*Pride and Prejudice* - Jane Austen (Stage-4) Jun 28 2020 *Pride and Prejudice* tells the story of Mr. and Mrs. Bennets five unmarried daughters after the rich and eligible Mr. Bingley and his status-conscious friend, Mr. Darcy, have moved into their neighbourhood. While Bingley takes an immediate liking to the eldest Bennet daughter, Jane, Darcy has difficulty adapting to local society and repeatedly clashes with the second-eldest Bennet daughter, Elizabeth. Though Austen set the story at the turn of the 19th century, it retains a fascination for modern readers, continuing near the top of lists of most loved books.

*Excerpt: ... CHAPTER X. Elizabeth, as they drove along, watched for the first appearance of Pemberley Woods with some perturbation; and when at length they turned in at the lodge, her spirits were in a high flutter. The park was very large, and contained great variety of ground. They entered it in one of its lowest points, and drove for some time through a beautiful wood stretching over a wide extent. Elizabeth's mind was too full for conversation, but she saw and admired every remarkable spot and point of view. They gradually ascended for half a mile, and then found themselves at the top of a considerable eminence, where the wood ceased, and the eye was instantly caught by Pemberley House, situated on the opposite side of the valley, into which the road with some abruptness wound. It was a large, handsome stone building, standing well on rising ground, and backed by a ridge of high woody hills; and in front a stream of some natural importance was swelled into greater, but without any artificial appearance. Its banks were neither formal nor falsely adorned. Elizabeth was delighted. She had never seen a place for which VOL. *Finding Mr. Darcy* May 20 2022 What if Mr. Darcy and Elizabeth met when they were young? What if Mr. Darcy had an ambitious, cunning uncle? Years ago, Mr. William Oliver was a different man. He was raised to inherit Pemberley, as Fitzwilliam Darcy. The summer of his thirteenth year, he spent his time sneaking off to play games with a girl named Elizabeth, who was visiting her aunt and uncle in Lambton, just miles from his home. But all

that changed one tragic day when the boy's father fell to his death, directly after they'd had a terrible quarrel. His uncle, Simon Darcy, ushered him off, telling him that everyone would believe the boy had killed his own father, and that he must run away and never come back. And so, for ten years, Mr. Oliver has lived another life with another name, as a foundling in London, dependent on the employment of his friend, Charles Bingley. He accepts an invitation to the country with the Bingleys and accompanies them to a public ball. Then he sets eyes on Elizabeth, all grown up. He recognizes her immediately, and he is stunned by her beauty. Also, he is determined that she never reveal who he truly is. This variation adjusts ages to accommodate the idea that Mr. Darcy and Elizabeth could have conceivably been childhood playmates and adds in a few entirely new characters. It could not be termed entirely clean, but there is no consummation until the very end, after our dear couple are happily married.

***Pride and Prejudice* Jan 16 2022 *Pride and Prejudice* is a novel by Jane Austen, first published in 1813. The story charts the emotional development of the protagonist, Elizabeth Bennet, who learns the error of making hasty judgements and comes to appreciate the difference between the superficial and the essential. The comedy of the writing lies in the depiction of manners, education, and marriage and money in the British Regency. Mr Bennet of the Longbourn estate has five daughters, but his property is entailed, meaning that none of the girls can inherit it. Since his wife had no fortune, it is imperative that one of the girls marries well in order to support the others on his death. However, Jane Austen's opening line 'It is a truth universally acknowledged that a single man in possession of a**

good fortune must be in want of a wife' is a sentence filled with irony and playfulness. The novel revolves around the necessity of marrying for love, not simply for mercenary reasons despite the social pressures to make a good (i.e. wealthy) match. PLOT: The novel opens with Mrs Bennet trying to persuade Mr Bennet to visit an eligible bachelor, Mr Bingley, who has arrived in the neighborhood. After some verbal sparring with Mr Bennet baiting his wife, it transpires that this visit has taken place at Netherfield (Mr Bingley's rented house). The visit is followed by an invitation to a ball at the local assembly rooms that the whole neighborhood will attend. At the ball, Mr Bingley is open and cheerful, popular with all the guests, and appears to be very attracted to the beautiful Miss Jane Bennet. His friend, Mr Darcy, is reputed to be twice as wealthy; however, he is haughty and aloof. He declines to dance with Elizabeth, suggesting that she is not pretty enough to tempt him.[2] She finds this amusing and jokes about the statement with her friends. Jane also attracts the attention of Mr Bingley's sister Caroline, who invites her to visit. Jane visits Miss Bingley and is caught in a rain shower on the way, catching a serious cold. Elizabeth, out of genuine concern for her sister's well being, visits her sister there. This is the point at which Darcy begins to see the attraction of Elizabeth, and Miss Bingley is shown to be jealous of Elizabeth since she wants to marry Darcy herself. Mr Collins, a cousin of Mr Bennet and heir to the Longbourn estate, visits the Bennet family. He is a pompous and obsequious clergyman because he expects each of the Bennet girls to wish to marry him due to his inheritance. He plans to propose to Elizabeth over Jane as he is led to believe Jane is taken. Elizabeth and her family meet the dashing and charming Mr Wickham who singles out Elizabeth and tells her a story of the hardship that Mr Darcy has caused him by depriving him of a living (position as clergyman in a prosperous parish with good revenue that once granted, is for life) promised to him by Mr Darcy's late father. Elizabeth's dislike of Mr Darcy is confirmed.[2] At a ball at which Mr Wickham is not present, Elizabeth dances with Mr Darcy rather against her will. Other than Jane and Elizabeth, all the members of the Bennet family show their lack of decorum. Mrs Bennet states loudly that she expects Jane and Bingley to become engaged and each member of the family exposes the whole to ridicule. The following morning, Mr Collins proposes to Elizabeth. She rejects him, to the fury

of her mother and the relief of her father. They receive news that the Bingleys are leaving for London, and that Mr Collins has proposed to Charlotte Lucas, a sensible young woman and Elizabeth's friend. ...Jane Austen ( 16 December 1775 - 18 July 1817) was an English novelist known primarily for her six major novels, which interpret, critique and comment upon the British landed gentry at the end of the 18th century. Austen's plots often explore the dependence of women on marriage in the pursuit of favourable social standing and economic security.

The Originals: *Pride and Prejudice* Oct 13 2021 Charles Bingley, a wealthy young gentleman has arrived at Netherfield. The news causes a stir in the neighbourhood village of Longbourn, especially the Bennet household. With five unmarried daughters—Jane, Elizabeth, Mary, Kitty, and Lydia—Mrs. Bennet is desperate to attend a ball where Mr. Bingley is expected to be present. Mr. Bingley spends most of the evening dancing with Jane, and develops a fondness for her. His close friend, Mr. Darcy, a haughty man, refuses to dance with Jane's sister, Elizabeth. What follows is a period of bittersweet exchanges between the prejudiced Elizabeth and the pretentious Darcy till both realise the limitations of their opinions. A witty comedy first published in 1813, Jane Austen's *Pride and Prejudice*,

originally titled *First Impressions*, remains one of the most popular novels of English literature.

*Pride and Prejudice* Sep 11 2021 The novel centres on Elizabeth Bennet, the second of the five daughters of a country gentleman. Mr Bennet is a bookish man, and somewhat neglectful of his responsibilities. Mrs Bennet is a woman lacking in social graces and primarily concerned with finding suitable husbands for her five daughters. Jane Bennet, the eldest daughter, is distinguished by her kindness and beauty; Elizabeth Bennet shares her father's keen wit and occasionally sarcastic outlook; Mary is not pretty, but is studious, devout and musical albeit lacking in taste; Kitty, the fourth sister, follows where her younger sister leads, while Lydia is flirtatious and unrestrained. The narrative opens with news in the Bennet family that Mr Bingley, a wealthy, charismatic and sociable young bachelor, is moving into Netherfield Park in the neighbourhood. Mr Bingley is soon well received, while his friend Mr Darcy makes a less favourable impression by appearing proud and condescending at a ball that they attend (he detests dancing and is not much for light conversation). Mr Bingley singles out Jane for particular attention, and it soon becomes apparent that they have formed an attachment to each other, though Jane does not alter her conduct for him, confessing her great happiness only to Lizzie. By contrast, Darcy slights Elizabeth, who overhears and jokes about it despite feeling a budding resentment. On paying a visit to Mr Bingley's sister, Caroline, Jane is caught in a heavy downpour, catches cold, and is forced to stay at Netherfield for several days. Elizabeth arrives to nurse her sister and is thrown into frequent company with Mr Darcy, who begins to act less coldly towards her. Mr Collins, a clergyman, and heir to the Bennet estate, pays a visit to the Bennets. Mr Bennet and Elizabeth are much amused by his obsequious veneration of his employer, the noble Lady Catherine de Bourgh, as well as by his self-important and pedantic nature. It soon becomes apparent that Mr Collins has come to Longbourn to choose a wife from among the Bennet sisters (his cousins) and Elizabeth is singled out. She instead forms an acquaintance with Mr Wickham, a militia officer who relates having been very seriously mistreated by Mr Darcy, despite having been a godson and favourite of Darcy's father. This insight and her attraction to Mr Wickham increase Elizabeth's dislike of Mr Darcy. At a ball given by Mr Bingley at Netherfield, Mr Darcy becomes aware of a

general expectation that Mr Bingley and Jane will marry, and the Bennet family, with the exception of Jane and Elizabeth, make a public display of poor manners and decorum. The following morning, Mr Collins proposes marriage to Elizabeth, who refuses him, much to her mother's distress. Mr Collins recovers and promptly becomes engaged to Elizabeth's close friend Charlotte Lucas, a homely woman with few prospects. Mr Bingley abruptly quits Netherfield and returns to London, devastating Jane, and Elizabeth becomes convinced that Mr Darcy and Caroline Bingley have colluded to separate him from Jane.

**A Very Merry Masquerade Aug 30 2020** A festive *Pride and Prejudice* variation novella. Elizabeth Bennet is furious when she discovers Mr. Darcy has removed, with Charles Bingley in tow, to London for Christmas, seeing in it a blatant attempt to undermine the relationship that had begun to flourish between Bingley and her sister. When the Gardiners invite Elizabeth and Jane to stay with them in Gracechurch Street over the festive season, she seizes on the opportunity to repair the damage Darcy has caused and reunite the lovers, little realising her own heart is in danger, and from Darcy himself. Fitzwilliam Darcy acted in the best interest of his friend in preventing an unequal match – or so he thought. Reacquainted with both Jane and Elizabeth Bennet, he is forced to acknowledge his first, hasty assessment of both sisters was utterly false. Can he salvage not only his friend's hopes of future happiness, but his own, before the year is out? This is a regency *Pride and Prejudice* variation novella.

**Pride and Prejudice By Jane Austen Jan 28 2023** *Pride and Prejudice* is an 1813 romantic novel of manners written by Jane Austen. The novel follows the character development of Elizabeth Bennet, the dynamic protagonist of the book who learns about the repercussions of hasty judgments and comes to appreciate the

difference between superficial goodness and actual goodness. Its humor lies in its honest depiction of manners, education, marriage, and money during the Regency era in England. Mr. Bennet of Longbourn estate has five daughters, but his property is entailed and can only be passed to a male heir. His wife also lacks an inheritance, so his family will be destitute upon his death. Thus, it is imperative that at least one of the girls marry well to support the others, which is a motivation that drives the plot. The novel revolves around the importance of marrying for love rather than money or social prestige, despite the communal pressure to make a wealthy match. The novel is set in rural England in the early 19th century. Mrs. Bennet attempts to persuade Mr. Bennet to visit Mr. Bingley, a rich bachelor who recently arrived in the neighborhood. After some verbal sparring with her husband, Mrs. Bennet believes he will not call on Mr. Bingley. Shortly afterward, he visits Netherfield, Mr. Bingley's rented residence, much to Mrs. Bennet's delight. At the ball, we are first introduced to the whole Netherfield party, which consists of Mr. Bingley, his two sisters, the husband of one of his sisters, and Mr. Darcy, his dearest friend. Mr. Bingley's friendly and cheerful manner earns him popularity among the guests. He appears attracted to Jane Bennet (the Bennet's eldest daughter), with whom he dances twice. Mr. Darcy, reputed to be twice as wealthy, is haughty and aloof, causing a decided dislike of him. He declines to dance with Elizabeth (Bennet's second-eldest daughter), stating that she is not attractive enough to tempt him. Elizabeth finds this amusing and jokes about it with her friends. Mr. Collins proposes to Elizabeth. Her father informs her that if she doesn't marry Mr. Collins, her mother will never speak to her again, but if she does marry Mr. Collins, her father will never speak to her again. She rejects Collins, to her mother's fury and her father's relief. Shortly afterward, the Bingleys suddenly depart for London with no plans to return. After Elizabeth's rejection, Mr. Collins proposes to Charlotte Lucas, a sensible young woman and Elizabeth's friend. Charlotte, older (27), is grateful for a proposal that guarantees her a comfortable home and a secure future. Elizabeth is aghast at such pragmatism in matters of love. Meanwhile, a heartbroken Jane visits her aunt and Uncle Gardiner in London. It appears that Mr. Bingley has no intention of resuming their acquaintance. Mr. Bingley and Mr. Darcy return to Netherfield. Bingley proposes to Jane, who accepts. Lady

Catherine, having heard rumors that Elizabeth intends to marry Mr. Darcy, visits Elizabeth and demands she promise never to accept Mr. Darcy's proposal. Elizabeth refuses and the outraged Lady Catherine withdraws after Elizabeth demands she leave for making insulting comments about her family. Darcy, heartened by his aunt's indignant relaying of Elizabeth's response, again proposes to her and is accepted. Elizabeth has difficulty in convincing her father that she is marrying for love, not position and wealth, but Mr. Bennet is finally convinced. Mrs. Bennet is exceedingly happy to learn of her daughter's match to Mr. Darcy and quickly changes her opinion of him. The novel concludes with an overview of the marriages of the three daughters and the great satisfaction of both parents at the fine, happy matches made by Jane and Elizabeth.

*The Plight of the Darcy Brothers* Nov 01 2020 In this lively second installment, the Darcys and Bingleys are plunged into married life and its many accompanying challenges presented by family and friends. With Jane and Elizabeth away, Darcy and Bingley take on the daunting task of managing their two-year-old children. Mary Bennet returns from the Continent pregnant by an Italian student promised to the church; Darcy and Elizabeth travel to find the father, and discover previously unknown—and shocking—Darcy relations. By the time Darcy discovers that there's more than one sibling of questionable birth in the family, the ever-dastardly Wickham arrives on the scene to try to seize the Darcy fortune once and for all.

Charlotte is slightly older and is grateful to receive a proposal that will guarantee her a comfortable home. Elizabeth is aghast at such pragmatism in matters of love. Heartbroken, Jane goes to visit her Aunt and Uncle Gardiner at an unfashionable address in London. Miss Bingley clearly does not want to continue the friendship and Jane is upset though very composed. In the spring, Elizabeth visits Charlotte and Mr. Collins in Kent. Elizabeth and her hosts are invited to Rosings Park, the imposing home of Lady Catherine de Bourgh, patroness of Mr. Collins and Mr. Darcy's extremely wealthy aunt. She expects Mr. Darcy to marry her daughter. Mr. Darcy and his cousin, Colonel Fitzwilliam, are also visiting at Rosings Park. Colonel Fitzwilliam tells Elizabeth how Mr. Darcy managed to save a friend from a bad match. Elizabeth realizes the story must refer to Jane and is horrified that Darcy has interfered

and caused her sister so much pain. Mr. Darcy, meanwhile, has fallen in love with Elizabeth and proposes to her. She rejects him angrily, stating that she could not love a man who has caused her sister such unhappiness and further accuses him of treating Mr. Wickham unjustly. The latter accusation seems to anger Mr. Darcy, and he accuses her family of wanting propriety and suggests he has been kinder to Bingley than himself. They part, barely speaking.

*Pride and Prejudice* Mar 25 2020 *Pride and prejudice* : a novel, By Jane Austen complete in the volume *Pride and Prejudice* is a novel of manners by Jane Austen, first published in 1813. The story follows the main character, Elizabeth Bennet, as she deals with issues of manners, upbringing, morality, education, and marriage in the society of the landed gentry of the British Regency. Elizabeth is the second of five daughters of a country gentleman, Mr. Bennet, living in Longbourn. Page 2 of a letter from Jane Austen to her sister Cassandra (11 June 1799) in which she first mentions *Pride and Prejudice*, using its working title *First Impressions*. (NLA) Set in England in the late 18th century, *Pride and Prejudice* tells the story of Mr. and Mrs. Bennet's five unmarried daughters after two gentlemen have moved into their neighbourhood: the rich and eligible Mr. Bingley, and his status-conscious friend, the even more rich and eligible Mr. Darcy. While Bingley takes an immediate liking to the eldest Bennet daughter, Jane, Darcy is disdainful of local society and repeatedly clashes with the Bennets' lively second daughter, Elizabeth. *Pride and Prejudice* retains a fascination for modern readers, continuing near the top of lists of "most loved books". It has become one of the most popular novels in English

literature, selling over 20 million copies, and receives considerable attention from literary scholars. Likewise, it has paved the way for archetypes that abound in many contemporary literature of our time. Modern interest in the book has resulted in a number of dramatic adaptations and an abundance of novels and stories imitating Austen's memorable characters or themes. The novel centres on Elizabeth Bennet, the second of the five daughters of a landed country gentleman. Elizabeth's father, Mr. Bennet, is a bookish man and somewhat neglectful of his responsibilities. In contrast Elizabeth's mother, Mrs. Bennet, a woman who lacks social graces, is primarily concerned with finding suitable husbands for her five daughters, who will inherit little or nothing from their father due to primogeniture laws. Jane Bennet, the eldest daughter, is distinguished by her kindness and beauty; Elizabeth Bennet shares her father's keen wit and occasionally sarcastic outlook; Mary is studious, devout and musical albeit lacking in taste; Catherine, sometimes called Kitty, the fourth sister, follows where her younger sister leads while Lydia is flirtatious and lacks maturity. The narrative opens with news in the Bennet family that Mr. Bingley, a wealthy, charismatic and sociable young bachelor, is moving into Netherfield Park in the neighbourhood. Mr. Bingley is soon well received while his friend Mr. Darcy makes a less favourable impression by appearing proud and condescending at a ball that they attend (he detests dancing and is not one for light conversation). Mr. Bingley singles out Jane for particular attention, and it soon becomes apparent that they have formed an attachment to each other. While Jane does not alter her conduct for him, she confesses her great happiness only to Lizzie. By contrast, Darcy slights Elizabeth, who overhears and jokes about it despite feeling a budding resentment. Upon paying a visit to Mr. Bingley's sister, Caroline, Jane is caught in a heavy downpour, catching cold, and is forced to stay at Netherfield for several days. Elizabeth arrives to nurse her sister and is thrown into frequent company with Mr. Darcy, who begins to act less coldly towards her. Mr. Collins, a clergyman and heir to Longbourn, the Bennet estate, pays a visit to the Bennets. Mr. Bennet and Elizabeth are much amused by his obsequious veneration of his employer, the noble Lady Catherine de Bourgh, as well as by his self-important and pedantic nature. It soon becomes apparent that Mr. Collins proposes marriage to Elizabeth, who refuses him, much to her mother's

distress. Mr. Collins recovers and promptly becomes engaged to Elizabeth's close friend Charlotte Lucas, a homely woman with few prospects.

*Pride and Prejudice* By Jane Austen Nov 25 2022 *Pride and Prejudice* is an 1813 romantic novel of manners written by Jane Austen. The novel follows the character development of Elizabeth Bennet, the dynamic protagonist of the book who learns about the repercussions of hasty judgments and comes to appreciate the difference between superficial goodness and actual goodness. Its humor lies in its honest depiction of manners, education, marriage, and money during the Regency era in England. Mr. Bennet of Longbourn estate has five daughters, but his property is entailed and can only be passed to a male heir. His wife also lacks an inheritance, so his family will be destitute upon his death. Thus, it is imperative that at least one of the girls marry well to support the others, which is a motivation that drives the plot. The novel revolves around the importance of marrying for love rather than money or social prestige, despite the communal pressure to make a wealthy match. The novel is set in rural England in the early 19th century. Mrs. Bennet attempts to persuade Mr. Bennet to visit Mr. Bingley, a rich bachelor who recently arrived in the neighborhood. After some verbal sparring with her husband, Mrs. Bennet believes he will not call on Mr. Bingley. are first introduced to the whole Netherfield party, which consists of Mr. Bingley, his two sisters, the husband of one of his sisters, and Mr. Darcy, his dearest friend. Mr. Bingley's friendly and cheerful manner earns him popularity among the guests. He appears attracted to Jane Bennet (the Bennet's eldest daughter), with whom he dances twice. Mr. Darcy, reputed to be twice as wealthy, is haughty and aloof, causing a decided dislike of him. He declines to dance with Elizabeth (Bennet's second-eldest daughter), stating that she is not attractive enough to tempt him. Elizabeth finds this amusing and jokes about it with her friends. Mr. Collins proposes to Elizabeth. Her father informs her that if she doesn't marry Mr. Collins, her mother will never speak to her again, but if she does marry Mr. Collins, her father will never speak to her again. She rejects Collins, to her mother's fury and her father's relief. Shortly afterward, the Bingleys suddenly depart for London with no plans to return. After Elizabeth's rejection, Mr. Collins proposes to Charlotte Lucas, a sensible young woman and Elizabeth's friend. Charlotte, older (27), is grateful for a proposal that guarantees her a comfortable home and a secure future. Elizabeth is aghast at such pragmatism in matters of love. Meanwhile, a heartbroken Jane visits her aunt and Uncle Gardiner in London. It appears that Mr. Bingley has no intention of resuming their acquaintance. Mr. Bingley and Mr. Darcy return to Netherfield. Bingley proposes to Jane, who accepts. Lady Catherine, having heard rumors that Elizabeth intends to marry Mr. Darcy, visits Elizabeth and demands she promise never to accept Mr. Darcy's proposal. Elizabeth refuses and the outraged Lady Catherine withdraws after Elizabeth demands she leave for making insulting comments about her family. Darcy, heartened by his aunt's indignant relaying of Elizabeth's response, again proposes to her and is accepted. Elizabeth has difficulty in convincing her father that she is marrying for love, not position and wealth, but Mr. Bennet is finally convinced. Mrs. Bennet is exceedingly happy to learn of her daughter's match to Mr. Darcy and quickly changes her opinion of him. The novel concludes with an overview of the marriages of the three daughters and the great satisfaction of both parents at the fine, happy matches made by Jane and Elizabeth.
