Chester's drug-addicted assistant and an alcoholic preacher, Chester will try to kill the relationship and prevent Armageddon - or, more likely, he'll bumble and make things even worse. Funny, flirtatious, short story about a woman who sets out to be one of the "Real Women who hunt Moose ... and men" Do you need a unique gift idea for a Moose lover? This is a perfect gift idea for stuffed animal lovers and owners. This is a beautiful journal uniquely designed to jot down notes, doodle, write thoughts and ideas. Perfect as gift for Birthday Celebrations, Anniversary Parties, Christmas Gift and many more! Mike the Moose, Master of Marbles, won't tell his story to just anyone. It helps if you are solidly pro-moose and see no reason in the natural world why moose and man can't live together in a harmonious family. If assured of your position, Mike might let slip some juicy details of his adventures. Maybe how his first trip to a mall brought the police and how he wound up in a trash can. Or what the head of NASA says about him, and the spaceship to Mars, and the DANGERS he faced. Mike's still galactically annoyed at his human sister Carrie for that one. The easiest way to get Mike talking is to ask about his medal: his super shiny one from the State Department, after his encounter with Generalissimo Alfonso Ramonito Crakov del Buston, leader of the Spanish underworld. Mike insists he planned the entire mission to save America. Press him, and maybe, he'll admit to a bit of help from his mom and top agent, Harry Malone. But the way Mike tells it, the mission was run by a moose. Well c'mon, the Commander in Chief was impressed enough to give Mike one of THE most special, extraterrestrial gifts ever offered to man or moose! Mike would be the first to confirm that he is as brilliant, courageous, and handsome as they say - especially when he stretches his antlers - but he'll insist he isn't trying to be Supermoose. All he wants is to revel in his new-found family and play marbles with Carrie. (You do know that Mike is just about the most famous expert on marbles on the planet, right?) But what's a curious mooseling to do when duty calls? Wildlife veterinarian Jerry Haigh discusses his experiences with moose. Chronicles the life and times of amateur mathematician and former stand-up comic Marissa "Moose" Minnion who, due to an allergic reaction to Brazil nuts, is in a coma The Moose Is Loose T Men Funny Hunting Vintage Gift T-Shirt notebook This The Moose Is Loose 120 Low Vision Lined Pages - 6" x 9" - Planner, Journal, Notebook, Composition Book, Diary for Women, Men, Teens, and Children has 120 Low Vision Lined pages that provides enough room to write down your whole life journey.
