Herbert Asbury presents here a vivid and startling account of New York gangdom from its beginning in Revolutionary times to comparatively recent days. Here are the stories of the great gangs which terrorized the city and at times menaced its very existence—from the Bowery Boys and the Dead Rabbits to the Gophers and the Eastmans. Kid Dropper, Dopey Benny, Gyp the Blood and Owney Madden are a few of the gangster luminaries described, not to mention such female evildoers as Gallus Mag and Sadie the Goat. Nor have the underworld's lesser lights been overlooked; for these pages are crowded with a host of gang warriors, pickpockets, tong leaders, murderers, politicians, gamblers, prostitutes, dive-keepers and a few would-be reformers. Mr. Asbury has created such a rich, factual background for this chronicle of crime and gangsterism that the book gains considerable stature as a revealing picture of New York City's history through a century of frenzied growth and expansion. Whether you read it as such or merely for amusement, it is a swift, exciting experience. Explores an aspect of opium that has largely been ignored--the art and accoutrements associated with opium smoking that reached a pinnacle in nineteenth-century China and in Chinese communities abroad, from Saigon to Singapore to San Francisco. "For freshness, humor and quality of construction, crossword just don't get any better than this." -Will Shortz, Crossword Puzzle Editor, The New York Times "Smart, funny, and challenging! I wish he made more of them for me!" -Erica Rothstein, former Editor-in-Chief, Dell Crossword Magazines The hugely illuminating story of how a popular breed of dog became the most demonized and supposedly the most dangerous of dogs—and what role humans have played in the transformation. When Bronwen Dickey brought her new dog home, she saw no traces of the infamous viciousness in her affectionate, timid pit bull. Which made her wonder: How had the breed—beloved by Teddy Roosevelt, Helen Keller, and Hollywood's "Little Rascals"—come to be known as a brutal fighter? Her search for answers takes her from nineteenth-century New York City dogfighting pits—the cruelty of which drew the attention of the recently formed ASPCA—to early twentieth-century movie sets, where pit bulls cavorted with Fatty Arbuckle and Buster Keaton; from the battlefields of Gettysburg and the Marne, where pit bulls earned presidential recognition, to desolate urban neighborhoods where the dogs were loved, prized—and sometimes brutalized. Whether through love or fear, hatred or devotion, humans are bound to the history of the pit bull. With unfailing thoughtfulness, compassion, and a firm grasp of scientific fact, Dickey offers us a clear-eyed portrait of this extraordinary breed, and an insightful view of Americans' relationship with their dogs. The Confessions of Nat Turner is William Styron's complex and richly drawn imagining of Nat Turner, the leader of the 1831 slave rebellion in Virginia that led to the deaths of almost sixty men, women, and children. Published at the height of the civil rights movement, the novel draws upon the historical Nat Turner's confession to his attorney, made as he awaited execution in a Virginia jail. This powerful narrative, steeped in the brutal and tragic history of American slavery, reveals a Turner who is neither a hero nor a demon, but rather a man driven to exact vengeance for the centuries of injustice inflicted upon his people. Nat Turner is a galvanizing portrayal of the crushing institution of slavery, and Styron's deeply layered characterization is a stunning rendering of one man's violent struggle against oppression. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives. Collected in one illuminating volume, the writings and speeches of John F. Kennedy reveal the man and president who inspired a generation. NEW YORK TIMES BESTSELLER • Wonderfully tender and hilariously funny, Eligible tackles gender, class, courtship, and family as Curtis Sittenfeld reaffirms herself as one of the most dazzling authors writing today. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE TIMES (UK) This version of the Bennet family—and Mr. Darcy—is one that you have and haven't met before: Liz is a magazine writer in her late thirties who, like her yoga instructor older sister, Jane, lives in New York City. When their father has a health scare, they return to their childhood home in Cincinnati to help—and discover that the sprawling Tudor they grew up in is crumbling and the family is in disarray. Youngest sisters Kitty and Lydia are too busy with their CrossFit workouts and Paleo diets to get jobs. Mary, the middle sister, is earning her third online master's degree and barely leaves her room, except for those mysterious Tuesday-night outings she won't discuss. And Mrs. Bennet has one thing on her mind: how to marry off her daughters, especially as Jane's fortieth birthday fast approaches. Enter Chip Bingley, a handsome new-in-town doctor who recently appeared on the juggernaut reality TV dating show Eligible. At a Fourth of July barbecue, Chip takes an immediate interest in Jane, but Chip's friend neurosurgeon Fitzwilliam Darcy reveals himself to Liz to be much less charming. . . . And yet, first impressions can be deceiving. Praise for Eligible "Even the most ardent Austenite will soon find herself seduced."—O: The Oprah Magazine "Blissful . . . Sittenfeld modernizes the classic in such a stylish, witty way you'd guess even Jane Austen would be

pleased.”—People (book of the week) “[A] sparkling, fresh contemporary retelling.”—Entertainment Weekly “[Sittenfeld] is the ideal modern-day reinterpreter. Her special skill lies not just in her clear, clean writing, but in her general amusement about the world, her arch, pithy, dropped-mike observations about behavior, character and motivation. She can spot hypocrisy, cant, self-contradiction and absurdity ten miles away. She’s the one you want to leave the party with, so she can explain what really happened. . . . Not since *Clueless*, which transported Emma to Beverly Hills, has Austen been so delightfully interpreted. . . . Sittenfeld writes so well—her sentences are so good and her story so satisfying. . . . As a reader, let me just say: Three cheers for Curtis Sittenfeld and her astute, sharp and ebullient anthropological interest in the human condition.”—Sarah Lyall, *The New York Times Book Review* “A clever, uproarious evolution of Austen’s story.”—*The Denver Post* “If there exists a more perfect pairing than Curtis Sittenfeld and Jane Austen, we dare you to find it. . . . Sittenfeld makes an already irresistible story even more beguiling and charming.”—Elle “A playful, wickedly smart retelling of Jane Austen’s *Pride and Prejudice*.”—*BuzzFeed* “Sittenfeld is an obvious choice to re-create Jane Austen’s comedy of manners. [She] is a master at dissecting social norms to reveal the truths of human nature underneath.”—*The Millions* “A hugely entertaining and surprisingly unpredictable book, bursting with wit and charm.”—*The Irish Times* “An unputdownable retelling of the beloved classic.”—*PopSugar*

That is, if the darkness inside him doesn’t destroy everything—again. The second novel by Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. Twelve years later Robin’s murder is still unsolved and his family remains devastated. So it is that Robin’s sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson—sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town’s rigid lines of race and caste and burrows deep into her family’s history of loss. Filled with hairpin turns of plot and “a bustling, ridiculous humanity worthy of Dickens” (*The New York Times Book Review*), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent. When it is assumed there is little more to say about leadership, Brian Stiller surprises us with new, fresh and creative insights. Unwrapping the ancient Old Testament story of Nehemiah, he identifies 7 principles on building and renewing ministries and organizations. Surrounding these principles are workable concepts connected to inspiring stories of faith. Drawing on a lifetime of leadership, he writes about what it takes to lead. He examines the challenges leaders face, surveying them first from 33,000 feet, then at ground level describing what it takes to move from an idea to effective completion. The freshness of his stories and the clarity of his counsel come from a real life experience—this is what he has done. Framed by the ancient story of Nehemiah, the Hebrew who returned to rebuild the walls of Jerusalem, Stiller examines the text and draws from his own life experiences, then skillfully applies the principles of Nehemiah to 21st Century leaders. Stiller doesn’t back down from facing the challenges of leading: he makes it clear it is not for the faint hearted. He faces what leaders inevitably must deal with—politics isn’t everything but everything is political. Before the collapse of the Soviet Union I was engaged in research in the field of quantum physics, then computer technology, and now books. I live in Russia. My nationality is Russian, or more precisely, a quarter Estonian. The rest is irrelevant, as is all the above. Regarding my own success, all I can say is that Transurfing works perfectly. I don't however want to advertise my personal life, as then it would cease to be

personal. Fame turns against you, if you give in to temptation and climb up on a pedestal for all to see. Among some people, the American Indians, for example, there is a belief that if someone copies your portrait (photographs you), they steal part of your soul. Of course, this is just superstition, but there is no smoke without fire. You can distribute a product of personal creativity; but release your personality for mass circulation - never. To the question of intrigued readers: "Who are you, Vadim Zeland?," I usually just say: "Nobody." My biography can not and should not be a matter of interest, since I am not the creator of Transurfing, only a "retranslator." It is essential that we be nothing - an empty vessel, so that we do not impose our personal distortions onto this ancient Knowledge, that opens the door to a world, where the impossible becomes possible. Reality ceases to exist as something external and independent. and becomes manageable if you follow certain rules.
