THE STRUGGLE IS REAL Seriously, can you not though? Life is hard, everyone sucks, blah blah blah. Swearing (and drinking) helps, and so does this book, a charming collection of illustrations that actually say what most of us think every day—so freaking over it. From the line of succession to the Queen's corgis, this charming book is a perfect primer on the fascinating world of British royalty. Full of fun facts and surprising stories to delight longtime enthusiasts and new fans alike, *This Is a Book for People Who Love the Royals* digs into all of the aspects of everyone's favorite monarchy. Uncover the history of British royalty and answers to common questions -- like how royal titles work, who is in the line of succession, and why the guards at Buckingham Palace never smile -- as well as deep dives into fashion, jewelry, and other palace perks. Profiles of popular family members, including Her Majesty Queen Elizabeth II, Princess Diana, Prince William and Kate Middleton, and more, add personality to this irresistible celebration of the crown. **Handbook of Graphs and Networks in People Analytics: With Examples in R and Python** covers the theory and practical implementation of graph methods in R and Python for the analysis of people and organizational networks. Starting with an overview of the origins of graph theory and its current applications in the social sciences, the book proceeds to give in-depth technical instruction on how to construct and store graphs from data, how to visualize those graphs compellingly and how to convert common data structures into graph-friendly form. The book explores critical elements of network analysis in detail, including the measurement of distance and centrality, the detection of communities and cliques, and the analysis of assortativity and similarity. An extension chapter offers an introduction to graph database technologies. Real data sets from various research contexts are used for both instruction and for end of chapter practice exercises and a final chapter contains data sets and exercises ideal for larger personal or group projects of varying difficulty level. Key features: Immediately implementable code, with extensive and varied illustrations of graph variants and layouts. Examples and exercises across a variety of real-life contexts including business, politics, education, social media and crime investigation. Dedicated chapter on graph visualization methods. Practical walkthroughs of common methodological uses: finding influential actors in groups, discovering hidden community structures, facilitating diverse interaction in organizations, detecting political alignment, determining what influences connection and attachment. Various downloadable data sets for use both in class and individual learning projects. Final chapter

dedicated to individual or group project examples. A USA TODAY BESTSELLER! The cozy comedy of Joe Pera meets the darkly playful illustrations of Joe Bennett in *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape*, a funny, warm, and sincere guide to regaining calm and confidence when you're hiding in the bathroom. "Nothing says 'class' to your dinner guests more than a Joe Pera book next to the can." —Seth Meyers Joe Pera goes to the bathroom a lot. And his friend, Joe Bennett, does too. They both have small bladders but more often it's just to get a moment of quiet, a break from work, or because it's the only way they know how to politely end conversations. So they created a functional meditative guide to help people who suffer from social anxiety and deal with it in this very particular way. Although, it's a comedic book, the goal is to help these readers: 1. Relax 2. Recharge 3. Rejoin the world outside of the bathroom It's also fun entertainment for people simply hiding in the bathroom to avoid doing work. *A Bathroom Book for People Not Pooping or Peeing But Using the Bathroom as an Escape* will be waiting in the bathroom like a beacon for anxious readers looking to feel calm, confident, and less alone. "Nothing says 'class' to your dinner guests more than a Joe Pera book next to the can." —Seth Meyers "A beautiful and funny book about something I have done all my life. Thank you, Mr. Joseph Pera." —Aidy Bryant At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. "An irresistible queer romance." —Publishers Weekly, starred review It's not long before their pet-centric arrangement sparks a person-centric desire... Simon Burke has always preferred animals to people. When the countdown to adopting his own dog is unexpectedly put on hold, Simon turns to the PetShare app to find the fluffy TLC he's been missing. Meeting a grumpy children's book illustrator who needs a dog walker isn't easy for the man whose persistent anxiety has colored his whole life, but Jack Matheson's menagerie is just what Simon needs. Four dogs, three cats and counting. Jack's pack of rescue pets is the only company he needs. But when a bad fall leaves him with a broken leg, Jack is forced to admit he needs help. That the help comes in the form of the most beautiful man he's ever seen is a complicated, glorious surprise. Being with Jack—talking, walking, making out—is a game changer for Simon. And Simon's company certainly...eases the pain of recovery for Jack. But making a real relationship work once Jack's cast comes off will mean compromise, understanding and lots of love. *Carina Adores* is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters. *Garnet Run Book 1: Better Than People* *Book 2: Best Laid Plans* *Book 3: The Lights on Knockbridge Lane* *This new Saint Joseph People's Prayer Book* by Catholic, Book Publishing has everything you need for prayer. The, most comprehensive prayer book, the *Saint Joseph, People's Prayer Book* is literally an encyclopedia of, prayer. Edited by Francis Evans, the new Saint, *Joseph People's Prayer Book* draws prayers from a wide, variety of spiritual sources including the Bible, the, Liturgy, the *Enchiridion of Indulgences*, the *Saints*, *Church Scholars* and other *Spiritual Writers*. At over 1, 000 pages, this essential volume contains over 1, 400, prayers for every need and occasion. With its blue, imitation leather cover and double ribbons for, place-keeping, this *Saint Joseph People's Prayer Book*, is printed in two-color large type with full color, illustrations. A stellar host of writers explore the cornerstone of fiction writing: character *The Book of Other People* is about character. Twenty-five or so outstanding writers have been asked by Zadie Smith to make up a fictional character. By any measure, creating character is at the heart of the fictional enterprise, and this book concentrates on writers who share a talent for making something recognizably human out of words (and, in the case of the graphic novelists, pictures). But the purpose of the book is variety: straight "realism"-if such a thing exists-is not the point. There are as many ways to create character as there are writers, and this anthology features a rich assortment of exceptional examples. The writers featured in *The Book of Other People* include: Aleksandar Hemon Nick Hornby Hari Kunzru Toby Litt David Mitchell George Saunders Colm Tóibín Chris Ware, and more Read Zadie Smith's newest novel, *Swing Time*. The history of Judaism has for too long been dominated by the theme of antisemitism, reducing Judaism to the recurrent saga of persecution and the struggle for survival. The history of philosemitism provides a

corrective to that abysmal view, a reminder of the venerable religion and people that have been an inspiration for non-Jews as well as Jews. There is a poetic justice - or historic justice - in the fact that England, the first country to expel the Jews in medieval times, has produced the richest literature of philosemitism in modern times. From Cromwell supporting the readmission of the Jews in the 17th century, to Macaulay arguing for the admission of Jews as Members of Parliament in the 19th century, to Churchill urging the recognition of the state of Israel in the 20th, some of England's most eminent writers and statesmen have paid tribute to Jews and Judaism. Their speeches and writing are powerfully resonant today. As are novels by Walter Scott, Disraeli, and George Eliot, which anticipate Zionism well before the emergence of that movement and look forward to the state of Israel, not as a refuge for the persecuted, but as a "homeland" rooted in Jewish history. A recent history of antisemitism in England regrettably observes that English philosemitism is "a past glory." This book may recall England - and not only England - to that past glory and inspire other countries to emulate it. It may also reaffirm Jews in their own faith and aspirations. We live in a world polarized by the ongoing conflict between Muslims, Christians and Jews, but - in an extraordinary narrative spanning fourteen centuries - Zachary Karabell argues that the relationship between Islam and the West has never been simply one of animosity and competition, but has also comprised long periods of cooperation and coexistence. Through a rich tapestry of stories and a compelling cast of characters, *People of the Book* uncovers known history, and forgotten history, as Karabell takes the reader on an extraordinary journey through the Arab and Ottoman empires, the Crusades and the Catholic Reconquista and into the modern era, as he examines the vibrant examples of discord and concord that have existed between these monotheistic faiths. By historical standards, today's fissure between Islam and the West is not exceptional, but because of weapons of mass destruction, that fissure has the potential to undo us more than ever before. This is reason enough to look back and remember that Christians, Jews and Muslims have lived constructively with one another. They have fought and taught each other, and they have learned from one another. Retrieving this forgotten history is a vital ingredient to a more stable, secure world. A novel from the author of 'March' and 'Year of Wonders' takes place in the aftermath of the Bosnian War, as a young book conservator arrives in Sarajevo to restore a lost treasure. A pocket book of spiritual teachings collected from talks given by Stephen, co-founder of The Farm in Tennessee, explaining the common ground of the great religions and how to follow their teachings in order to change oneself and change the world. Includes photographs of The Farm community life in the '70s. A New York Times and Sunday Times bestseller | A New York Times Book Review Editors' Choice Named a best book of the year by The Economist | Financial Times | New Statesman | The Telegraph "[Putin's People] will surely now become the definitive account of the rise of Putin and Putinism." —Anne Applebaum, The Atlantic "This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades." —Peter Frankopan, Financial Times Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In *Putin's People*, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin's Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach—and assembling a colorful cast of characters to match—*Putin's People* is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world. "How to Win Friends and Influence People" is one of the first best-selling self-help books ever published. It can enable you to make friends quickly and

easily, help you to win people to your way of thinking, increase your influence, your prestige, your ability to get things done, as well as enable you to win new clients, new customers. *Twelve Things This Book Will Do For You:* Get you out of a mental rut, give you new thoughts, new visions, new ambitions. Enable you to win new clients, new customers. Increase your earning power. Make you a better salesman, a better executive. Help you to handle complaints, avoid arguments, keep your human contacts smooth and pleasant. Make you a better speaker, a more entertaining conversationalist. Make the principles of psychology easy for you to apply in your daily contacts. Help you to arouse enthusiasm among your associates. Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today. Learn to unlock the potential of your employees and colleagues with this definitive resource for people management *People Strategy: How to Invest in People and Make Culture Your Competitive Advantage* provides readers with a powerful framework in which to develop high-performing teams, increase employee motivation, and use data to build an inviting and effective company culture. Author Jack Altman, cofounder and CEO of Lattice, an award-winning HR and performance management platform, shows you how to: Establish the values that will form the bedrock of your organization Develop feedback processes that help employees feel heard, supported, and equipped to succeed Monitor the breadth and depth of employee engagement in your company Use the data and insights created by your *People Strategy* to drive business results Perfect for executives, managers, and human resource professionals, *People Strategy* also belongs on the bookshelves of anyone with even an interest in how to develop, nurture, and unlock the potential of their employees and colleagues. Despite the recent rapid growth in machine learning and predictive analytics, many of the statistical questions that are faced by researchers and practitioners still involve explaining why something is happening. Regression analysis is the best 'swiss army knife' we have for answering these kinds of questions. This book is a learning resource on inferential statistics and regression analysis. It teaches how to do a wide range of statistical analyses in both R and in Python, ranging from simple hypothesis testing to advanced multivariate modelling. Although it is primarily focused on examples related to the analysis of people and talent, the methods easily transfer to any discipline. The book hits a 'sweet spot' where there is just enough mathematical theory to support a strong understanding of the methods, but with a step-by-step guide and easily reproducible examples and code, so that the methods can be put into practice immediately. This makes the book accessible to a wide readership, from public and private sector analysts and practitioners to students and researchers. Key Features: • 16 accompanying datasets across a wide range of contexts (e.g. academic, corporate, sports, marketing) • Clear step-by-step instructions on executing the analyses. • Clear guidance on how to interpret results. • Primary instruction in R but added sections for Python coders. • Discussion exercises and data exercises for each of the main chapters. • Final chapter of practice material and datasets ideal for class homework or project work. Although the Victorians were awash in texts, the Bible was such a pervasive and dominant presence that they may fittingly be thought of as 'a people of one book'. They habitually read the Bible, quoted it, adopted its phraseology as their own, thought in its categories, and viewed their own lives and experiences through a scriptural lens. This astonishingly deep, relentless, and resonant engagement with the Bible was true across the religious spectrum from Catholics to Unitarians and beyond. The scripture-saturated culture of nineteenth-century England is displayed by Timothy Larsen in a series of lively case studies of representative figures ranging from the Quaker prison reformer Elizabeth Fry to the liberal Anglican pioneer of nursing Florence Nightingale to the Baptist preacher C. H. Spurgeon to the Jewish author Grace Aguilar. Even the agnostic man of science T. H. Huxley and the atheist leaders Charles Bradlaugh and Annie Besant were thoroughly and profoundly preoccupied with the Bible. Serving as a tour of the diversity and variety of nineteenth-century views, Larsen's study presents the distinctive beliefs and practices of all the major Victorian religious and sceptical traditions from Anglo-Catholics to the Salvation Army to Spiritualism, while simultaneously drawing out their

common, shared culture as a people of one book. "A page turner. . .Brooks is a master at bringing the past alive. . .in her skillful hands the issues of the past echo our own deepest concerns: love and loss, drama and tragedy, chaos and brutality." – Alice Hoffman, The Washington Post A rich and utterly absorbing novel about the life of King David, from the Pulitzer Prize-winning author of People of the Book and March. With more than two million copies of her novels sold, New York Times bestselling author Geraldine Brooks has achieved both popular and critical acclaim. Now, Brooks takes on one of literature's richest and most enigmatic figures: a man who shimmers between history and legend. Peeling away the myth to bring David to life in Second Iron Age Israel, Brooks traces the arc of his journey from obscurity to fame, from shepherd to soldier, from hero to traitor, from beloved king to murderous despot and into his remorseful and diminished dotage. The Secret Chord provides new context for some of the best-known episodes of David's life while also focusing on others, even more remarkable and emotionally intense, that have been neglected. We see David through the eyes of those who love him or fear him—from the prophet Natan, voice of his conscience, to his wives Mikhal, Avigail, and Batsheva, and finally to Solomon, the late-born son who redeems his Lear-like old age. Brooks has an uncanny ability to hear and transform characters from history, and this beautifully written, unvarnished saga of faith, desire, family, ambition, betrayal, and power will enthrall her many fans. This title in the acclaimed Kids Book of series offers an in-depth look at the cultures, struggles and triumphs of Canada's first peoples. The author of the "brazenly hilarious, tell-it-like-it-is first novel" (Oprah Daily) Queenie returns with another witty and insightful novel about the power of family—even when they seem like strangers. If you could choose your family...you wouldn't choose the Penningtons. Dimple Pennington knows of her half siblings, but she doesn't really know them. Five people who don't have anything in common except for faint memories of being driven through Brixton in their dad's gold jeep, and some pretty complex abandonment issues. Dimple has bigger things to think about. She's thirty, and her life isn't really going anywhere. An aspiring lifestyle influencer with a terrible and wayward boyfriend, Dimple's life has shrunk to the size of a phone screen. And despite a small but loyal following, she's never felt more alone in her life. That is, until a dramatic event brings her half siblings Nikisha, Danny, Lizzie, and Prynce crashing back into her life. And when they're all forced to reconnect with Cyril Pennington, the absent father they never really knew, things get even more complicated. From an author with "a flair for storytelling that appears effortlessly authentic" (Time), People Person is a vibrant and charming celebration of discovering family as an adult. Speed read people, decipher body language, detect lies, and understand human nature. Is it possible to analyze people without them saying a word? Yes, it is. Learn how to become a "mind reader" and forge deep connections. How to get inside people's heads without them knowing. Read People Like a Book isn't a normal book on body language of facial expressions. Yes, it includes all of those things, as well as new techniques on how to truly detect lies in your everyday life, but this book is more about understanding human psychology and nature. We are who we are because of our experiences and pasts, and this guides our habits and behaviors more than anything else. Parts of this book read like the most interesting and applicable psychology textbook you've ever read. Take a look inside yourself and others! Understand the subtle signals that you are sending out and increase your emotional intelligence. Patrick King is an internationally bestselling author and social skills coach. His writing draws of a variety of sources, from scientific research, academic experience, coaching, and real life experience. Learn the keys to influencing and persuading others. •What people's limbs can tell us about their emotions. •Why lie detecting isn't so reliable when ignoring context. •Diagnosing personality as a means to understanding motivation. •Deducing the most with the least amount of information. •Exactly the kinds of eye contact to use and avoid Find shortcuts to connect quickly and deeply with strangers. The art of reading and analyzing people is truly the art of understanding human nature. Consider it like a cheat code that will allow you to see through people's actions and words. Decode people's thoughts and intentions, and you can go in any direction you want with them. The Paris Review asks: who hasn't survived a tax audit, a snowstorm, a break-up, or presided over a murder? The next addictively clever Paris Review anthology is not a self-help manual; rather it is a wicked elaboration on the human effort to overcome--and instigate--trouble. Throughout these pages you will find men plagued with guilt, women burdened by history, scientists bound by passion, mothers fogged with delusion, and lovers vexed with jealousy. In the theme that encompasses every life, no protagonist--or reader --is exempt. Among those to appear: - Annie

Proulx - Andre Dubus - Norman Rush - Charles Baxter - Wells Tower - Julie Orringer - Elizabeth Gilbert - Ben Okri - Rick Bass NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • "A stunning novel about the transformative power of relationships" (People) from the author of Conversations with Friends, "a master of the literary page-turner" (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for Normal People "[A] novel that demands to be read compulsively, in one sitting."—The Washington Post "Arguably the buzziest novel of the season, Sally Rooney's elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance."—The Wall Street Journal "[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read."—The New Yorker A wealth of information, now in one comprehensive sourcebook. Completely updated for 2013, this eighteenth edition contains more information than ever before, including a new separate section on disability groups, from blind & deaf to dexterity to speech Collects twenty short stories of Jewish science fiction and fantasy from the 2000s, including Eliot Fintushel's "How the Little Rabbi Grew," Neil Gaiman's "The Problem of Susan," Tamar Yellin's "Reuben," and others. With an enduring grasp of human nature, Dale Carnegie's How to Win Friends and Influence People teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's How to Win Friends and Influence People, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library. "Farah wants nothing more than to develop a deeper devotion to her Muslim faith. She sees the month of Ramadan as her chance to draw nearer to Allah, and pursues that goal. All goes well until the prophet Isa--Jesus--appears to her in a dream and calls her to Himself"--Publisher description. There is no other organization whose inner workings are more secretive than the Vatican - the spiritual and physical center - of the Catholic Church. Now, with a dynamic new leader in Pope Francis, all eyes are upon the church, as this immensely popular Pope seeks to bring the church back from the right to center, in what can almost be described as a populist stance, blurring the lines between politics, religion and culture. With topics including women, finance, scandal, and reform at the fore, never before have so many eyes been upon the church in what could be its defining moment for modern times. Now the most respected journalist covering the Vatican and the Catholic Church today, John L. Allen, reveals the inner workings of the Vatican to display the vast machinery, and the man at the helm in a way that no other writer can. The Boston Globe has stated that John L. Allen 'is basically the reporter that bishops and cardinals call to find out what's going on within the confines of the Vatican.' "The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they

endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul." This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. Framed with beautifully designed Talmud-style pages, commentaries from 11 of today's most respected Jewish scholars from all movements of Judaism examine Seder K'riat Hatorah from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. This fourth volume of the series unfolds the many layers of meaning in Seder K'riat Hatorah, the ritual and prayers surrounding the communal reading of Torah. More than any other section of the prayer book, the Torah service reflects all of Jewish history. Vol. 4 helps us to understand how the reading of Torah is an affirmation, powerful and dramatic, of the continuing covenant between the community of Israel and God. Vol. 4--Seder K'riat Hatorah (The Torah Service) features the authentic Hebrew text with a new translation designed to let people know exactly what the prayers say. Introductions tell the reader what to look for in the prayer service, as well as how to truly use the commentaries, to search for--and find--meaning in the prayer book. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Seder K'riat Hatorah. My People's Prayer Book enables all worshipers, of any denomination, to encounter their own connection to 3,000 years of Jewish experience with the world and with God. Contributors include: Marc Brettler * Elliot N. Dorff * David Ellenson * Ellen Frankel * Judith Hauptman * Joel M. Hoffman * Lawrence A. Hoffman * Lawrence Kushner * Daniel Landes * Ruth Langer * Nehemia Polen Build teams, make better decisions, energize groups, and think out of the box Do you need a resource that you can pull out of your pocket to liven up meetings, trainings, professional development, and teaching? The fifty easily applied techniques in this timely manual spur creativity, stimulate energy, keep groups focused, and increase participation. Whether you're teaching classes, facilitating employee training, leading organizational or community meetings, furthering staff and professional development, guiding town halls, or working with congregations, The Discussion Book is your go-to guide for improving any group process. Each of the concrete techniques and exercises is clearly described with guidance on selection and implementation, as well as advice on which pitfalls to avoid. All of the techniques: Offer new ways to engage people and energize groups Get employees, students, colleagues, constituents, and community members to participate more fully in deliberative decision-making Encourage creativity and openness to new perspectives Increase collaboration and build cohesive teams Keep groups focused on important topics and hard-to-address issues Derived from the authors' decades of experience using these exercises with schools, colleges, corporations, the military, social movements, health care organizations, prisons, unions, non-profits, and elsewhere, The Discussion Book will help you guide discussions that matter. Halbertal provides a panoramic survey of Jewish attitudes toward Scripture, provocatively organized around problems of normative and formative authority, with an emphasis on the changing status and functions of Mishnah, Talmud, and Kabbalah.
