Dwell Aug 21 2022 At Dwell, we're staging a minor revolution. We think that it's possible to live in a house or apartment by a bold modern architect, to own furniture and products that are exceptionally well designed, and still be a regular human being. We think that good design is an integral part of real life. And that real life has been conspicuous by its absence in most design and architecture magazines.

An Almost Perfect Moment Jul 08 2021 In Brooklyn, in the Age of Disco, Valentine Kessler -- a sweet Jewish girl who bears a remarkable resemblance to the Virgin Mary of Lourdes -- has an unerring gift for shattering the dreams and hopes of those who love her. Miriam, her long-suffering mother, betrayed and anguished by the husband she adores, seeks solace in daily games of mah-jongg with The Girls, a cross between a Greek Chorus and Brooklyn's rendition of the Three Wise Men, who dispense advice, predictions, and care in the form of poppy-seed cake and apple strudels. When her greatest fear for Valentine is realized, Miriam takes comfort in the thought that it couldn't get any worse. And then it does. Sagacious, sorrowful, and hilarious, *An Almost Perfect Moment* is a novel about mothers and daughters, star-crossed lovers, doctrines of the divine, and a colorful Jewish community that once defined Brooklyn. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Middleman Economy Dec 13 2021 With the rise of the Internet, many pundits predicted that middlemen would disappear. But that hasn't happened. Far from killing the middleman, the Internet has generated a thriving new breed. In *The Middleman Economy*, Silicon Valley-based reporter Marina Krakovsky elucidates the six essential roles that middlemen play.

Renovate to Riches Nov 12 2021 Turn weekend home-improvement projects into big money! Did you know you and your spouse can sell your home every two years and pay no taxes on profits up to \$500,000? It's true! In fact, you should think of your home as an investment as much as a place to live. Simple renovations can dramatically increase the value of your home, and you can undertake most of them on your own and in your spare time. *Renovate to Riches* shows you how to turn your sweat into equity and your home into a moneymaker. Millions of people across America are making their do-it-yourself weekend projects pay off-and you can too. This straightforward guide will show you how to secure financing for your home, accomplish the renovations that add the most value, and get the highest price when you sell. It shows you how to design your own

custom plan for creating wealth over five, ten, or even twenty years, and includes detailed case studies that help you avoid common mistakes. Renovate to Riches also includes: * An explanation of complicated federal tax codes * Tips on finding great homes at bargain prices * Advice on financing options * Which renovations add the most value * Professional guidance on interior design, landscaping, and other home improvement projects * Which projects you should be able to handle yourself and which will require a professional contractor * How to work with contractors and keep it cheap * Practical advice from the experts-real estate agents, brokers and bankers, tax advisors, contractors and carpenters, landscapers, interior and lighting designers, home inspectors, and appraisers Renovate to Riches is not a get-rich-quick scheme. It's a practical, step-by-step guide to building long-term wealth. You don't need the skills of a contractor or the experience of a real estate agent; all you need is a little extra time, a little extra money-and this unbeatable guide.

Fear Itself Jan 22 2020 The most terrifying novel you will read this year... Just as he's celebrating his last day on the job, FBI agent E L Pender receives a letter from Dorie Bell. Dorie is afraid. Last year she attended a convention for Persons with Specific Phobia Disorder. Since then, a couple of the delegates have died in suspicious circumstances. Carl Polander had acrophobia. Fear of heights. So what would he be doing on the 12th floor of the building the police say he jumped from? Mara Agajanian had haemophobia. Fear of blood. So how could she have cut her own wrists in the bathtub?

Dorie, who suffers from an irrational fear of masks, wants Pender to look into these cases. She suspects there may be a twisted serial killer on the loose. Someone, who quite literally, enjoys scaring his victims to death. Dorie's right. But she has no idea just how close to her the killer is...
