Pearson IIT Foundation Mathematics Class 9 Jun 07 2021 Pearson IIT Foundation Series, one of the most reliable and comprehensive source of content for competitive readiness, is now thoroughly updated and redesigned to make learning more effective and interesting for students. The core objective of this series is to help aspiring students understand the fundamental concepts with clarity, in turn, helping them to master the art of problem-solving. Hence, great care has been taken to present the concepts in a lucid manner with the help of neatly sketched illustrations and well thought-out real-life examples. As a result, this series is indispensable for any student who intends to crack high-stakes examinations such as Joint Entrance Examination (JEE), National Talent Search Examination (NTSE), Olympiads-Junior/Senior /International, Kishore Vaigyanik Protsahan Yojana (KVPY), etc. The series consists of 12 books spread across Physics, Chemistry, and Mathematics for classes VII to X.

Chemistry (Class 9): The IIT Foundation Series Sep 29 2020 The IIT Foundation Series is a series of nine books—three each for physics, chemistry, and mathematics—that prepares the students for the IIT JEE and various elite competitive examinations. Though aimed primarily at students studying in Classes 8, 9, and 10, the series can also be used by all aspirants for a quick recapitulation of important topics in the core subjects. Chemistry (Class 9) features systematically and comprehensively presented topics as per the syllabuses of the CBSE, ICSE, and other major state education boards; clear and concise basic concepts; offers application-oriented material to bring conceptual clarity and to help the students build a strong foundation in the subject; provides illustrative examples solved in a logical and step-wise manner; includes both objective and subjective questions at the end of each chapter; hints and explanations for the exercises provided in the books. The book will also be useful for various talent search examinations such as the NTSE, Olympiads and science quizzes.

**IIT Foundation Series- Chemistry Class IX, 3/e** Jan 02 2021 The IIT Foundation series is a series of twelve books — four each for physics, chemistry and mathematics— that prepares the students for the JEE (Main and Advanced) and various elite competitive examinations. Though aimed primarily at students studying in Classes 7, 8, 9, and 10, the series can also be used by all aspirants for a quick recapitulation of important topics in the core subjects.

**Complete Foundation Guide For IIT Jee Chemistry For Class X** Dec 21 2019 Contains large number of Solved Examples and Practice Questions. Answers, Hints and Solutions have been provided to boost up the morale and increase the confidence level. Self Assessment Sheets have been given at the end of each chapter to help the students to assess and evaluate their understanding of the concepts.

*The IIT Foundation Series Mathematics Class 8* Jul 28 2020 The IIT Foundation Series prepares students to gear up for the Joint Entrance Examinations (JEE), and various talent search examinations like NTSE, Olympiads, KVPY, etc. Comprising of twelve titles on Physics, Chemistry and Mathematics, this series caters to students of classes VII to X. The core objective of the series is to help aspiring students understand the basic concepts with more clarity, in turn, developing a problem-solving approach. It also encourages students to attempt various competitive examinations from an early age.
