This charming version of a well-known chant takes place on the African savanna In this beautifully illustrated rendition of a well-known children's chant, two sisters are looking not for a bear but for a lion—a lion that lives on the African savanna, where the girls go through swishy-swashy long grass, a splishy-splashy lake, and a Big Dark Cave. When they finally meet their lion, they have to run, run, run through it all again to get back home. Young readers will enjoy the playful language and beautiful paintings that reset a familiar story in a far-off part of the world. Students improve their cultural skills while using their laptops, computers or tablets to find the answer to questions by searching online for the answers. They write the answer and the website address where they found the answer onto their game page. The first student to complete the answers correctly on the game page is declared the Internauta del Día and receives a certificate. Questions include topics on geography, writers, famous people, foods, music, sports and much more! There are ten games for Spain, ten games for Mexico, ten games for South America and ten games for Central America and the Caribbean area. The Internet Scavenger Hunt Games for High School Spanish Students is all in Spanish and is suitable for Intermediate and Advanced classes of Spanish. Bonus activities include Wordsearches, Puzzles, and a special Mini-proyectos section on each game page! Great fun! Twentieth-century sleuthing methods are linked with the romance and mystery of the past in this true story of a treasure hunt that has yielded millions. Over 250 years ago a Spanish treasure armada was wrecked on the Florida reefs, and ten richly laden vessels were sunk. In time they were forgotten. In the 1940's Kip Wagner, then a Florida construction man, picked up the first clues to the location of the wrecked ships. They were scarce: occasional blackened silver coins discovered here and there along the beach. But Kip Wagner's imagination was fired, and with the help of his friend and physician, Dr. Kelso, he began the long research and search operations that are described in this engrossing book. They were joined by a small group of other men and formed the Real Eight Corporation appropriately named for the Spanish *ocho reales*, or piece of eight. Most of the team had other jobs, some of them at nearby Cape Kennedy, and could hunt treasure only in their spare time. But they persisted. The work was arduous, at times dangerous. There were setbacks, disappointments, grueling underwater ordeals. But in time the rewards were sensational -thousands of silver pieces of eight and golden doubloons, silver bars and bullion, gold ingots, gold rings and pendants, priceless Chinese porcelain, a gold necklace appraised by a museum at \$50,000, three million dollars in treasure recovered so far by this band of hard-working, adventurous, persistent men. Students improve their cultural skills while using their laptops, computers or tablets to find the answer to questions by searching online for the answers. They write the answer and the website address where they found the answer onto their game page. The first student to complete the answers correctly on the game page is declared the Internauta del Día and receives a certificate. Questions include topics on geography, writers, famous people, foods, music, sports and much more! There are ten games for Spain, ten games for Mexico, ten games for South America and ten games for Central America and the Caribbean area. The instructions for the Internet Scavenger Hunt Games for Middle School Spanish Students are in English. The book is suitable for Middle School and Level One Spanish classes. Bonus activities include Wordsearches, Puzzles, and a special Mini-proyectos section on each game page! Great fun! The Smoky Mountains in North Carolina hold untold secrets of Spaniard gold hidden for over 400 years. The charts and maps of old depicted a large river called the Jordan cutting through a land known by its Spanish name, Chicora. Bill Norris did not know what happened near Chimney Rock so long ago, but the Old Bible was firmly in his possession and the clues all pointed to a hidden treasure buried in a secret cave four centuries ago. Bill and his friends search for the elusive cavern at the headwaters of the Jordan River in a subterranean quest for unbelievable treasure. **BROTHERS GRIMM (GREEN BOOK):** Spanish & English **BRIEF SYNOPSIS:** This book contains a selection of eleven stories from Jacob and Wilhelm Grimm's collection of German folk tales, originally published from 1812 -1815. The stories include: Cinderella (La Cenicienta) Rapunzel (Rapunzel) Sleeping Beauty (La Bella Durmiente) Little Red-Cap (Caperucita Roja) Hansel and Gretel (Hansel and Gretel) The Frog Prince (El Príncipe Rana) The Bremen Town Musicians (Los Músicos de Brema) Snow-White and Rose-Red (Blancanieve y Rojarosa) The Fisherman and his Wife (El Pescador y su Mujer) The Devil with the Three Golden Hairs (Los Tres Pelos de Oro del Diablo) The Young Giant (El Joven Gigante) **2LANGUAGE BOOKS:** The dual-language text has been arranged into sentences, sub-paragraphs, and paragraphs, for quick and easy cross-referencing. You can also read the entire book in English or Spanish. The text has been modernised and amended to suit this dual language project. The emphasis is on attaining a high correlation between each set of text fragments. The original fables are in German. The Spanish text has been partly translated anew from the English. The English text has been in large part translated anew from Spanish. The reader can choose between four formats: Section 1: English to Spanish Section 2: Spanish to English Section 3: English Section 4: Spanish Documents historical efforts to claim the lost treasures of sunken ships, from Captain William Phips's 1687 discovery of a cache of Spanish galleons to the numerous dangerous quests of fortune hunters who have lost their lives. 15,000 first printing. Guides intermediate Spanish college students through real life situations where they will be able to practice the language and prepare for interactions in Spanish with Hispanic patients. The rise of Spain from obscurity to the position of one of Europe's greatest powers is centrally important in the history of Western Europe in the sixteenth century. Spain 1474–1598 explores key themes including the unification of Spain and the domestic and foreign policies of each of the monarchs, Ferdinand and Isabella, Charles V and Philip II. This book also examines whether the sixteenth century was a 'golden century' for Spain culturally with its art and literature, as well as its society and economy. Determines students' reading proficiency in Spanish for specific grades. The Spanish word search puzzles for adults, teens and children has 50 puzzles in large print which are interesting, challenging and fun to solve. The puzzles with solutions are suitable for all ages. They are perfect holiday and travel games for couples, seniors and groups The "consistently witty" Agatha Award-winning author presents a tale of murder in a country mansion (Mystery News). With their fortunes dwindling, Reggie and his wife, Midge, have turned the family mansion into an English country inn. When Midge gets a call from an old classmate who arranges "mystery tours" for visiting Americans, she happily agrees to host one of these staged-murder events. But the tour seems to be a disaster from the get-go, with lots of arguing and complaining among those involved. Then, after a massive snowstorm, a real murder takes place—and it's up to the amateur sleuths to solve the case before the killer checks them out permanently. Praise for Marian Babson "Marian Babson's name on a mystery is a guarantee of quality writing wrapped around an unusual crime." —Houston Chronicle A young boy searching for Lost Spanish Treasure has an encounter with a band of outlaws, and a man who has vowed to kill his Father. From early sorcery trials of the 14th century--associated primarily with French and Papal courts--to the witch executions of the late 18th century, this book's entries cover witch-hunting in individual countries, major witch trials from Chelmsford, England, to Salem, Massachusetts, and significant individuals from famous witches to the devout persecutors. Entries such as the evil eye, familiars, and witch-finders cover specific aspects of the witch-hunting process, while entries on writers and modern interpretations provide insight into the current thinking on early modern witch hunts. From the wicked witch of children's stories to Halloween and present-day Wiccan groups, witches and witchcraft still fascinate observers of Western culture. Witches were believed to affect climatological catastrophes, put spells on their neighbors, and cavort with the devil. In early modern Europe and the Americas, witches and witch-hunting were an integral part of everyday life, touching major events such as the Reformation and the Scientific Revolution, as well as politics, law, medicine, and culture. Este libro único le ayudará a aumentar su capacidad cerebral. No se proporciona una lista de palabras; busque palabras en la cuadrícula y cree la lista. Contiene: Horas de diversión estimulante para la mente. 100 rompecabezas para adultos, 3000 palabras para buscar. Un total de 120 páginas en blanco y negro que también incluyen las Soluciones Completas al final del libro. Diseñado para la mejor legibilidad posible; 1 rompecabezas (cuadrícula de 16x15) por página (15 puntos) fuente para ayudar a las personas con discapacidad visual. Tamaño de página de 6 "x 9" ... un libro portátil para llevarlo a todas partes. ¡Haz que tu cerebro sea fuerte y ágil! The Witch-Hunt in Early Modern Europe, now in its fourth edition, is the perfect resource for both students and scholars of the witch-hunts written by one of the leading names in the field. For those starting out in their studies of witch-beliefs and witchcraft trials, Brian Levack provides a concise survey of this complex and fascinating topic, while for more seasoned scholars the scholarship is brought right up to date. This new edition includes the most recent research on children, gender, male witches and demonic possession as well as broadening the exploration of the geographical distribution of witch prosecutions to include recent work on regions, cities and kingdoms enabling students to identify comparisons between countries. Now fully integrated with Brian Levack's The Witchcraft Sourcebook, there are links to the sourcebook throughout the text, pointing students towards key primary sources to aid them in their studies. The two books are drawn together on a new companion website with supplementary materials for those wishing to advance their studies, including an extensive guide to further reading, a chronology of the history of witchcraft and an interactive map to show the geographical spread of witch-hunts and witch trials across Europe and North America. A long-standing favourite with students and lecturers alike, this new edition of The Witch-Hunt in Early Modern Europe will be essential reading for those embarking on or looking to advance their studies of the history of witchcraft Introduction to Spanish-English Translating Having imparted courses on Spanish grammar in college for many years and despite the options, the author could never find a grammar textbook, manual, or course that could serve his students' needs fully. After regularly supplementing, and oftentimes

completely replacing grammar textbooks with his own material, Oscar H. Moreno realized that the stack of supplementary material lying on his desk was not only popular among his students but also good enough for another Spanish grammar for college students. It is different and this grammar has been put together strictly on the basis of what shows to be academic and professional needs of students of Spanish. The approach to the teaching and learning of Spanish in this grammar is a linguistic one and makes reasonable use of specific terminology in the field of Spanish language studies. The extraordinary shotguns produced by the craftsman of Spain's Basque Country are no longer a secret. Wieland provides a completely updated guide to the guns and gunmakers, reliving history, going inside manufacturing facilities, discussing design and assembly, touring the region, and sampling its food, wine, and warmth. NOW IN PAPERBACK! "A true story that reads like a mystery."—Tony Hillerman "A suspenseful page-turner and a tale of true courage." —Ted Kerasote, author of Bloodties "Schroeder illuminates an unusual, insular world with unflinching grit."—Publishers Weekly For thirty years Lucinda Delaney Schroeder held an unusual government position: She was one of a handful of women special agents with the U.S. Fish and Wildlife Service. In August 1992 she accepted an assignment that forever changed her life. The petite blonde left behind her husband and seven-year-old daughter in Wisconsin and posed as a divorcee big-game hunter in Alaska in order to infiltrate an international ring of poachers out for trophy wildlife. A Hunt for Justice takes readers along during Schroeder's dangerous mission. More than an adventure or true-crime tale, it is the story of a woman surviving in a male-dominated field, a woman against the wilderness, and a wife and mother risking it all for a cause she believes in. Selected for the 2007 Amelia Bloomer Project list of recommended feminist literature for young readers.
