Renowned primatologist Robert Sapolsky offers a completely revised and updated edition of his most popular work, with over 225,000 copies in print Now in a third edition, Robert M. Sapolsky's acclaimed and successful Why Zebras Don't Get Ulcers features new chapters on how stress affects sleep and addiction, as well as new insights into anxiety and personality disorder and the impact of spirituality on managing stress. As Sapolsky explains, most of us do not lie awake at night worrying about whether we have leprosy or malaria. Instead, the diseases we fear--and the ones that plague us now--are illnesses brought

on by the slow accumulation of damage, such as heart disease and cancer. When we worry or experience stress, our body turns on the same physiological responses that an animal's does, but we do not resolve conflict in the same way--through fighting or fleeing. Over time, this activation of a stress response makes us literally sick. Combining cutting-edge research with a healthy dose of good humor and practical advice, Why Zebras Don't Get Ulcers explains how prolonged stress causes or intensifies a range of physical and mental afflictions, including depression, ulcers, colitis, heart disease, and more. It also provides essential guidance to controlling our stress responses. This new edition promises to be the most comprehensive and engaging one yet. Zebras Never Die is a fictional narrative drawing parallels between developments in the state of Zimbabwe and the history and experiences of an ordinary national, Gura Masango. The main theme of the book is the resilience and humanity of the Bajwe people, the natives of Zimbabwe, as characterised by Gura and his ancestry, under both colonial and postcolonial oppression. The cultural values evident in the work ethic and generosity of Gura and his kinsmen prove to be the ultimate basis for the survival and future prospects of the nation, as opposed to the war of liberation--which, indeed, achieved political freedom and initially seemed to have delivered the promise of everlasting prosperity but was hijacked, through contrived institutional arrangements, by Batho ("father of the people") Mokaba and his cohort, who, for three decades, looted the wealth of the nation and felt unaccountable for the free fall of the economy. A captivating holiday tale of an arranged marriage that becomes a passionate union from the author of The Spinster Bride. A Christmas wedding to the Duke of Bellingham. Any other socialite in Newport, Rhode Island, would be overjoyed at the prospect, but Elizabeth Cummings finds her mother's announcement as appealing as a prison sentence. Elizabeth has not the slightest desire to meet Randall Blackmore, let alone be bartered for an English title. Her heart belongs to another, and the duke's prestige, arrogance, and rugged charm will make no difference to her plans of elopement. Against his expectations and desires, Randall Blackmore has inherited a dukedom and a vast estate that only marriage to an heiress can save. Selling his title to the highest bidder is a wretched obligation, but to Randall's surprise his intended bride is pretty, courageous, delightfully impertinent--and completely uninterested in becoming a Duchess. Yet suddenly, no other woman will do, and a marriage in name only will never be enough for a husband determined to win his wife in body, heart, and soul . . . Praise for Jane Goodger's Christmas series "[Goodger] once again delights her fans with the wonderfully descriptive narrative that is filled with humor and sensuality." --Fresh Fiction "A touching, compassionate, passion-filled romance." --RT Book Reviews "Gentle humor, witty banter, and attractive characters." --Library Journal Returning from the war disillusioned both by men's violence and the infidelity of women, Major Anthony Sheridan is not surprised to find himself engaged in a duel. But he's only mildly interested in the tale of the cursed pistols -

weapons that will reportedly lead him to true love. He gave up on romance when his fiancée, Felicity Merriwether, left him bleeding on a Spanish battlefield to marry another. Yet a chance encounter with the now-widowed Felicity and her young son arouses in Sheridan a desire he had vowed never to feel again. In this remarkable title in Zebras Debut Program, a Boston ships captain finds passion with a brazen widow, who is actually a penniless noblewoman from England with a dangerous secret. Original. 'Nobody does Regency better than Jo Beverley, and this latest tale adds to the argument that she may just be the best.' — Rendezvous 'Beverley breaks just about every rule in the book and makes us beg for more.' — Romantic Times Lord Charnwood chose himself a wife who would think and behave just as she should, a biddable young lady with a proper way of thinking who would never cause him a moment's unease.
