Attorney, 20 Detective Short Stories

State v. Sanchez is a criminal case file featuring the trial of Ernesto Sanchez, who admits to fatally stabbing Patrick Connor during a street fight between two Nita City gangs. Sanchez pleads self-defense, and the circumstances surrounding the stabbing are complicated by the testimonies of other gang and community members. This case file is particularly unique because of its focus on gang activity and its use of non-traditional experts with specialized knowledge of gang behavior. It also addresses the potential impact of racial bias during a criminal trial. Exhibits include social media evidence and a digital recording of a news interview. There are five witnesses for both the state and the defense. A deeply-reported, riveting account of a cold case murder in Los Angeles, unsolved until DNA evidence implicated a shocking suspect - a female detective within the LAPD's own ranks. On February 24, 1986, 29-year-old newlywed Sherri Rasmussen was murdered in the home she shared with her husband, John. The crime scene suggested a ferocious struggle, and police initially assumed it was a burglary gone awry. Before her death, Sherri had confided to her parents that an ex-girlfriend of John's, a Los

Angeles police officer, had threatened her. The Rasmussens urged the LAPD to investigate the ex-girlfriend, but the original detectives only pursued burglary suspects, and the case went cold. DNA analysis did not exist when Sherri was murdered. Decades later, a swab from a bite mark on Sherri's arm revealed her killer was in fact female, not male. A DNA match led to the arrest and conviction of veteran LAPD Detective Stephanie Lazarus, John's onetime girlfriend. The Lazarus Files delivers the visceral experience of being inside a real-life murder mystery. McGough reconstructs the lives of Sherri, John and Stephanie; the love triangle that led to Sherri's murder; and the homicide investigation that followed. Was Stephanie protected by her fellow officers? What did the LAPD know, and when did they know it? Are there other LAPD cold cases with a police connection that remain unsolved? Bad Luck just never seems to stop attacking Father Berto. He is headed for one of the worst church scandals in Connecticut history. If photos get out, his career and reputation is ruined. Nick Barnum has to step up to the plate and wipe the stains off the cross. He needs help from Bridgeport's finest to help stop Willie The Greek's right hand man. If he doesn't, you may simply have to look at religion from another

point of view. It will take more than the man upstairs to save this priest. He's going to need the hard-hitting expertise of Nick P.T. Barnum. Buckle your seat belts, because you're going on a bumpy ride through the city streets of Bridgeport Connecticut. Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. There's something mysterious going on in everyone's favorite town . . . Odyssey, of course! No mystery is too big or too small for Emily Jones and Matthew Parker. Whether it is helping the new doctor unlock her office safe or helping Mr. Whittaker find paint cans that have mysteriously disappeared, the Jones and Parker Detective Agency is on the

case. Who knows what's in store for these young detectives? This book compiles 16 of the best stories originally published in Clubhouse magazine into one fun-filled volume. Kids can play detective along with Emily and Matthew as they hear the evidence and examine the clues provided. Filled with humor and fun, this new addition to the Adventures in Odyssey line will be a sure hit with kids. Case File: Canyon Creek, Wyoming Her lips were sealed until the long arm of the law cracked them wide open. What was supposed to be a quiet vacation in scenic Wyoming turned deadly when Hannah Cooper became the target of a serial killer. Although she survived the attack, the ordeal was far from over. But she wasn't alone. Not when Riley Patterson appointed himself her protector. Beneath Riley's strapping, solemn exterior hid a hard-driving sheriff who would stop at nothing to catch a killer. He promised Hannah safety, but it was the danger he posed that drew her in. Riley was as much a mystery as the man who sought to take her life. Trapped on his ranch, with no one but each other to trust, only justice could set them free...and possibly separate them forever. Chickasaw County Captive Who's after his child? When someone tries to kidnap his daughter, Jefferson County D.A. Sam Cooper sees red. He wants little Maddy protected, at any cost. Even if that cost includes working with a distractingly attractive detective, Kristen Tandy. He knows Kristen wants to solve the case...so why does she try so hard to stay distant from him and his

little girl? Remaining professional is something he fully understands, but the emotional -- and physical -- scars Kristen tries to hide make Sam deeply interested in turning things personal. And the more protection Kristen offers his daughter, the more her closely guarded vulnerability draws him in. Before long, as the truth of her past is slowly revealed, Sam realizes just how desperate someone is for her to remain silent.... "When the Night Foxes boldly break into the Fourth Precinct's Evidence Building, it causes quite the stir. The break-in is daring enough, but their method shreds the magical wards and protections on the building like confetti paper. As a Magical Examiner, Henri Davenforth is of course immediately called in. Quite to his astonishment, Captain Gregson has him work the case like a detective. Even more astounding, he assigns Henri a partner. The Shinigami Detective. The woman is famous for killing the most destructive rogue witch of the century. Henri is just baffled. What is he supposed to do with a partner? Hopefully killing one witch makes Jamie Edwards enough of an expert on magic to be helpful, as the thieves aren't content to just break into one building. They in fact seem to have an agenda, as with each theft, they take magical objects. It's all mounting to a dangerously powerful magical construct capable of toppling the wards on any building. And no one has any idea what the thieves' true target is."--Back cover. Unexplained case files. Those were the cases

that Allen liked the most, the ones that other detectives couldn't make heads or tails out of. Cases that were so far out there, that they seemed impossible. But facts don't lie. And if you follow the facts, eventually, you solve the case. But this case was not like any of the others.....So begins the case for Allen Miar, Detective of the Waco PD. A case that would lead him into the realm of the paranormal, the supernatural, the unexplained.....the Dark Side. 16 Exciting Detective Stories for Readers to Solve A good detective keeps her hands clean. That means staying out of trouble . . . and using lots of soap. There's something mysterious going on in Odyssey . . . again. But the Jones and Parker Detective Agency is on the case. No mystery is too big (or too small) for Emily Jones and Matthew Parker. And this new adventure promises to be a real doozy. It all starts with a mysterious phone caller who threatens to blackmail Jones and Parker's friend Jeremy. But this new nemesis won't be satisfied with just Jeremy. Can Emily and Matthew identify the blackmailer and prevent his reign of terror from continuing? Jones and Parker Case Files #2: The Nemesis compiles 16 more stories published in Clubhouse magazine. In one fun volume, kids can play detective along with Emily and Matthew as they examine the evidence and inspect the clues. Filled with humor, faith, and an ominous mystery, this second adventure in the Jones and Parker series is enjoyable for everyone in the family and all fans of Adventures in Odyssey.

Reproduces company records and documents which provide a history of the agency and its business practices and policies and shed light on some of America's most famous criminal cases. The detective pulled up side by side a brand new Alfa Romeo in the hospital's staff park yard disregarding the "STAFF ONLY" sign. Immediately he stepped down from the police marked Volvo, three nurses in snow-white overcoats and a male attendant in silver grey overalls trolley-rolled a blood stained corpse from the Surgery arena, an adolescent male dead body covered partly in blood stained white sheets on a sanatorium trolley. A sign of relentless horrific commotion ahead. Stricken by temperate shock, the detective felt for his concealed automatic... A smartly dressed skinny young female in full army uniform, Colonel Natalie, waved majestically at the detective, inviting him to come closer. She was the first in command of the army squad. She held out her hand to shake the detective's. "Natalie Hofman is my name, Detective Pius, are you? I'm informed you are in command here, what is the case file?" "Yes, Detective Inspector Pius, Salt River police, I'm in command of a haunted case." "Where is the actual location of the devil beast detective, and what the hell is this creature?" "We shot at the beast, it returned to the ward on the ground floor, ward 12 over there. We have students inside there as well, students from Rosebud high school, so we need to act fast before all are bitten by the damn devil." "Jesus! And what exactly caused the fire

at Rosebud high Detective?" "A long tete-a-tete, let us discuss that later Colonel, we need to act faster before that devil takes more human blood, it has a lust for human blood." "A lust for human blood?" the colonel felt a chill attack from head to toes. "Did you say a lust for human blood detective?" "Yes, it's feeding on human blood, we already have one student bitten in there, and I can't imagine she is still alive." "What is the setting, should we attack concurrently without pause?" "No Colonel, as I said, we have students inside there." CRIME/HORROR FICTION AN ACTION PACKED NOVEL In an attempt to apprehend the murderers of his daughter, detective inspector Pius dramatically engages a ghostly creature purporting to be his dead daughter; while the police is yet to uncover a top-secret pub where teenagers are being trafficked into prostitution. There is however an unexplained heavy fire at a school where the detective's deceased daughter was a student and where his living daughter is a student which sends a number of students into admission at Cape hope regional hospital. Now in coma, his only living daughter is among the critically injured students in the school fire and the detective's investigative duties on the cause of the mysterious fire, with mixed feelings of the ghouls' utterances, along with an urgent lust to uncover his daughter's condition at the infirmary drag him into hospital territory. The hospital is well known as the best in brain surgery south of the Atlantic with expertise

from a Russian doctor, but a few people know about the powers behind this, the Russian doctor and the hospital director perhaps know; the devil doctor will feed on human blood before engaging a surgery successfully. It's now a delicate mission to get rid of the now beastly turned doctor. Support the SMALL COURT FUND Stay at the CIVIL SOCIETY HOUSE www.civilsocietyhouse.org" From Donald Wells The author of The Reynolds Family Saga, Blue Steele, Caliber Detective Agency, Monsters & The TAKEN! Series CALIBER DETECTIVE AGENCY - BOX SET - CASE FILES 7-12 From the plains of Texas in 1875 to present day New York City and the world, the name Caliber is synonymous with heroism. CALIBER DETECTIVE AGENCY - Box Set - Case Files 7-12 CASE FILE # 7 The Calibers tackle three new cases. A man believes someone is out to kill him in case one, while in case two, a worried father hires the detective agency to look into his daughter's shady fiance. The third case is more of a favor, as the old man and Kelli travel to Texas to help out family. Blue Steele makes a cameo appearance. CASE FILE # 8 The old man and Blue Steele engage in a friendly shooting contest, but then the client arrives and Jake gets down to business. Chris and Velma reveal their true feelings for each other, despite knowing that they can never be together. CASE FILE # 9 As Jake learns more about Victor Jansen's inner circle, Chris and Velma set out to sting the target of their investigation. And in Texas, the old man

investigates the disappearance of James Preston, and by doing so, he places himself and Kelli in jeopardy. CASE FILE # 10 The old man proves once again that he's the real deal and gets one step closer to solving the mystery of James Preston. Jake uncovers treachery within the Jansen inner circle and later saves his client's life. Meanwhile, Velma learns something meaningful about her husband's nurse. CASE FILE # 11 Chris and Velma run their sting operation on Remmi Harlow, and then later on, Velma makes a confession. Jake becomes jealous over Kelli's new boyfriend, but with help from a friend, he may just win her back. And after the old man visits Remmi Harlow in jail, he solves the mystery of James Preston. CASE FILE # 12 Jake and Kelli reunite, and later, Jake discovers where the illegal guns are coming from. After the old man verifies that his hunch is correct, he brings the hammer down on the man behind the disappearance of James Preston. Velma and Chris share an intimate moment as a fortunate turn of events takes place. COMING SOON! After she survives the attack, Sheriff Riley Patterson appoints himself her protector. Beneath his solemn exterior hides a hard-driving sheriff who will stop at nothing to catch a killer. He promises Hannah safety, but it's the danger he poses that draws her in. CHICKASAW COUNTY CAPTIVE When someone tries to kidnap his daughter, Jefferson County D.A. Sam Cooper demands protection. That means working with a distractingly attractive detective, Kristen Tandy. But as the truth of Kristen's past is slowly revealed, Sam realizes just how desperate someone is for her to remain silent.... Something smells fishy here and I don't mean Mr H's uneaten dinner.' //Meet Pojo Pande, aspiring private eye prowling the corridors of Heathcote International with a ready ear for eavesdropping and a nose for intrigue. And he's got two sidekicks-Radha Rao, a senior and the latest in a long line of Raos to skirt the school rules and Pops, a pesky junior who insists on being Pojo's protégé.// Together, they face the toughest case of their career yet-the killing of

Mr Heathcote, the beloved school cat.// Join Pojo on his adventures in this hugely funny, unputdownable book as he gets to the bottom of the killing of Mr Heathcote! Justice is a great thing when someone has been wronged or violated. We want those guilty held accountable for the crime they have committed. In this book you will read true stories of real case files of Detective Ron Wallace. The stories are real but the names of the victim's and suspect have been changed to protect their identity. The street names have also been changed. Some of the cases in this book will touch your heart and then be filled with excitement. The book has been formatted into a case file format like a real case file. I have tried to bring my experiences as a Police Detective to book form and give the reader a feel of being a Detective. I hope this book may inspire readers to make sure that if someone they know or themselves become more diligent in keeping peace. Although strong and relentless, Batman has no super powers. Instead he relies on Sherlock Holmes-like abilities of deduction and detection. "The Forensic Files of Batman" features two dozen entries from Batman's Case Files. Most are written by Batman himself, but two are from Police Commissioner Gordon, and there are a couple of other entries from Batman's right hand man, Alfred the butler. Cases range from the puzzling to the bizarre, and feature such classic Batman villains as The Joker, Catwoman, Poison Ivy, and Two-Face. Interspersed among the Case File reports are

sidebars that explain the specific kinds of forensic science that Batman uses to solve his cases. Schoolteacher Olivia Dare Christian was murdered in her Hampton, Virginia apartment in 1981. Her killer left few clues and the murder went unsolved. Three decades later, in 2011, next-generation detective Randy Mayer re-opened Olivia's dusty cold case file and began unraveling the mystery. Mayer located a reluctant witness who was a teenager back in 1981. She recalled a suspicious man lurking outside Olivia's apartment the morning of the murder and provided a detailed description of the man. Detective Mayer then researched hundreds of old cases, hunting for a person who fit the description and used a similar MO. He identified a prime suspect, a Smithfield Foods employee, by then in his 60s, previously convicted of several brutal sexual assaults. Digging further, Mayer linked him to two other unsolved Hampton homicides. Was this man a serial killer? Mayer enlisted the help of FBI agent Liza Ludovico and special prosecutor Phil Figura. Could the team uncover enough evidence to bring Olivia's murderer to justice? Could the witness from 1981 identify him? And would a jury convict in a cold case based entirely on circumstantial evidence? This book, now in its second edition, is the first and most exhaustive text covering the still growing popularity of cold case investigations which locate perpetrators and free the innocent. The new edition adds approximately 80 pages of content, including material on clandestine

graves and investigating cold gang cases. The book merges theory with practice through the use of case histories, photographs, illustrations and checklists that convey essential, fundamental concepts while providing a strong, practical basis for the investigative process. A Missing Ferryman. An Undead Dilemma. An Immortal Detective. An emissary from the Dark Council has just materialized in the office of the Montague & Strong Detective Agency, and makes Simon Strong an offer he can't refuse. Charon is missing. The legendary ferryman responsible for transporting souls across the river Styx hasn't been seen in days. And with each passing hour, those unable to cross the river are left to walk among the living, tilting the world further out of balance. Meet Simon Strong, an immortal, who is also the best private detective in New York City. Together with his surly partner-Tristan Montague, a mage of indeterminate age, they must find the Ferryman and get him back to work before another Supernatural War ravages the earth, destroys humanity, and Simon's local coffee shop. Time is running out. His landlord wants the rent and Karma with a capital K is paying him a visit, and she can be a real... Join the Montague & Strong Detective Agency and help them locate Charon, so he can restore balance to the universe, put the dead to rest, and maybe solve the age-old conundrum-coffee or tea? A bullied schoolgirl commits suicide....or did she? On vacation, NYPD Detective Millicent Harvey is shocked to find herself participating in a

crime scene involving the sudden death of 14-year-old Elsa Butler, who had been violently bullied by a mean-girl clique. The truth, however, lurks out there as Millie grows ever closer to the horrific reality until she becomes the killer's next target. Now, with Millie facing death as the tumultuous events grow out of control, she faces an impossible situation. Elsa was murdered that fateful day. Who killed her? More importantly, why? How to recognize exploitation, expose exploiters and help them to incriminate themselves.... Easy legal steps to take to prevent someone from emptying an elder's bank accounts if they should lose mental capacity... How to protect yourself while you still can. Preview the book now. Lauren Jones was attempting to rob the Aboud grocery store when the owner, Ali Aboud, pulled a gun from under the counter and fired at Mr. Jones. The bullet missed Jones and struck and killed

Aboud's wife, Rachel. Jones was arrested at the scene of the robbery and has pleaded guilty to robbery. No murder charges are pending against him. The State alleges that the defendant, John Burns, planned the robbery of the grocery store and waited outside in the getaway car while Jones went inside to rob the store. The defendant has been charged with armed robbery for his alleged participation in the holdup and with felony-murder for the death of Mrs. Aboud. This basic file offers impeachment, rehabilitation issues, and adverse examination. There are three witnesses for both the State and the defendant. Jack an x-State Police Detective, Chuck an x-States Attorney work as a team. Building a business, keeping clients happy, and making money. There will be Murders, Surveillances, Kidnapping and Divorce cases and investigations. The reader will get inside of what Attorneys want and how the Detective gets it. Each short story comes from a true case file worked by the writer. A new generation Famous Five: Jo, Dylan, Allie, and Max are the children of the four kids - and not forgetting Timmy II to make up the Five! In book nine, the Five get competition. Can a teen detective be better than the Famous 5? The Famous Five meet Scooby Doo! All the heritage of the original Famous Five - adventure, mystery, action - combined with a great modern-day feel and lots of laughs. All 24 books in the series feature black and white inside illustrations and have been adapted into an animated television

series for the Disney Channel. From the Author of the Dr. Siri Mysteries New in print, the complete Jimm Juree short stories feature Colin Cotterill's intrepid Thai amateur lady detective. They were first published individually as eBooks between 2017 and 2019. Colin is well known for his Dr. Siri mystery series set in Laos. Fans of Jimm know her from the four novels where, with the help of the members of her strange family, she usually solves the crime. Move over Miss Marple Jimm Juree does it for the 21st Century As winter closes its grip on snow-bound London, a cleaner determines to solve the case that her detective father never could. A Kindle number one bestseller. It was the murder that shocked the nation. Kate Rokesmith, a young mother, walked to the banks of the Thames with her three-year-old son. She never came home. For three decades, the case file has lain, unsolved, in the corner of an attic. Until the detective's daughter, Stella Darnell, starts to clear out her father's house after his death... Reviews for The Detective's Daughter: 'A haunting novel about loss and reconciliation, driven by a simple but clever plot' Sunday Times 'This book has a clever mystery plot - but its excellence is in the characters, all credible and memorable, and in its setting in a real West London street, exactly described' Literary Review 'A thoughtful, well-observed story... It reminded me of Kate Atkinson' Scott Pack 'A cerebral thriller... Evokes chills from more than just the frigid winter nights' Forward Reviews Magazine

'Lesley Thomson gets better and better' Ian Rankin When detective Clint Smart got his first assignment after he received his detective title, he was put on a five years old cold case file. It took him several weeks to read through everything that was written. Clint had been asked to re-interview all the people involved with this gruesome murder case. A Miss Linda Tower had been killed. She had been shot in the head, strangled, had a knife stuck in her chest and was drowned in a bathtub filled with water. Although it to start with looked like a clear-cut case, Not one of the many suspects could be taken for the crime. Now five years later it was expected that detective Smart should clear up the mess. He started by interviewing a young man, Rick Cloud. He to start with didn't want to say a word. I gave my story to that other detective five years ago, that's enough for me. It took Rick's mother to make him tell detective Smart what he knew. After Rick Cloud, it was time to visit Bill Laurence. A fifty years old man that lived by himself. As Smart knocked at the door, he was met with a shotgun in his face. It took some discussion to make Laurence start telling what he knew. Then when Smart asked why he opened the door with a shotgun in his hand. It turned out after Rick Cloud and Bill Laurence had met again, things started to fit together. When the police came to pick up both of them, they had together left the country. Together with Interpol and local police in Germany the two escapes were taken in to custody and

later sent back to the state to stand trial for the killing of Linda Tower. Martin Kent is a young ambitious trooper who involves himself in a murder investigation that has been unsolved for 20 years. Little has been done on the case since it was classified "Cold Case" and filed in a metal filing cabinet in the state police detective bureau; that is, until Kent stumbled upon an old case file on a detective's desk. Knowing that he would have little support, Trooper Kent secretly resumes the murder investigation which brings him through several old case files and a fair share of twists and turns as he tries to solve the crime. Along the way, he discovers there may have been another murder that went unnoticed and brushed off as "an accidental death." Soon the trooper is discovered running rogue on the investigation and pressure begins to come down on him from detectives to let matters be. The Missing Children Case Files: Case 3 'Mind-blowingly addictive!' Samantha Lee Howe, USA Today-bestselling author of The Stranger in Our Bed Take a look into the personal files of Sara Pezzini! 19 years and 180 issues of juggling her career as both a law enforcement officer and the Balance of Good and Evil means a whole lot of crooks, ne'er-do-wells, and straight-up monsters, and we've got the scoop on the worst of them. Includes a never-before-seen backup story from Talent Hunt runners-up! Detective Pikachu and Tim search for Tim's missing father by examining all the clues and suspects related to the case. Justice is a great thing when someone has been wronged or violated.

We want those guilty held accountable for the crime they have committed. In this book you will read true stories of real case files of Detective Ron Wallace. The stories are real but the names of the victim's and suspect have been changed to protect their identity. The street names have also been changed. Some of the cases in this book will touch your heart and then be filled with excitement. The book has been formatted into a case file format like a real case file. I have tried to bring my experiences as a Police Detective to book form and give the reader a feel of being a Detective. I hope this book may inspire readers to make sure that if someone they know or themselves become more diligent in keeping peace. The price of murder is always negotiable. From the authors of the bestselling Fact vs. Fiction, this book offers easy-to-implement lessons to engage students in becoming media literacy "digital detectives," looking for clues, questioning motives, uncovering patterns, developing theories and, ultimately, delivering a verdict. The current news landscape is driven by clicks, with every social media influencer, trained and citizen journalists chasing the same goal: a viral story. In this environment, where the race to be first on the scene with the most sensational story often overshadows the need for accuracy, traditional strategies for determining information credibility are no longer enough. Rather than simply helping students become savvy information consumers, today's educators must provide learners with

the skills to be digital detectives - information interrogators who are armed with a variety of tools for dissecting news stories and determining what's real and what isn't in our "post-truth world." This book:

- Shares meaningful lessons that move beyond traditional "fake news" protocols to help learners navigate a world in which information can be both a force for good and a tool used to influence and manipulate.
- Includes resources and examples to support educators in the work of facilitating engaging, relevant (and fun!) instructional opportunities for K-12 learners, in both face-to-face and digital learning environments.
- Unpacks the connection between social-emotional learning and information literacy.
- Includes access to the Digital Detective's Evidence Locker, an online collection of over 100 downloadable and remixable resources to support the lessons in the book. As the authors state: "Remember, the detective's job is NOT to prove themselves correct. Their job is to detect the truth!" This statement reflects the way they approach the lessons in this book, providing clear and practical guidance to help educators address and overcome this ever-expanding issue. It was fifteen years ago when the big, sort-of-sloppy, brew-loving P.I. appeared on the scene, dazzling readers with keen solutions to seemingly unsolvable crimes. And just as his disheveled demeanor gave no hint of the brilliant mind that lay behind it, his lack of a moniker said nothing about his rising

popularity with mystery readers everywhere. Nameless opens up his files on some of his most fascinating cases. Collected here are ten stories and two novelettes, giving Nameless fans a page-turning potpourri of his toughest and most dangerous adventures.

Recognizing the quirk ways to acquire this books **Sample Detective Case File** is additionally useful. You have remained in right site to begin getting this info. get the Sample Detective Case File connect that we offer here and check out the link.

You could buy lead Sample Detective Case File or get it as soon as feasible. You could quickly download this Sample Detective Case File after getting deal. So, subsequent to you require the books swiftly, you can straight acquire it. Its consequently utterly easy and for that reason fats, isnt it? You have to favor to in this make public

Thank you enormously much for downloading **Sample Detective Case File**. Maybe you have knowledge that, people have see numerous time for their favorite books subsequent to this Sample Detective Case File, but end in the works in harmful downloads.
