Modoc Aug 10 2021 "Once I started this incomparable story, I couldn't put it down, and I cannot get it out of my mind—nor will I ever. The message of what can be accomplished by training through affection and joy will thrill all animal lovers." —Betty White A captivating true story of loyalty, friendship, and high adventure that spans several decades and three continents, *Modoc* is one of the most remarkable true stories ever told, perfect for fans of *The Zookeeper's Wife* or *Water for Elephants*. Raised together in a small German circus town, a boy and an elephant formed a bond that would last their entire lives, and would be tested time and again: through a near-fatal shipwreck in the Indian Ocean, an apprenticeship with the legendary Mahout elephant trainers in the Indian teak forests, and their eventual rise to circus stardom in 1940s New York City. As the *African Sun-Times* put it, *Modoc* is "heartwarming. . . probably the greatest love story ever told."

Theirs was a marriage full of friendship, betrayal, doubts, understanding, challenges, and deep, complicated, lifelong passion. The couple's New York parties were legendary, and their social circle included such luminaries as Jacqueline Kennedy, Truman Capote, and Gore Vidal. Complete with the couple's intimate letters, this candid and unforgettable memoir is a great American love story.

***The Floating Circus* Feb 16 2022** In 1852 Ohio, twelve-year-old Owen steals aboard a floating circus called the River Palace, with nothing more in mind than catching a little of the show. But then a free black man named Solomon offers to take him on as an assistant animal keeper, and Owen discovers a family among the ragtag members of the

circus-including a young elephant named Little Bet. A brush with yellow fever in New Orleans and a devastating storm threaten the boat and its crew. But it's the menace of slave catchers that poses the greatest danger of all, and that will put Owen's loyalty to Solomon and Little Bet to the test. This is a memorable tale of prejudice, race, and the relationships that transcend them. Inspired by the riverboat circuses of the nineteenth century, it also brings little known historical facts to life. If you see a poster that says "You Can Do Anything at the Library!", it is NOT giving you permission to put on a circus! But Magnolia doesn't see any problem with setting up her own big top. She's got a lot of gusto and one mean human cannonball routine. So what if her greatest show on Earth won't fit between the bookshelves?
