Find out how to have sensational sex from the UK's favourite sexpert, Tracey Cox Drawing on her 15 years as the UK's foremost sexpert, Tracey Cox gives you the inside scoop on what we're all really doing in the bedroom, what really turns us on and reveals the techniques which deliver amazing, best-ever sex. Learn the secrets of the best sexual positions, how to give great oral sex, and how to make long-term relationships last. Find out about the sex that real people are having now, how it has changed, and how we can alter the way we think about sex to enjoy it more. Witty, clever and fresh ideas to help you take your sex life to a whole new level. What does every couple want? A close, honest bond with their lover? Great communication and humor? Some romance? To feel loved, passionately, by their partner? A great sex life that keeps you both begging for more? The truth is that most couples aspire to have all of these vital components to loving relationships. But how do you get it and, more importantly, how do you keep your relationship fresh, vibrant, and sexy over the years? Expert sex and relationship therapist Dr. Laura Berman teaches couples how to become connected, communicative, stable, romantic, and sexually-satisfied, as well as how to plan for a happy, intimate, and fantasy-fueled future together. The Book of Love provides an even split of sex and relationship advice, with the first part of the book offering relationship advice and the second part giving sex advice and technique. Dip into the book to find out the best communication and listening approaches. Learn how to find time together, talk about your sexual needs, use arguments to strengthen your relationship, and flip ahead to find a new position for Friday night. Discover how to create romance, seduce your partner, and share fantasies. Learn which sex positions and techniques to try when you want to increase intimacy, build passion, or experiment with role play. Building on the Real Sex for Real Women formula, Dr. Berman's follow-up book has the same focus on practical content told in a warm, accessible tone. This time she speaks directly to both men and women, helping each to better understand and relate to their partner. This self-teaching guide explains how to write server-side components for dynamic, interactive Web pages and powerful Web-based applications that are easy to develop and modify. It comes complete with key points, background information, quizzes at the end of each chapter, and a final exam. How to Blow His Mind in Bed' is written by 'Men's Health' magazine's resident sexpert, Siski Green. In her refreshingly honest new book, she will debunk the myth that a man only cares about his own orgasm, and give the inside knowledge on what they really want in the bedroom. Siski has had unrivalled access to the innermost thoughts of men through her work, and has a unique insight into their worries, desires and needs. But she has also dealt with many women's queries from the 'Men's Health' website, so she understands exactly what they really want to know about how men think. HOW TO BLOW HIS MIND IN BED will offer women inside knowledge on how to make a man excited, what his erogenous zones are, his feelings and concerns, and improving his orgasms and your techniques. It is a must-read for every woman who wants to improve and enhance what they already know, to have even better sex. For everyone who's a geek in the streets, a freak in the (Star Wars) sheets—or wants to be—comes a guide for nerds, by nerds. Today's nerds are loud, proud . . . and thirsty. They've stepped away from their action figure collections and toward the infinitely diverse collection of like-minded folk who are as turned on by cosplay as they are by foreplay. But as knowledgeable as they are, nerds aren't always experts when it comes to the logistics of sex. Enter The Con-a-Sutra: A Guide to Full Frontal Nerdity. This book is much more than The Idiot's Guide to Mensa Sex and light years ahead of a collection of IKEA "put tab Blaarf into slot Numdoggal" instruction sheets. Accompanied by classic comic book inspired art, noted fictional sexpert Professor Balls Xxxavier literally and figuratively illustrates the modern nerd's wildest fantasies through a series of hilarious (if occasionally unachievable) sexual positions. Written to be inclusive of LGBTQ nerds, The Con-a-Sutra recognizes that nerds come in all body types, gender identities, and sexual orientations. Whether you prefer "The Splash Page," "Wookiee Nookiee," or "The Wayne Manner," there is something here for everyone—even if only a hysterical and reference-packed break from your favorite smutty fanfic. From viral fan artists to

passionate gamers, and from talented cosplayers to bookworms with overflowing comic collections, nerds are found in every demographic of modern society, making this the perfect gift for your boyfriend, girlfriend, husband, wife, brother, sister, office-mate, nerd-in-law, or any of the millions of people who proudly belong to a pop culture fandom. A comical compendium of con-friendly coitus, *The Con-a-Sutra* lets you boldly go where no nerd has gone before. Fresh, chatty, and filled with Tracey Cox's personal tips and hilarious anecdotes, *Superflirt* takes the reader through the fundamentals of body language, then shows you how to express the messages you want to send and how to read what other bodies are saying to you. Packed with intimate photographs of real-life scenarios, this is the most stylish, elegantly designed, and up-to-date guide to body language available. Make every man want you... Make every woman melt... In this book, world-renowned ASP.NET expert and member of the Microsoft ASP.NET team Stephen Walther shows experienced developers how to use Microsoft's new ASP.NET MVC Framework to build web applications that are more powerful, flexible, testable, manageable, scalable, and extensible. Writing for professional programmers, Walther explains the crucial concepts that make the Model-View-Controller (MVC) development paradigm work so well and shows exactly how to apply them with the ASP.NET MVC Framework. From controllers and actions to views and models, Walther demonstrates how to apply each ASP.NET MVC Framework feature in real-world projects. In Part II, you'll walk step-by-step through building a full-fledged ASP.NET MVC blog application that implements capabilities ranging from data access to validation. Through this case study, you'll learn how to build ASP.NET MVC applications using test-driven development processes that enable rapid feedback, greater productivity, and better quality. Throughout, Walther presents extensive code examples, reflecting his unsurpassed experience as an ASP.NET instructor, a leading commercial developer, and now as a member of Microsoft's ASP.NET development team. Understand how to: Build enterprise-scale web applications far more rapidly and effectively Develop web applications that are easier to maintain and extend over time Gain unprecedented control over the appearance of your website or application Expose intuitive URLs that are friendlier to search engines and users alike Create ASP.NET MVC models that contain all your application's business, validation, and data access logic Make the most of HTML helpers, model binders, action filters, routing, and authentication Efficiently deploy your ASP.NET MVC applications Use the lightweight JQuery JavaScript library to easily find and manipulate HTML elements Create ASP.NET MVC applications using unit test and mock object framework "Includes content previously published in *Kama sutra*; *Supersex*; *Superhot sex*; *Quickies*; and *Secrets of a supersexpert*." -- Title page. *Sex Secrets of the Kama Sutra & Other Eastern Pleasures* is an inspirational guide to the best sex positions and techniques from Arabia, India, China, and Japan. Classic erotic manuscripts and traditions from each country provide the source of eye-opening secrets that will take couples on a sexual adventure and push erotic pleasure to dizzying heights. The world's best sexpert, Tracey Cox, meets the world's greatest sex guide in this fantastic pocket-sized guide If you want to tell your lingam from your yoni, perfect the nine thrusts to Nirvana and wave goodbye to ordinary orgasms, Tracey Cox's unique, explicit and entertaining take on the Kama Sutra is just what you need. 'Debonking' the myths, showing what works, what doesn't and what's omigod-great, this is the Kama Sutra to make your tantric techniques tingle and shiver your chakras. Small enough to fit in your handbag (or pocket), take it wherever your sex life takes you. Elias and Merrin's story continues in *TWO*... Elias and Merrin are on the run. After escaping the Biotech Hub, they thought they could breathe easy, or at least a little easier. But when bombs slam into the Social Welfare Hub only hours after their arrival, it becomes clear there's nowhere to hide - and no end to what Biotech will do to get them back. Their last chance for safety and answers is the Clandestine Service Hub. CS has intel on the real, broader purpose behind Fisk's experiments, and the newfound knowledge of the horrors hidden deep within Biotech's walls sends Merrin back to recover a secret formula that could ruin the Supers' world forever—and might just save the lives of the Biotech victims spiraling out of control. Elias' sisters are counted among the victims of Fisk's experiments, and if Elias can't find and help them, their powers will destroy them--sooner rather than later. Returning to the place it all began terrifies him, but with Fisk ready to make an example out of Merrin, and his sisters' lives --and the lives of all Supers--hanging in the balance, he might not have a choice. If he can't find the courage to face his worst fears, Elias might lose more than his newfound powers. He might lose everyone he loves. Explores what sex means as part of a loving relationship, and how partners can experience it to its full potential. Take advantage of your existing JavaScript and HTML skills to build apps for Windows 8.1 and add them to the Windows Store.
