The inspiring, unlikely, laugh-out-loud story of how one woman learned to lead—and how she ultimately succeeded, not despite her many mistakes, but because of them. This is the story of how Kristen Hadeed built Student Maid, a cleaning company where people are happy, loyal, productive, and empowered, even while they're mopping floors and scrubbing toilets. It's the story of how she went from being an almost comically inept leader to a sought-after CEO who teaches others how to lead. Hadeed unintentionally launched Student Maid while attending college ten years ago. Since then, Student Maid has employed hundreds of students and is widely recognized for its industry-leading retention rate and its culture of trust and accountability. But Kristen and her company were no overnight sensation. In fact, they were almost nothing at all. Along the way, Kristen got it wrong almost as often as she got it right. Giving out hugs instead of feedback, fixing errors instead of enforcing accountability, and hosting parties instead of cultivating meaningful relationships were just a few of her many mistakes. But Kristen's willingness to admit and learn from those mistakes helped her give her people the chance to learn from their own screwups too. Permission to Screw Up dismisses the idea that leaders and organizations should try to be perfect. It encourages people of all ages to go for it and learn to lead by acting, rather than waiting or thinking. Through a brutally honest and often hilarious account of her own struggles, Kristen encourages us to embrace our failures and proves that we'll be better leaders when we do. "If there's one thing I know, it's crazy. A lot of people have called me crazy. Crazy Kristen! For a while there, it was practically my name. Women all over the world get called crazy every day. But we weren't born crazy—we were made crazy." Unpacking the ups and downs of Kristen's laugh-out-loud funny, sometimes cringe-worthy dating history, He's Making You Crazy will hold your hand through deep self-reflection—while giving you that push to put on your detective's hat and hack your man's email account if you need to. From trapping your boyfriend in ridiculous lies to gathering all your crush's security question answers on the first date, Kristen shares her no-holds-barred, hysterically funny, and hard-earned advice on men, love, and modern dating. He's Making You Crazy will give you the motivation you need to get out of an unhealthy relationship (the one that's making you crazy!), the wisdom to step up and admit when you're the one in the wrong, and the courage to keep your heart open through it all. It's the early 1990s, and Agnes is running out of people she can count on. A new college student, she is caught between the broken home she leaves behind and the wilderness of campus life. What she needs most is her mother, who has seemingly disappeared, and her brother, who left the family tragically a few years prior. As Agnes falls into new romance, mines female friendships for intimacy, and struggles to find her footing, she writes letters to her mother, both to conjure a closeness they never had and to try to translate her experiences to herself. When she finds out she is pregnant, Agnes begins to contend with what it means to be a mother and, in some ways, what it means to be your own mother. New York Times bestselling author Kristen Proby continues to delight the senses with the latest novel in her delectable Fusion series. As the take-charge wine bar manager of Seduction, Portland's hottest new restaurant, Katrina Meyers is the definition of no-nonsense, and she isn't afraid of anything. Well, almost anything: she hates to fly. When she's forced to travel on a death trap with wings, the turbulence from hell has her reaching for any safe haven—including the incredibly handsome guy sitting next to her. Ryan "Mac" MacKenzie hasn't been able to get his sexy seatmate out of his head. The way she clung to him stirred something inside him he didn't think existed: tenderness. As the owner of a successful wine touring company, Mac thinks he's got a handle on what life can throw at him and he's not prepared for any surprises, especially in the feelings department. And when he brings a tour into Seduction, he sees the petite spitfire he just can't forget. Mac is determined to discover what else they have in common besides fine wine and the inability to keep their hands off each other. But what will it take for two stubborn people to realize that what they have is so much more than a hot chemistry between the sheets and to admit to falling in love...? From NYT and USA Today Bestselling author Kristen Proby comes a forbidden romance. The Secret is the first in the Single in Seattle series! Vaughn is everything I'm supposed to stay away from. Sexy. Cocky. And famous. Ultra-famous. I grew up in a family full of wealthy celebrities. My father, Luke Williams, is the celebrity of them all. A superstar actor and producer, my father knows the downside of living in the spotlight. And because of that, he sheltered my siblings and me from everything Hollywood entailed. We didn't attend premieres. We weren't photographed. There were no friendships with

other celebrities' children. The limelight couldn't touch us. But now, at twenty-five, I'm ready to start my life, working for my father's production company in downtown Seattle—until Vaughn Barrymore walks through the door. He can't keep his hands off me. He's completely forbidden, but I can't help falling for the sweet, complicated man. When—and it's when not if—my family finds out that I've been keeping this secret, will I have to choose between the man I love and those who mean the most to me? Or, by some miracle, can I have both? The beloved Montgomery Family, from New York Times Bestselling author Kristen Proby's With Me In Seattle series, is big, and it just keeps growing! There are parties and celebrations taking place at every turn, and we are delighted to invite you to all of the festivities! Whether it's a brunch hosted by Nate and Jules McKenna, or a fancy dinner party hosted by Luke and Natalie Williams, you won't want to miss all we have in store for you! Each all-new story will feature shenanigans, laughter, love and lots of food. And let's not forget cocktails! Kristen, along with USA Today Bestselling author Suzanne Johnson, have teamed up to bring you this cookbook, celebrating family, love, and absolutely delicious foods, perfect for any occasion. So sit back, or march straight into the kitchen, and get ready to indulge. We hope you're hungry! Underboss Blurb From New York Times Bestselling Author Kristen Proby comes an all new family in her With Me in Seattle world! Hold onto your seat as we introduce you to Kristen's new MAFIA FAMILY! As the eldest son of Seattle's current mob boss, Carmine Martinelli's life has never really been his own. But he doesn't mind because his family means more to him than his life. Which is why he's determined to make those responsible for the death of his aunt and uncle pay—in inventive and gruesome ways. And what better way to do that than to infiltrate the Russian mafia from the inside? It's a good thing the bratva's princess is stunning and seemingly willing to do whatever he asks. This vengeance could be the perfect mix of business and pleasure. Nadia Tarenkov has several things stacked against her: she's a woman, and she's not the eldest child in her family. But it doesn't matter. She has her sights set on ruling the syndicate, and she always gets what she wants. When the heir to one of the States' most powerful crime families comes knocking, Nadia sees it for the gift it is. He thinks he has her fooled, but she's smarter, more cunning, and always two steps ahead. She'll beat the gorgeous mobster at his own game, and secure her place in the fold. What neither of them takes into consideration, however, is that they aren't the only ones with deadly plans in motion. To survive, they'll have to come clean and work together—and acknowledge that the growing love they've been pretending isn't there, is very real.
