The author is a former police chief and three-time Texas whistle-blower, he now owns a private investigations company. Bret Adams tells a story that is inspired by true events. The story reveals everything you ever wanted to know about police corruption in Texas. Adams was the class president and valedictorian at the police academy, and served in all most every Texas Law Enforcement capacity. Adams has filed whistle-blower type lawsuits against state law-enforcement agency administrators, police chiefs, law-enforcement organization leaders, sheriffs, dozens of police officers, multimillion dollar companies, city councilmen, and mayors. Adams ended a corrupt sheriffs career and exposed a huge cover-up in a famous whistle-blower law suit. The story also includes a unique look into the murder of a deputy sheriff and explores the possibility that the deputy was murdered by fellow officers. Also read how Adams exposed one the most flagrant and outrageous speed traps in Texas history. It does not stop there; in fact, the story details how Chief Adamss police department was disbanded by the mayor to obstruct an investigation into the mayors company which allegedly employed hundreds of illegal immigrants. Read how the mayors fifty million dollar a year company was suspected of bribing sheriffs, district attorneys, and a former United States Congressman. The story provides valuable information for protecting you and your family from police corruption. This story is also an absolute must for the policeman hopeful, as it will give the new officer essential knowledge going into their career. From speeding ticket quotas and racial profiling to one of the most corrupt towns in Texas, all the way up to murder, this story will finally reveal the other side of the blue line and what goes on outside the public eye. Through stories and lessons from managers, you'll discover how to handle a variety of situations--Cover p. [4]. [The Ugly Truth- Sequel to The Reunion](#)-Jon Ross and Trae Ambrose shared a secret kiss behind the high-school at sixteen. But it wasn't until twenty years later, after Jon

had moved to LA and started acting for a living, and Trae remained in Miami, where he worked as an attorney, that they reunited on a luxury cruise to the Baltic countries. The meeting on the cruise ship's running deck would have been perfect, if it hadn't been for one minor detail. Trae Ambrose had gotten married, yet his newlywed wife refused to come on the trip with him. The two men begin a clandestine affair onboard, using a book in the ship's library to exchange notes, and meet up secretly. But once the trip ended, Jon assumed he would be as heartbroken as he was after that first kiss. One thing neither man could anticipate, was Nadine, the 'sweet wife' Trae had married, was not who she said she was. Not by a long shot. As Trae arrives home after two weeks away, he finds what he had left behind in utter chaos. Then the ugly truth about the woman Trae had married begins to unravel. Without Jon's love and support, Trae's world would have crashed down on him. But the two young men who had stolen each other's hearts decades ago, now became an inseparable couple. And there was nothing 'ugly' about that truth. Thousands of kids around the world will either receive failing grades or drop out of school. Don't become a statistic learn about the ugly truth and how it can affect your life. Read this book and help the children and ourselves become better students, teachers, parents and people for our future. This book is my testimony; it was written to honor all the people who had helped me through all my life struggles. I have been blessed beyond measure. I didn't realize how far I had come in life until I started writing and documenting things that were of the most importance to me. My story is not really a typical story; however, I do strongly believe that a lot of people can relate to it. Most people can probably say that they have that first love that broke their heart in pieces, that true best friend who's going to rock with on every level. Everyone has made mistakes and has made bad decisions and has been in situations that have caused them to do things that they are not particularly proud of. Life doesn't come with a list of instructions or a guide to help you along the way. You just have to roll with the punches, dust yourself off, and keep trying until you get it right. I have had so many people come and go in my life, and I can honestly say that I have learned so many lessons on the way through all that laughter and tears from that heartache and pain. So now I can truly say that I am proud to celebrate the good and the bad. My mom and brother have been my constant support through it all. I have used this book as a therapeutic measure to help me cope and let go of a lot of my anger and frustration because I have come to an understanding that those grudges have been stopping my blessings. I have learned to work through my issues and move on. It wasn't easy, but through my faith in God, I was able to find my peace. Greg Heffley has always been in a hurry to grow up. But is getting older really all it's cracked up to be? Greg suddenly finds himself dealing with the pressures of boy-girl

parties, increased responsibilities, and even the awkward changes that come with getting older - all without his best friend, Rowley, at his side. Can Greg make it through on his own? Or will he have to face the 'ugly truth'? At first, the two have a rocky relationship; Abby thinks Mike is crass and disgusting while Mike finds her to be naive and a control freak. Nevertheless, when she meets the man of her dreams, a doctor named Colin (Eric Winter) living next to her, Mike convinces her that by following his advice she will improve her chances with Colin. Abby is skeptical, but they make a deal: If Mike's management of her courtship results in her landing Colin, proving his theories on relationships, she will work happily and peacefully with him, but if Mike fails, he agrees to leave her show. Extracts from Erin Pizzey's Foreword: 'Mike Buchanan is a very brave man. I've known other men who've tried to draw the public's attention to the damage done by the radical feminist movement. Many lost their jobs and none of them were able to find a publisher for their books. Men have been thrown out of their own houses and unjustly accused of domestic violence towards their partners, and some of sexually abusing their children. The legitimate interests of men in Western society are being systematically assaulted by radical feminists and this book goes a long way to providing the evidence. Men are starting to campaign more effectively for their interests, though they have a long way to go before they halt the tide of radical feminist influence, let alone start to reverse it. Feminists can also expect more challenging from another quarter. An increasing number of women are summoning up the courage to openly criticise them. This shouldn't surprise us, given that the vast majority of women don't share the radical feminists' political ideology. With every year that passes more women become aware of the damage man-hating and family-hating radical feminists wreak on society in general, and women's interests in particular. These women are becoming more vocal, and their number is on the rise... How much more damage will feminists be allowed to wreak before they're more widely recognised as the evil women they are?' This book provides long-awaited answers to over 50 of the most challenging questions in the modern era including: 1. Are you a misogynist if you only hate feminists? 2. What is feminism in the modern era? 3. How do radical feminists view the world? 4. Are feminists less intelligent than normal women? 5. Are feminists less attractive than normal women? 6. Do feminists suffer from PPS (Permanent Premenstrual Syndrome)? 7. Why do feminists deny the different natures of men and women? 8. Why must taxpayers stop financing Women's Studies and Gender Studies courses? 9. What are the big fat feminist fantasies, lies, delusions and myths? 10. Are feminists delusional? Is the pope a Catholic? Do bears crap in woods? 11. How are feminists killing men and women? 12. Are some feminists (e.g. Tracey Emin) a pain in the arts? The book contains an appendix of

quotations and ends with a sample chapter titled 'Would you like to have sex with my wife?' from Mike Buchanan's international bestseller 'Two Men in a Car (a businessman, a chauffeur, and their holidays in France)'. It also contains the plate section from the book (16 photographs). There's been a shocking double murder in Tuttle Corner, Virginia, involving high-profile players from Washington D.C. This brings national attention—and big-city competition for the story—to junior reporter Riley Ellison's little corner of the world. Beloved café owner Rosalee is the prime suspect in the violent crimes, but she insists on her innocence. In exchange for protection, Rosalee gives Riley and her fellow reporter Holman exclusive information that incriminates a powerful person. Meanwhile, Personal Romance Concierge™ Regina H. is back, offering once-again-single Riley not just online dating expertise but also a new subscription self-care service that promises such benefits as "the sensation of emotional bravery on a micromolecular level." Riley and Holman eventually begin to wonder if Rosalee is telling the truth. They head down separate investigative paths until one of them finds the truth... and one of them finds the killer. This third installment in the Riley Ellison mystery series is rich with all the suspense, humor, small-town charm, and captivating characters that made the first two books a hit with critics and fans alike.

nurse on the frontline story  
From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Removing the Mask: The Ugly Truth About Pretty Girls is a captivating story told through the lives of three very interesting women that explore issues such as the reasons why men cheat, why some women find the strength to leave toxic relationships while others stay, the struggles of breaking soul-ties, and how to find healing from emotional wounds. The primary characters- Sylvia Morgan, Kayla Hunter, and Adrienne Fox have their own unique stories to tell. Each living seemingly worlds apart, separated by class and culture, but all affected by one common denominator...trauma. Their unique struggles become the catalyst that prompts them to engage in deep soul-searching in order to explore who they really are, what they truly believe, and the action steps that they should take because they believe it. Melanie Lange has disappeared. Her father, Sir Peter Lange, says she is a danger to herself and has been admitted to a private mental health clinic. Her

ex-husband Finn and best friend Nell say she has been kidnapped. The media will say whichever gets them the most views. But whose side are you on? #FreeMelanie #HelpPeter

Compelling, shocking and original, *THE UGLY TRUTH* explores the influence of the press and social media on public opinion and in private lives. It reminds us of the people behind the headlines, and how difficult it can be to separate fact from fiction. *Spa Wars* was featured in the *New York Times*, *Time Out New York* and *American Spa Magazine*! What really happens when the spa door closes, the shades shut, and the staff thinks no one is looking? In *Spa Wars: The Ugly Truth about the Beauty Industry*, seasoned esthetician Lora Condon provides a behind-the-scenes glimpse into the beauty industry while sharing her personal experiences working in day spas, at cosmetic counters, and as a freelance makeup artist. Lora Condon has been a licensed esthetician for over ten years. Through mouth-dropping, laugh-out-loud personal anecdotes, she reveals all the dirty secrets of the spa and cosmetic and beauty industries. As she uncovers common lies and myths propagated by cosmetic companies, advertisers, and magazines, Condon also addresses common questions and complaints about beauty issues, provides easy-to-apply tips and tricks such as how to keep skin looking young and fresh, and shares her favorite beauty and health items as well as the best therapists, treatments, and organizations. *Spa Wars* uncovers the ugly truths of a fascinating industry for anyone who has ever wondered what their bikini waxer is really thinking while ripping out their hair. Proving that if anything is worse than a lie, it is an ugly truth, this guide shows second wives how they can empower themselves by understanding how not to live the most bitter lie of all: that there is no difference between being the first and second wife. Stripping away the powerless feeling that comes from trying to live such a life, the lessons here reveal many of the situations that trip up second wives. These scenarios and truths are also explained in a candid and often tongue-in-cheek manner, making them easier to swallow during tough times. Jon Ross and Trae Ambrose shared a secret kiss behind the high-school at sixteen. But it wasn't until twenty years later, after Jon had moved to LA and started acting for a living, and Trae remained in Miami, where he worked as an attorney, that they reunited on a luxury cruise to the Baltic countries. The meeting on the cruise ship's running deck would have been perfect, if it hadn't been for one minor detail. Trae Ambrose had gotten married, yet his newlywed wife refused to come on the trip with him. The two men begin a clandestine affair onboard, using a book in the ship's library to exchange notes, and meet up secretly. But once the trip ended, Jon assumed he would be as heartbroken as he was after that first kiss. One thing neither man could anticipate, was Nadine, the 'sweet wife' Trae had married, was not who she said she was. Not by a long shot. As Trae arrives home after two weeks away, he finds what he had left behind in utter chaos. Then the ugly truth about the woman Trae had married begins to unravel. Without Jon's love and support, Trae's world would have crashed down on him. But the two young men who had stolen each other's hearts decades ago, now became an

inseparable couple. And there was nothing 'ugly' about that truth. This collection of Betty and Veronica adventures include *BATTER UP*, *A FISHY LICENSE*, and *THE UGLY TRUTH*. The US leads the world in many ways, including the amount of waste we produce. Although we constitute less than 5 percent of the world's population, we use up to 30 percent of the world's resources, and per capita we generate the most trash. *Throwaway Nation* illuminates the problem and suggests ways we can mitigate this environmental disaster. *JUSTINE AND THE UGLY TRUTH* carries the reader through six months of the life of Antigua-born, North Carolina journalist, Justine Ambrose. As she nears her fiftieth birthday, she realizes the need for greater spiritual growth and emotional stability. Written in first person, using wit, intellect, and a sprinkle of patois, Justine shares the story of her struggle with the seven deadly sins; lust, pride and jealousy taking center stage. Single life, weight issues, fear, and low self-esteem all feed into her daily battle, as she also tries to make sense of racism, homosexuality, gender inequality, and other social concerns. Justine stumbles her way toward personal maturity, rationalizing her weaknesses, and explaining away her faults with sugarcoated confession, finally coming to grips with the hard facts about her sins and her stubborn ways. Although painfully difficult, she reaches a place of full disclosure, understanding that in order to be hopeful about her future, she must be truthful about her past. In the midseventies, Sarnel had a brush with death and vowed whatever put him on that stretcher, he would whip-and omen in disguise! In one year, he lost all his weight, quit smoking, and became a social drinker. After that experience, Sarnel decided to write a book on health and happiness. The only clue he had was the cryptic phrase: I know it is wrong for me, but I am doing it anyway. After speaking to over thirty thousand customers about their eating, drinking, and smoking prob Includes real-world solutions to help parents of the "Me Generation" equip their offspring with the tools they need to avoid falling into the traps that society sets for them. God's people don't know what to do with evil and wickedness everywhere you turn. Exposing the Ugly Truth is based on my own life experiences, living on this earth, dealing with the daily battles to the mind, body, spirit, and soul. The stories in this book will provide you the encouragement needed to tackle the negative forces that will come your way. Action is needed to stand up and stand firm on behalf of the Kingdom of the Light. Taking care of yourself must be a top priority. Feel better, look better, feel stronger, standing firm, confidence has increased, all is well, these are the many attributes you will discover after reading and applying the many biblical principles and famous quotes, this book will provide. Applying the daily words of wisdom to your everyday life will create a new you. No more mysteries about why are ugly things happening to God's people. Shining the light on the works of darkness will set you free. Finally a better and clearer understanding of the negative activities going on in our daily lives. Because we are the image of our Father in heaven, then we are to be treated with proper respect and honor. Now is the time to begin the journey to release the mysteries of

Exposing the Ugly Truth. One of the Best Technology Books of 2020—Financial Times “Levy’s all-access Facebook reflects the reputational swan dive of its subject. . . . The result is evenhanded and devastating.”—San Francisco Chronicle “[Levy’s] evenhanded conclusions are still damning.”—Reason “[He] doesn’t shy from asking the tough questions.”—The Washington Post “Reminds you the HBO show Silicon Valley did not have to reach far for its satire.”—NPR.org The definitive history, packed with untold stories, of one of America’s most controversial and powerful companies: Facebook As a college sophomore, Mark Zuckerberg created a simple website to serve as a campus social network. Today, Facebook is nearly unrecognizable from its first, modest iteration. In light of recent controversies surrounding election-influencing “fake news” accounts, the handling of its users’ personal data, and growing discontent with the actions of its founder and CEO—who has enormous power over what the world sees and says—never has a company been more central to the national conversation. Millions of words have been written about Facebook, but no one has told the complete story, documenting its ascendancy and missteps. There is no denying the power and omnipresence of Facebook in American daily life, or the imperative of this book to document the unchecked power and shocking techniques of the company, from growing at all costs to outmaneuvering its biggest rivals to acquire WhatsApp and Instagram, to developing a platform so addictive even some of its own are now beginning to realize its dangers. Based on hundreds of interviews from inside and outside Facebook, Levy’s sweeping narrative of incredible entrepreneurial success and failure digs deep into the whole story of the company that has changed the world and reaped the consequences. Ugly as sin, the ugly duckling—or maybe you fell out of the ugly tree? Let’s face it, we’ve all used the word “ugly” to describe someone we’ve seen—hopefully just in our private thoughts—but have we ever considered how slippery the term can be, indicating anything from the slightly unsightly to the downright revolting? What really lurks behind this most favored insult? In this actually beautiful book, Gretchen E. Henderson casts an unfazed gaze at ugliness, tracing its long-standing grasp on our cultural imagination and highlighting all the peculiar ways it has attracted us to its repulsion. Henderson explores the ways we have perceived ugliness throughout history, from ancient Roman feasts to medieval grotesque gargoyles, from Mary Shelley’s Frankenstein to the Nazi Exhibition of Degenerate Art. Covering literature, art, music, and even the cutest possible incarnation of the term—Uglydolls—she reveals how ugliness has long posed a challenge to aesthetics and taste. She moves beyond the traditional philosophic argument that simply places ugliness in opposition to beauty in order to dismantle just what we mean when we say “ugly.” Following ugly things wherever they have trod, she traverses continents and centuries to delineate the changing map of ugliness and the profound effects it has had on the public imagination, littering her path with one fascinating tidbit after another. Lovingly illustrated with the

foulest images from art, history, and culture, Ugliness offers an oddly refreshing perspective, going past the surface to ask what “ugly” truly is, even as its meaning continues to shift. Born and raised in Los Angeles California, author Robert Randolph focuses on the true stories that he has lived and that have been shared with him as well. All books by Randolph are POLYGRAPH TESTED READING MATERIAL 100% TRUE CERTIFIED SHOCKING. The author of the highly acclaimed scandal igniting “You’ll Never Spa in This Town Again” known for creating scandal across the globe with his books that go the extra mile to prove to you that you are reading NON-FICTION and though Mr. Randolph’s books have a no holds barred approach...he has a way of making you feel as though you are there while these stories unfold in their never before told truths. Sit back and enjoy the ride, or maybe roller coaster would be a better word. An EXCLUSIVE look into the (private practices) of the top DOCTORS TO THE STARS. The author shares in his latest memoir private details into his personal relationships with the most sought after doctors in the world. When your are done reading this book you can decide for yourself which of the DOCTORS TO THE STARS is for you! Going through a breakup? You need this book. Having major frustration in an important relationship? This book will help you go through the ugly truth in your life and come out the other side in better shape. Before we can appreciate what we like about our life, we have to “dump” the pain of anger, sadness, fear, and exhaustion. Buy this book for yourself or a friend in need. Dear Indie Author, Forget everything you think you know about writing and self-publishing. Chances are it’s complete bullshit. Nowadays there are literally hundreds of thousands of people who dream of being a professional writer. And thanks to self-publishing and print-on-demand, there’s nothing stopping you or anyone else from publishing whatever you want. Even if it’s complete crap. The result? Every year, millions of shitty books get self-published. Books that should have never been published in the first place, because they are so bad, nobody wants to read them. While you’re reading this little book, one of two things is likely gonna happen: Either you totally hate this book, because you feel what I’m saying is stepping on your toes and you may feel personally attacked. Or you wholeheartedly agree with this book, because you’re one of the few good indie authors who actually have talent. But even if you hate every word I say, you probably should take the time to read this book anyway, because you’ll learn a few very important things. I promise to keep it short. Oliver A Baseball Love Story is a fast-paced, humorous, dramatic novel, written in a down-to-earth style. It appeals to adults and young adults of all walks of life. People like it. We think you will like it. We think you will take away a few ideas that will help you in your life. There is a famous quote which says, “The truth will set you free!” The word truth connects with other words such as ‘fact’ or ‘reality.’ However, what do you do when your facts and past reality are ugly? Do you welcome the truth for freedom sake or do you embrace spirit binding words like secret, hidden, or lies? Our ‘Ugly Truth’ is what shapes us and can work to our detriment or for our good. In this memoir, Jillian Coburn

shares her riveting story through the journey of abuse, addiction, and her quest to freedom, self-love, and wholeness. A balance between a powerful story and tools to break the chains that bind many, My Ugly Truth: Life Beyond Abuse aims to spark the conversations and support that will heal families from addiction and abuse. While trying to find a new best friend after feuding with Rowley, middle-school slacker Greg Heffley is warned by older family members that adolescence is a time to act more responsibly and to think seriously about his future. An illustrated guide to the dismal reality of space travel with drawings of creepy aliens and exotic spaceships especially created by Don Moyer--Mr. Calamityware. What do you do when secrets and brokenness in your marriage are being exposed and your spouse is the pastor?More and more, we are hearing of pastors and their marriages crumbling under the weight of deception stemming from betrayal and secrets kept. Once secrets are exposed, we begin to question what we believed about the pastor, the marriage, about God and the people who surrounded us. We even question our own intuition as our heart shatters. It is a season when there are more questions than answers.This is a pastor wife's candid journey through the recovery of a marriage and a ministry broken by secrets, betrayal, and pornography. You are not alone. Statistics say over 21 million women suffer from betrayal trauma linked to infidelity. And an estimated 40 million Americans regularly visit internet pornography sites on a regular basis. Pastors and their wives are not immune to this forceful lure.But hope is available. Recovery is possible. Gwen invites you into her journey of faith, personal experience and vulnerability in hopes to encourage others that God is still good. He is in your pain. And He still has a plan. The Beautiful Ugly Truth was written for pastors and their families. It was written for couples who serve in ministry and it was also written for any marriages in need of hope during betrayal.You will learn how to....Recover your lifeRebuild your identityReconnect with your spouse after betrayalOur brokenness and what seemed to be the death of our marriage was really the birthing of something new.Connect with us at reconnectinglives.org and thebeautifuluglytruth.org Finding the truth Abuse knows no limit, no age, no ethnicity, no social standing, and no color. Abuse is everywhere, and everyone has had it sometime in their life. Signs of abuse are not just physical, but are also emotional and psychological. Many don't realize that they have been abused, but they have issues. This is why I wrote this book for you. Unsuspecting victims, there is someone watching out for you, and you can get away from your abusers. New beginnings are at your fingertips. Getting to the heart of your problems can open your eyes to a better life. No one should be abused. Thousands of kids around the world will either receive failing grades or drop out of school. Dont become a statistic learn about the ugly truth and how it can affect your life. Read this book and help the children and ourselves become better students, teachers, parents and people for our future. If faced with perpetuating the perfect lie or confessing the ugly truth, which would you choose? Seth

Peters has been angry for a long time. Living with an abusive, alcoholic father has that effect. When he wakes up in a hospital - outside of his body - due to an accident that he doesn't remember, Seth is no longer angry; he's terrified. As his memories begin to return, he is confronted with a legacy of lies he's constructed to survive the pain of his own life. Realizing he's no different than the man he's loathed his whole life, Seth learns that his choices have set into motion far-reaching and terrible consequences. Challenged with wallowing in the pain or confronting his fears and admitting to the ugly truth about himself, Seth must decide if facing what he fears most to save his friend's life is worth the risk of losing his own. Secrets. Everybody has them. We can choose to disclose them to intimate friends or we can bury them...deeply in our graves of shame; in the innermost alcoves of our consciousness, not recognizing that they have rooted themselves so far into our essence, that if unchecked, become the insidious driving force that shapes every life decision. In "My Pretty...and Its Ugly Truth" De'Vonna Bentley-Pittman reveals her very personal and raw experiences of being a very pretty girl plagued by sexual abuse, rape, unhealthy relationships and the effects of growing up in poverty. Her coming-of-age journey from a misused "product of the streets" to an empowered advocate for those, particularly young women, who feel powerless due to years of abuse, is a fascinating one. Like so many others, she grew up in a single-parent household with a mother who worked hard to provide for her children. The "streets" called her away from home, and she was led into a tangled web of promiscuity - unhealthy relationships, drugs, pregnancy, and almost selling her very soul. In spite of everything she lost, she never lost the one thing that would propel her forward -- hope. As a speaker, teacher, writer, and editor, who constantly looks for ways to inspire others, I find "My Pretty...and Its Ugly Truth" to be that kind of inspiration. I laughed, I cried, I winced, I gasped, I sighed...and now I salute De'Vonna Bentley-Pittman. She is the voice today for victims of sexual abuse careening down a desperate and confused path. She is that Moses, that Harriet Tubman of our time that can and will lead others to a promised land of hope, and to their very own beautiful truth. - Menia Buckner The pages in the book take you on a reflective journey of your life while absorbing the words written. A controversial view on Live Identity Finance and the Emotions created during the processes of life. We are all unique and yet somehow insist on conforming to the beliefs of others. Life is about preventing yourself from waking up in someone else's dream. A guide to touch on the topics less spoken of and the introduction to a series of books to follow. Dealing with Growing up issues to marriage, parenting, separation, and grief. They will include a detailed exposé on the everyday unimaginable situation not spoken about in fear of taking away someone else's financial gains. You can begin to advocate for your own LIFE, with the right resources and confidence. INSTANT NEW YORK TIMES BESTSELLER // WINNER OF THE SABEW

BEST IN BUSINESS AWARD A Book of the Year: Fortune, Foreign Affairs, The Times (London), Cosmopolitan, TechCrunch, WIRED "The ultimate takedown." - New York Times Book Review Award-winning New York Times reporters Sheera Frenkel and Cecilia Kang unveil the tech story of our times in a riveting, behind-the-scenes exposé that offers the definitive account of Facebook's fall from grace. Once one of Silicon Valley's greatest success stories, Facebook has been under constant fire for the past five years, roiled by controversies and crises. It turns out that while the tech giant was connecting the world, they were also mishandling users' data, spreading fake news, and amplifying dangerous, polarizing hate speech. The company, many said, had simply lost its way. But the truth is far more complex. Leadership decisions enabled, and then attempted to deflect attention from, the crises. Time after time, Facebook's engineers were instructed to create tools that encouraged people to spend as much time on the platform as possible, even as those same tools boosted inflammatory rhetoric, conspiracy theories, and partisan filter bubbles. And while consumers and lawmakers focused their outrage on privacy breaches and misinformation, Facebook solidified its role as the world's most voracious data-mining machine, posting record profits, and shoring up its dominance via aggressive lobbying efforts. Drawing on their unrivaled sources, Sheera Frenkel and Cecilia Kang take readers inside the complex court politics, alliances and rivalries within the company to shine a light on the fatal cracks in the architecture of the tech behemoth. Their explosive, exclusive reporting led them to a shocking conclusion: The missteps of the last five years were not an anomaly but an inevitability—this is how Facebook was built to perform. In a period of great upheaval, growth has remained the one constant under the leadership of Mark Zuckerberg and Sheryl Sandberg. Both have been held up as archetypes of uniquely 21st century executives—he the tech "boy genius" turned billionaire, she the ultimate woman in business, an inspiration to millions through her books and speeches. But sealed off in tight circles of advisers and hobbled by their own ambition and hubris, each has stood by as their technology is coopted by hate-mongers, criminals and corrupt political regimes across the globe, with devastating consequences. In An Ugly Truth, they are at last held accountable. We all know the popular phrase, "The struggle is real." I know it all too well. An addicted mother, a father that gives you up at every turn, to suffering from depression, and suicidal thoughts. Let the talkers tell it, I was not supposed to amount to anything other than what society defines as a statistic. God had a plan that carried me to the other side so that I could be here to tell my story. Jesus is inserted all up in here; but don't expect it to be watered down. I was imperative to paint a picture of my worst to show you the magnitude of the Lord. Get your ginger ale, kick up your feet, pull distractions to the side; get ready to laugh, cry, and reflect as I take you on a ride. Watch the statistics be overshadowed by victory!

Yeah, reviewing a ebook **Texas Cops Exposed The Ugly Truth They Dont Want You To Know** could increase your near connections listings. This is just one of the solutions for you to be successful. As understood, completion does not suggest that you have extraordinary points.
