Pirates of the Storm Dec 15 2021 Welcome to the *Beginning of the Stranded In Time Series*! Jeff Greene is enjoying his vacation on the Western Caribbean island of Roatan when a freak storm transports him back in time to the 17th century. Jeff takes up with a band of pirates led by the infamous Captain John Coxen as he searches for a way back to his own time. Part *Pirates of the Caribbean* and part history-based time travel science fiction, the story takes the reader on a roller-coaster ride of high-seas adventure, bloody swashbuckling, secret romance, and mysterious forces of nature. The book has something for everyone - at least everyone who likes a good pirate story (that's everyone, right?). There are battles at sea, sword fights, gun fights, fist fights, pirate talk (yar!), treasure, lusty pirate wenches, sex, drunken debauchery, sharks, exotic locales, and even a bit of pirate captain wisdom. Parents are advised that this book contains depictions of violence and sexuality and contains some profanity. While not overly explicit, it is not intended for young children. At the least, this book would probably be considered

"PG-13" material and at times may lapse into an "aaaahhRR" rating! Prepare to set sail with Jeff Greene and the crew of the Wandering Wench and get started reading *Pirates Of The Storm* now!

*The Sword of Cortes* Feb 14 2022 Jack Sparrow has now gotten everything that he needs in order to use the all-powerful Sword of Cortâes, but he must still figure out how to master the Sword, get rid of the ghost of its former owner, and save his stranded crew.

*Bad Pirate* Dec 03 2020 Barnacle Garrick is bold and saucy and selfish. And for a pirate captain, that's good, very good. And his crew are all scurvy sea dogs—selfish down to the last fleabitten scuttle-butt. And that's good too. But Augusta Garrick is shy, polite, and selfless. For a pirate, that's bad, very bad. Despite her father's horrible example, the sea pup can't stop helping out. It just might take one terrible storm, a ripped sail, a missing peg leg and a panicked crew before Augusta can prove that being selfless is a bold and saucy move after all. And that's good, very good indeed. A rollicking tale peppered with pirate talk, Kari-Lynn Winters' *Bad Pirate* is a story about being true to yourself, even if it means you must go against the pack. Dean Griffiths' artwork glows with rich colours, fine detail and spot-on doggie characters. A scurvy delight. For landlubbers, the endpaper design includes a glossary of pirate and sailing terms.

*Planet Storm* Nov 13 2021 Book Delisted
