Prepare for success on the NCLEX-RN® exam with the review book written for Canadian nursing students! Elsevier's Canadian Comprehensive Review for the NCLEX-RN® Examination, 2nd Edition provides everything you need to prepare for the NCLEX® exam — complete content review and more than 5,000 NCLEX examination-style questions in the book and online. Proving that not all NCLEX exam review books are the

same, only this book includes the kinds of questions that consistently test the critical thinking skills needed to pass today's NCLEX exam. In addition, all answers include detailed rationales and test-taking strategies with tips on how to best approach each question. From Canadian editors Patricia Bradley and Karin Page-Cutrara, and NCLEX review experts Linda Anne Silvestri and Angela Silvestri, this edition integrates Canadian approaches to nursing, making this the only comprehensive review text written from a fully Canadian perspective. It's THE book of choice for NCLEX preparation! More than 5,000 practice questions in the text and online offer ample testing practice. UNIQUE! Detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option. UNIQUE! Priority Nursing Action boxes provide information about the steps you will take in clinical situations requiring clinical judgement and prioritization. UNIQUE! Pyramid Points icons indicate important information, identifying content that typically appears on the NCLEX-RN® examination. UNIQUE! Pyramid Alerts appear in red text and highlight important nursing concepts. UNIQUE! Priority Concepts — two in each chapter — discuss important content and nursing interventions. New graduate's perspective is offered on how to prepare for the NCLEX-RN, in addition to nonacademic preparation, the CAT format, and test-taking strategies. Mnemonics are included to help you remember important information. 75-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX-RN test plan. Practice questions on delegation, prioritization, and triage/disaster management emphasize these areas on the NCLEX exam. Companion Evolve website provides 25 new Next Generation NCLEX® (NGN)-style questions plus all alternate item format questions including multiple response, prioritizing (ordered response), fill-in-the-blank, figure/illustration (hot spot), chart/exhibit, video, and audio questions. Question categories on Evolve are organized by cognitive level, client needs area, integrated process, and content area, allowing completely customizable exams or study sessions. UNIQUE! Audio review summaries on Evolve cover pharmacology, acid-base balance, and fluids and electrolytes. This collection of flash cards contains 1,200 practice questions, organized to reflect the current NCLEX-RN test plan. They are designed to prepare candidates to succeed on the NCLEX-RN exam. HESI Comprehensive Review for the NCLEX-PN(R) Examination - E-Book Who says studying for the NCLEX® can't be fun? Illustrated Study Guide for the NCLEX-RN® Exam, 11th Edition uses colorful drawings and mnemonic cartoons to help you review and remember the nursing content found on the NCLEX-RN examination. A concise outline format makes it easier to study key facts, principles, and applications of the nursing process. More than 2,500 NCLEX exam-style questions on the Evolve website allow you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by noted NCLEX expert JoAnn Zerwekh, this study guide provides a visual, unthreatening way to prepare for success on the NCLEX-RN exam. More than 2,500 review questions on the Evolve website allow you to practice test-taking in Study or Exam mode. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! Integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations for basic nursing care concepts. UNIQUE! Appendixes in each chapter summarize diagnostic tests, medications, and nursing procedures for quick reference. Answers and rationales are provided for all review questions. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority, drag-and-drop, and hot-spot questions. Priority Concepts at the beginning of each chapter focus your attention on the chapter's key nursing concepts. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Test Alert boxes highlight concepts frequently found on the NCLEX test plan. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify Self-Care and Home Care content. NEW! Patient Scenarios and Next Generation NCLEX® (NGN) Examination-Style question types on the Evolve website provide practice with these new types of questions. NEW! Review of the NCSBN's clinical judgment model and six cognitive skills helps to prepare you for the nursing profession and taking the NCLEX-RN® examination. NEW! Pediatric content is moved into a separate new chapter and organized by body systems. "A comprehensive review of all nursing content areas specifically related to the new 2019 test plan for the NCLEX-RN examination"--Page xiv. NCLEX® Nursing Nugget Pages is a comprehensive content review book for the NCLEX®-RN and NCLEX®-PN exams, written by Justine Buick, a registered nurse and experienced online tutor for high-risk nursing students. This review book is different because it includes over 400 images, the content has been simplified and explained for comprehension (not just all memorizing), and is available in online flashcard format from brainscape.com. The content was compiled throughout many years of tutoring by writing out all the "nuggets" of information students would need in order to pass the NCLEX® exam and achieve their dream of becoming a nurse. REA's NCLEX-PN Flashcards Are Indispensable! Hundreds of Must-Study Questions and Answers! REA's Interactive Flashcard® book for the NCLEX-PN exam helps nursing students check their test-readiness before taking this all-important exam. Our flashcard book is the perfect on-the-go study supplement and offers a quick and convenient way to practice answering questions. Written by an experienced RN, these flashcards give students full scenarios to evaluate in a multiple-choice format, just like the actual test. This recommended study aid contains more than 350 must-study questions that cover all official test categories found on the NCLEX, with detailed explanations of answers. The book also provides fascinating fun facts about the medical/nursing profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Nursing students can write their answer on the front of the card, and then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we even give details explaining why the answer is correct. Fully indexed for smarter study, this book is the perfect way to study for the NCLEX-PN exam! This collection of flash cards contains 1,200 practice questions, organized to reflect the current NCLEX-PN test. HESI/Saunders Online Review for the NCLEX-RN Examination, 2nd Edition, provides all of the aspects of a traditional print comprehensive review book, but with the convenience and added interactivity of the online format. The comprehensive online review provides key nursing content organized by content specialty areas and NCLEX Client Needs, with a reference list for nursing concepts. Each module is followed by a quiz to determine students' mastery of the content. A comprehensive exam at the end of the course gives students a breakdown of their strengths and weaknesses. A wealth of illustrations, video, audio, and animation helps to clarify key concepts and engage students as they study for the course exams and prepare to take the NCLEX. The first guide specifically organized around the new NCLEX-RN test plan—from an acclaimed educator and author Written by prominent educator and nursing book author Fran Monahan, this review gets you ready for today's NCLEX-RN exam in a way that no other source can duplicate. The first resource to reflect the new structure of the NCLEX-RN, it combines a first-rate review of exam material with helpful practice Q&As, allowing you to review necessary content and then immediately reinforce that learning with practice questions. Also included are can't-miss test-taking strategies to help you confidently navigate the exam. Throughout the book, Monahan utilizes her skills as an educator and bestselling author to tell you exactly what you need to do to pass the NCLEX examination on the first try. If you want a completely up-to-date guide that gives you the edge at exam time, your search ends here. Features: The most comprehensive review of the NCLEX-RN examination and a question/answer review text rolled into one outstanding study prep tool Esteemed authorship you can trust, based on Fran Monahan's experience as an internationally recognized author, consultant, and test-question expert 2,000 questions, answers, and rationales that take you step by step through every aspect of the test and give you a solid idea of what to expect Important emphasis on client needs that follows the current test plan—includes boxed guides that teach you how to apply course content to reflect this new focus Easy-to-follow organization begins with key pre-test information, which encompasses test and language basics, then progresses to a rigorous content review and concludes with hands-on tools for taking the test, including a practice test for the NCLEX-RN Detailed instructions and instructive examples provided throughout to familiarize you with exam content Convenient CD-ROM loaded with additional confidence-building practice questions to help you score big on exam day! Accompanying CD-ROM includes more than 4500 NCLEX examination-style review questions in quiz, study, or exam mode, a diagnostic pre-test, audio and video questions, and audio review summaries. With more than 5,800 test questions, Saunders Q&A Review for the NCLEX-RN® Examination, 5th Edition provides the practice you need to succeed on the NCLEX-RN exam. To enhance your review, each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The companion Evolve website adds a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Written by NCLEX review expert Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders Pyramid to Success, which has helped more than 1.5 million nurses pass the NCLEX

exam! A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions categorized by Cognitive Level, Client Needs area, Integrated Process, and clinical content area help you focus on the question types you find most difficult. All alternate item format questions (multiple response, prioritizing, fill-in-the-blank, figure/illustration (hot spot), audio, video, and chart/exhibit) are included. Chapters organized by Client Needs simplify your review and reflect the question mix in the NCLEX-RN® test plan blueprint. A 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. Prioritization, Delegation, and Assignment: Practice Exercises for the NCLEX® Examination is the only review book on the market with a focus on prioritization and management of care—just like the current NCLEX Examination itself! The workbook's unique approach establishes your foundational knowledge and then provides exercises of increasing difficulty to help you build confidence in your prioritization, delegation, and patient assignment skills. It offers unique preparation for the NCLEX Examination and effectively equips you to practice in today's fast-paced healthcare environment. UNIQUE! Emphasis on the NCLEX Management-of-Care Focus: LaCharity is the only workbook available that focuses on the NCLEX Exam's management-of-care focus No other book on the market addresses the heavy management-of-care emphasis - consisting of prioritization, delegation, and patient assignment - of the current NCLEX Examination (17-23% of the 2013 NCLEX-RN Exam). Graduating seniors report that LaCharity has been invaluable in preparing them to pass the NCLEX Exam and enter into practice. UNIQUE! Three-Part Organization: The book consists of three parts, each of which builds on the previous one: . Part 1: Introduction; Part 2: Prioritization, Delegation, and Assignment in Common Health Scenarios; Part 3: Prioritization, Delegation, and Assignment in Complex Health Scenarios. This organization establishes foundational knowledge and then provides exercises of increasing difficulty to help students build confidence in their prioritization, delegation, and patient assignment skills. It also helps students move from passing the NCLEX-RN Exam to "hitting the ground running" as they transition into clinical practice. Part 1: Introduction: Part 1, consisting of a chapter by delegation expert Ruth Hansten, provides guidelines for prioritization, delegation, and patient assignment decisions. The Introduction provides a concise, practical foundation on which Parts 2 and 3 build. Part 2: Prioritization, Delegation, and Assignment in Common Health Scenarios: Organized by body system, the chapters in Part 2 begin to give students practice in applying the principles from Part 1 to relatively straightforward scenarios involving single patients or simple patient assignments. Straightforward NCLEX-style multiple-choice, multiple-select, ordering, and short-answer questions help students develop and build confidence in prioritization, delegation, and patient assignment skills while working within the confines of relatively simple health scenarios. Part 3: Prioritization, Delegation, and Assignment in Complex Health Scenarios: Unfolding cases in Part 3 gradually immerse students in realistically complex clinical situations involving patients with complicated health problems or challenging assignment issues. These unfolding cases build on the skills learned in Part 2 to equip students to make sound decisions in realistic, complex health scenarios involving complicated health problems and/or challenging patient assignment decisions. The "unfolding" nature of each case realistically demonstrates the progression of typical health scenarios and helps students learn to "think like nurses" by developing what Benner (2010) calls "clinical imagination." Answer Key: The in-depth Answer Key at the back of the book provides not only the correct answer but also a detailed rationale and an indication of the focus of the question, whether prioritization, delegation, supervision, or patient assignment. Detailed rationales encourage formative assessment, in which students learn as much from answering incorrectly as they do from answering correctly. Expanded content focus to include psychiatric/mental health, OB/maternity, and pediatrics along with med-surg areas New chapters on infection control and obstetrics Prepare for success on the boards with Mosby's Comprehensive Review of Practical Nursing for the NCLEX-PN® Examination! Offering more than 4,000 NCLEX-PN exam-style practice questions, this effective review resource covers everything you will need to know come exam time. Chapters are organized by core clinical areas to help you focus on specialty areas such as pharmacology, nutrition and emergency nursing. This comprehensive resource also includes rationales for both correct and incorrect answers. Over 4,000 review questions provide you with extensive practice for the computerized licensure exam. Alternate item format questions prepare you for the interactive question types on the NCLEX exam. Test-taking strategies include helpful tips in preparing for the NCLEX-PN exam. Two comprehensive exams feature questions in all clinical areas giving you practice with an integrated exam, much like you will see on the NCLEX. Content organized by clinical area allows you to use the book as a study aid for all nursing exams throughout the curriculum. Rationales for both correct and incorrect answers explain the reasoning behind each answer option. Concise, student-friendly format summarizes essential nursing content in an easy-to-read outline format. The Evolve website provides practice questions broken down by specific content areas in both study and quiz/exam modes, giving you greater choices to customize your study sessions. NEW! More than 300 new questions bring the overall total to over 4,000 test questions. NEW! Updated content reflects the latest NCLEX-PN test plan. NEW! Critical Thinking Challenges provide case scenarios to equip you for real-life practice. NEW! Audio, video, and graphic option questions familiarize you with the new alternate item format question types on the NCLEX-PN exam. Practice makes perfect with Saunders Q&A Review for the NCLEX-RN® Examination, 7th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN® examination! Each question enhances review by including a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on an Evolve companion website, with many study and testing options. From the most trusted name in NCLEX review, Linda Anne Silvestri, this resource is part of the popular Saunders Pyramid to Success. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Chapters organized by Client Needs simplify review and reflect the question mix in the NCLEX-RN test plan blueprint. Rationales are provided for both correct and incorrect answer options. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, and questions incorporating audio and video. An 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. A Priority Nursing Tip is included with each question, highlighting need-to-know patient care information. Introductory chapters feature preparation guidance for the NCLEX-RN including chapters on academic and nonacademic preparation, advice from a recent nursing graduate, and transitional issues for the foreign-educated nurse. NEW! Reflects the latest NCLEX-RN® test plan to familiarize you with newly added content they may encounter on the exam. NEW! Additions to the Evolve companion website include a 75-question post-test, case studies with follow-up questions, and links to animations for selected rationales, offering unique remediation opportunities. NEW! Trade drug names replaced with generic drug names reflecting latest test plan changes. NEW! Health Problem label included to help you study selected health topics. This will also allow you to focus your study when reviewing questions on Evolve. With more review cards than any

other product on the market, you'll have the perfect tool for study groups or on-the-go review, and with a new chapter focusing on pharmacology, you'll be more prepared than ever before. This edition features over 1,200 questions with alternate item-format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. UNIQUE! Provides more practice questions than any other card set with over 1,200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test-taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item-format questions, including multiple response, fill-in-the-blank, and illustrated questions, offer valuable preparation for the newer question formats appearing on the NCLEX-RN examination. Each question is classified by cognitive level, nursing process step, and NCLEX test plan client needs area to help you identify areas where more review may be required. A section on integrated concepts includes questions on leadership, management of patient care, cultural competence, and community-based practice, addressing the integrated concepts covered in the NCLEX-RN examination. UNIQUE! A separate section on pharmacology reflects the increased focus on this subject in the NCLEX examination and enables you to concentrate on the most frequently tested content. Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers. Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats. A convenient plastic sleeve makes it easy to take a small number of cards with you to study on the go.
