Year 5 Spelling and Handwriting For 2014 Sep 11 2021 2014 UK Curriculum The 2014 UK primary curriculum has statutory requirements for which spelling patterns and words should be taught in each year group. The SaveTeachersSundays.com Year 5 Spelling & Handwriting book has been created specifically to meet these requirements. It revises the spelling work covered in previous years. (Our Year 6 books cover the new spelling patterns and words specified for Year 5 and Year 6 in the 2014 curriculum). Free Spelling Games You can find over 350 spelling games to accompany this book at SaveTeachersSundays.com. The passwords to access the games are included in this book. Dictation sentences, lesson plans and other teaching resources can also be purchased separately at SaveTeachersSundays.com. Which version of the book should I use? This book is part of a series of spelling books for Years 1 to 6. There are 3 versions of each book: 1) plain text (with no words to trace over) 2) cursive / joined up WITHOUT lead-in strokes 3) cursive / joined up WITH lead-in strokes (not available on Amazon, only available to download from SaveTeachersSundays.com) At SaveTeachersSundays.com, we recommend using the second option - cursive / joined-up without lead-in strokes. You can find out more about the rationale for this

recommendation on our website. However, we understand that different schools, teachers and parents will have different policies and opinions about handwriting; hence we provide these 3 different versions of each book to accommodate everyone's preferences. Content The easiest way to decide if you should buy the book is to use the 'Look Inside Feature'. Each page includes 'Teaching Tips' for the spelling patterns being covered. Children are then presented with a list of words with the relevant spelling patterns. Each target word is given in a sentence, so that children understand what the word means.
