Grooming Manual for the Dog and Cat Jan 28 2023 One of the responsibilities of every dog or cat owner is that of coat care. There are many and varied coat types and there is a vast difference between the time it takes to groom a Doberman and an Old English Sheepdog, a Siamese and a Persian cat. This book provides much needed guidance for groomers, breeders and owners. It will be invaluable for those taking the City and Guilds 775 Grooming exam and animal care students of all levels. Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling.

Nebelung Cats. Nebelung Cat Owners Manual. Nebelung Cat Care, Personality, Grooming, Health, Training, Costs and Feeding All Included. Feb 02 2021 The Nebelung cat is playful, lively and a highly intelligent cat. Everything you need to know about keeping the Nebelung Cat as a pet is in this book. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Nebelung Cats care, personality, grooming, health, training, costs and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Nebelung Cat as pets, a must have guide for anybody passionate about Nebelung Cats. Elliott Lang says: I have always been in the company of animals. That is the one thing I am most thankful for. My lovely pets have always been around to provide unconditional affection and love when I needed it the most. My father was instrumental in making me grow fond of animals. He always kept me around animals. My family have always been hands on with the pets in the household. Whether it was bathing, feeding or taking care of these animals, my family ensured that the animals got the best of everything. These animals were the centre of all our activities. There was not a single day that did not begin with a discussion about these pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats. Covered in this book: - History & origin - Pros and Cons - Appearance - Psychology - Preparing your home - Buying - Daily care - Feeding - Health - Costs ... and much more

Manual of Diagnostic Cytology of the Dog and Cat Dec 03 2020 Wish you could interpret cytological specimens in practice rather than paying a lab to do it for you? Want to provide your clients with a faster service? Manual of Diagnostic Cytology of the Dog and Cat is the ideal quick reference for the busy veterinarian in first opinion practice. It describes techniques for obtaining good quality cytological diagnostic specimens, and guides you through the interpretation of cytological findings. Complete Cat Care Manual Feb 26 2023 Covering everything cat owners need to know, this practical guide to looking after the most popular pet in the United States is the perfect reference for any cat lover. The Complete Cat Care Manual provides detailed information on the day-to-day care of kittens and adult cats, including feeding, training, handling, exercising, essential equipment, and grooming. Detailed chapters outline the reasons behind behavioral problems, such as eating houseplants and scratching furniture, and provide tips for changing unacceptable behavior. Health problems are completely detailed with anatomical diagrams, diagnostic charts, and illustrations that identify symptoms and treatments. Step-by-step instructions teach all the techniques needed to nurse a sick animal or administer emergency first aid. Hundreds of remarkable color photographs, specially commissioned for this book, detail every aspect of a cat's life. The material is based on extensive research. Dr. Bruce Fogle, a leading specialist in pet behavior, has observed hundreds of cats during his years as a veterinary surgeon. He identifies how cats communicate through posture, body language, facial expressions, "speaking" (meowing and hissing), and rituals like rubbing, swatting, and grooming. He discusses the differences between learned behavior and instinctual action, the importance of a cat's sensory perceptions like smell, touch, and sound—and when a cat's eccentricities are due to genetics or are merely a matter of individual temperament. Endorsed by the American Society for the Prevention of Cruelty to Animals.

Your Cat: The Owner's Manual Jul 22 2022 Dr. Marty Becker has become known as "America's Veterinarian" because of his educational and entertaining shows and columns. For more than ten years, Dr. Becker has been the popular veterinary contributor to ABC-TV's Good Morning America and is now a member of Core Team Oz on Dr. Mehmet Oz's show. Dr. Becker will help owners solve problems and enhance their bond with their cats through a tip-filled book on everything from finding the right cat to preventing health problems and bad behavior. He will start owners off on the right foot, whether they buy a kitten or adopt an older cat, showing them how to solve the most annoying behavior and cat-care problems--from scratching furniture to not using the litter-box. (Surprising fact: did you know that black cats shed more than light-colored cats?) And he advises owners how to make their own cat toys, and how to save money on medication, both traditional and alternative.

Cats Home Alone Jun 08 2021 There are around 10 million pet cats in the UK according to the PDSA, and while the majority of these come and go as they please, some owners - concerned about bird numbers, traffic accidents, cat fights and pet theft - decide to keep their animals indoors. These home alone cats need something to do, and this book helps you create fun activities, sleeping nests and dens to keep your pet stimulated, exercised and happy while you're out. Cat expert Heike Grotegut explains the basics of cat psychology and gives an insight to how these pets behave when they are alone. She then shows how to make your own cat toys and practical cat furniture to suit your pet's needs, and organise your home in a way that will be feline friendly. Packed full of ideas, tips and advice, the projects not only provide lots of fun for you and your cat, they are also incredibly cheap and easy to make.

Bengal Cats. Bengal Cat Owners Manual. Guide to Owning a Happy Bengal Cat. Mar 06 2021 A descendant of a regular domestic cat and the wild Asian Leopard cat, the Bengal breed of cat is one of the best breeds to keep as a pet. The fact that the breed has some level of wild blood does not in any way mean that it is wild. The modern Bengal cat turns out to have a sweet temperament while still maintaining the wild appearance of the Asian Leopard cat. Breeding programs in place have gone a long way in eliminating the wildness of the Asian Leopard cat, leading to development of a breed of cat similar to any other domestic cat, except for its unique characteristics. The large, muscular and attractive Bengal breed of cat is fast becoming very popular with cat lovers across the world. Its growing popularity definitely stems from the fact that it has a sweet temperament and is a very active breed. Apart from its affection and love for human company, this breed also has a very strong personality. Its love for water, which is indeed unique, continues to amaze those who own the cat for the first time. This is one breed of cat that suits almost everyone who loves cats because it bonds very well with all family members including children. The only category of people who may find this breed inappropriate are the elderly simply because of the cat's extreme level of activity. This book will teach you how to make your Bengal cat a happy cat.

BSAVA Manual of Feline Practice Nov 13 2021 This new addition to the BSAVA Foundation Manual series serves to provide an easily accessible source of practical advice on the management of common feline problems encountered in first-opinion practice. It begins with an introduction to important general issues in effective feline practice, including handling techniques, principles of examination and how to ensure a cat-friendly practice. Gold-standard preventive healthcare guidelines focusing on a life-stage approach and a discussion on therapeutics including antibiotic use, analgesia and anaesthesia follow. The main part of the Manual comprises problem-oriented sections that focus on the investigation and initial management of, first, emergencies and then other common presentations such as alopecia, polydipsia and seizures. The final systems-based section gives more detailed information on the management of the disorders commonly seen in general practice. The Manual gives enough information for any vet to deal very competently with commonly seen feline problems, also providing guidance on where to go for further information if required. Where appropriate, guidelines are also given for when referral should be considered, and for situations where financial limitations may exist. A unique feature of this Manual are the many 'Quick Reference Guides' (QRGs) provided throughout, which present practical techniques and treatments in easy-to-follow step-by-step guides, with clear colour photographs illustrating each step whenever possible. The international panel of authors were carefully chosen for their practical expertise and passion in different areas of feline practice. The practical and easy-to-follow advice provided in this Manual makes it essential reading for all new graduates and first-opinion vets who see feline cases, as well as veterinary students and veterinary nurses worldwide.
