**Coquillages et macchabées - Presqu'île de Gâvres** Jul 10 2021 Un tueur en série sévit à Gâvres. En congés à Gâvres, charmante presqu'île du sud Bretagne, le commissaire Loïc Garnier goûte un repos bien mérité auprès des siens, mais c'était sans compter avec un tueur en série qui vient lui gâcher sa villégiature et le narguer. Qui est ce psychopathe semblant assouvir dans le sang de ses victimes le désir d'une vengeance remontant à la Seconde Guerre Mondiale et qui terrorise la tranquillité d'honnêtes familles de la région de Lorient ? Le commissaire Garnier devra se dépêcher de le découvrir afin de pouvoir remettre en application son principe fétiche estival : Un : ne rien faire, Deux : ne rien faire, Trois : surtout ne rien faire ! Les vacances du commissaire Garnier vont être chamboulées, à son grand désarroi ! À PROPOS DE L'AUTEUR Né en 1966 à Rennes, Guénolé Troudet a passé sa jeunesse dans le Morbihan. Après avoir sillonné une grande partie de la France pour ses activités professionnelles, il s'est établi, avec son épouse et ses trois enfants, à Loudéac. Professionnel du transport, ses passions, outre son métier, sont axées sur les nouvelles technologies, la lecture et l'écriture de romans policiers. Pour Guénolé, l'adage « Fier d'être breton » n'est pas une légende.

**Suzuki GSX-R Performance Projects** Feb 14 2022 Suzuki's GSX-R series revolutionized the sport of motorcycling. While other manufacturers had dabbled with building high-performance motorcycles, the GSX-R series were the first motorcycles to bring state-of-the-art racing technology to the street. Suzuki's GSX-R is an icon, a modern day BSA Gold Star. It is a bike you can ride on the street or race at the track. The GSX-R is a bike ridden by champions and casual racers alike. This book provides the best single resource for improving the performance of these modern-day classics, whether for road use or for racing.

**The Last Kingpin** Feb 02 2021 From the emerging master of urban fiction comes another gritty, shockingly true-to-life suspense ride--a sweeping novel that takes readers from the streets of Harlem to the Brazilian jungle where the drug wars are being fought...to the death. THE LAST KINGPIN Meet Brian "Freeze" Carter. He's part pimp, part hustler. He drives a Bentley Continental T, which he can park anywhere he wants--because he owns the streets and demands respect. His bodyguards protect him at all costs...and live in fear of his wrath. Even the women who love him can't melt his heart. If only they could get deep into his soul, and pull him up from the underworld of the city's thriving drug industry, maybe Freeze could finally find a way to clean up his act--before it's too late... "A pure winner from cover to cover." --Courtney Carreras, YRB magazine But time is already running out. A Colombian drug cartel has plans in store for Freeze and his crew--and it's going to take a whole lot more than cold cash, hot girls, and a pump-action Maverick for Freeze to tame an unknown enemy that wants to do him in for good. ... "Relentless is very real." - -98.7 KISS FM

**Riding in the Zone** Dec 03 2020 Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

**Suzuki GSX-R** Dec 15 2021 The first GSX-R was created in 1985 as a groundbreaking departure from the ponderous sportbikes of the day. That revolutionary motorcycle took a time-honored racing credo to heart: light is right. (And another one: It can never be too fast.) Never before had the performance and design of a race bike been so faithfully carried over to the street. In the seven generations since, Suzuki has remained true to the concept of the original GSX-R: to build the most serious, track-worthy sportbike. What's more, the company's engineers have been relentless in their pursuit to refine and improve the bike.

**The Legal Files** Aug 30 2020 Among the many contributors to Sports Car Market over the years, few have amassed the devoted and loyal following that John Draneas has with his monthly column, Legal Files. Thanks to a sharp mind that can reduce the most complex legal issues to their most salient points, Draneas never fails to educate and entertain with his thoughtful prose. With his unique insights and perspectives on the hobby, The Best of Legal Files is an indispensable resource for collectors and enthusiasts to learn from the mistakes made by others.

Motorcycle:Definitive Visual Hist Feb 23 2020 Set your pulse racing with this stunning visual guide to over 1000 pin-up machines - iconic symbols of wanderlust, speed, and the open road. From Gottlieb Daimler's gas-powered "engine on a bicycle" which set fire to the seat on its first outing, to superbikes such as the Ducati 916, Motorcycle: The Definitive Visual History takes you on an enthralling tour of the bike's history. It shows you bikes that appeal to the head - practical forms of transport - and to the heart - a parade of classic pin-ups including cult machines such as the Honda RC30, the Triumph Bonneville, and the Harley-Davidson XR750. Motorcycle: The Definitive Visual History shows the brilliance and impracticality of different designs and features detailed cross-sections of engines such as the air-cooled two-stroke. It explains how the great marques such as the Royal Enfield, the "legendary" Indian Scout, Vespa, and Norton all became household names. Whether you are a hardcore enthusiast or looking forward to your first machine, this is one title you cannot be

without.
